Secretary of State June 27, 2012.]

LEGISLATIVE COUNSEL'S DIGEST

SB 1038, Committee on Budget and Fiscal Review. State government.

(1) Existing law establishes the California State Mediation and Conciliation Service (CSMCS) within the Department of Industrial Relations to investigate and mediate labor disputes, as specified. Existing law governs public transportation labor disputes.

This bill would repeal and recast those provisions and establish the CSMCS within the Public Employment Relations Board (PERB). The bill would vest PERB with all of the powers, duties, purposes, responsibilities and jurisdiction vested in the Department of Industrial Relations and exercised or carried out through CSMCS.

(2) Existing law creates within state government the Commission on the Status of Women, consisting of 17 members, including public members appointed by specified executive and legislative officials. Existing law sets forth the powers and duties of the commission, and requires the commission to study certain topics. Existing law requires the commission to act as a information center on the status of women and women's educational, employment, and other related needs.

This bill would rename the Commission on the Status of Women the Commission on the Status of Women and Girls, and make various conforming changes to that effect. This bill would require the appointing powers, in making appointments of public members to the commission, to make every effort to ensure that there is a geographic balance of representation on the commission. This bill would modify the topics that the commission is required to study by adding some and removing others, including, among others, adding gender equity in the media. This bill would instead require the commission to act as a central information on issues that affect the lives of women and girls. This bill would require the commission to develop a strategy to attract financial support from private donors.

This bill would state that certain provisions of this bill will prevail over a specified section of the Governor's Reorganization Plan No. 2 of 2012, regardless of the dates on which this bill and that Plan take effect.

(3) Existing law establishes in state government the Commission on Uniform State Laws, with a specified membership.

This bill would transfer the Commission on Uniform State Laws to the Legislative Counsel Bureau, and would make conforming changes in law.

(4) Existing law establishes the Technology Services Board within the Office of Technology Services. Existing law requires the Secretary of California Technology to submit, for board consideration, proposed rates for Office of Technology Services' services. Existing law requires the secretary, prior to submitting the rates to the board, to first submit the proposed rates to the Department of Finance, and requires the department to evaluate the reasonableness of the proposed rates.

This bill would repeal the provisions establishing the Technology Services Board, and make various conforming changes. This bill would also require the secretary to instead submit the proposed rates directly to the Director of Finance, and would require the Director of Finance to approve the proposed rates based on certain standards and criteria.

(5) The California Fair Employment and Housing Act establishes the Department of Fair Employment and Housing in the State and Consumer Services Agency, with the power and duties to, among other things, receive, investigate, and conciliate complaints relating to employment and housing discrimination. The California Fair Employment and Housing Act also establishes the Fair Employment and Housing Commission within the State and Consumer Services Agency, with the powers and duties to, among other things, conduct hearings, subpoena witnesses, create or provide financial or technical assistance to advisory agencies and conciliation councils, publish opinions and publications, and conduct mediations at the request of the Department of Fair Employment and Housing.

This bill would eliminate the Fair Employment and Housing Commission and would transfer the duties of the commission to the Department of Fair Employment and Housing. The bill would create within the department a Fair Employment and Housing Council that would succeed to the powers and duties of the former commission. The bill would establish the Fair Employment and Housing Enforcement and Litigation Fund in the State Treasury to be administered by the department, subject to appropriation, for purposes of deposit of attorney's fees and costs awarded to the department in specified civil actions. The bill would expand specified powers of the department related to complaints, mediations, and prosecutions, and would provide mandatory dispute resolution at no cost to the parties involved, as specified. The bill would eliminate a specified cap of actual damages under the act, and would instead require certain actions be brought in court by civil action, rather than by accusation by the department. The bill would make these provisions operative on January 1, 2013.

(6) Existing law creates the Electronic Funds Transfer Task Force, consisting of 8 members appointed by specified agencies, boards, departments, and offices.

This bill would eliminate the Electronic Funds Transfer Task Force.

(7) Existing law establishes the Department of Industrial Relations, divided into 6 divisions known as the Division of Worker's Compensation, the Division of Occupational Safety and Health, the Division of Labor Standards Enforcement, the Division of Labor Statistics and Research, the Division of Apprenticeship Standards, and the State Compensation Insurance Fund. Under existing law, the Division of Labor Statistics and Research collects, compiles, and presents facts and statistics relating to the condition of labor in the state. Existing law provides that, except as specified, no use shall be made in the reports of the Labor Statistics and Research Division of the names of persons supplying information and makes any agent or employee of the division who violates this provision guilty of a misdemeanor.

This bill would abolish the Division of Labor Statistics and Research and transfer the duties of that division to the Division of Occupational Health and Safety and the Division of Labor Standards Enforcement and make conforming changes. The bill would broaden the application of the

misdemeanor referenced above to any agent or employee of the department, thereby creating a state-mandated local program.

(8) Existing law requires the Division of Apprenticeship Standards to establish and validate minimum standards for the competency and training of electricians through a system of testing and certification.

This bill would recast the electrician certification responsibilities of the Division of Apprenticeship Standards under the Division of Labor Standards Enforcement and make conforming changes.

(9) Existing law provides that the Department of Industrial Relations shall monitor and enforce compliance with applicable prevailing wage requirements for any public works project paid for out of public funds. Existing law provides that any awarding agency whose public works contract is subject to provisions regulating the employment of apprentices upon public works shall send a copy of the award to the Division of Apprenticeship Standards.

This bill would instead require that an awarding agency whose public works contract falls within the jurisdiction of specified monitoring and enforcement compliance provisions, is subject to provisions regulating the employment of apprentices upon public works, or is subject to any other provision providing for the payment of fees to the department for enforcing prevailing wage requirements send a copy of the award to the department.

(10) Existing law provides that a contractor or subcontractor who is determined to have knowingly committed a serious violation of specified provisions may be denied the right to bid on or be awarded or perform work on any public works for a period of time. Existing law provides that an affected contractor, subcontractor, or responsible officer may obtain a review of the determination imposing the debarment or civil penalty within 30 days.

This bill would instead allow for the request of the review within 60 days and make other related changes.

(11) Existing law creates, in the Employment Development Department, the California Unemployment Insurance Appeals Board, consisting of 7 members, 2 of whom are required to be attorneys at law admitted to practice in California. Existing law authorizes the Governor to appoint 5 of the 7 members, as specified.

This bill would reduce the number of members of this board to 5 and reduce the number of members the Governor may appoint to 3. This bill would require all members of the board to be attorneys at law admitted to practice in any state of the United States with either a minimum of one year of experience in conducting judicial or administrative hearings or 5 years of experience in the practice of law. This bill would provide that these amendments apply to appointments made on or after January 1, 2013.

(12) This bill would appropriate \$1,000 from the General Fund to the Department of Finance for purposes of implementing this bill, thereby making an appropriation.

(13) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

(14) This bill would declare that it is to take effect immediately as a bill providing for appropriations related to the Budget Bill.

Appropriation: yes.

The people of the State of California do enact as follows:

SECTION 1. Section 19604 of the Business and Professions Code is amended to read:

19604. The board may authorize any racing association, racing fair, betting system, or multijurisdictional wagering hub to conduct advance deposit wagering in accordance with this section. Racing associations, racing fairs, and their respective horsemen's organizations may form a partnership, joint venture, or any other affiliation in order to further the purposes of this section.

(a) As used in this section, the following definitions apply:

(1) "Advance deposit wagering" (ADW) means a form of parimutuel wagering in which a person residing within California or outside of this state establishes an account with an ADW provider, and subsequently issues wagering instructions concerning the funds in this account, thereby authorizing the ADW provider holding the account to place wagers on the account owner's behalf.

(2) "ADW provider" means a licensee, betting system, or multijurisdictional wagering hub, located within California or outside this state, that is authorized to conduct advance deposit wagering pursuant to this section.

(3) "Betting system" means a business conducted exclusively in this state that facilitates parimutuel wagering on races it simulcasts and other races it offers in its wagering menu.

(4) "Breed of racing" means as follows:

(A) With respect to associations and fairs licensed by the board to conduct thoroughbred, fair, or mixed breed race meetings, "breed of racing" shall mean thoroughbred.

(B) With respect to associations licensed by the board to conduct quarter horse race meetings, "breed of racing" shall mean quarter horse.

(C) With respect to associations and fairs licensed by the board to conduct standardbred race meetings, "breed of racing" shall mean standardbred.

(5) "Contractual compensation" means the amount paid to an ADW provider from advance deposit wagers originating in this state. Contractual compensation includes, but is not limited to, hub fee payments, and may include host fee payments, if any, for out-of-state and out-of-country races. Contractual compensation is subject to the following requirements:

(A) Excluding contractual compensation for host fee payments, contractual compensation shall not exceed 6.5 percent of the amount wagered.

(B) The host fee payments included within contractual compensation shall not exceed 3.5 percent of the amount wagered. Notwithstanding this provision, the host fee payment with respect to wagers on the Kentucky Derby, Preakness Stakes, Belmont Stakes, and selected Breeders' Cup Championship races may be negotiated by the ADW provider, the racing associations accepting wagers on those races pursuant to Section 19596.2, and the horsemen's organization.

(C) In order to ensure fair and consistent market access fee distributions to associations, fairs, horsemen, and breeders, for each breed of racing, the percentage of wagers paid as contractual compensation to an ADW provider pursuant to the terms of a hub agreement with a racing association or fair when that racing association or fair is conducting live racing shall be the same as the percentage of wagers paid as contractual compensation to that ADW provider when that racing association or fair is not conducting live racing.

(6) "Horsemen's organization" means, with respect to a particular racing meeting, the organization recognized by the board as responsible for negotiating purse agreements on behalf of horsemen participating in that racing meeting.

(7) "Hub agreement" means a written agreement providing for contractual compensation paid with respect to advance deposit wagers placed by California residents on a particular breed of racing conducted outside of California. In the event a hub agreement exceeds a term of two years, then an ADW provider, one or more racing associations or fairs that together conduct no fewer than five weeks of live racing for the breed covered by the hub agreement, and the horsemen's organization responsible for negotiating purse agreements for the breed covered by the hub agreement shall be signatories to the hub agreement. A hub agreement is required for an ADW provider to receive contractual compensation for races conducted outside of California.

(8) "Hub agreement arbitration" means an arbitration proceeding pursuant to which the disputed provisions of the hub agreement pertaining to the hub or host fees from wagers on races conducted outside of California provided pursuant to paragraph (2) of subdivision (b) are determined in accordance with the provisions of this paragraph. If a hub agreement arbitration is requested, all of the following shall apply:

(A) The ADW provider shall be permitted to accept advance deposit wagers from California residents.

