CHAPTER _____

An act to amend Section 76300 of the Education Code, relating to Section 3.94 of the Budget Act of 2011, making an appropriation therefor, to take effect immediately, bill related to the budget.

LEGISLATIVE COUNSEL'S DIGEST

SB 6, Committee on Budget and Fiscal Review. Budget Act of 2011: Director of Finance: reductions.

(1) Existing law requires the Legislature to pass a Budget Bill making appropriations for the support of state government for the ensuing fiscal year. The Budget Act of 2011 requires the Director of Finance to forecast General Fund revenues for the 2011–12 fiscal year by December 15, 2011, and to determine whether that revenue forecast or the Legislative Analyst's November 2011 General Fund revenue forecast is higher. The Director of Finance is required to make reductions to specified items of appropriation if the higher revenue forecast is less than \$87,452,500,000 and to make additional reductions to specified items of appropriation if the higher revenue forecast is less than \$86,452,500,000.

This bill would require the director to meet specified requirements if the director proposes to reduce an item of appropriation pursuant to these provisions.

(2) Existing law requires the governing board of each community college district to charge each student a fee, and sets that fee at \$36 per unit per semester, effective with the fall term of the 2011–12 academic year. Existing law repeals these provisions January 1, 2012, as specified.

This bill instead would repeal these provisions May 1, 2012, as specified.

(3) Existing law requires this fee to be raised to \$46 per unit per semester, effective with the winter term of the 2011–12 academic year, if the Director of Finance reduces specified appropriations as described above. These provisions become operative January 1, 2012, as specified.

This bill would specify that the raising of this fee to \$46 per unit per semester would occur effective with the summer term of the 2012 calendar year. This bill would make this provision operative

May 1, 2012, as specified. The bill would provide a statement of legislative intent relating to this delay in the fee increase.

(4) The bill would appropriate \$1,000 from the General Fund to the Board of Governors of the California Community Colleges for general operation costs of the board.

(5) The California Constitution authorizes the Governor to declare a fiscal emergency and to call the Legislature into special session for that purpose. Governor Schwarzenegger issued a proclamation declaring a fiscal emergency, and calling a special session for this purpose, on December 6, 2010. Governor Brown issued a proclamation on January 20, 2011, declaring and reaffirming that a fiscal emergency exists and stating that his proclamation supersedes the earlier proclamation for purposes of that constitutional provision.

This bill would state that it addresses the fiscal emergency declared and reaffirmed by the Governor by proclamation issued on January 20, 2011, pursuant to the California Constitution.

(6) This bill would declare that it is to take effect immediately as a bill providing for appropriations related to the Budget Bill.

Appropriation: yes.

The people of the State of California do enact as follows:

SECTION 1. Section 76300 of the Education Code, as amended by Section 1 of Chapter 135 of the Statutes of 2011, is amended to read:

76300. (a) The governing board of each community college district shall charge each student a fee pursuant to this section.

(b) (1) The fee prescribed by this section shall be thirty-six dollars (\$36) per unit per semester, effective with the fall term of the 2011–12 academic year.

(2) The board of governors shall proportionately adjust the amount of the fee for term lengths based upon a quarter system, and also shall proportionately adjust the amount of the fee for summer sessions, intersessions, and other short-term courses. In making these adjustments, the board of governors may round the per unit fee and the per term or per session fee to the nearest dollar.

(c) For the purposes of computing apportionments to community college districts pursuant to Section 84750.5, the board of governors shall subtract, from the total revenue owed to each

district, 98 percent of the revenues received by districts from charging a fee pursuant to this section.

(d) The board of governors shall reduce apportionments by up to 10 percent to any district that does not collect the fees prescribed by this section.

(e) The fee requirement does not apply to any of the following:

(1) Students enrolled in the noncredit courses designated by Section 84757.

(2) California State University or University of California students enrolled in remedial classes provided by a community college district on a campus of the University of California or a campus of the California State University, for whom the district claims an attendance apportionment pursuant to an agreement between the district and the California State University or the University of California.

(3) Students enrolled in credit contract education courses pursuant to Section 78021, if the entire cost of the course, including administrative costs, is paid by the public or private agency, corporation, or association with which the district is contracting and if these students are not included in the calculation of the full-time equivalent students (FTES) of that district.

(f) The governing board of a community college district may exempt special part-time students admitted pursuant to Section 76001 from the fee requirement.

