SENATE BILL

No. 562

Introduced by Committee on Transportation and Housing (Senators DeSaulnier (Chair), Gaines, Harman, Huff, Kehoe, Lowenthal, Pavley, Rubio, and Simitian)

February 17, 2011

An act to amend *Section 8869.84 of the Government Code*, to amend Sections 18070.2, 18218, 18218.5, 18551, 18866.2, and 33420.1 of, and to repeal Section 33334.29 of, the Health and Safety Code, and to amend *Section 2705 of, and to repeal Section 2706 of, the Public Resources Code*, relating to housing.

LEGISLATIVE COUNSEL'S DIGEST

SB 562, as amended, Committee on Transportation and Housing. Housing omnibus bill.

(1) Existing law authorizes the California Debt Limit Allocation Committee to require any issuer making an application to the committee or the California Tax Credit Allocation Committee for allocation of a portion of the state ceiling, as defined, to make a deposit of up to 1% of the portion requested. If an allocation is given, the committee is required to keep the deposit, in proportion to the amount of allocation given, until bonds are issued. If no bonds are issued prior to the expiration of the allocation, the committee is required to keep the deposit, unless the committee determines there is good cause to return all or part of the deposit.

This bill would specify that in cases where only a portion or none of the bonds are issued, the committee may return all or part of the deposit if it determines there is good cause to do so.

(1)

(2) Existing law establishes the Manufactured Home Recovery Fund, which is continuously appropriated to make payments and distributions for actual and direct losses, as defined, arising out of specified transactions regarding the purchase or sale of a manufactured home, if certain conditions are met. Existing law prescribes a fee collected by the Department of Housing and Community Development for each reported sale of a manufactured home, to be deposited in the fund. Whenever the balance in the fund exceeds \$1,000,000 the department is authorized to reduce or increase the fee, respectively.

This bill would instead provide that the department may reduce the fee when the balance exceeds \$2,000,000.

(2)

(3) Existing law authorizes the redevelopment agency of the City of Redding to borrow and use a specified amount from its Low and Moderate Income Housing Fund to provide financial assistance for the acquisition of property for a veterans home.

The bill would repeal this provision of law.

(4) *Existing law requires cities and counties to collect a fee from each applicant for a building permit, equal to a specific amount of the proposed construction for which the permit is being issued, or at specified rates, for seismic hazards mapping and for the strong-motion instrument program. The city or county is authorized to retain up to 5% of the total amount it collects for data utilization, for seismic education incorporating data interpretations from data of the strong-motion instruments program, the seismic hazards mapping program, and to improve the preparation for damage assessment after strong seismic motion events. Any other funds collected are required to be deposited in the Strong-Motion Instrumentation and Seismic Hazards Mapping Fund to be used exclusively for the strong-motion instruments program and the seismic hazards mapping program, as specified.*

This bill would make a technical change to these provision.

(5) The bill would correct and eliminate erroneous cross-references, update obsolete terms, correct technical errors, and make conforming changes to existing law relating to housing.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 8869.84 of the Government Code is
2 amended to read:

3 8869.84. (a) The committee shall, as soon as is practicable
4 after the start of each calendar year, determine and announce the
5 state ceiling for the calendar year.

6 (b) The entire state ceiling for each calendar year is hereby
7 allocated to the committee to further allocate to state and local
8 agencies as provided in this chapter.

9 (c) The committee shall prepare application forms and announce
10 procedures for receipt and review of applications from state and
11 local agencies desiring to issue private activity bonds.

12 (d) The committee may at any time, before or after granting any
13 allocations in any calendar year to any state agencies or local
14 agencies, announce priorities or reservations of any part of the
15 state ceiling not theretofore allocated either for certain categories
16 of bonds or categories of issuers.

17 (e) The committee may require any issuer making an application
18 to the committee or MBTCAC for allocation of a portion of the
19 state ceiling to make a deposit, as determined by the committee,
20 of up to 1 percent of the portion requested. If an allocation is not
21 given, the deposit shall be returned. If an allocation is given, the
22 deposit shall be kept, in proportion to the amount of allocation
23 given, until bonds are issued. Upon that issuance, the deposit shall
24 be returned to the issuer in an amount equal to the product of (1)
25 the amount of the deposit retained times (2) the ratio between the
26 amount of bonds issued divided by the amount of allocation
27 granted. If no bonds are issued prior to the expiration of the
28 allocation, the deposit shall be kept, ~~unless~~. *However, in cases*
29 *where only a portion or none of the bonds are issued, the*
30 *committee may return all or part of the deposit if it determines*
31 *there is good cause to return all or part of the deposit do so.* Any
32 portion of a deposit kept shall be deposited in the fund.