(B) The contractual compensation received by the ADW provider shall be the contractual compensation specified in the hub agreement that is the subject of the hub agreement arbitration.

(C) The difference between the contractual compensation specified in subparagraph (B) and the contractual compensation determined to be payable at the conclusion of the hub agreement arbitration shall be calculated and paid within 15 days following the arbitrator's decision and order. The hub agreement arbitration shall be held as promptly as possible, but in no event more than 60 days following the demand for that arbitration. The arbitrator

shall issue a decision no later than 15 days following the conclusion of the arbitration. A single arbitrator jointly selected by the ADW provider and the party requesting a hub agreement arbitration shall conduct the hub agreement arbitration. However, if the parties cannot agree on the arbitrator within seven days of issuance of the written demand for arbitration, then the arbitrator shall be selected pursuant to the Streamlined Arbitration Rules and Procedures of the Judicial Arbitration and Mediation Services, or pursuant to the applicable rules of its successor organization. In making the hub agreement arbitration determination, the arbitrator shall be required to choose between the contractual compensation of the hub agreement agreed to by the ADW provider or whatever different terms for the hub agreement were proposed by the party requesting the hub agreement arbitration. The arbitrator shall not be permitted to impose new, different, or compromised terms to the hub agreement. The arbitrator's decision shall be final and binding on the parties. If an arbitration is requested, either party may bring an action in state court to compel a party to go into arbitration or to enforce the decision of the arbitrator. The cost of the hub agreement arbitration, including the cost of the arbitrator, shall be borne in equal shares by the parties to the hub agreement and the party or parties requesting a hub agreement arbitration. The hub agreement arbitration shall be administered by the Judicial Arbitration and Mediation Services pursuant to its Streamlined Arbitration Rules and Procedures or its successor organization.

(9) "Incentive awards" means those payments provided for in Sections 19617.2, 19617.7, 19617.8, 19617.9, and 19619. The amount determined to be payable for incentive awards under this section shall be payable to the applicable official registering agency and thereafter distributed as provided in this chapter.

(10) "Licensee" means any racing association or fair licensed to conduct a live racing meet in this state, or affiliation thereof, authorized under this section.

(11) "Market access fee" means the amount of advance deposit wagering handle remaining after the payment of winning wagers, and after the payment of contractual compensation, if any, to an ADW provider. Market access fees shall be distributed in accordance with subdivision (f).

(12) "Multijurisdictional wagering hub" means a business conducted in more than one jurisdiction that facilitates parimutuel wagering on races it simulcasts and other races it offers in its wagering menu.

(13) "Racing fair" means a fair authorized by the board to conduct live racing.

(14) "Zone" means the zone of the state, as defined in Section 19530.5, except as modified by the provisions of subdivision (f) of Section 19601. For these purposes, the central and southern zones shall together be considered one zone.

(b) Wagers shall be accepted according to the procedures set forth in this subdivision.

(1) No ADW provider shall accept wagers or wagering instructions on races conducted in California from a resident of California unless all of the following conditions are met:

(A) The ADW provider is licensed by the board.

(B) A written agreement allowing those wagers exists with the racing association or fair conducting the races on which the wagers are made.

(C) The agreement referenced in subparagraph (B) shall have been approved in writing by the horsemen's organization responsible for negotiating purse agreements for the breed on which the wagers are made in accordance with the Interstate Horseracing Act (15 U.S.C. Sec. 3001 et seq.), regardless of the location of the ADW provider, whether in California or otherwise, including, without limitation, any and all requirements contained therein with respect to written consents and required written agreements of horsemen's groups to the terms and conditions of the acceptance of those wagers and any arrangements as to the exclusivity between the host racing association or fair and the ADW provider. For purposes of this subdivision, the substantive provisions of the Interstate Horseracing Act shall be taken into account without regard to whether, by its own terms, that act is applicable to advance deposit wagering on races conducted in California accepted from residents of California.

(2) No ADW provider shall accept wagers or wagering instructions on races conducted outside of California from a resident of California unless all of the following conditions are met:

(A) The ADW provider is licensed by the board.

(B) There is a hub agreement between the ADW provider and one or both of (i) one or more racing associations or fairs that together conduct no fewer than five weeks of live racing on the breed on which wagering is conducted during the calendar year during which the wager is placed, and (ii) the horsemen's organization responsible for negotiating purse agreements for the breed on which wagering is conducted.

(C) If the parties referenced in clauses (i) and (ii) of subparagraph (B) are both signatories to the hub agreement, then no party shall have the right to request a hub agreement arbitration.

(D) If only the party or parties referenced in clause (i) of subparagraph (B) is a signatory to the hub agreement, then the signatories to the hub agreement shall, within five days of execution of the hub agreement, provide a copy of the hub agreement to the horsemen's organization responsible for negotiating purse agreements for the breed on which wagering is conducted for each race conducted outside of California on which California residents may place advance deposit wagers. Prior to receipt of the hub agreement, the horsemen's organization shall sign a nondisclosure agreement with the ADW provider agreeing to hold confidential all terms of the hub agreement. If the horsemen's organization wants to request a hub agreement arbitration, it shall send written notice of its election to the signatories to the hub agreement within 10 days after receipt of the copy of the hub agreement, and shall provide its alternate proposal to the hub and host fees specified in the hub agreement with that written notice. If the horsemen's organization

does not provide that written notice within the 10-day period, then no party shall have the right to request a hub agreement arbitration. If the horsemen's organization does provide that written notice within the 10-day period, then the ADW provider shall have 10 days to elect in writing to do one of the following:

- (i) Abandon the hub agreement.
- (ii) Accept the alternate proposal submitted by the horsemen's organization.
- (iii) Proceed with a hub agreement arbitration.

(E) If only the party referenced in clause (ii) of subparagraph (B) is a signatory to the hub agreement, then the signatories to the hub agreement shall, within five days of execution of the hub agreement, provide written notice of the host and hub fees applicable pursuant to the hub agreement for each race conducted outside of California on which California residents may place advance deposit wagers, which notice shall be provided to all racing associations and fairs conducting live racing of the same breed covered by the hub agreement. If any racing association or fair wants to request a hub agreement arbitration, it shall send written notice of its election to the signatories to the hub agreement within 10 days after receipt of the notice of host and hub fees. It shall also provide its alternate proposal to the hub and host fees specified in the hub agreement with the notice of its election. If more than one racing association or fair provides notice of their request for hub agreement arbitration, those racing associations or fairs, or both, shall have a period of five days to jointly agree upon which of their alternate proposals shall be the official proposal for purposes of the hub agreement arbitration. If one or more racing associations or fairs that together conduct no fewer than five weeks of live racing on the breed on which wagering is conducted during the calendar year during which the wager is placed does not provide written notice of their election to arbitrate within the 10-day period, then no party shall have the right to request a hub agreement arbitration. If a valid hub agreement arbitration request is made, then the ADW provider shall have 10 days to elect in writing to do one of the following:

- (i) Abandon the hub agreement.
- (ii) Accept the alternate proposal submitted by the racing associations or fairs.
- (iii) Proceed with a hub agreement arbitration.

The results of any hub agreement arbitration elected pursuant to this subdivision shall be binding on all other associations and fairs conducting live racing on that breed.

(F) The acceptance thereof is in compliance with the provisions of the Interstate Horseracing Act (15 U.S.C. Sec. 3001 et seq.), regardless of the location of the ADW provider, whether in California or otherwise, including, without limitation, any and all requirements contained therein with respect to written consents and required written agreements of horsemen's groups to the terms and conditions of the acceptance of the wagers and any

arrangements as to the exclusivity between the host racing association or fair and the ADW provider.

(c) An advance deposit wager may be made only by the ADW provider holding the account pursuant to wagering instructions issued by the owner of the funds communicated by telephone call or through other electronic media. The ADW provider shall ensure the identification of the account's owner by using methods and technologies approved by the board. Any ADW provider that accepts wagering instructions concerning races conducted in California, or accepts wagering instructions originating in California, shall provide a full accounting and verification of the source of the wagers thereby made, including the postal ZIP Code and breed of the source of the wagers, in the form of a daily download of parimutuel data to a database designated by the board. The daily download shall be delivered in a timely basis using file formats specified by the database designated by the board, and shall include any and all data necessary to calculate and distribute moneys according to the rules and regulations governing California parimutuel wagering. Any and all reasonable costs associated with the creation, provision, and transfer of this data shall be borne by the ADW provider.

(d) (1) (A) The board shall develop and adopt rules to license and regulate all phases of operation of advance deposit wagering for ADW providers operating in California, including advance deposit wagering activity that takes place within a minisatellite wagering facility. The board may recover any costs associated with the licensing or regulation of advance deposit wagering activities in a minisatellite wagering facility either directly from the ADW provider or through an appropriate increase in the funding formula devised by the board pursuant to paragraph (1) of subdivision (a) of Section 19616.51.

(B) The board shall not approve an application for an original or renewal license as an ADW provider unless the entity, if requested in writing by a bona fide labor organization no later than 90 days prior to licensing, has entered into a contractual agreement with that labor organization that provides all of the following:

(i) The labor organization has historically represented employees who accept or process any form of wagering at the nearest horse racing meeting located in California.

(ii) The agreement establishes the method by which the ADW provider will agree to recognize and bargain in good faith with a labor organization which has demonstrated majority status by submitting authorization cards signed by those employees who accept or process any form of wagering for which a California ADW license is required.

(iii) The agreement requires the ADW provider to maintain its neutrality concerning the choice of those employees who accept or process any form of wagering for which a California ADW license is required whether or not to authorize the labor organization to represent them with regard to wages, hours, and other terms and conditions of employment.

(iv) The agreement applies to those classifications of employees who accept or process wagers for which a California ADW license is required whether the facility is located within or outside of California.

(C) (i) The agreement required by subparagraph (B) shall not be conditioned by either party upon the other party agreeing to matters outside the requirements of subparagraph (B).

(ii) The requirement in subparagraph (B) shall not apply to an ADW provider which has entered into a collective bargaining agreement with a bona fide labor organization that is the exclusive bargaining representative of employees who accept or process parimutuel wagers on races for which an ADW license is required whether the facility is located within or outside of California.

(D) Permanent state or county employees and nonprofit organizations that have historically performed certain services at county, state, or district fairs may continue to provide those services.

