

ASSEMBLY BILL

No. 1853

Introduced by Assembly Member Bonilla

February 22, 2012

An act to amend Section 8007 of the Education Code, relating to career technical education.

LEGISLATIVE COUNSEL'S DIGEST

AB 1853, as introduced, Bonilla. Career technical education: reports.

Existing law requires the State Department of Education and the Board of Governors of the California Community Colleges to submit to the Legislature an annual descriptive report containing information on career technical education and technical training programs and an annual individual program evaluation containing specified information on program effectiveness.

This bill would make a technical, nonsubstantive change to this provision.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 8007 of the Education Code is amended
- 2 to read:
- 3 8007. ~~The State Department of Education~~ *department* and the
- 4 Board of Governors of the California Community Colleges shall
- 5 submit the following reports each year to the Legislature:
- 6 (a) An annual descriptive report containing information on
- 7 career technical education and technical training programs,

1 including regional occupational centers and programs. The report
2 shall be coordinated with federal evaluation requirements pursuant
3 to Section 113 of Title I of the Carl D. Perkins Vocational and
4 Technical Education Act of 1998 (P.L. 105-332; 20 U.S.C. Sec.
5 2323) and shall contain all of the following:

6 (1) Enrollment defined in terms of secondary pupils,
7 postsecondary students, and adults.

8 (2) The number of graduates of programs and students
9 participating in career technical education.

10 (3) The number of pupils participating in career technical
11 education.

12 (4) The number of pupils completing a specific career technical
13 education program.

14 (5) The number of pupils in grade 12 that complete a career
15 technical education program.

16 (6) The number of pupils in grade 12 that complete a career
17 technical education program and earn a high school diploma.

18 (b) An annual individual program evaluation derived from a
19 representative sample of participating districts and schools
20 containing information on program effectiveness as measured by:

21 (1) The extent to which persons who complete the program find
22 employment in occupations related to their training.

23 (2) Other factors as determined in Budget Act language pursuant
24 to Section 33404.

25 (c) A copy of the annual state plan for career technical education.
