~~An act relating to economic development. An act to amend Sections 17276.21 and 24416.21 of, and to add Sections 17207.7, 19057.5, 19306.5, and 24347.7 to, the Revenue and Taxation Code, relating to taxation, to take effect immediately, tax levy.~~

LEGISLATIVE COUNSEL'S DIGEST

SB 157, as amended, Anderson. ~~Private sector job creation. Income taxation: net operating losses: fraudulent investment arrangement losses.~~

*The Personal Income Tax Law and the Corporation Tax Law, in modified conformity with federal income tax laws, allows a deduction for losses sustained during the taxable year and not compensated for by insurance or otherwise. Those state laws conform to specified revenue rulings and revenue procedures of the Internal Revenue Service regarding treatment of losses due to investment arrangements discovered to be criminally fraudulent, except that, among other things, net operating loss carrybacks and carryforwards are not allowed.*

*This bill would provide a safe harbor for determining the year in which those losses attributable to criminal fraud occurred, as described in a specified revenue procedure of the Internal Revenue Service, and would allow a net operating loss carryover or carryback of any resulting deduction from the losses in conformity with federal income tax law.*

*This bill would make a legislative finding and declaration relating to the public purpose served by the bill.*

*This bill would take effect immediately as a tax levy.*

~~Existing law provides for various economic development programs in the state.~~

~~This bill would express the intent of the Legislature to enact legislation to promote private sector job creation in the state.~~

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~-yes.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*