(g) (1) The fee requirements of this section shall be waived for any student who, at the time of enrollment, is a recipient of benefits under the Temporary Assistance to Needy Families program, the Supplemental Security Income/State Supplementary Program, or a general assistance program or has demonstrated financial need in accordance with the methodology set forth in federal law or regulation for determining the expected family contribution of students seeking financial aid.

(2) The governing board of a community college district also shall waive the fee requirements of this section for any student who demonstrates eligibility according to income standards established by regulations of the board of governors.

(3) Paragraphs (1) and (2) may be applied to a student enrolled in the 2005–06 academic year if the student is exempted from nonresident tuition under paragraph (3) of subdivision (a) of Section 76140.

(h) The fee requirements of this section shall be waived for any student who, at the time of enrollment, is a dependent, or surviving spouse who has not remarried, of any member of the California National Guard who, in the line of duty and while in the active service of the state, was killed, died of a disability resulting from an event that occurred while in the active service of the state, or is permanently disabled as a result of an event that occurred while in the active service of the state. “Active service of the state,” for the purposes of this subdivision, refers to a member of the California National Guard activated pursuant to Section 146 of the Military and Veterans Code.

(i) The fee requirements of this section shall be waived for any student who is the surviving spouse or the child, natural or adopted, of a deceased person who met all of the requirements of Section 68120.

(j) The fee requirements of this section shall be waived for any student in an undergraduate program, including a student who has previously graduated from another undergraduate or graduate program, who is the dependent of any individual killed in the September 11, 2001, terrorist attacks on the World Trade Center and the Pentagon or the crash of United Airlines Flight 93 in southwestern Pennsylvania, if that dependent meets the financial need requirements set forth in Section 69432.7 for the Cal Grant A Program and either of the following applies:

(1) The dependent was a resident of California on September 11, 2001.

(2) The individual killed in the attacks was a resident of California on September 11, 2001.

(k) A determination of whether a person is a resident of California on September 11, 2001, for purposes of subdivision (j) shall be based on the criteria set forth in Chapter 1 (commencing with Section 68000) of Part 41 of Division 5 for determining nonresident and resident tuition.

(l) (1) “Dependent,” for purposes of subdivision (j), is a person who, because of his or her relationship to an individual killed as a result of injuries sustained during the terrorist attacks of September 11, 2001, qualifies for compensation under the federal September 11th Victim Compensation Fund of 2001 (Title IV (commencing with Section 401) of Public Law 107-42).

(2) A dependent who is the surviving spouse of an individual killed in the terrorist attacks of September 11, 2001, is entitled to the waivers provided in this section until January 1, 2013.

(3) A dependent who is the surviving child, natural or adopted, of an individual killed in the terrorist attacks of September 11, 2001, is entitled to the waivers under subdivision (j) until that person attains the age of 30 years.

(4) A dependent of an individual killed in the terrorist attacks of September 11, 2001, who is determined to be eligible by the California Victim Compensation and Government Claims Board, is also entitled to the waivers provided in this section until January 1, 2013.

(m) (1) It is the intent of the Legislature that sufficient funds be provided to support the provision of a fee waiver for every student who demonstrates eligibility pursuant to subdivisions (g) to (j), inclusive.

(2) From funds provided in the annual Budget Act, the board of governors shall allocate to community college districts, pursuant to this subdivision, an amount equal to 2 percent of the fees waived pursuant to subdivisions (g) to (j), inclusive. From funds provided in the annual Budget Act, the board of governors shall allocate to community college districts, pursuant to this subdivision, an amount equal to ninety-one cents (\$0.91) per credit unit waived pursuant to subdivisions (g) to (j), inclusive. It is the intent of the Legislature that funds provided pursuant to this subdivision be used to support the determination of financial need and delivery of student financial aid services, on the basis of the number of students for whom fees are waived. It also is the intent of the Legislature that the funds provided pursuant to this subdivision directly offset mandated costs claimed by community college districts pursuant to Commission on State Mandates consolidated Test Claims 99-TC-13 (Enrollment Fee Collection) and 00-TC-15 (Enrollment Fee Waivers). Funds allocated to a community college district for determination of financial need and delivery of student financial aid services shall supplement, and shall not supplant, the level of funds allocated for the administration of student financial aid programs during the 1992–93 fiscal year.

(n) The board of governors shall adopt regulations implementing this section.

