An act to add Section 22365 to the Education Code, and to amend Section 89503 of, and to add Section 20154 to, the Government Code, relating to the Political Reform Act of 1974.

LEGISLATIVE COUNSEL'S DIGEST

SB 439, as amended, Negrete McLeod. Political Reform Act of 1974: PERS: STRS: gift limits.

The Political Reform Act of 1974 (PRA) prohibits a member of a state board or commission, or a designated employee of a state or local government agency, from accepting gifts from any single source in any calendar year with a total value of more than \$250, as adjusted biennially by the Fair Political Practices Commission (FPPC), if the receipt of income or gifts from that source is subject to disclosure on a statement of economic interests. Existing law makes a knowing or willful violation of the Political Reform Act of 1974 a misdemeanor and authorizes the FPPC to assess a monetary penalty if it finds a violation of the PRA has been committed.

This bill would prohibit any member of the board of, and any designated employee of, the Public Employees' Retirement System (PERS) or State Teachers' Retirement System (STRS) from accepting gifts in any calendar year with a total value of more than \$50 from any single person who has secured a contract with, or submitted a contract proposal to, PERS or STRS within the previous 5 years. A gift would not be deemed to have been accepted if the gift or its equivalent dollar value is returned to the donor of the gift within 30 days after receipt of the gift. Because a knowing or willful violation of this provision would be a crime, the bill would impose a state-mandated local program.

This bill would disqualify ~~any~~ a vendor or contractor that makes gifts in violation of the above-described gift limit on 2 separate occasions in a 5-year period from bidding on, and being awarded, any contract for a period of 2 years from the date of the 2nd penalty assessment made by the FPPC for commission of the violation.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The Political Reform Act of 1974, an initiative measure, provides that the Legislature may amend the act to further the act's purposes upon a $\frac{2}{3}$ vote of each house and compliance with specified procedural requirements.

This bill would declare that it furthers the purposes of the act.

Vote: $\frac{2}{3}$. Appropriation: no. Fiscal committee: yes.

State-mandated local program: yes.

- 1 SECTION 1. Section 22365 is added to the Education Code,

16 (b) For purposes of subdivision (a), violations of paragraph (2)
17 of subdivision (c) of Section 89503 shall be deemed separate if
18 they occur more than 60 days apart.

19 SEC. 3. Section 89503 of the Government Code is amended
20 to read:

21 89503. (a) No elected state officer, elected officer of a local

(c) (1) No member of a state board or commission or designated employee of a state or local government agency shall accept gifts from any single source in ~~any~~ a calendar year with a total value of more than two hundred fifty dollars (\$250) if the member or employee would be required to report the receipt of income or gifts from that source on his or her statement of economic interests.

(2) Notwithstanding paragraph (1) and subdivision (f), no member of the board of, and no designated employee of, the Public Employees' Retirement System or State Teachers' Retirement System shall accept gifts in any calendar year with a total value of more than fifty dollars (\$50) from any single person who has secured a contract with, or submitted a contract proposal to, the Public Employees' Retirement System or State Teachers' Retirement System within the previous five years. A member of the board of, or a designated employee of, the Public Employees' Retirement System or State Teachers' Retirement System shall not be deemed to have accepted a gift within the meaning of this paragraph if the gift, or the equivalent dollar value of the gift, is returned to the donor of the gift within 30 days after its receipt.

(d) This section shall not apply to a person in his or her capacity as judge. This section shall not apply to a person in his or her capacity as a part-time member of the governing board of any public institution of higher education unless that position is an elective office.

(e) This section shall not prohibit or limit the following:

(1) Payments, advances, or reimbursements for travel and related lodging and subsistence permitted by Section 89506.