(E) Parimutuel clerks employed by racing associations or fairs or employees of ADW providers who accept or process any form of wagers who are laid off due to lack of work shall have preferential hiring rights for new positions with their employer in occupations whose duties include accepting or processing any form of wagers, or the operation, repair, service, or maintenance of equipment that accepts or processes any form of wagering at a racetrack, satellite wagering facility, or ADW provider licensed by the board. The preferential hiring rights established by this subdivision shall be conditioned upon the employee meeting the minimum qualification requirements of the new job.

(2) The board shall develop and adopt rules and regulations requiring ADW providers to establish security access policies and safeguards, including, but not limited to, the following:

(A) The ADW provider shall use board-approved methods to perform location and age verification confirmation with respect to persons establishing an advance deposit wagering account.

(B) The ADW provider shall use personal identification numbers (PINs) or other technologies to assure that only the accountholder has access to the advance deposit wagering account.

(C) The ADW provider shall provide for withdrawals from the wagering account only by means of a check made payable to the accountholder and sent to the address of the accountholder or by means of an electronic transfer to an account held by the verified accountholder or the accountholder may withdraw funds from the wagering account at a facility approved by the board by presenting verifiable account identification information.

(D) The ADW provider shall allow the board access to its premises to visit, investigate, audit, and place expert accountants and other persons it deems necessary for the purpose of ensuring that its rules and regulations concerning credit authorization, account access, and other security provisions are strictly complied with. To ensure that the amounts retained from the parimutuel handle are distributed under law, rules, or agreements, any ADW provider that accepts wagering instructions concerning races conducted in

California or accepts wagering instructions originating in California shall provide an independent “agreed-upon procedures” audit for each California racing meeting, within 60 days of the conclusion of the race meeting. The auditing firm to be used and the content and scope of the audit, including host fee obligations, shall be set forth in the applicable agreement. The ADW provider shall provide the board, horsemen’s organizations, and the host racing association with an annual parimutuel audit of the financial transactions of the ADW provider with respect to wagers authorized pursuant to this section, prepared in accordance with generally accepted auditing standards and the requirements of the board. Any and all reasonable costs associated with those audits shall be borne by the ADW provider.

(3) The board shall prohibit advance deposit wagering advertising that it determines to be deceptive to the public. The board shall also require, by regulation, that every form of advertising contain a statement that minors are not allowed to open or have access to advance deposit wagering accounts.

(e) In order for a licensee, betting system, or multijurisdictional wagering hub to be approved by the board as an ADW provider, it shall meet both of the following requirements:

(1) All wagers thereby made shall be included in the appropriate parimutuel pool under a contractual agreement with the applicable host track.

(2) The amounts deducted from advance deposit wagers shall be in accordance with the provisions of this chapter.

(f) After the payment of contractual compensation, the amounts received as market access fees from advance deposit wagers, which shall not be considered for purposes of Section 19616.51, shall be distributed as follows:

(1) An amount equal to 0.0011 multiplied by the amount handled on advance deposit wagers originating in California for each racing meeting shall be distributed to the Center for Equine Health to establish the Kenneth L. Maddy Fund for the benefit of the School of Veterinary Medicine at the University of California at Davis.

(2) An amount equal to 0.0003 multiplied by the amount handled on advance deposit wagers originating in California for each racing meeting shall be distributed to the Public Employment Relations Board to cover costs associated with audits conducted pursuant to Section 19526 and for the purposes of reimbursing the State Mediation and Conciliation Service for costs incurred pursuant to this section. However, if that amount would exceed the costs of the Public Employment Relations Board, the amount distributed to that board shall be reduced, and that reduction shall be forwarded to an organization designated by the racing association or fair described in subdivision (a) for the purpose of augmenting a compulsive gambling prevention program specifically addressing that problem.

(3) An amount equal to 0.00165 multiplied by the amount handled on advance deposit wagers that originate in California for each racing meeting shall be distributed as follows:

(A) One-half of the amount shall be distributed to supplement the trainer-administered pension plans for backstretch personnel established

pursuant to Section 19613. Moneys distributed pursuant to this subparagraph shall supplement, and not supplant, moneys distributed to that fund pursuant to Section 19613 or any other provision of law.

(B) One-half of the amount shall be distributed to the welfare fund established for the benefit of horsemen and backstretch personnel pursuant to subdivision (b) of Section 19641. Moneys distributed pursuant to this subparagraph shall supplement, and not supplant, moneys distributed to that fund pursuant to Section 19641 or any other provision of law.

(4) With respect to wagers on each breed of racing that originate in California, an amount equal to 2 percent of the first two hundred fifty million dollars (\$250,000,000) of handle from all advance deposit wagers originating from within California annually, an amount equal to 1.5 percent of the next two hundred fifty million dollars (\$250,000,000) of handle from all advance deposit wagers originating from within California annually, an amount equal to 1 percent of the next two hundred fifty million dollars (\$250,000,000) of handle from all advance deposit wagers originating from within California annually, and an amount equal to 0.50 percent of handle from all advance deposit wagers originating from within California in excess of seven hundred fifty million dollars (\$750,000,000) annually, shall be distributed as satellite wagering commissions. Satellite wagering facilities that were not operational in 2001, other than one each in the Cities of Inglewood and San Mateo, and two additional facilities each operated by the Alameda County Fair and the Los Angeles County Fair and their partners and other than existing facilities which are relocated, are not eligible for satellite wagering commission distributions under this section. The satellite wagering facility commissions calculated in accordance with this subdivision shall be distributed to each satellite wagering facility and racing association or fair in the zone in which the wager originated in the same relative proportions that the satellite wagering facility or the racing association or fair generated satellite commissions during the previous calendar year. If there is a reduction in the satellite wagering commissions pursuant to this section, the benefits therefrom shall be distributed equitably as purses and commissions to all associations and racing fairs generating advance deposit wagers in proportion to the handle generated by those associations and racing fairs. If a satellite wagering facility is permanently closed other than for renovation or remodeling, or if a satellite wagering facility is unwilling or unable to accept all of the signals that are available to that facility, the commissions otherwise provided for in this subdivision that would be payable to that facility shall be proportionately reduced to take into account the time that satellite wagering is no longer conducted by that facility, or the payment of those commissions shall be eliminated entirely if the facility is permanently closed, and, in either case, the satellite wagering commissions not paid shall be proportionately redistributed to the other eligible satellite wagering facilities. For purposes of this section, the purse funds distributed pursuant to Section 19605.72 shall be considered to be satellite wagering facility commissions attributable to thoroughbred races at the locations described in that section.

(5) After the distribution of the amounts set forth in paragraphs (1) to (4), inclusive, the remaining market access fees from advance deposit wagers originating in California shall be as follows:

(A) With respect to wagers on each breed of racing, the amount remaining shall be distributed to the racing association or fair that is conducting live racing on that breed during the calendar period in the zone in which the wager originated. That amount shall be allocated to that racing association or fair as commissions, to horsemen participating in that racing meeting in the form of purses, and as incentive awards, in the same relative proportion as they were generated or earned during the prior calendar year at that racing association or fair on races conducted or imported by that racing association or fair after making all deductions required by applicable law. Notwithstanding any other provision of law, the distributions with respect to each breed of racing set forth in this subparagraph may be altered upon the approval of the board, in accordance with an agreement signed by the respective associations, fairs, horsemen's organizations, and breeders organizations receiving those distributions.

(B) If the provisions of Section 19601.2 apply, then the amount distributed to the applicable racing associations or fairs shall first be divided between those racing associations or fairs in direct proportion to the total amount wagered in the applicable zone on the live races conducted by the respective association or fair. Notwithstanding this requirement, when the provisions of subdivision (b) of Section 19607.5 apply to the 2nd District Agricultural Association in Stockton or the California Exposition and State Fair in Sacramento, then the total amount distributed to the applicable racing associations or fairs shall first be divided equally, with 50 percent distributed to applicable fairs and 50 percent distributed to applicable associations.

(C) Notwithstanding any provisions of this section to the contrary, with respect to wagers on out-of-state and out-of-country thoroughbred races conducted after 6 p.m., Pacific time, 50 percent of the amount remaining shall be distributed as commissions to thoroughbred associations and racing fairs, as thoroughbred and fair purses, and as incentive awards in accordance with subparagraph (A), and the remaining 50 percent, together with the total amount remaining from advance deposit wagering originating from California out-of-state and out-of-country harness and quarter horse races conducted after 6 p.m., Pacific time, shall be distributed as commissions on a pro rata basis to the applicable licensed quarter horse association and the applicable licensed harness association, based upon the amount handled in state, both on- and off-track, on each breed's own live races in the previous year by that association, or its predecessor association. One-half of the amount thereby received by each association shall be retained by that association as a commission, and the other half of the money received shall be distributed as purses to the horsemen participating in its current or next scheduled licensed racing meeting.

(D) Notwithstanding any provisions of this section to the contrary, with respect to wagers on out-of-state and out-of-country nonthoroughbred races conducted before 6 p.m., Pacific time, 50 percent of the amount remaining

shall be distributed as commissions as provided in subparagraph (C) for licensed quarter horse and harness associations, and the remaining 50 percent shall be distributed as commissions to the applicable thoroughbred associations or fairs, as thoroughbred and fair purses, and as incentive awards in accordance with subparagraph (A).

(E) Notwithstanding any provision of this section to the contrary, the distribution of market access fees pursuant to this subparagraph may be altered upon the approval of the board, in accordance with an agreement signed by all parties whose distributions would be affected.

(g) A racing association, a fair, a satellite wagering facility, or a minisatellite wagering facility may enter into an agreement with an ADW provider to accept and facilitate the placement of any wager from a patron at its facility that a California resident could make through that ADW provider. Deductions from wagers made pursuant to the agreement shall be distributed in accordance with the provisions of this chapter governing wagers placed at that facility, except that the board may authorize alternative distributions as agreed to by the ADW provider, the operator of the facility accepting the wager, the association or fair conducting that breed of racing in the zone where the wager is placed, and the respective horsemen's organization.

(h) Any issues concerning the interpretation or application of this section shall be resolved by the board.

(i) Amounts distributed under this section shall be proportionally reduced by an amount equal to 0.00295 multiplied by the amount handled on advance deposit wagers originating in California for each racing meeting, except for harness racing meetings, provided that the amount of this reduction shall not exceed two million dollars (\$2,000,000). The method used to calculate the reduction in proportionate share shall be approved by the board. The amount deducted shall be distributed as follows:

(1) Fifty percent of the money to the board to establish and to administer jointly with the organization certified as the majority representative of California-licensed jockeys pursuant to Section 19612.9, a defined contribution retirement plan for California-licensed jockeys who retired from racing on or after January 1, 2009.