33 (f) The committee may transfer part of the state ceiling to the
34 MBTCAC, to be used for qualified mortgage bonds and exempt
35 facility bonds or for qualified residential rental projects, as those
36 terms are used in the Internal Revenue Code, together referred to
37 as “housing bonds,” with directions and conditions pursuant to
38 which MBTCAC may allocate those amounts to issuers of housing

1 bonds at both the state and local levels. In carrying out these
2 functions, MBTCAC shall act solely as directed or authorized by
3 the committee. If the committee makes the transfer to MBTCAC
4 authorized by this subdivision, the references in Sections 8869.85,
5 8869.86, 8869.87, and 8869.88 to the “committee” shall, for
6 purposes of any housing bonds, be deemed to mean MBTCAC.

7 (g) (1) The committee may establish the Extra Credit Teacher
8 Home Purchase Program to provide federal mortgage credit
9 certificates and reduced interest rate loans funded by mortgage
10 revenue bonds to eligible teachers, principals, vice principals,
11 assistant principals, and classified employees who agree to teach
12 or provide administration or service in a high priority school.
13 Priority for assistance shall be given to eligible teachers, principals,
14 vice principals, and assistant principals.

15 (2) For purposes of this program, the following definitions shall
16 apply:

17 (A) “High priority school” means a state K–12 public school
18 that is ranked in the bottom half of the Academic Performance
19 Index developed pursuant to subdivision (a) of Section 52052 of
20 the Education Code. However, priority shall be given to schools
21 that are ranked in the lowest three deciles.

22 (B) “Classified employee” means an employee of a school
23 district, employed in a position not requiring certification
24 qualifications.

25 (3) The committee may make reservations of a portion of future
26 calendar year state ceiling limits for up to five future calendar
27 years for that program. The committee may also make future
28 allocations of the state ceiling for up to five years for any issuer
29 under that program. Any future allocation made by the committee
30 shall constitute an allocation of the state ceiling for a future year
31 specified by the committee and shall be deemed to have been made
32 on the first day of the future year so specified. The committee may
33 condition allocations under the Extra Credit Teacher Home
34 Purchase Program on any terms and conditions that the committee
35 deems necessary or appropriate, including, but not limited to, the
36 execution of a contract between the teacher, principal, vice
37 principal, assistant principal, or classified employee and the issuer
38 whereby the teacher, principal, vice principal, assistant principal,
39 or classified employee agrees to comply with the terms and
40 conditions of the program. The contract may include, among other

1 things, an agreement by the teacher, principal, vice principal,
2 assistant principal, or classified employee to teach or provide
3 administration or service in a high priority school for a minimum
4 number of years, and provisions for enforcing the contract that the
5 committee deems necessary or appropriate.

6 (4) If a teacher, principal, vice principal, assistant principal, or
7 classified employee does not fulfill the requirements of a contract
8 entered into pursuant to paragraph (3), the issuer of the mortgage
9 credit certificate or mortgage revenue bond may recover as an
10 assessment from the teacher, principal, vice principal, assistant
11 principal, or classified employee a monetary amount equal to the
12 lesser of (A) one-half of the teacher's, principal's, vice principal's,
13 assistant principal's, or classified employee's net proceeds from
14 the sale of the related residence or (B) the amount of monetary
15 benefit conferred on the teacher, principal, vice principal, assistant
16 principal, or classified employee as a result of the federal mortgage
17 credit certificate or reduced interest rate loan funded by a mortgage
18 revenue bond, offset by the amount of any federal recapture, as
19 defined by Section 143(m) of the Internal Revenue Code. The
20 assessment may be secured by a lien against the residence, which
21 shall decline in amount over the term of the contract as the teacher,
22 principal, vice principal, assistant principal, or classified employee
23 fulfills the term of the contract, and which shall be collected at the
24 time of sale of the residence. Any assessment collected pursuant
25 to this paragraph shall be used for the issuer's costs in
26 administering the Extra Credit Teacher Home Purchase Program.
27 The issuers shall report annually to the committee the total amount
28 of any assessments collected pursuant to this paragraph and how
29 those assessments were used by the issuer.

30 (5) If the committee establishes the Extra Credit Teacher Home
31 Purchase Program pursuant to this subdivision, the committee shall
32 report annually to the Legislature the results of the program,
33 including all of the following:

34 (A) The amount of state ceiling limits allocated to or reserved
35 for the program.

36 (B) The agencies to which state ceiling limits were issued.

37 (C) The number of loans or mortgage credit certificates issued
38 to teachers, principals, vice principals, assistant principals, and
39 classified employees.

1 (D) The schools or school districts at which recipients of
2 assistance are employed, aggregated by decile in which the schools
3 rank on the Academic Performance Index and by the percentage
4 of uncredentialed teachers employed at the schools.

5 (6) The committee shall not make any reservations of future
6 calendar year state ceiling limits or future allocations of the state
7 ceiling pursuant to this subdivision on or after January 1, 2004,
8 unless a later enacted statute, that is enacted before January 1,
9 2004, deletes or extends that date. However, reservations and
10 allocations made prior to that date shall remain valid.

11 ~~SECTION 1.~~

12 *SEC. 2.* Section 18070.2 of the Health and Safety Code is
13 amended to read:

14 18070.2. (a) Fees for the establishment and operation of the
15 Manufactured Home Recovery Fund shall be collected on or after
16 January 1, 1985. Claims against the fund arising from sales which
17 occur after January 1, 1985, may not be submitted to the
18 department before January 1, 1986. For purposes of this section,
19 the date of sale shall be either of the following:

20 (1) The date escrow closes for sales by dealers that are subject
21 to Section 18035 or 18035.2.

22 (2) For all other sales, including sales by dealers in which escrow
23 does not close, the date when the purchaser has paid the purchase
24 price or, in lieu thereof, has signed a security agreement, option
25 to purchase, or purchase contract and has taken physical possession
26 or delivery of the manufactured home.

27 (b) Notwithstanding any other provision of law, whenever the
28 balance in the Manufactured Home Recovery Fund exceeds two
29 million dollars (\$2,000,000) on January 1 of any year, the
30 department may reduce the fee provided for in subdivision (c) of
31 Section 18070.1. The department may again increase the fee up
32 to a maximum of ten dollars (\$10) whenever the balance in the
33 fund falls below one million dollars (\$1,000,000).

34 ~~SEC. 2.~~

35 *SEC. 3.* Section 18218 of the Health and Safety Code is
36 amended to read:

37 18218. "Commercial modular" as used in this part has the same
38 meaning as defined in Section 18001.8.

1 ~~SEC. 3.~~

2 *SEC. 4.* Section 18218.5 of the Health and Safety Code is
3 amended to read:

4 18218.5. “Special purpose commercial modular” as used in
5 this part has the same meaning as defined in Section 18012.5.

6 ~~SEC. 4.~~

7 *SEC. 5.* Section 18551 of the Health and Safety Code is
8 amended to read:

9 18551. The department shall establish regulations for
10 manufactured home, mobilehome, and commercial modular
11 foundation systems that shall be applicable throughout the state.
12 When established, these regulations supersede any ordinance
13 enacted by any city, county, or city and county applicable to
14 manufactured home, mobilehome, and commercial modular
15 foundation systems. The department may approve alternate
16 foundation systems to those provided by regulation where the
17 department is satisfied of equivalent performance. The department
18 shall document approval of alternate systems by its stamp of
19 approval on the plans and specifications for the alternate foundation
20 system. A manufactured home, mobilehome, or commercial
21 modular may be installed on a foundation system as either a fixture
22 or improvement to the real property, in accordance with subdivision
23 (a), or a manufactured home or mobilehome may be installed on
24 a foundation system as a chattel, in accordance with subdivision
25 (b).

