CALIFORNIA LEGISLATURE—2011–12 REGULAR SESSION

ASSEMBLY BILL

No. 2531

Introduced by Assembly Member Allen

February 24, 2012

An act to add Section 7295 to the Welfare and Institutions Code, relating to mental health.

LEGISLATIVE COUNSEL'S DIGEST

AB 2531, as amended, Allen. State hospitals: prohibited items.

Existing law provides for state mental hospitals for the treatment of mentally disordered persons. Existing law places these hospitals under the jurisdiction of the State Department of Mental Health, and authorizes the department to adopt uniform rules and regulations regarding the conduct and management of these facilities, including prohibiting patients from possessing certain items. Existing law requires the hospital director to be responsible for the overall management of the hospital, and authorizes the hospital director to establish rules and regulations, as specified, concerning the care and treatment of patients, research, clinical training, and for the government of the hospital buildings and grounds.

This bill would authorize a state hospital under the jurisdiction of the State Department of Mental Health to develop a list of items that are deemed contraband and prohibited on hospital grounds. This bill would require the hospital to form a contraband committee, as prescribed, to develop the list of contraband items, and would require the list to be subject to review and approval by the director, or his or her designee, and updated no less often than every 6 months. *This bill would require the hospital to post the list on its Internet Web site.* This bill would

authorize the hospital and the department to implement, interpret, and make specific these provisions without taking regulatory action.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