(2) The remaining 50 percent of the money shall be distributed as follows:

(A) Seventy percent shall be distributed to supplement the trainer-administered pension plans for backstretch personnel established pursuant to Section 19613. Moneys distributed pursuant to this subparagraph shall supplement, and not supplant, moneys distributed to that fund pursuant to Section 19613 or any other provision of law.

(B) Thirty percent shall be distributed to the welfare fund established for the benefit of horsemen and backstretch personnel pursuant to subdivision (b) of Section 19641. Moneys distributed pursuant to this subparagraph shall supplement, and not supplant, moneys distributed to that fund pursuant to Section 19641 or any other provision of law.

(j) Amounts distributed under this section shall be proportionally reduced by an amount equal to 0.00295 multiplied by the amount handled on advance

deposit wagers originating in California for each harness racing meeting, provided that the amount of this reduction shall not exceed five hundred thousand dollars (\$500,000). The method used to calculate the reduction in proportionate share shall be approved by the board. The amount deducted shall be distributed as follows:

(1) First to the welfare fund established for the benefit of horsemen and backstretch personnel, pursuant to subdivision (b) of Section 19641, and administered by the organization representing the horsemen participating in the race meeting, in the amount requested by the welfare fund. Moneys distributed pursuant to this paragraph shall supplement, and not supplant, moneys distributed to that fund pursuant to Section 19641 or any other provision of law.

(2) The amount remaining, if any, shall be utilized for the benefit of the horsemen as specified in a written agreement between the racing association that conducts the live harness race meeting and the organization representing the horsemen participating in the race meeting.

- (4) Professional, academic, or community awards or honors.
- (5) Publications.
- (6) Government relations experience.
- (7) Experience with corporate constituents.
- (8) Any other areas of special expertise.

(c) In addition to the information subdivision (b) requires, each woman or minority who participates in the registry may disclose any number of personal attributes that may contribute to board diversity. Those attributes may include, but are not limited to, gender, physical disability, race, or ethnic origin.

(d) In addition to the information subdivision (b) requires, each woman or minority who participates in the registry may indicate characteristics of corporations for which he or she would consider, or is especially interested in, serving as a director. These characteristics may include, but are not limited to, company size, industry, geographic location, board meeting

frequency, director time commitments, director compensation, director insurance or indemnification, or social policy concerns.

(e) Any woman or minority may nominate himself or herself to the registry by filing with the Secretary of State the information required by subdivision (b) on a form the secretary prescribes. Any registrant may attach a copy of his or her resume and up to two letters of recommendation to his or her registration form. Each registrant's registration form, together with any attached resume or letters of recommendation, shall constitute his or her registry transcript.

(f) The Secretary of State shall make appropriate rules requiring registrants to renew or update their filings with the registry, as necessary to ensure continued accuracy of registry information.

(g) The Secretary of State shall assign each registrant a file number, then enter the information described in subdivisions (b), (c), and (d) into a data base, using the registrant's file number to identify him or her. The registry data base shall not disclose any registrant's name or street address, but may list the city, county, or ZIP Code of his or her business or residence address. The secretary shall make data base information available to those persons described in subdivisions (i) and (j). The secretary may provide that access either by permitting direct data base searches or by performing data base searches on written request.

(h) The Secretary of State may also make information contained in the registry data base available to any person or entity qualified to transact business in California that regularly engages in the business of providing data base access or search services; provided, that data base access will not be construed to entitle the user to access to any registrant's transcript.

(i) The Secretary of State shall make information contained in a reasonable number of registrants' transcripts available to any corporation or its representative. A "representative," for purposes of this subdivision, may be an attorney, an accountant, or a retained executive recruiter. A "retained executive recruiter," for purposes of this subdivision, is an individual or business entity engaged in the executive search business that is regularly retained to locate qualified candidates for appointment or election as corporate directors or executive officers.

(j) The Secretary of State may also grant access to a reasonable number of registrants' transcripts to any other person who demonstrates to the secretary's satisfaction that the person does both of the following:

(1) Seeks access to the registry in connection with an actual search for a corporate director.

(2) Intends to use any information obtained from the registry only for the purpose of finding qualified candidates for an open position on a corporate board of directors.

(k) The Secretary of State may employ reasonable means to verify that any party seeking access to registry transcript information is one of those specified in subdivision (i) or (j). To that end, the secretary may require a representative to identify its principal, but may not disclose that principal's identity to any other person.

(l) Upon written request specifying the registrant's file number, the Secretary of State shall provide any party entitled to access to registry transcripts with a copy of any registrant's transcript. The secretary may by rule or regulation specify other reasonable means by which persons entitled thereto may order copies of registrants' transcripts.

(m) Notwithstanding any other law, a person shall not be entitled to access to information the registry contains, except as this section specifically provides.

(n) The Secretary of State shall charge fees for registering with the registry, obtaining access to the registry data base, and obtaining copies of registrants' transcripts. The Secretary of State, in consultation with the Senate Commission on Corporate Governance, Shareholder Rights, and Securities Transactions, shall fix those fees by regulation. Fees shall be fixed so that the aggregate amount of all fees collected shall be sufficient to cover the total cost of administering the registry program. Registration fees shall be fixed so as to encourage qualified women and minorities to participate. Fees shall be deposited into the Secretary of State's Business Fee Fund.

(o) The Secretary of State may make any rule, regulation, guideline, or agreement the secretary deems necessary to carry out the purposes and provisions of this section.

(p) The Secretary of State may cooperate with the Commission on the Status of Women and Girls, the California Council to Promote Business Ownership by Women, the Senate Commission on Corporate Governance, Shareholder Rights, and Securities Transactions, women's organizations, minority organizations, business and professional organizations, and any other individual or entity the secretary deems appropriate, for any of the following purposes:

- (1) Promoting corporate use of the registry.
- (2) Locating qualified women and minorities and encouraging them to participate in the registry.
- (3) Educating interested parties on the purpose and most effective use of the registry.

The secretary may also prepare and distribute publications designed to promote informed use of the registry.

(q) The Secretary of State may seek registrants' consent to be listed in a published directory of women and minorities eligible to serve as corporate directors, which will contain a summary of each listed registrant's qualifications. The secretary may periodically publish, or cause to be published, such a directory. Only those registrants who so consent in writing may be included in the directory. The printed directory shall be provided to any person upon payment of a fee, which the Secretary of State will determine by regulation, in consultation with the Senate Commission on Corporate Governance, Shareholder Rights, and Securities Transactions.

(r) The Secretary of State shall implement this section no later than January 1, 1995.

(s) At least once in each three-year period during which the registry is available for corporate use, the Secretary of State, in consultation with the Senate Commission on Corporate Governance, Shareholder Rights, and Securities Transactions, shall report to the Legislature on the extent to which the registry has helped women and minorities progress toward achieving parity in corporate board appointments or elections.

(t) The Secretary of State shall notify each University of California campus and each California State University campus of the opportunity to maintain the registry created pursuant to this section. If more than one campus of the university or state university expresses interest in maintaining the registry, the Secretary of State shall select a campus based on a competitive selection process. If a campus is selected, the Secretary of State shall transfer the information contained in the registry, free of cost, to that campus. Any University of California or California State University campus selected to maintain the registry shall do so in a manner consistent with this section. Funds deposited in the Secretary of State's Business Fees Fund pursuant to this section shall be transferred to the university selected to maintain the registry, and shall be used to administer the registry program. The Secretary of State shall maintain the registry until a University of California or California State University campus agrees to do so.

(b) If the union or unions representing registered unloaders and the employer of registered unloaders are unable to agree on a scale of charges, the Public Employment Relations Board shall mediate the dispute pursuant to Section 3601 of the Government Code.

(c) The scale of charges in effect on December 31, 1978, shall remain in effect until new charges are established pursuant to this section.

SEC. 4. Section 3502.5 of the Government Code is amended to read:

3502.5. (a) Notwithstanding Section 3502, any other provision of this chapter, or any other law, rule, or regulation, an agency shop agreement may be negotiated between a public agency and a recognized public employee organization that has been recognized as the exclusive or majority bargaining agent pursuant to reasonable rules and regulations, ordinances, and enactments, in accordance with this chapter. As used in this chapter, "agency shop" means an arrangement that requires an employee, as a condition of continued employment, either to join the recognized employee organization or to pay the organization a service fee in an amount not to exceed the standard initiation fee, periodic dues, and general assessments of the organization.

(b) In addition to the procedure prescribed in subdivision (a), an agency shop arrangement between the public agency and a recognized employee organization that has been recognized as the exclusive or majority bargaining agent shall be placed in effect, without a negotiated agreement, upon (1) a

signed petition of 30 percent of the employees in the applicable bargaining unit requesting an agency shop agreement and an election to implement an agency fee arrangement, and (2) the approval of a majority of employees who cast ballots and vote in a secret ballot election in favor of the agency shop agreement. The petition may be filed only after the recognized employee organization has requested the public agency to negotiate on an agency shop arrangement and, beginning seven working days after the public agency received this request, the two parties have had 30 calendar days to attempt good faith negotiations in an effort to reach agreement. An election that may not be held more frequently than once a year shall be conducted by the California State Mediation and Conciliation Service in the event that the public agency and the recognized employee organization cannot agree within 10 days from the filing of the petition to select jointly a neutral person or entity to conduct the election. In the event of an agency fee arrangement outside of an agreement that is in effect, the recognized employee organization shall indemnify and hold the public agency harmless against any liability arising from a claim, demand, or other action relating to the public agency's compliance with the agency fee obligation.

(c) An employee who is a member of a bona fide religion, body, or sect that has historically held conscientious objections to joining or financially supporting public employee organizations shall not be required to join or financially support a public employee organization as a condition of employment. The employee may be required, in lieu of periodic dues, initiation fees, or agency shop fees, to pay sums equal to the dues, initiation fees, or agency shop fees to a nonreligious, nonlabor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Code, chosen by the employee from a list of at least three of these funds, designated in a memorandum of understanding between the public agency and the public employee organization, or if the memorandum of understanding fails to designate the funds, then to a fund of that type chosen by the employee. Proof of the payments shall be made on a monthly basis to the public agency as a condition of continued exemption from the requirement of financial support to the public employee organization.

(d) An agency shop provision in a memorandum of understanding that is in effect may be rescinded by a majority vote of all the employees in the unit covered by the memorandum of understanding, provided that: (1) a request for that type of vote is supported by a petition containing the signatures of at least 30 percent of the employees in the unit, (2) the vote is by secret ballot, and (3) the vote may be taken at any time during the term of the memorandum of understanding, but in no event shall there be more than one vote taken during that term. Notwithstanding the above, the public agency and the recognized employee organization may negotiate, and by mutual agreement provide for, an alternative procedure or procedures regarding a vote on an agency shop agreement. The procedures in this subdivision are also applicable to an agency shop agreement placed in effect pursuant to subdivision (b).