26 (a) Installation of a manufactured home, mobilehome, or
27 commercial modular as a fixture or improvement to the real
28 property shall comply with all of the following:

29 (1) Prior to installation of a manufactured home, mobilehome,
30 or commercial modular on a foundation system, the manufactured
31 home, mobilehome, or commercial modular owner or a licensed
32 contractor shall obtain a building permit from the appropriate
33 enforcement agency. To obtain a permit, the owner or contractor
34 shall provide the following:

35 (A) Written evidence acceptable to the enforcement agency that
36 the manufactured home, mobilehome, or commercial modular
37 owner owns, holds title to, or is purchasing the real property where
38 the mobilehome is to be installed on a foundation system. A lease
39 held by the manufactured home, mobilehome, or commercial
40 modular owner, that is transferable, for the exclusive use of the

1 real property where the manufactured home, mobilehome, or
2 commercial modular is to be installed, shall be deemed to comply
3 with this paragraph if the lease is for a term of 35 years or more,
4 or if less than 35 years, for a term mutually agreed upon by the
5 lessor and lessee, and the term of the lease is not revocable at the
6 discretion of the lessor except for cause, as described in
7 subdivisions 2 to 5, inclusive, of Section 1161 of the Code of Civil
8 Procedure.

9 (B) Written evidence acceptable to the enforcement agency that
10 the registered owner owns the manufactured home, mobilehome,
11 or commercial modular free of any liens or encumbrances or, in
12 the event that the legal owner is not the registered owner, or liens
13 and encumbrances exist on the manufactured home, mobilehome,
14 or commercial modular, written evidence provided by the legal
15 owner and any lienors or encumbrancers that the legal owner,
16 lienor, or encumbrancer consents to the attachment of the
17 manufactured home, mobilehome, or commercial modular upon
18 the discharge of any personal lien, that may be conditioned upon
19 the satisfaction by the registered owner of the obligation secured
20 by the lien.

21 (C) Plans and specifications required by department regulations
22 or a department-approved alternate for the manufactured home,
23 mobilehome, or commercial modular foundation system.

24 (D) The manufactured home, mobilehome, or commercial
25 modular manufacturer's installation instructions, or plans and
26 specifications signed by a California licensed architect or engineer
27 covering the installation of an individual manufactured home,
28 mobilehome, or commercial modular in the absence of the
29 manufactured home, mobilehome, or commercial modular
30 manufacturer's instructions.

31 (E) Building permit fees established by ordinance or regulation
32 of the appropriate enforcement agency.

33 (F) A fee payable to the department in the amount of eleven
34 dollars (\$11) for each transportable section of the manufactured
35 home, mobilehome, or commercial modular, that shall be
36 transmitted to the department at the time the certificate of
37 occupancy is issued with a copy of the building permit and any
38 other information concerning the manufactured home, mobilehome,
39 or commercial modular which the department may prescribe on
40 forms provided by the department.

1 (2) (A) On the same day that the certificate of occupancy for
2 the manufactured home, mobilehome, or commercial modular is
3 issued by the appropriate enforcement agency, the enforcement
4 agency shall record with the county recorder of the county where
5 the real property is situated, that the manufactured home,
6 mobilehome, or commercial modular has been installed upon, a
7 document naming the owner of the real property, describing the
8 real property with certainty, and stating that a manufactured home,
9 mobilehome, or commercial modular has been affixed to that real
10 property by installation on a foundation system pursuant to this
11 subdivision.

12 (B) When recorded, the document referred to in subparagraph
13 (A) shall be indexed by the county recorder to the named owner
14 and shall be deemed to give constructive notice as to its contents
15 to all persons thereafter dealing with the real property.

16 (C) Fees received by the department pursuant to subparagraph
17 (F) of paragraph (1) shall be deposited in the
18 Mobilehome-Manufactured Home Revolving Fund established
19 under subdivision (a) of Section 18016.5.

20 (3) The department shall adopt regulations providing for the
21 cancellation of registration of a manufactured home, mobilehome,
22 or commercial modular that is permanently attached to the ground
23 on a foundation system pursuant to subdivision (a). The regulations
24 shall provide for the surrender to the department of the certificate
25 of title and other indicia of registration. For the purposes of this
26 subdivision, permanent affixation to a foundation system shall be
27 deemed to have occurred on the day a certificate of occupancy is
28 issued to the manufactured home, mobilehome, or commercial
29 modular owner and the document referred to in subparagraph (A)
30 of paragraph (2) is recorded. Cancellation shall be effective as of
31 that date and the department shall enter the cancellation on its
32 records upon receipt of a copy of the certificate of occupancy. This
33 subdivision shall not be construed to affect the application of
34 existing laws, or the department's regulations or procedures with
35 regard to the cancellation of registration, except as to the
36 requirement therefor and the effective date thereof.

