

ASSEMBLY BILL

No. 2085

Introduced by Assembly Member Buchanan

February 23, 2012

An act to amend Section 15276 of the Education Code, relating to school bonds.

LEGISLATIVE COUNSEL'S DIGEST

AB 2085, as introduced, Buchanan. School bonds: county offices of education.

Existing law authorizes the governing board of a school district, community college district, or school facilities improvement district, pursuant to a $\frac{2}{3}$ vote of the governing board, to pursue the authorization and issuance of bonds by a 55% vote of the electorate, subject to certain additional requirements. Existing law prohibits a county board of education from ordering an election to determine whether bonds may be issued under these provisions to raise funds for a county office of education.

This bill would make nonsubstantive changes to the latter provision.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:
