

Introduced by Senator Corbett

February 18, 2011

An act to amend Section 21162 of the Public Resources Code, relating to environmental quality.

LEGISLATIVE COUNSEL'S DIGEST

SB 880, as introduced, Corbett. Environmental quality: environmental impact report: notice of completion.

The California Environmental Quality Act requires the State Clearinghouse to provide to a legislator in whose district a project has an environmental impact the notice of completion of an environmental impact report on the project if the legislator requests the notice and the State Clearinghouse has received the notice.

This bill would make technical, nonsubstantive changes to that provision.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 21162 of the Public Resources Code is
- 2 amended to read:
- 3 21162. A copy of the notice of completion of an environmental
- 4 impact report on a project shall be provided; by the State
- 5 Clearinghouse; to ~~any~~ a legislator in whose district the project has
- 6 an environmental impact; if the legislator requests the notice and
- 7 the State Clearinghouse has received it.
