CALIFORNIA LEGISLATURE—2011–12 REGULAR SESSION

ASSEMBLY BILL

No. 2189

Introduced by Assembly Member Skinner

February 23, 2012

An act to add Section 1936.5 to the Civil Code, and to amend Section 14608 of the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

AB 2189, as amended, Skinner. Vehicles: rentals: driver's licenses.

Existing law prohibits a person from renting a motor vehicle to another unless the person to whom the vehicle is rented is a validly licensed driver, as specified, and the person renting to that driver has inspected the person's driver's license and compared the signature on the license with the signature of the driver written in his or her presence.

This bill would delete the requirement that the signature of the driver be written in his or her presence and would allow the person renting the vehicle to instead compare the photograph on the driver's license of the person with the person to whom the vehicle is to be rented.

The bill would also exempt, a "rental company," as defined, from these requirements when entering into a rental transaction ~~in which for~~ a vehicle that *is located remotely*, is part of a regional fleet, *and* is available to be rented *through a membership agreement* electronically on either an hourly or daily basis.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 1936.5 is added to the Civil Code, to
2 read:

3 1936.5. A “rental company” as defined in paragraph (1) of

6 transaction ~~in which~~ *for* a vehicle that *is located remotely*, is part
7 of a regional fleet, *and* is available to be rented *through a*
8 *membership agreement* electronically on either an hourly or daily
9 basis.