(e) An agency shop arrangement shall not apply to management employees.

(f) A recognized employee organization that has agreed to an agency shop provision or is a party to an agency shop arrangement shall keep an adequate itemized record of its financial transactions and shall make available annually, to the public agency with which the agency shop provision was negotiated, and to the employees who are members of the organization, within 60 days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to accuracy by its president and treasurer or corresponding principal officer, or by a certified public accountant. An employee organization required to file financial reports under the federal Labor-Management Reporting and Disclosure Act of 1959 (29 U.S.C. Sec. 401 et seq.) covering employees governed by this chapter, or required to file financial reports under Section 3546.5, may satisfy the financial reporting requirement of this section by providing the public agency with a copy of the financial reports.

SEC. 5. Section 3507.1 of the Government Code is amended to read:

3507.1. (a) Unit determinations and representation elections shall be determined and processed in accordance with rules adopted by a public agency in accordance with this chapter. In a representation election, a majority of the votes cast by the employees in the appropriate bargaining unit shall be required.

(b) Notwithstanding subdivision (a) and rules adopted by a public agency pursuant to Section 3507, a bargaining unit in effect as of the effective date of this section shall continue in effect unless changed under the rules adopted by a public agency pursuant to Section 3507.

(c) A public agency shall grant exclusive or majority recognition to an employee organization based on a signed petition, authorization cards, or union membership cards showing that a majority of the employees in an appropriate bargaining unit desire the representation, unless another labor organization has previously been lawfully recognized as exclusive or majority representative of all or part of the same unit. Exclusive or majority representation shall be determined by a neutral third party selected by the public agency and the employee organization who shall review the signed petition, authorization cards, or union membership cards to verify the exclusive or majority status of the employee organization. In the event the public agency and the employee organization cannot agree on a neutral third party, the California State Mediation and Conciliation Service shall be the neutral third party and shall verify the exclusive or majority status of the employee organization. In the event that the neutral third party determines, based on a signed petition, authorization cards, or union membership cards, that a second labor organization has the support of at least 30 percent of the employees in the unit in which recognition is sought, the neutral third party shall order an election to establish which labor organization, if any, has majority status.

SEC. 6. Section 3507.3 of the Government Code is amended to read:

3507.3. Professional employees shall not be denied the right to be represented separately from nonprofessional employees by a professional employee organization consisting of those professional employees. In the event of a dispute on the appropriateness of a unit of representation for professional employees, upon request of any of the parties, the dispute shall be submitted to the California State Mediation and Conciliation Service for mediation or for recommendation for resolving the dispute.

(m) The following shall apply with respect to any accusation pending before the former Fair Employment and Housing Commission on or after January 1, 2013:

(1) If an accusation issued under former Section 12965 includes a prayer either for damages for emotional injuries as a component of actual damages, or for administrative fines, or both, or if an accusation is amended for the purpose of adding a prayer either for damages for emotional injuries as a component of actual damages, or for administrative fines, or both, with the consent of the party accused of engaging in unlawful practices, the department may withdraw an accusation and bring a civil action in superior court.

(2) If an accusation was issued under former Section 12981, with the consent of the aggrieved party filing the complaint an aggrieved person on whose behalf a complaint is filed, or the party accused of engaging in unlawful practices, the department may withdraw the accusation and bring a civil action in superior court.

(3) Where removal to court is not feasible, the department shall retain the services of the Office of Administrative Hearings to adjudicate the administrative action pursuant to Sections 11370.3 and 11502.

(n) On any Section 1094.5 Code of Civil Procedure challenge to a decision of the former Fair Employment and Housing Commission pending on or after January 1, 2013, the director or his or her designee shall consult with the Attorney General regarding the defense of that writ petition.

SEC. 37. Section 12944 of the Government Code is amended to read:

If an examination or other qualification for licensing is determined to be unlawful under this section, that determination shall not void, limit, repeal, or otherwise affect any right, privilege, status, or responsibility previously conferred upon any person by the examination or by a license issued in reliance on the examination or qualification.

(b) It shall be unlawful for a licensing board to fail or refuse to make reasonable accommodation to an individual's mental or physical disability or medical condition.

(c) It shall be unlawful for any licensing board, unless specifically acting in accordance with federal equal employment opportunity guidelines or regulations approved by the council, to print or circulate or cause to be printed or circulated any publication, or to make any non-job-related inquiry, either verbal or through use of an application form, which expresses, directly or indirectly, any limitation, specification, or discrimination as to race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, sex, gender, gender identity, gender expression, age, or sexual orientation or any intent to make any such limitation, specification, or discrimination. Nothing in this subdivision shall prohibit any licensing board from making, in connection with prospective licensure or certification, an inquiry as to, or a request for information regarding, the physical fitness of applicants if that inquiry or request for information is directly related and pertinent to the license or the licensed position the applicant is applying for. Nothing in this subdivision shall prohibit any licensing board, in connection with prospective examinations, licensure, or certification, from inviting individuals with physical or mental disabilities to request reasonable accommodations or from making inquiries related to reasonable accommodations.

(d) It is unlawful for a licensing board to discriminate against any person because the person has filed a complaint, testified, or assisted in any proceeding under this part.

(e) It is unlawful for any licensing board to fail to keep records of applications for licensing or certification for a period of two years following the date of receipt of the applications.

(f) As used in this section, "licensing board" means any state board, agency, or authority in the State and Consumer Services Agency that has the authority to grant licenses or certificates which are prerequisites to employment eligibility or professional status.

12946. It shall be an unlawful practice for employers, labor organizations, and employment agencies subject to the provisions of this part to fail to maintain and preserve any and all applications, personnel, membership, or employment referral records and files for a minimum period of two years after the records and files are initially created or received, or for employers to fail to retain personnel files of applicants or terminated employees for a minimum period of two years after the date of the employment action taken. For the purposes of this section, the State Personnel Board is exempt from the two-year retention requirement and shall instead, maintain the records and files for a period of one year. Upon notice that a verified complaint against it has been filed under this part, any such employer, labor organization, or employment agency shall maintain and preserve any and all records and files until the complaint is fully and finally disposed of and all appeals or related proceedings terminated. The council shall adopt suitable rules, regulations, and standards to carry out the purposes of this section. Where necessary, the department, pursuant to its powers under Section 12974, may seek temporary or preliminary judicial relief to enforce this section.

SEC. 39. Section 12947.5 of the Government Code is amended to read:

12947.5. (a) It shall be an unlawful employment practice for an employer to refuse to permit an employee to wear pants on account of the sex of the employee.

(c) Nothing in this section shall prohibit an employer from requiring an employee to wear a costume while that employee is portraying a specific character or dramatic role.

(d) The council may exempt an employer from the requirements of this section for good cause shown and shall adopt standards and procedures for granting exemptions.

SEC. 40. Section 12950 of the Government Code is amended to read:

12950. In addition to employer responsibilities set forth in subdivisions (j) and (k) of Section 12940 and in rules adopted by the department and the council, every employer shall act to ensure a workplace free of sexual harassment by implementing the following minimum requirements:

(a) The department shall amend its current poster on discrimination in employment to include information relating to the illegality of sexual harassment. This amended poster shall be distributed to employers when the supply of the current poster is exhausted. One copy of the amended poster shall be provided by the department to an employer upon request. The amended poster shall be available at each office of the department, and shall be mailed if the request includes a self-addressed envelope with postage affixed. Multiple copies of the amended poster shall be made available online by the Department of Fair Employment and Housing. Each employer shall post the amended poster in a prominent and accessible location in the workplace.

(b) Each employer shall obtain from the department its information sheet on sexual harassment, which the department shall make available to employers for reproduction and distribution to employees. One copy of the information sheet shall be provided by the department to an employer upon request. The information sheets shall be available at each office of the department, and shall be mailed if the request includes a self-addressed envelope with postage affixed. Multiple copies of the information sheet shall be made available online by the Department of Fair Employment and Housing. Each employer shall distribute this information sheet to its employees, unless the employer provides equivalent information to its employees that contains, at a minimum, components on the following:

- (1) The illegality of sexual harassment.
- (2) The definition of sexual harassment under applicable state and federal law.
- (3) A description of sexual harassment, utilizing examples.
- (4) The internal complaint process of the employer available to the employee.
- (5) The legal remedies and complaint process available through the department.
- (6) Directions on how to contact the department.
- (7) The protection against retaliation provided by Title 2 of the California Code of Regulations for opposing the practices prohibited by this article or for filing a complaint with, or otherwise participating in an investigation, proceeding, or hearing conducted by, the department or the council.

(c) The information sheet or information required to be distributed to employees pursuant to subdivision (b) shall be delivered in a manner that ensures distribution to each employee, such as including the information sheet or information with an employee's pay.

(d) Notwithstanding subdivisions (j) and (k) of Section 12940, a claim that the information sheet or information required to be distributed pursuant to this section did not reach a particular individual or individuals shall not in and of itself result in the liability of any employer to any present or former employee or applicant in any action alleging sexual harassment. Conversely, an employer's compliance with this section does not insulate the employer from liability for sexual harassment of any current or former employee or applicant.

(e) If an employer violates the requirements of this section, the department may seek an order requiring the employer to comply with these requirements.

SEC. 41. Section 12950.1 of the Government Code is amended to read:

12950.1. (a) By January 1, 2006, an employer having 50 or more employees shall provide at least two hours of classroom or other effective interactive training and education regarding sexual harassment to all supervisory employees in California who are employed as of July 1, 2005, and to all new supervisory employees within six months of their assumption of a supervisory position. Any employer who has provided this training and education to a supervisory employee after January 1, 2003, is not required to provide training and education by the January 1, 2006, deadline. After

January 1, 2006, each employer covered by this section shall provide sexual harassment training and education to each supervisory employee in California once every two years. The training and education required by this section shall include information and practical guidance regarding the federal and state statutory provisions concerning the prohibition against and the prevention and correction of sexual harassment and the remedies available to victims of sexual harassment in employment. The training and education shall also include practical examples aimed at instructing supervisors in the prevention of harassment, discrimination, and retaliation, and shall be presented by trainers or educators with knowledge and expertise in the prevention of harassment, discrimination, and retaliation.

(b) The state shall incorporate the training required by subdivision (a) into the 80 hours of training provided to all new supervisory employees pursuant to subdivision (b) of Section 19995.4, using existing resources.

