### CHAPTER 122

An act to amend Section 1596.792 of the Health and Safety Code, relating to child care.

[Approved by Governor July 13, 2012. Filed with  
Secretary of State July 13, 2012.]

#### LEGISLATIVE COUNSEL'S DIGEST

AB 1991, Smyth. Child care: exemption from licensure: public recreation programs.

Existing law, the California Child Day Care Facilities Act, prescribes licensure requirements for the operation of child day care facilities, day care centers, and family day care homes. The act exempts specified facilities and arrangements, including public recreation programs that meet certain criteria, from its provisions. Existing law exempts a public recreation program operated as prescribed for kindergarten and grades 1 to 12, inclusive, that operates less than 16 hours per week and for a total of 12 weeks or less during a 12-month period.

This bill would exempt from licensure a public recreation program operated as prescribed for kindergarten and grades 1 to 12, inclusive, that operates less than 20 hours per week and for a total of 14 weeks or less during a 12-month period.

*The people of the State of California do enact as follows:*

SECTION 1. Section 1596.792 of the Health and Safety Code, as amended by Section 4 of Chapter 519 of the Statutes of 2010, is amended to read:

1596.792. This chapter, Chapter 3.5 (commencing with Section 1596.90), and Chapter 3.6 (commencing with Section 1597.30) do not apply to any of the following:

- (a) Any health facility, as defined by Section 1250.
- (b) Any clinic, as defined by Section 1202.
- (c) Any community care facility, as defined by Section 1502.
- (d) Any family day care home providing care for the children of only one family in addition to the operator's own children.
- (e) Any cooperative arrangement between parents for the care of their children when no payment is involved and the arrangement meets all of the following conditions:

(1) In a cooperative arrangement, parents shall combine their efforts so that each parent, or set of parents, rotates as the responsible caregiver with respect to all the children in the cooperative.

(2) Any person caring for children shall be a parent, legal guardian, stepparent, grandparent, aunt, uncle, or adult sibling of at least one of the children in the cooperative.

(3) There can be no payment of money or receipt of in-kind income in exchange for the provision of care. This does not prohibit in-kind contributions of snacks, games, toys, blankets for napping, pillows, and other materials parents deem appropriate for their children. It is not the intent of this paragraph to prohibit payment for outside activities, the amount of which may not exceed the actual cost of the activity.

(4) No more than 12 children are receiving care in the same place at the same time.

(f) Any arrangement for the receiving and care of children by a relative.

(g) Any public recreation program. “Public recreation program” means a program operated by the state, city, county, special district, school district, community college district, chartered city, or chartered city and county that meets either of the following criteria:

(1) The program is operated only during hours other than normal school hours for kindergarten and grades 1 to 12, inclusive, in the public school district where the program is located, or operated only during periods when students in kindergarten and grades 1 to 12, inclusive, are normally not in session in the public school district where the program is located, for either of the following periods:

(A) For under 20 hours per week.

(B) For a total of 14 weeks or less during a 12-month period. This total applies to any 14 weeks within any 12-month period, without regard to whether the weeks are consecutive.

In determining “normal school hours” or periods when students are “normally not in session,” the State Department of Social Services shall, when appropriate, consider the normal school hours or periods when students are normally not in session for students attending a year-round school.

(2) The program is provided to children who are over the age of four years and nine months and not yet enrolled in school and the program is operated during either of the following periods:

(A) For under 16 hours per week.

(3) The program is provided to children under the age of four years and nine months with sessions that run 12 hours per week or less and are 12 weeks or less in duration. A program subject to this paragraph may permit children to be enrolled in consecutive sessions throughout the year. However, the program shall not permit children to be enrolled in a combination of sessions that total more than 12 hours per week for each child.

(h) Extended day care programs operated by public or private schools.

(i) Any school parenting program or adult education child care program that satisfies both of the following:

(l) Any program that provides activities for children of an instructional nature in a classroom-like setting and satisfies both of the following:

(1) Is operated only during periods of the year when students in kindergarten and grades 1 to 12, inclusive, are normally not in session in the public school district where the program is located due to regularly scheduled vacations.

(2) Offers any number of sessions during the period specified in paragraph (1) that when added together do not exceed a total of 30 days when only schoolage children are enrolled in the program or 15 days when children younger than schoolage are enrolled in the program.

(m) A program facility administered by the Department of Corrections and Rehabilitation that (1) houses both women and their children, and (2) is specifically designated for the purpose of providing substance abuse treatment and maintaining and strengthening the family unit pursuant to Chapter 4 (commencing with Section 3410) of Title 2 of Part 3 of the Penal Code, or Chapter 4.8 (commencing with Section 1174) of Title 7 of Part 2 of that code.

(n) Any crisis nursery, as defined in subdivision (a) of Section 1516.
