SENATE BILL

No. 806

Introduced by Committee on Veterans Affairs (Senators Correa (Chair), Berryhill, Calderon, Cannella, La Malfa, Lieu, Negrete McLeod, Rubio, and Runner)

February 18, 2011

An act to amend, *repeal*, and *add* Section 19775.2 of the Government Code, relating to state compensation, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

SB 806, as amended, Committee on Veterans Affairs. State employees: military leave: salary overpayment.

Existing law requires the state, when it determines that an overpayment of compensation has been made to an employee, to notify the employee of the overpayment and afford the employee an opportunity to respond before commencing recoupment actions. Existing law requires that administrative action to recover an overpayment from a state employee be initiated within 3 years from the date of overpayment.

Existing law provides that a state employee who is granted a military leave of absence for active duty, whose continuous state service is not broken by a permanent separation, shall be entitled to receive his or her salary for a period not to exceed 30 calendar days in any one fiscal year.

This bill would provide, *until January 1, 2015*, that when the state determines that an overpayment of compensation has been made to a state employee on a leave of absence for active military duty as a member of the California National Guard, administrative action to

recover overpayment be initiated within 6 years from the date of overpayment, notwithstanding existing law. *The bill would make this provision applicable to any overpayment made up to 6 years prior to the operative date of this measure, as specified.*

This bill would declare that it is to take effect immediately as an urgency statute.

Vote: $\frac{2}{3}$. Appropriation: no. Fiscal committee: yes.

State-mandated local program: no.