(c) For purposes of this section only, “employer” means any person regularly employing 50 or more persons or regularly receiving the services of 50 or more persons providing services pursuant to a contract, or any person acting as an agent of an employer, directly or indirectly, the state, or any political or civil subdivision of the state, and cities.

(d) Notwithstanding subdivisions (j) and (k) of Section 12940, a claim that the training and education required by this section did not reach a particular individual or individuals shall not in and of itself result in the liability of any employer to any present or former employee or applicant in any action alleging sexual harassment. Conversely, an employer’s compliance with this section does not insulate the employer from liability for sexual harassment of any current or former employee or applicant.

(e) If an employer violates this section, the department may seek an order requiring the employer to comply with these requirements.

(f) The training and education required by this section is intended to establish a minimum threshold and should not discourage or relieve any employer from providing for longer, more frequent, or more elaborate training and education regarding workplace harassment or other forms of unlawful discrimination in order to meet its obligations to take all reasonable steps necessary to prevent and correct harassment and discrimination.

SEC. 42. Section 12961 of the Government Code is amended to read:

12961. Where an unlawful practice alleged in a verified complaint adversely affects, in a similar manner, a group or class of persons of which the aggrieved person filing the complaint is a member, or where such an unlawful practice raises questions of law or fact which are common to such a group or class, the aggrieved person or the director may file the complaint on behalf and as representative of such a group or class. Any complaint so filed may be investigated as a group or class complaint, and, if in the judgment of the director circumstances warrant, shall be treated as such for purposes of conciliation, dispute resolution, and civil action.

SEC. 43. Section 12963.5 of the Government Code is amended to read:

12963.5. (a) The superior courts shall have jurisdiction to compel the attendance and testimony of witnesses, the production of books, records,

documents, and physical materials, and the answering of interrogatories. If an individual or organization fails to comply with a subpoena, interrogatory, request for production, or examination under oath by refusing to respond fully or objecting thereto, or by obstructing any proceeding before the department, the department may file with a superior court a petition for an order compelling compliance, naming as respondent the individual or organization that has failed to comply. Such an action may be brought in any county in which the department's investigation or inquiry takes place, but if the respondent is not found within any such county, such an action may be brought in the county of the respondent's residence or principal office.

(b) The petition shall describe the inquiry or investigation before the department, the basis for its jurisdiction therein, and state facts showing that the subpoena, interrogatory, request for production, or examination under oath was issued or carried out in accordance with the requirements of this part, that the information sought was identified with sufficient particularity to permit response and is reasonably relevant to the inquiry or investigation before the department, and that the respondent has failed to comply. If the petition sets forth good cause for relief, the court shall issue an order to show cause to the respondent; otherwise the court shall enter an order denying the petition. The order to show cause shall be served, along with the department's petition, on the respondent in the same manner as summons must be served in civil actions, and the order shall be returnable not less than 10 days from its issuance nor later than 45 days after the filing of the petition. The respondent shall have the right to serve and file a written answer or other response to the petition and order to show cause.

(c) Unless otherwise stipulated by the parties, the court shall no later than 30 days after the filing of the petition file its order granting or denying the petition. However, the court may on its own motion for good cause extend such time an additional 30 days. If the order grants the petition in whole or part, the order shall set forth the manner in which the respondent shall comply and the period of time following the effective date of the order within which such compliance is required. A copy of the order shall be served by mail by the clerk upon the parties. If the order grants the petition in whole or in part, the order shall not become effective until 10 days after it is served. If the order denies the petition, it shall become effective on the date it is served.

(d) The order of the superior court shall be final and not subject to review by appeal. A party aggrieved by such order, or any part thereof, may within 15 days after the service of the superior court's order, serve and file in the appropriate court of appeal a petition for a writ of mandamus to compel the superior court to set aside or otherwise modify its order. If or whenever such review is sought from an order granting discovery, the order of the trial court shall be stayed upon the filing of the petition for a writ of mandamus, provided, however, the court of appeal may dissolve or modify the stay thereafter if it is in the public interest to do so. If or whenever such review is sought from a denial of discovery, the trial court's order shall not

be stayed by the court of appeal except upon a clear showing of probable error.

(e) Within 15 days after the end of the compliance period specified in the final order of the superior court, after the exhaustion of any challenges to the order in higher courts, the department shall in writing certify to the court either that the order has been complied with or that the respondent has failed to comply. A copy of the certified statement shall be served on the respondent by personal delivery or certified mail. After receipt of a certified statement indicating the respondent's failure to comply with the order, the court may compel obedience to its order by contempt proceedings, and by making such additional orders as may be appropriate. Following such proceedings, the department shall, within 15 days after the respondent complies with the original order of the court, certify in writing to the court that such order has been complied with. A copy of the certified statement shall be served on the respondent by personal delivery or certified mail.

(f) The period of time within which the department is directed to initiate a civil action by Section 12965 shall be extended by the length of the period between the filing of a petition under this section and either (1) the final effective date, after the exhaustion of any challenges to the original order in higher courts, of an order of the superior court denying the petition, or (2) the filing by the department of a certified statement, pursuant to subdivision (e), indicating the respondent's compliance with the order of the superior court granting the petition in whole or in part, whichever occurs later.

SEC. 44. Section 12964 of the Government Code is amended to read:

12964. Any agreement entered into by conference, conciliation, persuasion, or other dispute resolution shall be reduced to writing, signed by all parties, and, where the department is a signatory, approved by the director or the authorized representative of the director. Within one year of the effective date of every agreement signed by the department, the department shall conduct a compliance review to determine whether the agreement has been fully obeyed and implemented. Whenever the department believes, on the basis of evidence presented to it, that any person is violating or about to violate any agreement, the department may bring an action in the superior court against the person to enjoin him or her from continuing or engaging in the violation, or from doing anything in furtherance of the violation. In the action an order or judgment may be entered awarding a temporary restraining order or a preliminary or final injunction as may be proper. The action may be brought in any county in which actions may be brought under subdivision (a) of Section 12965. In resolving allegedly unlawful practices through conciliation the resolutions may be in the nature of, but are not limited to, types of remedies that might be ordered after in a civil action.

SEC. 45. Section 12965 of the Government Code is amended to read:

12965. (a) In the case of failure to eliminate an unlawful practice under this part through conference, conciliation, mediation, or persuasion, or in advance thereof if circumstances warrant, the director in his or her discretion

may bring a civil action in the name of the department on behalf of the person claiming to be aggrieved. Prior to filing a civil action, the department shall require all parties to participate in mandatory dispute resolution in the department's internal dispute resolution division free of charge to the parties in an effort to resolve the dispute without litigation. In any civil action, the person claiming to be aggrieved shall be the real party in interest and shall have the right to participate as a party and be represented by his or her own counsel. The civil action shall be brought in any county in which unlawful practices are alleged to have been committed, in the county in which records relevant to the alleged unlawful practices are maintained and administered, or in the county in which the person claiming to be aggrieved would have worked or would have had access to public accommodation, but for the alleged unlawful practices. If the defendant is not found in any of these counties, the action may be brought within the county of the defendant's residence or principal office.

For any complaint treated by the director as a group or class complaint for purposes of investigation, conciliation, mediation, or civil action pursuant to Section 12961, a civil action shall be brought, if at all, within two years after the filing of the complaint. For any complaint alleging a violation of Section 51.7 of the Civil Code, a civil action shall be brought, if at all, within two years after the filing of the complaint. For all other complaints, a civil action shall be brought, if at all, within one year after the filing of a complaint. If the director determines, pursuant to Section 12961, that a complaint investigated as a group or class complaint under Section 12961 is to be treated as a group or class complaint for purposes of conciliation, mediation, or civil action as well, that determination shall be made and shall be communicated in writing within one year after the filing of the complaint to each person, employer, labor organization, employment agency, or public entity alleged in the complaint to have committed an unlawful practice.

(b) If a civil action is not brought by the department within 150 days after the filing of a complaint, or if the department earlier determines that no civil action will be brought, the department shall promptly notify, in writing, the person claiming to be aggrieved that the department shall issue, on his or her request, the right-to-sue notice. This notice shall indicate that the person claiming to be aggrieved may bring a civil action under this part against the person, employer, labor organization, or employment agency named in the verified complaint within one year from the date of that notice. If the person claiming to be aggrieved does not request a right-to-sue notice, the department shall issue the notice upon completion of its investigation, and not later than one year after the filing of the complaint. A city, county, or district attorney in a location having an enforcement unit established on or before March 1, 1991, pursuant to a local ordinance enacted for the purpose of prosecuting HIV/AIDS discrimination claims, acting on behalf of any person claiming to be aggrieved due to HIV/AIDS discrimination, may also bring a civil action under this part against the person, employer, labor organization, or employment agency named in the notice. The superior courts of the State of California shall have jurisdiction of those actions, and

the aggrieved person may file in these courts. An action may be brought in any county in the state in which the unlawful practice is alleged to have been committed, in the county in which the records relevant to the practice are maintained and administered, or in the county in which the aggrieved person would have worked or would have had access to the public accommodation but for the alleged unlawful practice, but if the defendant is not found within any of these counties, an action may be brought within the county of the defendant's residence or principal office. A copy of any complaint filed pursuant to this part shall be served on the principal offices of the department. The remedy for failure to send a copy of a complaint is an order to do so. Those actions may not be filed as class actions or may not be maintained as class actions by the person or persons claiming to be aggrieved where those persons have filed a civil class action in the federal courts alleging a comparable claim of employment discrimination against the same defendant or defendants. In civil actions brought under this section, the court, in its discretion, may award to the prevailing party, including the department, reasonable attorney's fees and costs, including expert witness fees.

(c) A court may grant as relief in any action filed pursuant to subdivision (a) any relief a court is empowered to grant in a civil action brought pursuant to subdivision (b), in addition to any other relief that, in the judgment of the court, will effectuate the purpose of this part. This relief may include a requirement that the employer conduct training for all employees, supervisors, and management on the requirements of this part, the rights and remedies of those who allege a violation of this part, and the employer's internal grievance procedures. In addition, in order to vindicate the purposes and policies of this part, a court may assess against the defendant, if the civil complaint or amended civil complaint so prays, a civil penalty of up to twenty-five thousand dollars (\$25,000) to be awarded to a person denied any right provided for by Section 51.7 of the Civil Code, as an unlawful practice prohibited under this part.

