SENATE BILL

No. 715

**Introduced by Senator Calderon
(Coauthors: Senators Anderson, Correa, Gaines, Lieu, Lowenthal,
Price, and Wyland)**

February 18, 2011

An act to add Article 9 (commencing with Section 10509.910) to Chapter 5 of Part 2 of Division 2 of the Insurance Code, relating to annuity transactions.

LEGISLATIVE COUNSEL'S DIGEST

SB 715, as amended, Calderon. Annuity transactions.

Existing law requires agents and insurers to fulfill certain requirements with regard to the replacement of existing life insurance policies and annuities.

This bill would require insurers and insurance producers, as defined, to comply with specified requirements regarding the purchase, exchange, or replacement of an annuity recommended to a consumer, including, but not limited to, having reasonable grounds for the insurance producer believing the annuity transaction would be suitable for the consumer, as provided. The bill would also prohibit an insurance producer from selling annuities unless he or she has received Insurance Commissioner-approved training, and would authorize the commissioner to require certain actions by, and impose sanctions and penalties on, insurers and their agents for a violation of the bill's provisions.

The bill would further provide that sales by a Financial Industry Regulatory Authority (FINRA) broker-dealer that comply with the suitability and supervision system requirements of FINRA shall be deemed to satisfy the suitability and supervision system requirements of this bill, as specified.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 ~~SECTION 1. Article 9 (commencing with Section 10509.910)~~
2 ~~is added to Chapter 5 of Part 2 of Division 2 of the Insurance Code,~~
3 ~~to read:~~

4
5 ~~Article 9. Suitability Requirements for Annuity Transactions~~

6
7 ~~10509.910. The Legislature finds and declares all of the~~
8 ~~following:~~

9 ~~SECTION 1. The Legislature finds and declares all of the~~
10 ~~following:~~

11 ~~(a) The Legislature finds and declares that in 2010 the National~~
12 ~~Association of Insurance Commissioners (NAIC) adopted a~~
13 ~~significantly revised Suitability in Annuity Transactions Model~~
14 ~~Regulation.~~

15 ~~(b) The Legislature also finds that the revised Suitability in~~
16 ~~Annuity Transactions Model was adopted by the NAIC to set~~
17 ~~standards and procedures for suitable annuity recommendations~~
18 ~~and to require insurers to establish a system to supervise~~
19 ~~recommendations so that the insurance needs and financial~~
20 ~~objectives of consumers are appropriately addressed.~~

21 ~~(c) The Legislature finds that the revised NAIC Suitability in~~
22 ~~Annuity Transactions Model establishes a regulatory framework~~
23 ~~that holds insurers responsible for ensuring that annuity transactions~~
24 ~~are suitable, whether or not the insurer contracts with a third party~~
25 ~~to supervise or monitor the recommendations made in the~~
26 ~~marketing and sale of annuities.~~

27 ~~(d) The Legislature also finds that the 2010 revisions to the~~
28 ~~NAIC Suitability in Annuity Transactions Model require that~~
29 ~~producers be trained on the provisions of annuities in general, and~~
30 ~~the specific products they are selling.~~

(e) The Legislature finds that the ~~federal~~ adoption last year of the *federal* Dodd-Frank Wall Street Reform and Consumer Protection Act (Public Law 111-203) provides, under Title IX, Subtitle I, Section 989A, relating to senior investment protections, that a state's adherence to at least the minimum requirements of the NAIC's Suitability in Annuity Transactions Model is a required element for a state or other eligible entities to participate in a program of grants to support enhanced protections of seniors against misleading marketing practices.

(f) Finally, the Legislature finds that adoption in this state of at least the minimum requirements of the NAIC Suitability in Annuity Transactions Model affects California's continued jurisdiction over indexed securities under Title IX, Subtitle I, Section 989J of the Dodd-Frank Act.

~~10509.911. The purpose of this article is to require insurers to~~
SEC. 2. Article 9 (commencing with Section 10509.910) is added to Chapter 5 of Part 2 of Division 2 of the Insurance Code, to read:

31 of an annuity or the exchange of an annuity that results in another
32 insurance transaction or series of insurance transactions, the
33 insurance producer, or an insurer if no producer is involved, shall
34 have reasonable grounds for believing that the recommendation
35 is suitable for the consumer on the basis of the facts disclosed by
36 the consumer as to his or her investments and other insurance
37 products and as to his or her financial situation and needs, including
38 the consumer’s suitability information, and that there is a
39 reasonable basis to believe all of the following:

1 (1) The consumer has been reasonably informed of various
2 features of the annuity, such as the potential surrender period and
3 surrender charge, potential tax penalty if the consumer sells,
4 exchanges, surrenders, or annuitizes the annuity, mortality and

16 (4) In the case of an exchange or replacement of an annuity, the
17 exchange or replacement is suitable, including taking into
18 consideration all of the following:

19 (A) Whether the consumer will incur a surrender charge, be

24 (B) Whether the consumer would benefit from product

29 (D) The exchange or replacement of that annuity would not be
30 an “unnecessary replacement” as that term is used in subdivision
31 (b) of Section 10509.8.

