CALIFORNIA LEGISLATURE—2011–12 REGULAR SESSION

ASSEMBLY BILL

No. 2567

Introduced by Assembly Member Carter

February 24, 2012

An act to amend Section 53756 of the Government Code, relating to local government.

LEGISLATIVE COUNSEL'S DIGEST

AB 2567, as amended, Carter. Sewer collection agency: schedule of fees.

Articles XIII C and XIII D of the California Constitution generally require that assessments, fees, and charges be submitted to property owners for approval or rejection after the provision of written notice and the holding of a public hearing. Existing law, the Proposition 218 Omnibus Implementation Act, prescribes specific procedures and parameters for local jurisdictions to comply with Articles XIII C and XIII D of the California Constitution. Existing law establishes notice, protest, and hearing procedures for the levying of new or increased fees and charges by local government agencies pursuant to Articles XIII C and XIII D of the California Constitution. Existing law authorizes an agency that provides water, sewer, or refuse collection service to adopt a schedule of fees or charges authorizing automatic adjustments that pass through increases in wholesale charges for water or adjustments for inflation, if that agency complies with specified procedures.

This bill would additionally authorize an agency that provides wastewater collection service to adopt a schedule of fees or charges, as

specified. ~~This~~ *The* bill would also authorize an agency that provides water, wastewater, sewer, or refuse collection service to adopt a schedule of fees or charges authorizing automatic adjustments that pass through increases in *wholesale charges for sewage treatment or wastewater treatment*, if that agency complies with specified procedures.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

1 SECTION 1. Section 53756 of the Government Code is
2 amended to read:

3 53756. An agency providing water, wastewater, sewer, or refuse

14 inflation. Any inflation adjustment to a fee or charge for a
15 property-related service shall not exceed the cost of providing that
16 service.

17 (c) The schedule of fees or charges for an agency that purchases
18 wholesale water, *sewage treatment*, or wastewater treatment from
19 a public agency may provide for automatic adjustments that pass
20 through the adopted increases or decreases in the wholesale charges
21 for water, *sewage treatment*, or wastewater treatment established
22 by the other agency.

23 (d) Notice of any adjustment pursuant to the schedule shall be
24 given pursuant to subdivision (a) of Section 53755, not less than