37 (4) Once installed on a foundation system in compliance with
38 this subdivision, a manufactured home, mobilehome, or commercial
39 modular shall be deemed a fixture and a real property improvement
40 to the real property to which it is affixed. Physical removal of the

1 manufactured home, mobilehome, or commercial modular shall
2 thereafter be prohibited without the consent of all persons or
3 entities who, at the time of removal, have title to any estate or
4 interest in the real property to which the manufactured home,
5 mobilehome, or commercial modular is affixed.

6 (5) For the purposes of this subdivision:

7 (A) “Physical removal” shall include, without limitation, the
8 unattaching of the manufactured home, mobilehome, or commercial
9 modular from the foundation system, except for temporary
10 purposes of repair or improvement thereto.

11 (B) Consent to removal shall not be required from the owners
12 of rights-of-way or easements or the owners of subsurface rights
13 or interests in or to minerals, including, but not limited to, oil, gas,
14 or other hydrocarbon substances.

15 (6) At least 30 days prior to a legal removal of the manufactured
16 home, mobilehome, or commercial modular from the foundation
17 system and transportation away from the real property to which it
18 was formerly affixed, the manufactured home, mobilehome, or
19 commercial modular owner shall notify the department and the
20 county assessor of the intended removal of the manufactured home,
21 mobilehome, or commercial modular. The department shall require
22 written evidence that the necessary consents have been obtained
23 pursuant to this section and shall require application for either a
24 transportation permit or manufactured home, mobilehome, or
25 commercial modular registration, as the department may decide
26 is appropriate to the circumstances. Immediately upon removal,
27 as defined in this section, the manufactured home, mobilehome,
28 or commercial modular shall be deemed to have become personal
29 property and subject to all laws governing the same as applicable
30 to a manufactured home, mobilehome, or commercial modular.

31 (b) The installation of a manufactured home or a mobilehome
32 on a foundation system as chattel shall be in accordance with
33 Section 18613 and shall be deemed to meet or exceed the
34 requirements of Section 18613.4. This subdivision shall not be
35 construed to affect the application of sales and use or property
36 taxes. No provisions of this subdivision are intended, nor shall
37 they be construed, to affect the ownership interest of any owner
38 of a manufactured home or mobilehome.

39 (c) Once installed on a foundation system, a manufactured home,
40 mobilehome, or commercial modular shall be subject to state

1 enforced health and safety standards for manufactured homes,
2 mobilehomes, or commercial modulars enforced pursuant to
3 Section 18020.

4 (d) No local agency shall require that any manufactured home,
5 mobilehome, or commercial modular currently on private property
6 be placed on a foundation system.

7 (e) No local agency shall require that any manufactured home
8 or mobilehome located in a mobilehome park be placed on a
9 foundation system.

10 (f) No local agency shall require, as a condition for the approval
11 of the conversion of a rental mobilehome park to a resident-owned
12 park, including, but not limited to, a subdivision, cooperative, or
13 condominium for mobilehomes, that any manufactured home or
14 mobilehome located there be placed on a foundation system. This
15 subdivision shall only apply to the conversion of a rental
16 mobilehome park that has been operated as a rental mobilehome
17 park for a minimum period of five years.

18 ~~SEC. 5.~~

19 *SEC. 6.* Section 18866.2 of the Health and Safety Code is
20 amended to read:

21 18866.2. Any notice of violation of this part, or any rule or
22 regulation adopted pursuant thereto, issued by the enforcement
23 agency shall be issued to the appropriate persons designated in
24 Section 18867 and shall include a statement that any willful
25 violation is a misdemeanor under Section 18874.

26 ~~SEC. 6.~~

27 *SEC. 7.* Section 33334.29 of the Health and Safety Code is
28 repealed.

