An act to add Sections 951.5 and 955 to the Military and Veterans Code, relating to veteran interment.

LEGISLATIVE COUNSEL'S DIGEST

AB 1806, as amended, Cook. Veteran interment: veterans' remains organizations.

Existing law authorizes a cemetery authority, cemetery corporation or association, or other entity in possession of the cremated remains of a veteran or dependent of a veteran to release the remains to a veterans' remains organization, as defined, for interment after specified conditions are met, including possession of the remains for at least one year.

This bill would require the public administrator of a county to make every reasonable effort to determine if the unclaimed remains of a decedent referred to the public administrator belong to a veteran or the dependent of a veteran. The bill would require the public administrator to work with specified entities, including the county veteran service

officer, to determine if the remains belong to a veteran or the dependent of a veteran. The bill would require a county veteran service officer who determines that unclaimed remains are those of a veteran or dependent of a veteran, and that the remains meet the criteria for interment by a veterans’ remains organization to report specified information to the Department of Veterans Affairs. This bill would require the department to maintain a list of those unclaimed remains, and make that list available to veterans’ remains organizations by phone or in person. By increasing the duties of counties, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
 State-mandated local program: yes.

*The people of the State of California do enact as follows:*

- 1 SECTION 1. This act shall be known, and may be cited, as the
- 2 Burial with Honor Act of 2012.
- 3 SEC. 2. Section 951.5 is added to the Military and Veterans
- 4 Code, to read:
- 5 951.5. The public administrator of the county shall make every
- 6 reasonable effort to determine if the unclaimed remains of a
- 7 decedent referred to the public administrator belong to a veteran
- 8 or the dependent of a veteran. If there is reason to believe that the
- 9 remains belong to a veteran or the dependent of a veteran, the
- 10 public administrator shall work with the county veteran service
- 11 officer, a national veterans cemetery, the United States Social
- 12 Security Administration, the United States Department of Veterans
- 13 Affairs, or other applicable entity to determine if the remains
- 14 belong to a veteran or the dependent of a veteran.
- 15 SEC. 3. Section 955 is added to the Military and Veterans
- 16 Code, to read:
- 17 955. (a) (1) A county veteran service officer that determines,
- 18 pursuant to Section 951.5, that unclaimed remains are those of a

1 veteran or dependent of a veteran, and that the remains meet the  
2 criteria for interment by a veterans' remains organization pursuant  
3 to Section 952, shall report the following information to the  
4 Department of Veterans Affairs:

5 (A) The name, rank, and branch of service of the deceased or,

7 deceased and the name, rank, and branch of service of the eligible  
8 veteran.

9 (B) Dates of service.

10 (C) Location of the remains and a telephone number and name  
11 for the contact at that location.

12 (2) If, pursuant to Section 951.5, the public administrator of a  
13 county determines, without the involvement of the county veteran  
14 service officer, that the remains belong to a veteran or dependent  
15 of a veteran, the public administrator shall report this information  
16 to the county veteran service officer. Following this report, the  
17 county veteran service officer shall follow the reporting procedures  
18 described in paragraph (1).

19 (b) The Department of Veterans Affairs shall create and maintain  
20 a list of veterans and dependents of veterans whose remains are

27 pursuant to Part 7 (commencing with Section 17500) of Division  
28 4 of Title 2 of the Government Code.
