

AMENDED IN ASSEMBLY JUNE 14, 2011

AMENDED IN SENATE APRIL 28, 2011

SENATE BILL

No. 940

Introduced by Committee on Education (Senators Lowenthal (Chair), Alquist, Blakeslee, Hancock, Huff, Liu, Price, Runner, Simitian, and Vargas)

March 24, 2011

An act to amend Sections 41329.59, 66026, 66747, 66902.5, ~~69511~~, ~~69984~~, 71093, and 87884 of, and to repeal Sections 52272, 66941, and 81706 of, the Education Code, and to amend Section 4709 of the Labor Code, relating to education.

LEGISLATIVE COUNSEL'S DIGEST

SB 940, as amended, Committee on Education. Education.

(1) Existing law requires the Fiscal Crisis and Management Assistance Team to conduct an extraordinary audit of the Compton Community College District and file a written status report at regular intervals with specified persons, including the Secretary for Education.

This bill would require that written status report to be filed with the Governor instead of the Secretary for Education.

(2) Existing law establishes the Education Technology Professional Development Program to provide teacher training on the use of technology in the classroom.

This bill would repeal that program.

(3) Existing law requires reports submitted to the Legislature by the University of California, the California State University, the Office of the Chancellor of the California Community Colleges, and the California Postsecondary Education Commission to be delivered to specified entities, including the Office of the Secretary for Education.

This bill would require those reports to be delivered to the Office of the Governor instead of the Office of the Secretary for Education.

(4) Existing law requires the California Postsecondary Education Commission to convene an intersegmental working group to determine state funding priorities consistent with the institutional missions of the systems of higher education.

This bill would eliminate the working group.

(5) *Existing law establishes the Scholarshare Investment Board to administer the Golden State Scholarshare College Savings Trust to provide financial aid for postsecondary education costs of participating students. The board is composed of specified members, including the Secretary for Education.*

This bill would replace the Secretary for Education with the executive director of the State Board of Education as a member of the board.

~~(5)~~

(6) Existing law, the Student Transfer Achievement Reform Act, establishes that the California State University is required to guarantee admission with junior status to any community college student who meets the requirements for the associate degree for transfer. A student admitted to the California State University pursuant to the act is entitled to receive priority over all other community college transfer students, excluding community college students who have entered into a transfer agreement between a community college and the California State University prior to the fall term of the 2012–13 academic year.

Existing law states the intent of the Legislature that specified categories be followed, insofar as practicable, in numeric order for the purposes of enrollment planning and admission priority practice at the undergraduate resident student level for the California State University and the University of California.

This bill would require that students admitted to the California State University pursuant to the act receive priority for purposes of enrollment *planning and admissions*, if the students have met the requirements of an approved transfer agreement consistent with this priority.

~~(6)~~

(7) The Ortiz-Pacheco-Poochigian-Vasconcellos Cal Grant Act establishes the Cal Grant entitlement awards and the California Community College Transfer Entitlement Awards, under the administration of the Student Aid Commission, and establishes eligibility requirements for awards under these programs for participating students attending qualifying institutions.

Existing law provides that if a federal law permits the administration of a scholarship or grant program by a state agency, the Student Aid Commission is to administer the program if it is determined that the participation by the state in the federal scholarship or grant program would not interfere with or jeopardize the continuation of a Cal Grant scholarship program established pursuant to specified provisions of state law.

This bill would change obsolete references in law to refer to the current Cal Grant program.

(7)

(8) Existing law authorizes the Board of Governors of the California Community Colleges to authorize the chancellor to suspend the authority of the Board of Trustees of the Compton Community College District to exercise any powers or responsibilities or to take any official actions with respect to management of the district. Existing law also authorizes the board of governors to authorize that suspension for a specified period of time plus a period lasting until specified persons, including the Secretary for Education, concur that the district has met specified requirements.

This bill would instead provide that the Governor, instead of the Secretary for Education, would be required to concur that the district has met those requirements.

(8)

(9) Existing law requires the Board of Governors of the California Community Colleges to develop guidelines for design-build projects by June 30, 2003.

This bill would repeal that requirement.

(9)

(10) Existing law, the Community College Part-Time Faculty Office Hours Program, provides students equal access to academic advice and assistance without regard to whether a course at a community college is taught by a full-time or a part-time faculty member. The governing board of each community college district that establishes such a program is required to negotiate, or meet and confer, to establish a program to provide part-time faculty office hours.

This bill would correct a cross-reference in the latter provision.

(10)

(11) Existing law provides that a dependent of a peace officer who is killed in the performance of duty or who dies or is totally disabled as a result of an accident or an injury that is compensable, as defined,

is entitled to a Cal Grant scholarship at a specified institution. Existing law provides that a dependent of a peace officer who is a recipient of a scholarship shall not be precluded from receiving a Cal Grant award, as specified.