32 (b) Prior to the execution of a purchase, exchange, or
33 replacement of an annuity resulting from a recommendation, an
34 insurance producer, or an insurer where no insurance producer is
35 involved, shall make reasonable efforts to obtain the consumer’s
36 suitability information.

37 (c) Except as permitted pursuant to subdivision (d), an insurer
38 shall not issue an annuity recommended to a consumer unless there
39 is a reasonable basis to believe the annuity is suitable based on the
40 consumer’s suitability information and applicable California law.

(d) (1) Except as provided pursuant to paragraph (2), neither an insurance producer, nor an insurer, shall have any obligation to a consumer pursuant to subdivision (a) or (c) related to an annuity transaction if any of the following occur:

(A) No recommendation is made.

(B) A recommendation was made and was later found to have been prepared based on materially inaccurate information provided by the consumer.

(C) A consumer refuses to provide relevant suitability information and the annuity transaction is not recommended.

(D) A consumer decides to enter into an annuity transaction that is not based on a recommendation of the insurer or the insurance producer.

(2) An insurer's issuance of an annuity subject to paragraph (1) shall be reasonable under all the circumstances which are actually known, or which after reasonable inquiry should be known, to the insurer or the insurance producer at the time the annuity is issued.

(e) An insurance producer or, where no insurance producer is involved, the responsible insurer representative, shall at the time of sale do all of the following:

(1) Make a record of any recommendation subject to subdivision (a) of this section.

(2) Obtain a customer-signed statement documenting a customer's refusal to provide suitability information, if any.

(3) Obtain a customer-signed statement acknowledging that an annuity transaction is not recommended if a customer decides to enter into an annuity transaction that is not based on the insurance producer's or insurer's recommendation.

(f) (1) An insurer shall establish a supervision system that is reasonably designed to achieve the insurer's and its insurance producers' compliance with this article, including, but not limited to, all of the following:

(A) The insurer shall maintain reasonable procedures to inform its insurance producers of the requirements of this article and shall incorporate the requirements of this article into relevant insurance producer training manuals.

(B) The insurer shall establish standards for insurance producer product training and shall maintain reasonable procedures to require its insurance producers to comply with the requirements of Section 10509.916 10509.915.

1 (C) The insurer shall provide product-specific training and
2 training materials that explain all material features of its annuity
3 products to its insurance producers.

4 (D) The insurer shall maintain procedures for review of each
5 recommendation prior to issuance of an annuity that are designed
6 to ensure that there is a reasonable basis to determine that a
7 recommendation is suitable. The review procedures may apply a
8 screening system for the purpose of identifying selected
9 transactions for additional review, and may be accomplished
10 electronically or through other means, including, but not limited
11 to, physical review. An electronic or other system may be designed
12 to require additional review only of those transactions identified
13 for additional review by the selection criteria.

14 (E) The insurer shall maintain reasonable procedures to detect
15 recommendations that are not suitable. This may include, but is
16 not limited to, confirmation of consumer suitability information,
17 systematic customer surveys, interviews, confirmation letters, and
18 programs of internal monitoring. Nothing in this subparagraph
19 prevents an insurer from complying with this subparagraph by
20 applying sampling procedures or by confirming suitability
21 information after issuance or delivery of the annuity.

22 (F) The insurer shall annually provide a report to its senior
23 management, including to the senior manager responsible for audit
24 functions, which details a review, with appropriate testing,
25 reasonably designed to determine the effectiveness of the
26 supervision system, the exceptions found, and corrective action
27 taken or recommended, if any.

28 (2) (A) Nothing in this subdivision restricts an insurer from
29 contracting for performance of a function, including maintenance
30 of procedures, required under paragraph (1). An insurer is
31 responsible for taking appropriate corrective action and may be
32 subject to sanctions and penalties pursuant to Section ~~10509.917~~
33 ~~10509.916~~ regardless of whether the insurer contracts for
34 performance of a function and regardless of the insurer's
35 compliance with subparagraph (B). An insurer is responsible for
36 the compliance of its insurance producer with the provisions of
37 this article regardless of whether the insurer contracts for
38 performance of a function required under this subdivision and
39 regardless of the insurer's compliance with subparagraph (B).

(B) An insurer's supervision system under paragraph (1) shall include supervision of contractual performance under this subdivision. This includes, but is not limited to, both of the following:

(i) Monitoring and, as appropriate, conducting audits to ensure that the contracted function is properly performed.

(ii) Annually obtaining a certification from a senior manager who has responsibility for the contracted function that the manager has a reasonable basis to represent, and does represent, that the function is properly performed.

(3) An insurer is not required to include in its system of supervision an insurance producer's recommendations to consumers of products other than the annuities offered by the insurer.

(1) Truthfully responding to an insurer's request for confirmation of suitability information.

(2) Filing a complaint.

(3) Cooperating with the investigation of a complaint.

(h) (1) This subdivision applies to FINRA broker-dealer sales of variable and fixed annuities.

(2) Sales by FINRA broker-dealers that comply with the suitability and supervision system requirements set forth in FINRA Rule 2330, or any successor rule, shall satisfy the suitability and supervision system requirements of this article, provided that the suitability criteria used also include both of the following:

(A) The consumer's income.

(B) The intended use of the annuity.

(3) Except as provided in paragraphs (1) and (2), all other provisions of this article remain applicable to these broker-dealer sales.

(4) Nothing in this subdivision shall limit the commissioner's ability to enforce, including conducting investigations related to, the provisions of this article.

~~10509.916.~~

~~10509.915.~~ (a) An insurance producer shall not solicit the sale of an annuity product unless the insurance producer has adequate knowledge of the product to recommend the annuity and the insurance producer is in compliance with the insurer's standards

1 for product training. An insurance producer may rely on
2 insurer-provided product-specific training standards and materials
3 to comply with this subdivision.

4 (b) (1) (A) An insurance producer who is otherwise entitled
5 to engage in the sale of annuity products shall complete a one-time
6 eight-credit-hour annuity training course approved by the
7 commissioner and provided by a commissioner-approved education
8 provider, prior to commencing the transaction of annuities, pursuant
9 to subdivision (a) of Section 1749.8.

10 (B) In addition to the requirement set forth in subparagraph (A),
11 every producer who engages in this state in the sale of annuity

16 information on all of the following topics:

17 (A) The types of annuities and various classifications of
18 annuities.

19 (B) Identification of the parties to an annuity.

25 (F) Appropriate sales practices, replacement, and disclosure
26 requirements.

27 (G) Other topics required for training in selling annuities under
28 subdivision (c) of Section 1749.8.

29 (3) Providers of courses intended to comply with this subdivision
30 shall cover all topics listed in the prescribed outline and shall not
31 present any marketing information or provide training on sales
32 techniques or provide specific information about a particular
33 insurer's products. Additional topics may be offered in conjunction
34 with and in addition to the required outline.

35 (4) A provider of an annuity training course intended to comply
36 with this section shall register as a CE provider in this state and
37 comply with the rules and guidelines applicable to insurance
38 producer continuing education courses as set forth in Section

1 2188.8, 2188.50, and 2188.9 of Title 10 of the California Code of
2 Regulations.

3 (5) Annuity training courses may be conducted and completed
4 by classroom or self-study methods in accordance with Sections

10 of Regulations.

11 (7) An insurer shall verify that an insurance producer has
12 completed the annuity training course required under this section
13 before allowing the insurance producer to sell an annuity product
14 for that insurer. An insurer may satisfy its responsibility under this
15 subdivision by obtaining certificates of completion of the training
16 course or obtaining reports provided by commissioner-sponsored
17 database systems or vendors or from a reasonably reliable
18 commercial database vendor that has a reporting arrangement with
19 approved insurance education providers.

20 ~~10509.917.~~

21 10509.916. (a) An insurer is responsible for compliance with
22 this article. If a violation occurs, either because of the action or
23 inaction of the insurer or its insurance producer, the commissioner
24 may, in addition to any other available penalties, remedies, or
25 administrative actions, order any or all of the following:

26 (1) An insurer to take reasonably appropriate corrective action
27 for any consumer harmed by the insurer's, or by its insurance
28 producer's, violation of this article.

29 (2) A managing general agent or an insurance producer to take
30 reasonably appropriate corrective action for any consumer harmed
31 by the insurance producer's violation of this article.

32 (3) Penalties and sanctions pursuant to Section 10509.9. For
33 purposes of Section 10509.9, this article shall be deemed to be
34 part of Article 8 (commencing with Section 10509), and the
35 commissioner may in a single enforcement action seek penalties
36 for a first and a second or subsequent violation.

37 (b) Nothing in this article shall affect any other obligation of
38 an insurer for acts of its agents, or any other consumer remedy or
39 cause of action otherwise provided by law.

1 ~~10509.918.~~

2 10509.917. (a) Insurers and insurance producers shall maintain
3 or be able to make available to the commissioner records of the
4 information collected from the consumer and other information
5 used in making the recommendations that were the basis for
6 insurance transactions for five years after the insurance transaction
7 is completed by the insurer. An insurer is permitted, but shall not
8 be required, to maintain documentation on behalf of an insurance
9 producer.

10 (b) Records required to be maintained by this article may be
11 maintained in paper, photographic, microprocessing, magnetic,
12 mechanical, or electronic media or by any process that accurately
13 reproduces the actual document.

14 ~~10509.919.~~

15 10509.918. The commissioner shall, from time to time as
16 conditions warrant, after notice and hearing, adopt reasonable rules
17 and regulations, and amendments and additions thereto, as are
18 necessary to administer this article. The commissioner may adopt
19 regulations not inconsistent with this article pursuant to Section
20 989J of the federal Dodd-Frank Wall Street Reform and Consumer
21 Protection Act (Public Law 111-203).
