SENATE BILL

No. 760

Introduced by Senator Alquist

February 18, 2011

An act to ~~amend Section 69433.2 of~~ *add Section 69433.3* the Education Code, relating to postsecondary education.

LEGISLATIVE COUNSEL'S DIGEST

SB 760, as amended, Alquist. Postsecondary education: the Cal Grant Program.

Existing law, the Ortiz-Pacheco-Poochigian-Vasconcellos Cal Grant Program (Cal Grant Program), establishes the Cal Grant A and B Entitlement Awards, the California Community College Transfer Entitlement Awards, the Competitive Cal Grant A and B Awards, the Cal Grant C Awards, and the Cal Grant T Awards under the administration of the Student Aid Commission, and establishes eligibility requirements for awards under these programs for participating students attending qualifying institutions.

Existing law requires Cal Grant participating institutions, beginning in 2012, to annually report to the California Student Aid Commission *enrollment, persistence, and graduation data for all students and job*

placement rate and salary and wage information for each program that is either designed or advertised to lead to a particular type of job or advertised or promoted with any claim regarding job placement.

~~The bill would specify that the annual report required under this provision would relate to students in Cal Grant eligible undergraduate programs, and that it would be required beginning on December 1, 2013. The bill would allow the commission to use data already available from federal agencies and other state agencies in lieu of requiring institutions to report, if the commission determines that the data are sufficient for meeting specified requirements~~ *require the commission to annually report to specified committees of the Legislature the data, as specified, reported annually to the commission by Cal Grant participating institutions and the names of the postsecondary educational institutions that failed to report.*

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