This bill would change obsolete references in law to refer to the current Cal Grant program.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

18 *SEC. 9.* Section 71093 of the Education Code is amended to

20 71093. Notwithstanding any other provision of law:

21 (a) The board of governors may authorize the chancellor to
22 suspend the authority of the Board of Trustees of the Compton
23 Community College District, or of any of the members of that
24 board, to exercise any powers or responsibilities or to take any
25 official actions with respect to the management of the district,
26 including any of the district's assets, contracts, expenditures,
27 facilities, funds, personnel, or property. The board of governors
28 may authorize suspension for a period up to five years from the
29 effective date of Assembly Bill 318 of the 2005–06 Regular
30 Session, plus a period lasting until the chancellor, the Fiscal Crisis
31 and Management Assistance Team, the Director of Finance, and
32 the Governor concur with the special trustee that the district has,
33 for two consecutive academic years, met the requirements of the
34 comprehensive assessment conducted, and the recovery plan
35 prepared, pursuant to Section 41329.59.

36 (b) A suspension authorized by this section becomes effective
37 immediately upon the delivery of a document to the administrative
38 offices of the Compton Community College District that sets forth
39 the finding of the chancellor that a suspension pursuant to this

1 section is necessary for the establishment of fiscal integrity and
2 security in that district.

3 (c) (1) If and when the chancellor suspends the authority of the
4 Board of Trustees of the Compton Community College District or
5 any of its members pursuant to this section, the chancellor may
6 appoint a special trustee as provided in paragraph (3) of subdivision
7 (c) of Section 84040, at district expense, to manage the district.
8 The chancellor is authorized to assume, and delegate to the special
9 trustee, those powers and duties of the Board of Trustees of the
10 Compton Community College District that the chancellor
11 determines, with the approval of the board of governors, are
12 necessary for the management of that district. The Board of
13 Trustees of the Compton Community College District may not
14 exercise any of the duties or powers assumed by the chancellor
15 under this section.

16 (2) The chancellor may appoint as a special trustee under this
17 section a person who has served in a similar capacity prior to the
18 enactment of the act that adds this section. A special trustee
19 appointed under this section shall serve at the pleasure of the
20 chancellor.

21 (3) Notwithstanding any other provision of law, in order to
22 facilitate the appointment of the special trustee, the chancellor is
23 exempt, for the purposes of this section, from the requirements of
24 Article 6 (commencing with Section 999) of Chapter 6 of Division
25 4 of the Military and Veterans Code and Part 2 (commencing with
26 Section 10100) of Division 2 of the Public Contract Code.

28 this section is in effect, the chancellor is authorized to assume, and
29 delegate to the special trustee, those powers and duties of the
30 Compton Community College District Personnel Commission that
31 the chancellor determines are necessary for the management of
32 the personnel functions of the Compton Community College
33 District. The personnel commission may not exercise any of the
34 powers or duties assumed by the chancellor.

35 (e) Notwithstanding any other provision of law, if the special
36 trustee has been a member of the State Teachers' Retirement
37 System or the Public Employees' Retirement System at any time
38 prior to appointment, he or she shall, for the period of service as
39 special trustee, be a member of the system to which he or she
40 belonged, unless the special trustee elects, in writing, not to be a

1 member. If the special trustee chooses to be a member, the special
2 trustee shall be placed on the payroll of the district, or the payroll
3 of another local education agency or other entity with which the
4 district has an exchange agreement pursuant to Section 87422 or
5 other applicable provisions of law, for the purpose of providing
6 appropriate contributions to the applicable retirement system.

8 authorized to do all of the following:

9 (1) Implement substantial changes in the fiscal policies and
10 practices of the Compton Community College District.

16 a fair share of the burden of the full recovery of the Compton
17 Community College District in the five operational areas of finance,
18 academics, personnel facilities, and governance.

19 (4) Enter into agreements on behalf of the Compton Community
20 College District and, subject to any contractual and statutory
21 obligation of the Compton Community College District, change
22 any existing district rules, regulations, policies, or practices as
23 necessary for the effective implementation of the recovery plan.
24 Any agreement authorized by this section shall be binding upon
25 the district for the term of the agreement, notwithstanding the
26 removal of the special trustee for any reason or the reinstatement
27 of any powers or responsibilities of the board of trustees. No
28 agreement authorized by this paragraph shall materially impair the
29 security and other interests of the holders of any bonds issued
30 pursuant to Article 9 (commencing with Section 63049.67) of
31 Chapter 2 of Division 1 of Title 6.7 of the Government Code.

32 (5) Appoint an advisory committee to advise the special trustee
33 with respect to the management of the Compton Community
34 College District and the establishment and implementation of the
35 arrangements for provision of services by a partner district pursuant
36 to Article 5 (commencing with Section 74292) of Chapter 5 of
37 Part 46. This advisory committee may include residents of the
38 communities served by the Compton Community College District,
39 and any outside experts deemed appropriate by the special trustee.
40 No member of the advisory committee shall receive any

1 compensation or benefits for his or her services as a member of
2 the advisory committee.

3 (g) In the event of a vacancy in the special trustee position, the
4 chancellor shall temporarily assume all of the powers and duties
5 of the special trustee until another special trustee can be appointed
6 pursuant to this section.

17 office hours.

18 (b) Any hours negotiated under this program shall not be applied
19 toward the maximum percentage-of-hours limitation for part-time
20 faculty as specified in Section 87882. These hours shall not be
21 counted towards the hours per week of teaching adult or community
22 college classes for purposes of acquiring eligibility for tenure or
