The people of the State of California do enact as follows:

- 1 SECTION 1. Section 8483.7 of the Education Code is amended
- 2 to read:
- 3 8483.7. (a) (1) (A) Each school that establishes a program
- 4 pursuant to this article is eligible to receive a three-year direct
- 5 grant, that shall be awarded in three one-year increments and is
- 6 subject to semiannual attendance reporting and requirements as
- 7 described in Section 8482.3 once every three years.
- 8 (i) The department shall provide technical support for
- 9 development of a program improvement plan for grantees under
- 10 the following conditions:
- 11 (I) If actual pupil attendance falls below 75 percent of the target
- 12 attendance level in any year of the grant.
- 13 (II) If the grantee fails, in any year of the grant, to demonstrate
- 14 measurable outcomes pursuant to Section 8484.
- 15 (ii) The department shall adjust the grant level of any school
- 16 within the program that is under its targeted attendance level by
- 17 more than 15 percent in each of two consecutive years.
- 18 (iii) In any year after the initial grant year, if the actual
- 19 attendance level of a school within the program falls below 75

1 percent of the target attendance level, the department shall perform
2 a review of the program and adjust the grant level as the department
3 deems appropriate.

4 (iv) The department shall create a process to allow a grantee to
5 voluntarily lower its annual grant amount if one or more sites are
6 unable to meet the proposed pupil attendance levels by the end of
7 the second year of the grant.

8 (v) A grantee who has had its grant amount reduced may
9 subsequently request an increase in funding up to the maximum
10 grant amounts provided under this subdivision.

11 (vi) The department may terminate the grant of any site or
12 program that does not comply with fiscal reporting, attendance
13 reporting, or outcomes reporting requirements established by the
14 department and pursuant to Section 8484. The department may
15 withhold the grant allocation for a program or site if the prior grant
16 year's fiscal or attendance reporting remains outstanding, until the
17 reports have been filed with the department.

18 (vii) Notwithstanding any other provision of this subdivision
19 or any other provision of law, after the technical assistance required
20 under clause (i) has been provided, the department may at any time
21 terminate the grant of any school in a program that fails for three
22 consecutive years to meet either of the following requirements:

23 (I) Demonstrate measurable program outcomes pursuant to
24 Section 8484.

25 (II) Attain 75 percent of its proposed attendance level after
26 having had its program reviewed and grant level adjusted by the
27 department.

28 (B) Direct grants may be awarded to applicants that have
29 demonstrated readiness to begin operation of a program or to
30 expand existing programs.

31 (C) The maximum total direct grant amount awarded annually
32 pursuant to this paragraph shall be one hundred twelve thousand
33 five hundred dollars (\$112,500) for each regular school year for
34 each elementary school and one hundred fifty thousand dollars
35 (\$150,000) for each regular school year for each middle or junior
36 high school. The Superintendent shall determine the total annual
37 direct grant amount for which a site is eligible based on a formula
38 of seven dollars and fifty cents (\$7.50) per pupil per day of pupil
39 attendance that the program plans to serve, with a maximum total
40 grant of thirty-seven dollars and fifty cents (\$37.50) per projected

1 pupil per week, and a formula of seven dollars and fifty cents
2 (\$7.50) per projected pupil per day of staff development, with a
3 maximum of three staff development days per year. A program
4 may provide the three days of staff development during regular
5 program hours using funds from the total grant award.

6 (2) For large schools, the maximum total grant amounts
7 described in paragraph (1) may be increased based on the following
8 formulas, up to a maximum amount of twice the respective limits
9 specified in paragraph (1):

10 (A) For elementary schools, multiply one hundred thirteen
11 dollars (\$113) by the number of pupils enrolled at the schoolsite
12 for the normal schoolday program that exceeds 600.

13 (B) For middle schools, multiply one hundred thirteen dollars
14 (\$113) by the number of pupils enrolled at the schoolsite for the
15 normal schoolday program that exceeds 900.

16 (3) The maximum total grant amounts set forth in subparagraph
17 (C) of paragraph (1) may be increased from any funds made
18 available for this purpose in the annual Budget Act for participating
19 schools that have pupils on waiting lists for the program. Grants
20 may be increased by the lesser of an amount that is either 25
21 percent of the current maximum total grant amount or equal to the
22 proportion of pupils unserved by the program as measured by
23 documented waiting lists as of January 1 of the previous grant
24 year, compared to the actual after school enrollment on the same
25 date. The amount of the required cash or in-kind matching funds
26 shall be increased accordingly. First priority for an increased
27 maximum grant pursuant to this paragraph shall be given to schools
28 that qualify for funding pursuant to subdivision (b) of Section
29 8482.55. Second priority shall be given to schools that receive
30 funding priority pursuant to subdivision (f) of Section 8482.55.