(d) (1) Notwithstanding subdivision (b), the one-year statute of limitations, commencing from the date of the right-to-sue notice by the Department of Fair Employment and Housing, to the person claiming to be aggrieved, shall be tolled when all of the following requirements have been met:

(A) A charge of discrimination or harassment is timely filed concurrently with the Equal Employment Opportunity Commission and the Department of Fair Employment and Housing.

(B) The investigation of the charge is deferred by the Department of Fair Employment and Housing to the Equal Employment Opportunity Commission.

(C) A right-to-sue notice is issued to the person claiming to be aggrieved upon deferral of the charge by the Department of Fair Employment and Housing to the Equal Employment Opportunity Commission.

(2) The time for commencing an action for which the statute of limitations is tolled under paragraph (1) expires when the federal right-to-sue period

to commence a civil action expires, or one year from the date of the right-to-sue notice by the Department of Fair Employment and Housing, whichever is later.

(3) This subdivision is intended to codify the holding in *Downs v. Department of Water and Power of City of Los Angeles* (1997) 58 Cal.App.4th 1093.

(e) (1) Notwithstanding subdivision (b), the one-year statute of limitations, commencing from the date of the right-to-sue notice by the Department of Fair Employment and Housing, to the person claiming to be aggrieved, shall be tolled when all of the following requirements have been met:

(A) A charge of discrimination or harassment is timely filed concurrently with the Equal Employment Opportunity Commission and the Department of Fair Employment and Housing.

(B) The investigation of the charge is deferred by the Equal Employment Opportunity Commission to the Department of Fair Employment and Housing.

(C) After investigation and determination by the Department of Fair Employment and Housing, the Equal Employment Opportunity Commission agrees to perform a substantial weight review of the determination of the department or conducts its own investigation of the claim filed by the aggrieved person.

(2) The time for commencing an action for which the statute of limitations is tolled under paragraph (1) shall expire when the federal right-to-sue period to commence a civil action expires, or one year from the date of the right-to-sue notice by the Department of Fair Employment and Housing, whichever is later.

SEC. 46. Section 12966 of the Government Code is amended to read:

12966. Where the department initiates a civil action, or is about to do so, and the party accused of engaging in unlawful practices under this part is a state contractor or is a supplier of goods and services to the state, the director shall send a written notice of the civil action and a copy of the civil complaint to the appropriate awarding agency and request a report of any action which the awarding agency takes in response to the department's notification and filing of a civil action.

SEC. 47. Section 12967 of the Government Code is repealed.

SEC. 48. Section 12968 of the Government Code is repealed.

SEC. 49. Section 12969 of the Government Code is repealed.

SEC. 50. Section 12970 of the Government Code is repealed.

SEC. 51. Section 12972 of the Government Code is repealed.

SEC. 52. Section 12973 of the Government Code is amended to read:

12973. Within one year of the effective date of every final order or decision issued pursuant to this part, the department shall conduct a compliance review to determine whether the order or decision has been fully obeyed and implemented.

SEC. 53. Section 12974 of the Government Code is amended to read:

12974. Whenever a complaint is filed with the department and the department concludes on the basis of a preliminary investigation that prompt judicial action is necessary to carry out the purposes of this part, the director or his authorized representative may bring a civil action for appropriate temporary or preliminary relief pending final disposition of such complaint. Any temporary restraining order or other order granting preliminary or temporary relief shall be issued in accordance with Section 527 of the Code of Civil Procedure. An action seeking such temporary or preliminary relief may be brought in any county in which actions may be brought under subdivision (b) of Section 12965. In civil actions brought under this section, the court, in its discretion, may award to the department reasonable attorney's fees and costs, including expert witness fees, when it is the prevailing party for the purposes of the order granting temporary or preliminary relief.

SEC. 54. Section 12975 of the Government Code is amended to read:

12975. Any person who shall willfully resist, prevent, impede, or interfere with any member of the department or the council or any of its agents or employees in the performance of duties pursuant to the provisions of this part relating to employment discrimination, or who shall in any manner willfully violate an order of the court relating to such matter, is guilty of a misdemeanor, punishable by imprisonment in a county jail, not exceeding six months, or by a fine not exceeding one thousand dollars (\$1,000), or both.

SEC. 55. Section 12980 of the Government Code is amended to read:

12980. This article governs the procedure for the prevention and elimination of discrimination in housing made unlawful pursuant to Article 2 (commencing with Section 12955) of Chapter 6.

(a) Any person claiming to be aggrieved by an alleged violation of Section 12955, 12955.1, or 12955.7 may file with the department a verified complaint in writing that shall state the name and address of the person alleged to have committed the violation complained of, and that shall set forth the particulars of the alleged violation and contain any other information required by the department.

The filing of a complaint and pursuit of conciliation or remedy under this part shall not prejudice the complainant's right to pursue effective judicial relief under other applicable laws, but if a civil action has been filed under Section 52 of the Civil Code, the department shall terminate proceedings upon notification of the entry of final judgment unless the judgment is a dismissal entered at the complainant's request.

(b) The Attorney General or the director may, in a like manner, make, sign, and file complaints citing practices that appear to violate the purpose of this part or any specific provisions of this part relating to housing discrimination.

No complaint may be filed after the expiration of one year from the date upon which the alleged violation occurred or terminated.

(c) The department may thereupon proceed upon the complaint in the same manner and with the same powers as provided in this part in the case of an unlawful practice, except that where the provisions of this article

provide greater rights and remedies to an aggrieved person than the provisions of Article 1 (commencing with Section 12960), the provisions of this article shall prevail.

(d) Upon the filing of a complaint, the department shall serve notice upon the complainant of the time limits, rights of the parties, and choice of forums provided for under the law.

(e) The department shall commence proceedings with respect to a complaint within 30 days of filing of the complaint.

(f) An investigation of allegations contained in any complaint filed with the department shall be completed within 100 days after receipt of the complaint, unless it is impracticable to do so. If the investigation is not completed within 100 days, the complainant and respondent shall be notified, in writing, of the department's reasons for not doing so.

(g) Upon the conclusion of each investigation, the department shall prepare a final investigative report containing all of the following:

(1) The names of any witnesses and the dates of any contacts with those witnesses.

(2) A summary of the dates of any correspondence or other contacts with the aggrieved persons or the respondent.

(3) A summary of witness statements.

(4) Answers to interrogatories.

(5) A summary description of other pertinent records.

A final investigative report may be amended if additional evidence is later discovered.

(h) If a civil action is not brought by the department within 100 days after the filing of a complaint, or if the department earlier determines that no civil action will be brought, the department shall promptly notify the person claiming to be aggrieved. This notice shall, in any event, be issued no more than 30 days after the date of the determination or 30 days after the date of the expiration of the 100-day period, whichever date first occurs. The notice shall indicate that the person claiming to be aggrieved may bring a civil action under this part against the person named in the verified complaint within the time period specified in Section 12989.1. The notice shall also indicate, unless the department has determined that no civil action will be brought, that the person claiming to be aggrieved has the option of continuing to seek redress for the alleged discrimination through the procedures of the department if he or she does not desire to file a civil action. The superior courts of the State of California shall have jurisdiction of these actions, and the aggrieved person may file in these courts. The action may be brought in any county in the state in which the violation is alleged to have been committed, or in the county in which the records relevant to the alleged violation are maintained and administered, but if the defendant is not found within that county, the action may be brought within the county of the defendant's residence or principal office. A copy of any complaint filed pursuant to this part shall be served on the principal offices of the department. The remedy for failure to send a copy of a complaint is an order

to do so. In a civil action brought under this section, the court, in its discretion, may award to the prevailing party reasonable attorney's fees.

(i) All agreements reached in settlement of any housing discrimination complaint filed pursuant to this section shall be made public, unless otherwise agreed by the complainant and respondent, and the department determines that the disclosure is not required to further the purposes of the act.

(j) All agreements reached in settlement of any housing discrimination complaint filed pursuant to this section shall be agreements between the respondent and complainant, and shall be subject to approval by the department.

SEC. 56. Section 12981 of the Government Code is amended to read:

12981. (a) In the case of failure to eliminate a violation of Section 12955, 12955.1, or 12955.7 that has occurred, or is about to occur, through conference, conciliation, mediation, or persuasion, or in advance thereof if circumstances warrant, the director shall bring a civil action in the name of the department on behalf of the aggrieved person as a real party in interest, notwithstanding Section 12971, in the same manner and with the same powers as provided in Section 12965, except that where the provisions of this article provide greater rights and remedies to an aggrieved person than Section 12965, the provisions of this article shall prevail. Prior to filing a civil action, the department shall require all parties to participate in the department's mandatory dispute resolution division free of charge to the parties in an effort to resolve the dispute without litigation. A civil action alleging an unfair housing practice shall be issued within 100 days after the filing of a complaint unless it is impracticable to do so. The civil action shall be filed in any county in the state in which the unlawful practice is alleged to have been committed, in the county in which the records relevant to that practice are maintained and administered, or in the county in which the aggrieved person would have resided in the housing accommodation. If the defendant is not found within that county, the action may be filed in the county of the defendant's residence or principal office. Any aggrieved person may intervene as a matter of right in the proceeding, and the appeal or other judicial review of that proceeding.

(b) If the department determines that an allegation concerns the legality of any zoning or other land use law or ordinance, the department or the Attorney General shall take appropriate action with respect to the complaint according to the procedures established in this part for other complaints of housing discrimination.

(c) Within one year of the effective date of every final order or decision issued pursuant to this part, the department shall conduct a compliance review to determine whether the order or decision has been fully obeyed and implemented.

(d) Whenever the department has reasonable cause to believe that a respondent has breached a conciliation agreement signed by the department, the department shall initiate a civil action to enforce the agreement.

SEC. 57. Section 12981.1 of the Government Code is amended to read:

12981.1. The department shall not dismiss a complaint unless the complainant withdraws the complaint or the department determines after a thorough investigation that, based on the facts, no reasonable cause exists to believe that an unlawful housing practice, as prohibited by this part, has occurred or is about to occur.

SEC. 58. Section 12983 of the Government Code is amended to read:

12983. The department at any time after a complaint is filed with it and it has been determined that probable cause exists for believing that the allegations of the complaint are true and constitute a violation of this part, may bring an action in the superior court to enjoin the owner of the property from taking further action with respect to the rental, lease, or sale of the property, as well as to require compliance with Section 12956, until the department has completed its investigation and made its determination; but a temporary restraining order obtained under this section shall not, in any event, be in effect for more than 20 days. In this action an order or judgment may be entered awarding the temporary restraining order or the preliminary or final injunction in accordance with Section 527 of the Code of Civil Procedure. In civil actions brought under this section, the court, in its discretion, may award to the department reasonable attorney's fees and costs, including expert witness fees, when it is the prevailing party for the purposes of the order granting temporary or preliminary relief.