29 ~~SEC. 7.~~

30 *SEC. 8.* Section 33420.1 of the Health and Safety Code is
31 amended to read:

32 33420.1. Within a project area, for any project undertaken by
33 an agency for building rehabilitation or alteration in construction,
34 an agency may take those actions which the agency determines
35 necessary and which is consistent with local, state, and federal
36 law, to provide for seismic retrofits as follows:

37 (a) For unreinforced masonry buildings, to meet the
38 requirements of Appendix Chapter A1 of the most current edition
39 of the California Building Code.

1 (b) For any buildings that qualify as “historical property” under
2 Section 37602, to meet the requirements of the State Historical
3 Building Code (Part 2.7 (commencing with Section 18950) of
4 Division 13) and the most current edition of the California
5 Historical Building Code.

6 (c) For buildings other than unreinforced masonry buildings
7 and historical properties, to meet the requirements of the most
8 current edition of the International Building Code, as applicable.

9 If an agency undertakes seismic retrofits and proposes to add
10 new territory to the project area, to increase either the limitation
11 on the number of dollars to be allocated to the redevelopment
12 agency or the time limit on the establishing of loans, advances,
13 and indebtedness established pursuant to paragraphs (1) and (2)
14 of Section 33333.2, to lengthen the period during which the
15 redevelopment plan is effective, to merge project areas, or to add
16 significant additional capital improvement projects, as determined
17 by the agency, the agency shall amend its redevelopment plan and
18 follow the same procedure, and the legislative body is subject to
19 the same restrictions, as provided for in Article 4 (commencing
20 with Section 33330) for the adoption of a plan.

21 *SEC. 9. Section 2705 of the Public Resources Code is amended*
22 *to read:*

23 2705. (a) Counties and cities shall collect a fee from each
24 applicant for a building permit. Each fee shall be equal to a specific
25 amount of the proposed building construction for which the
26 building permit is issued as determined by the local building
27 officials. The fee amount shall be assessed in the following way:

28 (1) Group R occupancies, as defined in the 1985 Uniform
29 Building Code and adopted in Part 2 (commencing with Section
30 2-101) of Title 24 of the California Code of Regulations, one to
31 three stories in height, except hotels and motels, shall be assessed
32 at the rate of ten dollars (\$10) per one hundred thousand dollars
33 (\$100,000), with appropriate fractions thereof.

34 (2) All other buildings shall be assessed at the rate of twenty-one
35 dollars (\$21) per one hundred thousand dollars (\$100,000), with
36 appropriate fractions thereof.

37 (3) The fee shall be the amount assessed under paragraph (1)
38 or (2), depending on building type, or fifty cents (\$0.50), whichever
39 is the higher.

1 (b) (1) In lieu of the requirements of subdivision (a), a county

4 thereof, in its basic building permit fee for any Group R occupancy
5 defined in paragraph (1) of subdivision (a), and a rate of twenty-one
6 dollars (\$21) per one hundred thousand dollars (\$100,000), with
7 appropriate fractions thereof, for all other building types. A county
8 or city electing to collect the fee pursuant to this subdivision need
9 not segregate the fees in a fund separate from any fund into which
10 basic building permit fees are deposited.

11 (2) “Building,” for the purpose of this chapter, is any structure
12 built for the support, shelter, or enclosure of persons, animals,
13 chattels, or property of any kind.

14 (c) (1) A city or county may retain up to 5 percent of the total
15 amount it collects under subdivision (a) or (b) for data utilization,
16 for seismic education incorporating data interpretations from data
17 of the strong-motion instrumentation program and the seismic
18 hazards mapping program, and, in accordance with paragraph (2),
19 for improving the preparation for damage assessment after strong
20 seismic motion events.

21 (2) A city or county may use any funds retained pursuant to this
22 subdivision to improve the preparation for damage assessment in
23 its jurisdiction only after it provides the Department of
24 Conservation with information indicating to the department that
25 data utilization and seismic education activities have been
26 adequately funded.

27 (d) Funds collected pursuant to subdivision (a) and (b), less the
28 amount retained pursuant to subdivision (c), shall be deposited in
29 the Strong-Motion Instrumentation and Seismic Hazards Mapping
30 Fund, as created by Section 2699.5 *to be used exclusively for*
31 *purposes of this chapter and Chapter 7.8 (commencing with Section*
