SENATE BILL

No. 919

Introduced by Senator Lieu

February 18, 2011

An act to amend Sections 32261, 32265, ~~and 32270~~ 32270, and 48900 of the Education Code, relating to school safety.

LEGISLATIVE COUNSEL'S DIGEST

SB 919, as amended, Lieu. School Safety: sexting.

~~Existing~~

(1) *Existing* law, the Interagency School Safety Demonstration Act of 1985, establishes the School/Law Enforcement Partnership, and requires the partnership to establish a statewide school safety cadre for the purpose of facilitating interagency coordination and collaboration to reduce school violence and crime, truancy rates, bullying, teen relationship violence, and discrimination and harassment. Existing law requires the partnership to sponsor at least 2 regional conferences to identify exemplary programs and techniques that have been effectively used to reduce school crime, including hate crimes, vandalism, drug and alcohol abuse, gang membership and gang violence, truancy, and excessive absenteeism. The conferences may include, but need not be limited to, information on specified topics.

This bill would define sexting for purposes of that act as the ~~sending or receiving of sexually explicit pictures or video images by means of an electronic act dissemination of, or the solicitation or incitement to~~

disseminate, a photograph or other visual recording that depicts specified areas of a minor's body by a pupil to another pupil or school personnel with the intent to humiliate or harass. The bill would further define sexting to not include a depiction, portrayal, or image that has any serious literary, artistic, educational, political, or scientific value or that involves athletic events or school sanctioned activities. The bill would require the partnership's school safety programs to also have the purpose of reducing sexting, and would include sexting as a topic that may be included in the partnership's conferences.

(2) Existing law prohibits the suspension of a pupil from school or the recommendation of a pupil for expulsion from school unless the school district superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has committed any of several specified acts.

This bill would include engaging in an act of sexting, as defined above, as an act for which a pupil may be suspended or expelled from school.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. (a) The Legislature finds and declares all of the
2 following:

5 problem for many school districts.

6 (2) The State of California is committed to a safe and civil
7 education environment for all pupils that is free from harassment,
8 bullying, and inappropriate messages that sexualize young men
9 and women and breaches their privacy.

10 (3) The intent of this act is to clarify and supplement existing
11 law regarding administrators' and teachers' ability to address
12 sexting in public schools.

13 (4) Pupils who are subjected to sexting may suffer long-term
14 social, emotional, and psychological harms as a result of
15 harassment and bullying.
