

ASSEMBLY BILL

No. 2572

Introduced by Assembly Member Furutani

February 24, 2012

An act to amend Section 72031 of the Education Code, relating to community colleges.

LEGISLATIVE COUNSEL'S DIGEST

AB 2572, as introduced, Furutani. Los Angeles Community College District: governing board elections.

Existing law establishes the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, as one of the segments of public postsecondary education in this state. Existing law establishes community college districts, administered by a governing board, throughout the state. Existing law requires members of the governing board of the Los Angeles Community College District to be elected at large in a manner established by specified law.

This bill would require members of the governing board of the Los Angeles Community College District to be elected at large by individual seat number, and, commencing with the 2013 regular election, would require the candidate with the highest number of votes for an individual seat number to be deemed the candidate elected for that individual seat number. To the extent the bill would place additional requirements on the Los Angeles Community College District, the bill would impose a state-mandated local program.

This bill would make legislative findings and declarations as to the necessity of a special statute for the Los Angeles Community College District.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:
