

Introduced by Senator Cannella

February 8, 2011

An act to amend Section 11502 of the Food and Agricultural Code, relating to pest control.

LEGISLATIVE COUNSEL'S DIGEST

SB 195, as introduced, Cannella. Pest control: regulations.

Existing law governs pest control operations in this state in order to, among other stated purposes, protect public health and safety and protect the environment. Existing law establishes the Department of Pesticide Regulation within the California Environmental Protection Agency, under the control of the Director of Pesticide Regulation, to administer these provisions. Existing law requires the Director of Pesticide Regulation to adopt regulations that govern the conduct of the business of pest control.

This bill would make a technical, nonsubstantive change to the latter provision.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 11502 of the Food and Agricultural Code
- 2 is amended to read:
- 3 11502. The director shall adopt regulations ~~which~~ *that* govern
- 4 the conduct of the business of pest control.
