AMENDED IN ASSEMBLY APRIL 23, 2012

CALIFORNIA LEGISLATURE—2011–12 REGULAR SESSION

ASSEMBLY BILL

No. 1684

Introduced by Assembly Member Eng
(Principal coauthor: Senator Yee)

February 14, 2012

~~An act to add Section 70903 to the Education Code, relating to the California Community Colleges.~~

LEGISLATIVE COUNSEL'S DIGEST

AB 1684, as amended, Eng. California Community Colleges: chancellor *and president* compensation.

Existing law establishes the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, as one of the segments of public postsecondary education in this state. Existing law establishes community college districts, administered by a governing board, throughout the state, ~~and authorizes these districts to, by majority vote, adopt a rule delegating power to the district's chief executive officer.~~

~~This bill would prohibit the compensation, as defined, of a chancellor of a community college district, as defined, from exceeding 2 times the faculty compensation, as defined, of the most highly compensated faculty member in the community college district. The bill would apply this prohibition only to chancellors of community college districts who enter into or renew a contract for employment with the California Community Colleges on or after January 1, 2013. The bill would require a community college district to report the compensation of the chancellor~~

~~of that district to the Office of the Chancellor of the California Community Colleges, and would require community college districts and the Office of the Chancellor to provide that information on their Internet Web sites, as specified.~~

~~By requiring community college districts to report that information and provide it on their Internet Web sites, the bill would impose a state-mandated local program.~~

~~The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions:~~

This bill would require the Legislative Analyst’s Office to conduct a study to evaluate the compensation, as defined, of the chancellors and presidents of the California Community Colleges’ districts and campuses, as specified. The bill would require the Legislative Analyst’s Office to report the study to specified committees of the Legislature by January 1, 2014.

Vote: majority. Appropriation: no. Fiscal committee: ~~yes-no~~. State-mandated local program: ~~yes-no~~.
