AMENDED IN ASSEMBLY MARCH 29, 2012
CALIFORNIA LEGISLATURE—2011–12 REGULAR SESSION

ASSEMBLY BILL

No. 2280

Introduced by Assembly Member Lara

February 24, 2012

An act to add Section 123327 to the Health and Safety Code, relating to public social services.

LEGISLATIVE COUNSEL'S DIGEST

AB 2280, as amended, Lara. California Special Supplemental Food Program for Women, Infants, and Children.

Existing law, the California Special Supplemental Food Program for Women, Infants, and Children (WIC Program), administered by the State Department of Public Health, provides for the issuance of nutrition coupons, as defined, to certain low-income women, infants, and children who have been determined to be at nutritional risk. The WIC Program, which implements a program authorized under existing federal law, provides for the redemption of nutrition coupons by recipients at any authorized retail food vendor. Existing law provides that a vendor or any person who, among other things, knowingly redeems coupons in excess of the price charged other customers is subject to specified sanctions.

This bill would require the department, within 30 days, to provide written notice, as prescribed, to a vendor if the department determines that the vendor has committed an initial violation for which a pattern of the violation must be established to impose a sanction. This bill would require the notice to be delivered to the vendor before the

department conducts a second investigation for purposes of establishing a pattern of the violation, *unless the department determines, as specified, that notifying the vendor would compromise an investigation.*

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:
