An act to amend Sections 144, 5510, 5517, 5552.5, 5600, 5620, 5621, 5622, 6710, 6714, 6763.1, 6797, 7000.5, 7011, 7200, 7215.6, 7885, 7886, 7887, 8710, 8800, 18602, ~~and~~ 18613, *and 18618* of the Business and Professions Code, relating to business and professions, *and making an appropriation therefor.*

LEGISLATIVE COUNSEL'S DIGEST

SB 543, as amended, Price. Business and professions: regulatory boards.

(1) Existing law *authorizes a board to suspend or revoke a license on various grounds, including, but not limited to, conviction of a crime, if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the license was issued. Existing law requires applicants to certain boards to provide a full set of fingerprints for the purpose of conducting criminal history record checks.*

*This bill would make the fingerprinting requirement applicable to the Board for Professional Engineers, Land Surveyors, and Geologists.*

(2) Existing law provides for the licensure and regulation of various businesses and professions by boards within the Department of Consumer Affairs, including; the California Architects Board, the Landscape Architects Technical Committee, the Board for Professional Engineers, Land Surveyors, and Geologists, *the Contractors' State License Board*, the State Board of Guide Dogs for the Blind, and the

State Athletic Commission. Existing law requires or authorizes these boards, with certain exceptions, to appoint an executive officer. Existing law repeals these provisions on January 1, 2012. Under existing law, boards scheduled for repeal are required to be evaluated by the Joint Sunset Review Committee.

This bill would extend the operation of these provisions until January 1, 2016, except the State Board of Guide Dogs for the Blind *and the State Athletic Commission*, which would be extended until January 1, 2014. The bill would instead specify that these boards would be subject to review by the appropriate policy committees of the Legislature.

(2)

(3) Existing law authorizes the California Architects Board to, by regulation, implement an intern development program until July 1, 2012.

This bill, by deleting that termination date, would instead authorize the board to, by regulation, implement the intern development program indefinitely.

(4) *Existing law provides for the expiration of a license to practice architecture on the last day of the birth month of the licenseholder in each odd-numbered year following the issuance or renewal of the license.*

*This bill would instead provide for the expiration of a license within 24 months after the issue date as established by the board.*

(3)

(5) Existing law authorizes the State Board of Guide Dogs for the Blind to establish an arbitration panel pilot project, until January 1, 2012, for the purpose of resolving disputes between a guide dog user and a licensed guide dog school, as specified.

This bill would instead authorize the arbitration panel pilot project until January 1, 2014.

(6) *Existing law requires an applicant to use the title “structural engineer” to have successfully passed both a written examination that incorporates a national examination for structural engineers and a supplemental California specific examination, as specified.*

*This bill would instead require these applicants to pass only a written examination for structural engineering that is administered by a nationally recognized entity approved by the board.*

(7) *Existing law establishes the Professional Engineer’s and Land Surveyor’s Fund, requires all money received by the Department of Consumer Affairs from the operation of the Professional Engineer’s*

*Act and the Professional Land Surveyor’s Act to be deposited in the fund, and appropriates the moneys in the fund for the purposes of those acts. Existing law establishes the Geology and Geophysics Fund and requires the Board for Professional Engineers, Land Surveyors, and Geologists to provide all money received by the board under the Geologists and Geophysicists Act to the State Treasury for credit to the Geology and Geophysics Fund.*

*This bill would abolish the Geology and Geophysics Fund, rename the Professional Engineer’s and Land Surveyor’s Fund as the Professional Engineer’s, Land Surveyor’s, Geologist’s, and Geophysicist’s Fund, and require all moneys received by the board under the Geologists and Geophysicists Act to be deposited in that fund. The bill would require all moneys paid into the fund pursuant to the Geologists and Geophysicists Act to be appropriated to carry out the provisions of the act.*

*(8) Existing law requires an applicant for registration as a geologist to pay an examination fee fixed by the board at an amount equal to the actual cost to the board to administer the examination, not to exceed \$450.*

*This bill would delete the provisions limiting the examination fee to \$450.*

*(9) Existing law requires the State Athletic Commission to provide a report to the Governor and the Legislature by July 30, 2010, regarding the condition of the State Athletic Commission Neurological Examination Account and the Boxers’ Pension Fund, as specified.*

*This bill would require the commission to provide the report to the Legislature by July 30, 2012.*

Vote: majority. Appropriation: ~~no~~-yes. Fiscal committee: yes. State-mandated local program: no.

