An act to add Section 1936.5 to the Civil Code, and to amend ~~Section 14608~~ Sections 12801 and 14608 of, and to add Section 12801.6 to, the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

AB 2189, as amended, ~~Skinner Cedillo. Vehicles: rentals: driver's licenses. Vehicles: driver's licenses.~~

(1) Existing law requires the Department of Motor Vehicles to issue driver's licenses to applicants who meet specified criteria and provide

the department with the required information. Existing law requires the department to establish that the applicant’s presence in the United States is authorized under federal law.

Under existing federal law, the Secretary of the Department of Homeland Security has issued a directive allowing certain undocumented individuals who meet several key criteria for relief from removal from the United States or from entering into removal proceedings to be eligible to receive deferred action for a period of 2 years, subject to renewal, and who will be eligible to apply for work authorization.

This bill would allow persons who provide satisfactory proof, as described, that their presence in the United States is authorized under federal law, but who are not eligible for a social security account number, to receive an original driver’s license from the Department of Motor Vehicles if they meet all other qualifications for licensure.

Existing

(2) *Existing law prohibits a person from renting a motor vehicle to another unless the person to whom the vehicle is rented is a validly licensed driver, as specified, and the person renting to that driver has inspected the person’s driver’s license and compared the signature on the license with the signature of the driver written in his or her presence.*

This bill would delete the requirement that the signature of the driver be written in his or her presence and would allow the person renting the vehicle to instead compare the photograph on the driver’s license of the person with the person to whom the vehicle is to be rented.

The bill would also exempt, a “rental company,” as defined, from these requirements if the rental is subject to the terms of a membership agreement that allows the renter to gain physical access to a car without a key through use of a code, key card, or by other means that allow the car to be accessed at a remote location or at a business location of the rental company outside of that location’s regular hours of operation.

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~ yes. State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 1936.5 is added to the Civil Code, to
- 2 read:
