**SENATE BILL**

**No. 736**

---

---

**Introduced by Senator Cannella**

February 18, 2011

---

---

An act to add *and repeal* Section 2006.2-~~to~~ of the Streets and Highways Code, relating to county roads.

LEGISLATIVE COUNSEL'S DIGEST

SB 736, as amended, Cannella. County road commissioner: Merced County.

Existing law provides for the appointment of a road commissioner in each county by the board of supervisors, with specified powers and duties relating to county roads. Existing law provides for exceptions to this requirement in cases in which the duties of the road commissioner have been transferred by the board of supervisors to the county director of transportation or another authorized person. Existing law, in the case of Orange County, authorizes the board of supervisors of that county to transfer the duties of the county road commissioner to a county environmental management agency.

This bill, *until January 1, 2018*, would authorize the board of supervisors of Merced County to transfer the duties of the county road

commissioner to the ~~county's~~ *county director of the* department of public works, as specified.

This bill would make legislative findings and declarations as to the necessity of a special statute for Merced County.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

*The people of the State of California do enact as follows:*

1 SECTION 1. Section 2006.2 is added to the Streets and  
2 Highways Code, to read:

3 2006.2. (a) Notwithstanding any other provision of law, the  
4 Board of Supervisors of Merced County may abolish the office of  
5 road commissioner if the board transfers all duties of the road  
6 commissioner to the ~~county's~~ *county director of the* department  
7 of public works. The director of that department shall not be  
8 required to have any special permit, registration, or license. Any  
9 civil engineering functions that are required to be performed by  
10 the road commissioner shall be performed by a registered civil  
11 engineer acting under the authority of the director of that  
12 department.

13 ~~(b) For the purposes of this section, wherever any law uses the~~  
14 ~~term "road commissioner" that term shall be synonymous with the~~  
15 ~~term "department of public works" in the case of Merced County.~~

16 *(b) This section shall remain in effect only until January 1, 2018,*  
17 *and as of that date is repealed, unless a later enacted statute, that*  
18 *is enacted before January 1, 2018, deletes or extends that date.*

19 SEC. 2. The Legislature finds and declares that a special law  
20 is necessary and that a general law cannot be made applicable  
21 within the meaning of Section 16 of Article IV of the California  
22 Constitution because of the particular needs of Merced County.