(o) This section shall be inoperative and is repealed on May 1, 2012, only if subdivision (b) of Section 3.94 of the Budget Act of 2011 is operative.

SEC. 2. Section 76300 of the Education Code, as amended by Section 2 of Chapter 135 of the Statutes of 2011, is amended to read:

(2) The board of governors shall proportionately adjust the amount of the fee for term lengths based upon a quarter system, and also shall proportionately adjust the amount of the fee for summer sessions, intersessions, and other short-term courses. (d) The board of governors shall reduce apportionments by up to 10 percent to any district that does not collect the fees prescribed by this section.

(e) The fee requirement does not apply to any of the following:

(1) Students enrolled in the noncredit courses designated by Section 84757.

(2) California State University or University of California students enrolled in remedial classes provided by a community college district on a campus of the University of California or a campus of the California State University, for whom the district claims an attendance apportionment pursuant to an agreement between the district and the California State University or the University of California.

(3) Students enrolled in credit contract education courses pursuant to Section 78021, if the entire cost of the course, including administrative costs, is paid by the public or private agency, corporation, or association with which the district is contracting

and if these students are not included in the calculation of the full-time equivalent students (FTES) of that district.

(f) The governing board of a community college district may exempt special part-time students admitted pursuant to Section 76001 from the fee requirement.

(l) (1) “Dependent,” for purposes of subdivision (j), is a person who, because of his or her relationship to an individual killed as a result of injuries sustained during the terrorist attacks of September 11, 2001, qualifies for compensation under the federal September 11th Victim Compensation Fund of 2001 (Title IV (commencing with Section 401) of Public Law 107-42).

(2) A dependent who is the surviving spouse of an individual killed in the terrorist attacks of September 11, 2001, is entitled to the waivers provided in this section until January 1, 2013.

(2) From funds provided in the annual Budget Act, the board of governors shall allocate to community college districts, pursuant to this subdivision, an amount equal to 2 percent of the fees waived pursuant to subdivisions (g) to (j), inclusive. From funds provided

in the annual Budget Act, the board of governors shall allocate to community college districts, pursuant to this subdivision, an amount equal to ninety-one cents (\$0.91) per credit unit waived pursuant to subdivisions (g) to (j), inclusive. (o) This section shall become operative on May 1, 2012, only if subdivision (b) of Section 3.94 of the Budget Act of 2011 is operative.

SEC. 3. Following the determination of the higher revenue forecast pursuant to subdivision (a) of Section 3.94 of the Budget Act of 2011, if the Director of Finance proposes to reduce an item of appropriation pursuant to that section, the director shall do both of the following:

(a) By December 9, 2011, make every effort to notify the Chief Clerk of the Assembly and the Secretary of the Senate of the specific reductions the director proposes to make.

(b) At least 10 days before implementing a reduction, consult with the Speaker of the Assembly and the Senate pro Tempore about both of the following:

(1) The amount of each reduction and the projected revenue shortfall justifying the reduction.

(2) Statutory changes that provide alternative budget solutions to the reductions described in Section 3.94 of the Budget Act of 2011 and the corresponding reductions described in Section 46201.3 of the Education Code and Section 12301.07 of the Welfare and Institutions Code.

SEC. 4. It is the intent of the Legislature that reductions made by community college districts in the 2011–12 fiscal year pursuant to paragraph (13) of subdivision (b) of Section 3.94 of the Budget Act of 2011 reflect the one-time nature of the budget reduction imposed in that section as a result of delaying the ten dollar (\$10) per unit student fee increase from the winter term to the summer term of the 2012 calendar year. Until the increased fees are collected, community college districts should, to the extent possible, make every effort to implement reductions in a manner that will minimize the impact on course offerings and programs needed by students to achieve their basic skills, workforce training, or transfer goals.

SEC. 5. There is appropriated one thousand dollars (\$1,000) from the General Fund to the Board of Governors of the California Community Colleges for general operation costs of the board.

SEC. 6. This act addresses the fiscal emergency declared and reaffirmed by the Governor by proclamation on January 20, 2011, pursuant to subdivision (f) of Section 10 of Article IV of the California Constitution.

SEC. 7. This act is a bill providing for appropriations related to the Budget Bill within the meaning of subdivision (e) of Section 12 of Article IV of the California Constitution, has been identified as related to the budget in the Budget Bill, and shall take effect immediately.
