~~An act to repeal Section 5205 of the Vehicle Code, relating to vehicles.~~ *An act to add Section 676 to the Penal Code, relating to criminal defendants.*

LEGISLATIVE COUNSEL'S DIGEST

SB 906, as amended, DeSaulnier. ~~Vehicles: vehicle identification: stickers or other devices.~~ *Defendants: incarceration.*

*Existing law, in part, provides that all persons concerned in the commission of a crime, whether they directly commit the act constituting the offense, or aid and abet in its commission, or, not being present, have advised and encouraged its commission, or who, by threats, menaces, command, or coercion, compel another to commit any crime, are principals in any crime so committed. Existing law provides that a criminal conspiracy requires an agreement and some criminal act, besides the agreement, be done within this state to effect the object of the conspiracy, by one or more of the parties to the agreement, in order to constitute a conspiracy.*

*This bill would prohibit persons who are principals or coconspirators in the commission of a violent felony, as specified, from being incarcerated in close proximity to each other prior to trial, or processed in a reception center at the same time, as specified. The bill would also require the Department of Corrections and Rehabilitation to incarcerate those persons in separate state prisons or other separate facilities under the jurisdiction of the Department of Corrections and Rehabilitation.*

*By imposing additional burdens on local law enforcement agencies, this bill would impose a state-mandated local program.*

*The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.*

*This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.*

~~Existing law authorizes the Department of Motor Vehicles to adopt appropriate rules and regulations for the use and display of stickers or devices issued in lieu of license plates and requires that the department publish a summary of these rules and regulations.~~

~~This bill would delete these provisions.~~

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: ~~no~~-yes.