31 ~~(4) A school that establishes a program pursuant to this section
32 is eligible to receive a supplemental grant to operate the program
33 in excess of 180 regular schooldays or during any combination of
34 summer, intersession, or vacation periods for a maximum of the
35 lesser of the following amounts:~~

36 ~~(A) Seven dollars and fifty cents (\$7.50) per day per pupil.~~

37 ~~(B) Thirty percent of the total grant amount awarded to the
38 school per school year pursuant to subparagraph (C) of paragraph
39 (1).~~

40 (5)

1 (4) Each program shall provide an amount of cash or in-kind
2 local funds equal to not less than one-third of the total grant from
3 the school district, governmental agencies, community
4 organizations, or the private sector. Facilities or space usage may
5 fulfill not more than 25 percent of the required local contribution.

6 ~~(6)~~

7 (5) (A) A grantee may allocate, with departmental approval,
8 up to 125 percent of the maximum total grant amount for an
9 individual school, so long as the maximum total grant amount for
10 all school programs administered by the program grantee is not
11 exceeded.

12 (B) A program grantee that transfers funds for purposes of
13 administering a program pursuant to subparagraph (A) shall have
14 an established waiting list for enrollment, and may transfer only
15 from another school program that has met a minimum of 70 percent
16 of its attendance goal.

17 (b) The administrator of a program established pursuant to this
18 article may supplement, but not supplant, existing funding for after
19 school programs with grant funds awarded pursuant to this article.
20 State categorical funds for remedial education activities shall not
21 be used to make the required contribution of local funds for those
22 after school programs.

23 (c) Up to 15 percent of the initial year's grant amount for each
24 grant recipient may be utilized for startup costs. Under no
25 circumstance shall funding for startup costs result in an increase
26 in the grant recipient's total funding above the approved grant
27 amount.

28 (d) For each year of the grant, the department shall award the
29 total grant amount for that year not later than 30 days after the date
30 the grantee accepts the grant.

31 (e) The department may adjust the amount of a direct grant,
32 awarded to a new applicant pursuant to this section, on the basis
33 of the program start date, as determined by the department.

34 *SEC. 2. Section 8483.75 of the Education Code is amended to*
35 *read:*

36 8483.75. (a) (1) (A) Each school that establishes a before

39 in three one-year increments and is subject to semiannual
40 attendance reporting and renewal as required by the department.

1 Before school programs established pursuant to this section shall

4 of Section 8483.7.

5 (B) The maximum total grant amount awarded annually pursuant
6 to this paragraph shall be thirty-seven thousand five hundred dollars

9 year for each middle or junior high school.

10 (C) The Superintendent shall determine the total annual direct
11 grant amount for which a site is eligible based on a formula of five
12 dollars (\$5) per pupil per day that the program plans to serve, with
13 a maximum total grant of twenty-five dollars (\$25) per projected
14 pupil per week.

15 (2) For large schools, the maximum total grant amounts
16 described in paragraph (1) may be increased based on the following
17 formulas, up to a maximum amount of twice the respective limits
18 specified in paragraph (1):

20 by the number of pupils enrolled at the schoolsite for the normal
21 schoolday program that exceeds 600.

22 (B) For middle schools, multiply seventy-five dollars (\$75) by
23 the number of pupils enrolled at the schoolsite for the normal
24 schoolday program that exceeds 900.

25 ~~(3) A school that establishes a program pursuant to this article
26 is eligible to receive a supplemental grant to operate the program

29 the total grant amount awarded to the school per school year under
30 this subdivision.~~

31 ~~(4)~~

32 (3) Each program shall provide an amount of cash or in-kind
33 local funds equal to not less than one-third of the total grant from
34 the school district, governmental agencies, community

36 fulfill not more than 25 percent of the required local contribution.

37 ~~(5)~~

38 (4) (A) The department may award up to 125 percent of the
39 maximum total grant amount for an individual school, so long as

1 the maximum total grant amount for all school programs
2 administered by the program grantee is not exceeded.

3 (B) A program grantee that is awarded funds pursuant to
4 subparagraph (A) shall have an established waiting list for
5 enrollment, and may receive funds only from another school
6 program that has met a minimum of 70 percent of its attendance
7 goal.

8 (b) The administrator of a program established pursuant to this
9 article may supplement, but not supplant, existing funding for

12 shall not be used to make the required contribution of local funds
13 for those before school programs.

14 (c) Up to 15 percent of the initial year's grant amount for each
15 grant recipient may be utilized for startup costs. Under no
16 circumstance shall funding for startup costs result in an increase
17 in the grant recipient's total funding above the approved grant
18 amount.

