An act to amend Section 32121.9 of the Health and Safety Code, relating to health districts.

LEGISLATIVE COUNSEL'S DIGEST

AB 2418, as introduced, Gordon. Health districts: reporting.

Existing law, the Local Health Care District Law, requires a local health care district that leases or transfers its assets to a corporation in accordance with specified provisions to act as an advocate for the community to the operating corporation, and to annually report to the community on the progress made in meeting the community's health needs.

This bill would require the annual report to include percentages of district revenues spent on district administration and on health care activities.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*
