CALIFORNIA LEGISLATURE—2011–12 REGULAR SESSION

ASSEMBLY BILL

No. 2493

Introduced by Assembly Member Roger Hernández

February 24, 2012

An act to amend Sections 11435.30 and 11435.35 of the Government Code, relating to workers' compensation.

LEGISLATIVE COUNSEL'S DIGEST

AB 2493, as amended, Roger Hernández. Workers' compensation: administrative hearings and medical examinations and treatments: interpreters.

Existing law requires certain state agencies, including the Workers' Compensation Appeals Board, to provide language assistance in adjudicative proceedings. Existing law requires the State Personnel Board to establish, maintain, administer, and publish annually for these purposes an updated list of certified administrative hearing interpreters and medical examination interpreters it has determined meet certain minimum standards.

This bill would also authorize the Administrative Director of the Division of Workers' Compensation or an independent organization designated by the administrative director to establish, maintain, administer, and publish annually an updated list of certified administrative hearing interpreters it has determined meet certain minimum standards, for purposes of administrative hearings and medical examinations conducted in connection with ~~worker's~~ *workers'* compensation and appeals to the Worker's Compensation Appeals Board. *This bill would require a reasonable fee to be collected from each interpreter seeking certification, to cover the reasonable regulatory*

costs of administering the program. This bill would require the administrative director, if he or she elects not to administer the program, to contract with an independent organization to conduct testing and to certify the qualifications of administrative hearing and medical examination interpreters.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