19 (d) For each year of the grant, the department shall award the
20 total grant amount for that year not later than 30 days after the date

27 *or during any combination of summer, intersession, or vacation*

33 *the target attendance level for the purpose of grant reductions*
34 *pursuant to subparagraph (A) of paragraph (1) of subdivision (a)*

 33 ~~to the department for purposes of providing technical assistance,~~
 34 ~~evaluation, and training services, and for contracting for local~~
 35 ~~technical assistance, for carrying out programs related to 21st~~
 36 ~~Century Community Learning Centers programs.~~

37 ~~(1) The department shall provide directly, or contract for,~~

1 ~~(2) (A) Training and support shall include, but is not limited~~
2 ~~to, the development and distribution of voluntary guidelines for~~
3 ~~physical activity programs established pursuant to paragraph (2) of~~

32 ~~Article 22.5 (commencing with Section 8482), grants awarded~~

15 ~~expended for purposes other than as awarded.~~

16 ~~(4) The department shall require grant recipients to submit~~
17 ~~quarterly expenditure reports, and the department may withhold~~
18 ~~funds in subsequent years if access or literacy grant funds are~~
19 ~~expended for purposes other than as granted.~~

20 ~~(e) At least 50 percent of the total amount appropriated pursuant~~
21 ~~to this article, after funds have been allocated pursuant to~~

23 ~~grants to community learning centers serving high school pupils~~
24 ~~funded pursuant to Section 8421.~~

25 ~~(d) Grant awards under this section shall be restricted to those~~
26 ~~applications that propose primarily to serve pupils that attend~~

11 ~~(3) (A) Funding for a grant shall be allocated in annual~~
12 ~~increments for a period not to exceed five years, subject to annual~~

24 ~~its acceptance of the grant.~~

25 ~~(B) For the first year of a grant, the department shall allocate~~
26 ~~25 percent of the grant for that year no later than 30 days after the~~
27 ~~grantee accepts the grant. For the second and subsequent years of~~
28 ~~the grant, the department shall allocate 25 percent of the grant for~~
29 ~~that year no later than 30 days after the annual Budget Act becomes~~
30 ~~effective. The grantee shall not use more than 15 percent of an~~
31 ~~annual grant award for administrative costs.~~

32 ~~(C) In addition to the funding allowed for administrative costs~~

34 ~~award for each core grant recipient may be utilized for startup~~
35 ~~costs.~~

36 ~~(D) Under no circumstance shall funding made available~~
37 ~~pursuant to subparagraphs (B) and (C) result in an increase in the~~
38 ~~total funding of a grantee above the approved grant amount.~~

39 ~~(4) A grantee shall identify the federal, state, and local programs~~
40 ~~that will be combined or coordinated with the proposed program~~

1 for the most effective use of public resources, and shall prepare a

10 ~~expiring grants, if those programs have satisfactorily met projected~~
11 ~~pupil outcomes pursuant to subdivision (a) of Section 8484.~~

12 ~~(f) A total annual grant award for core funding and direct grants~~
13 ~~for a site serving elementary or middle school pupils shall be fifty~~
14 ~~thousand dollars (\$50,000) per year or more, consistent with federal~~
15 ~~requirements.~~

16 ~~(g) Notwithstanding any other provision of law, and contingent~~
17 ~~upon the availability of funding, the department may adjust the~~
18 ~~core grant cap of any grantee based upon one or both of the~~
19 ~~following:~~

20 ~~(1) Amendments made to this section by Chapter 555 of the~~
21 ~~Statutes of 2005.~~

22 ~~(2) The demonstrated pupil attendance pattern of the grantee.~~
23 ~~The department may adjust grant awards pursuant to subparagraph~~
24 ~~(A) of paragraph (1) of subdivision (a) of Section 8483.7.~~

25 ~~(h) Funds received but unexpended under this article may be~~
26 ~~carried forward to subsequent years consistent with federal~~

28 ~~(i) If funds remain after all of the priority allocations required~~
29 ~~pursuant to subdivisions (a), (b), (c), and (e) have been made, the~~
30 ~~department may use that money to fund additional qualified grant~~
31 ~~applications under subdivision (c), in order to ensure that all federal~~
32 ~~funds received for these purposes are expended for these purposes.~~
33 ~~If funds remain after additional qualified grant applications are~~
34 ~~approved for funding pursuant to subdivision (c), the department~~
35 ~~may award the remaining funds for additional qualified grant~~
36 ~~applications pursuant to subdivisions (b) and (e).~~

37 ~~(j) In any fiscal year in which the total state appropriation for~~
38 ~~that fiscal year exceeds the total state appropriation for the 2008-09~~
39 ~~fiscal year after funds have been allocated pursuant to subdivision~~
40 ~~(a), the excess amount shall be allocated on a priority basis for~~

1 ~~direct grants to community learning centers funded pursuant to~~
2 ~~Section 8421 as follows:~~

3 ~~(1) Thirty-five percent to community learning centers serving~~
4 ~~high school pupils.~~

5 ~~(2) Fifty percent to community learning centers serving~~
6 ~~elementary and middle school pupils.~~

7 ~~(3) Fifteen percent to summer programs serving elementary and~~
8 ~~middle school pupils.~~

9 ~~(k) This article shall be operative only to the extent that federal~~
10 ~~funds are made available for the purposes of this article. It is the~~
11 ~~intent of the Legislature that this article not be considered a~~
12 ~~precedent for general fund augmentation of either the state~~
13 ~~administered, federally funded program of this article, or any other~~
14 ~~state funded before or after school program.~~
