An act to amend Section ~~8200~~ 53395.4 of the Government Code, relating to ~~notaries infrastructure financing districts~~.

LEGISLATIVE COUNSEL'S DIGEST

AB 1827, as amended, Bonilla. Notaries.

Existing law authorizes a city, county, or city and county to establish infrastructure financing districts for the sole purpose of financing public facilities utilizing incremental property tax revenues. A district may not include a redevelopment project area and a redevelopment project area may not include any portion of a district.

This bill would authorize a district, notwithstanding the exclusion of a redevelopment project area, to include any portion of a redevelopment project area if that project area is located on a former military base.

~~Existing law authorizes the Secretary of State to appoint and commission notaries public in such number as the secretary deems necessary for the public convenience.~~

~~This bill would make technical, nonsubstantive changes to this provision.~~

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~-yes.
State-mandated local program: no.