4 *SEC. 16.* Section 7215.6 of the Business and Professions Code  
5 is amended to read:

6 7215.6. (a) In order to provide a procedure for the resolution  
7 of disputes between guide dog users and guide dog schools relating  
8 to the continued physical custody and use of a guide dog, in all  
9 cases except those in which the dog user is the unconditional legal  
10 owner of the dog, the following arbitration procedure shall be  
11 established as a pilot project.

12 (b) This procedure establishes an arbitration panel for the  
13 settlement of disputes between a guide dog user and a licensed  
14 guide dog school regarding the continued use of a guide dog by  
15 the user in all cases except those in which the dog user is the  
16 unconditional legal owner of the dog. The disputes that may be  
17 subject to this procedure concern differences between the user and  
18 school over whether or not a guide dog should continue to be used,  
19 differences between the user and school regarding the treatment  
20 of a dog by the user, and differences over whether or not a user  
21 should continue to have custody of a dog pending investigation of  
22 charges of abuse. It specifically does not address issues such as  
23 admissions to schools, training practices, or other issues relating  
24 to school standards. The board and its representative are not parties  
25 to any dispute described in this section.

26 (c) The licensed guide dog schools in California and the board  
27 shall provide to guide dog users graduating from guide dog  
28 programs in these schools a new avenue for the resolution of  
29 disputes that involve continued use of a guide dog, or the actual  
30 physical custody of a guide dog. Guide dog users who are  
31 dissatisfied with decisions of schools regarding continued use of  
32 guide dogs may appeal to the board to convene an arbitration panel  
33 composed of all of the following:

- 34 (1) One person designated by the guide dog user.  
35 (2) One person designated by the licensed guide dog school.  
36 (3) A representative of the board who shall coordinate the  
37 activities of the panel and serve as chair.

38 (d) If the guide dog user or guide dog school wishes to utilize  
39 the arbitration panel, this must be stated in writing to the board.  
40 The findings and decision of the arbitration panel shall be final

1 and binding. By voluntarily agreeing to having a dispute resolved  
2 by the arbitration panel and subject to its procedures, each party  
3 to the dispute shall waive any right for subsequent judicial review.

4 (e) A licensed guide dog school that fails to comply with any  
5 provision of this section shall automatically be subject to a penalty  
6 of two hundred fifty dollars (\$250) per day for each day in which  
7 a violation occurs. The penalty shall be paid to the board. The  
8 license of a guide dog school shall not be renewed until all penalties  
9 have been paid.

10 The fine shall be assessed without advance hearing, but the  
11 licensee may apply to the board for a hearing on the issue of  
12 whether the fine should be modified or set aside. This application  
13 shall be in writing and shall be received by the board within 30  
14 days after service of notice of the fine. Upon receipt of this written  
15 request, the board shall set the matter for hearing within 60 days.

16 (f) As a general rule, custody of the guide dog shall remain with  
17 the guide dog user pending a resolution by the arbitration panel.  
18 In circumstances where the immediate health and safety of the  
19 guide dog user or guide dog is threatened, the licensed school may  
20 take custody of the dog at once. However, if the dog is removed  
21 from the user's custody without the user's concurrence, the school  
22 shall provide to the board the evidence that caused this action to  
23 be taken at once and without fail; and within five calendar days a  
24 special committee of two members of the board shall make a  
25 determination regarding custody of the dog pending hearing by  
26 the arbitration panel.

27 (g) The arbitration panel shall decide the best means to  
28 determine final resolution in each case. This shall include, but is  
29 not limited to, a hearing of the matter before the arbitration panel  
30 at the request of either party to the dispute, an opportunity for each  
31 party in the dispute to make presentations before the arbitration  
32 panel, examination of the written record, or any other inquiry as  
33 will best reveal the facts of the disputes. In any case, the panel  
34 shall make its findings and complete its examination within 45  
35 calendar days of the date of filing the request for arbitration, and  
36 a decision shall be rendered within 10 calendar days of the  
37 examination.

38 All arbitration hearings shall be held at sites convenient to the  
39 parties and with a view to minimizing costs. Each party to the

1 arbitration shall bear its own costs, except that the arbitration panel,  
2 by unanimous agreement, may modify this arrangement.

3 (h) The board may study the effectiveness of the arbitration  
4 panel pilot project in expediting resolution and reducing conflict  
5 in disputes between guide dog users and guide dog schools and  
6 may share its findings with the Legislature upon request.

7 (i) This section shall remain in effect only until January 1, 2014,  
8 and as of that date is repealed, unless a later enacted statute, that  
9 is enacted before January 1, 2014, deletes or extends that date.

10 *SEC. 17. Section 7885 of the Business and Professions Code*
