An act relating to hazardous waste.

LEGISLATIVE COUNSEL'S DIGEST

SB 932, as introduced, Leno. Hazardous waste: recycling of residential fluorescent lighting.

Existing law, the California Lighting Efficiency and Toxics Reduction Act, administered by the Department of Toxic Substances Control, prohibits a person from manufacturing for sale or selling in the state specified general purpose lights that contain levels of hazardous substances prohibited by the European Union pursuant to the RoHS Directive. A violation of the hazardous waste control law is a crime.

This bill would state the intent of the Legislature to enact legislation that would promote the recycling of residential fluorescent lighting.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

- 1 SECTION 1. It is the intent of the Legislature to enact
- 2 legislation that would promote the recycling of residential
- 3 fluorescent lighting.