SEC. 59. Section 12985 of the Government Code is amended to read:

12985. When a person is contacted by the department or a member of the department's staff, following the filing of a complaint against that person, the person shall be informed whether the contact is for the purpose of investigation or conference, conciliation, persuasion, or mediation, and if it is for conference, conciliation, persuasion, or mediation, the person shall be informed that all matters relating thereto are privileged and confidential.

SEC. 60. Section 12987 of the Government Code is repealed.

SEC. 61. Section 12987.1 of the Government Code is repealed.

SEC. 62. Section 12988 of the Government Code is amended to read:

12988. The department may engage in affirmative actions with owners in furtherance of the purpose of this part as expressed in Section 12920.

SEC. 63. Section 12989 of the Government Code is repealed.

SEC. 64. Section 12989.1 of the Government Code is amended to read:

12989.1. An aggrieved person may commence a civil action in an appropriate court not later than two years after the occurrence or the termination of an alleged discriminatory housing practice, or the breach of a conciliation agreement entered into, whichever occurs last, to obtain appropriate relief with respect to the discriminatory housing practice or breach. The computation of the two-year period shall not include any time during which an administrative proceeding under this part was pending with respect to a complaint under this part based upon the discriminatory housing practice or breach.

An aggrieved person may commence a civil action whether or not a complaint has been filed under this part and without regard to the status of any complaint. Any aggrieved person who is aggrieved with respect to the

issues to be determined in a civil action filed under this part, may intervene in that civil action. However, if the department has obtained a conciliation agreement with the consent of an aggrieved person, no action may be filed under this part by the aggrieved person with respect to the alleged discriminatory housing practice that forms the basis for the complaint, except for the purpose of enforcing the terms of the agreement.

An aggrieved person may not commence a civil action with respect to an alleged discriminatory housing practice that forms the basis of a civil action brought by the department.

SEC. 65. Section 12989.2 of the Government Code is amended to read:

12989.2. In a civil action brought under Section 12981 or 12989.1, if the court finds that a discriminatory housing practice has occurred or is about to occur, the court may award the plaintiff actual and punitive damages and may grant other relief, including the issuance of a temporary or permanent injunction, or temporary restraining order, or other order, as it deems appropriate to prevent any defendant from engaging in or continuing to engage in an unlawful practice. In a civil action brought under this section, the court may, at its discretion, award the prevailing party, including the department, reasonable attorney's fees and costs, including expert witness fees, against any party other than the state. If the court finds that the defendant has engaged in an unlawful practice under this part and is liable for actual or punitive damages any amount due to the defendant by a state agency may be offset to satisfy the court's final order or decision.

SEC. 66. Section 12990 of the Government Code is amended to read:

12990. (a) Any employer who is, or wishes to become, a contractor with the state for public works or for goods or services is subject to the provisions of this part relating to discrimination in employment and to the nondiscrimination requirements of this section and any rules and regulations that implement it.

(b) Prior to becoming a contractor or subcontractor with the state, an employer may be required to submit a nondiscrimination program to the department for approval and certification and may be required to submit periodic reports of its compliance with that program.

(c) Every state contract and subcontract for public works or for goods or services shall contain a nondiscrimination clause prohibiting discrimination on the bases enumerated in this part by contractors or subcontractors. The nondiscrimination clause shall contain a provision requiring contractors and subcontractors to give written notice of their obligations under that clause to labor organizations with which they have a collective bargaining or other agreement. These contractual provisions shall be fully and effectively enforced. This subdivision does not apply to a credit card purchase of goods of two thousand five hundred dollars (\$2,500) or less. The total amount of exemption authorized herein shall not exceed seven thousand five hundred dollars (\$7,500) per year for each company from which a state agency is purchasing goods by credit card. It shall be the responsibility of each state agency to monitor the use of this exemption and adhere to these restrictions on these purchases.

(d) The department shall periodically develop rules and regulations for the application and implementation of this section, and submit them to the council for consideration and adoption in accordance with the provisions of Chapter 3.5 (commencing with Section 11340) of Part 1. Those rules and regulations shall describe and include, but not be limited to, all of the following:

(1) Procedures for the investigation, approval, certification, decertification, monitoring, and enforcement of nondiscrimination programs.

(2) The size of contracts or subcontracts below which any particular provision of this section shall not apply.

(3) The circumstances, if any, under which a contractor or subcontractor is not subject to this section.

(4) Criteria for determining the appropriate plant, region, division, or other unit of a contractor's or subcontractor's operation for which a nondiscrimination program is required.

(5) Procedures for coordinating the nondiscrimination requirements of this section and its implementing rules and regulations with the California Plan for Equal Opportunity in Apprenticeship, with the provisions and implementing regulations of Article 9.5 (commencing with Section 11135) of Chapter 1 of Part 1, and with comparable federal laws and regulations concerning nondiscrimination, equal employment opportunity, and affirmative action by those who contract with the United States.

(6) The basic principles and standards to guide the department in administering and implementing this section.

(e) Where a contractor or subcontractor is required to prepare an affirmative action, equal employment, or nondiscrimination program subject to review and approval by a federal compliance agency, that program may be filed with the department, instead of any nondiscrimination program regularly required by this section or its implementing rules and regulations. Such a program shall constitute a prima facie demonstration of compliance with this section. Where the department or a federal compliance agency has required the preparation of an affirmative action, equal employment, or nondiscrimination program subject to review and approval by the department or a federal compliance agency, evidence of such a program shall also constitute prima facie compliance with an ordinance or regulation of any city, city and county, or county that requires an employer to submit such a program to a local awarding agency for its approval prior to becoming a contractor or subcontractor with that agency.

(f) Where the department determines and certifies that the provisions of this section or its implementing rules and regulations are violated or determines a contractor or subcontractor is engaging in practices made unlawful under this part, the department may recommend appropriate sanctions to the awarding agency. Any such recommendation shall take into account the severity of the violation or violations and any other penalties, sanctions, or remedies previously imposed.

SEC. 67. Chapter 1 (commencing with Section 14995) of Part 5.6 of Division 3 of Title 2 of the Government Code is repealed.

(a) It is unlawful to require, permit, or suffer any notation or entry to be made upon or in any application, examination paper, or other paper, book, document, or record used under this part indicating or in any way suggesting or pertaining to any basis listed in subdivision (a) of Section 12940, as those bases are defined in Sections 12926 and 12926.1.

(b) Notwithstanding subdivision (a), subsequent to employment, ethnic, marital status, and gender data may be obtained and maintained for research and statistical purposes when safeguards preventing misuse of the information exist as approved by the Fair Employment and Housing Council, except that in no event shall any notation, entry, or record of that data be made on papers or records relating to the examination, appointment, or promotion of an individual.

SEC. 69. Section 19815 of the Government Code is amended to read:

(b) Every local agency that is required by federal law, rule or regulation to submit an annual statistical survey of the employment of the agency to the United States Equal Employment Opportunity Commission shall annually, commencing with January 1, 2013, submit a copy of the survey to the Fair Employment and Housing Council.

(c) These reports and information shall constitute public records.

SEC. 71. Section 71632.5 of the Government Code is amended to read:

71632.5. (a) Notwithstanding any other provision of law, rule, or regulation, an agency shop agreement may be negotiated between a trial court and a recognized employee organization that has been recognized as the exclusive or majority bargaining agent pursuant to reasonable rules and regulations, and enactments, in accordance with this article. As used in this article, “agency shop” means an arrangement that requires an employee, as a condition of continued employment, either to join the recognized employee organization, or to pay the organization a service fee in an amount not to exceed the standard initiation fee, periodic dues, and general assessments of that organization for the duration of the agreement or a period of three years from the effective date of the agreement, whichever comes first. However, any employee who is a member of a bona fide religion, body, or sect that has historically held conscientious objections to joining or financially supporting recognized employee organizations shall not be required to join or financially support any recognized employee organization as a condition of employment. That employee may be required, in lieu of periodic dues, initiation fees, or agency shop fees to pay sums equal to those dues, initiation fees, or agency shop fees to a nonreligious, nonlabor charitable organization fund exempt from taxation under Section 501 (c)(3) of the Internal Revenue Code, chosen by the employee from a list of at least three funds, designated in a memorandum of understanding or agreement between the trial court and the recognized employee organization, or if the memorandum of understanding or agreement fails to designate any funds, then to any fund chosen by the employee. Proof of those payments shall be made on a monthly basis to the trial court as a condition of continued exemption from the requirement of financial support to the recognized employee organization.

(b) An agency shop provision in a memorandum of understanding or agreement which is in effect may be rescinded by a majority vote of all the employees in the unit covered by the memorandum of understanding or agreement under the following circumstances:

(1) A request for the vote is supported by a petition containing the signatures of at least 30 percent of the employees in the unit.

(2) The vote is by secret ballot.

(3) The vote may be taken at any time during the term of the memorandum of understanding or agreement, but in no event shall there be more than one vote taken during that term.

(c) In addition to the procedure prescribed in subdivision (a), an agency shop arrangement between the trial court and a recognized employee organization or recognized employee organizations shall be placed in effect, without a negotiated agreement, upon (1) a signed petition of at least 30 percent of the employees in the applicable bargaining unit requesting an agency shop agreement and an election to implement an agency fee arrangement, and (2) the approval of a majority of employees who cast ballots and vote in a secret ballot election in favor of the agency shop agreement. The petition may only be filed after the recognized employee organization has requested the trial court to negotiate on an agency shop

arrangement and, beginning seven working days after the trial court received this request, the two parties have had 30 calendar days to attempt good faith negotiations in an effort to reach agreement. An election, that may not be held more frequently than once a year, shall be conducted by the California State Mediation and Conciliation Service in the event that the trial court and the recognized employee organization cannot agree within 10 days from the filing of the petition to select jointly a neutral person or entity to conduct the election. In the event of an agency fee arrangement outside of an agreement that was in effect on January 1, 2002, the recognized employee organization shall defend, indemnify, and hold the trial court harmless against any liability arising from any claims, demands, or other action relating to the trial court's compliance with the agency fee obligation. Upon notification to the trial court by the recognized employee organization, the amount of the fee shall be deducted by the trial court from the wages or salary of the employee and paid to the employee organization. This subdivision shall be applicable on the operative date of this section, except that if a memorandum of understanding or agreement between the trial court and a recognized employee organization was in effect before January 1, 2002, as to the employees covered by the memorandum of understanding or agreement, the implementation date of this subdivision shall be either the date a successor memorandum of understanding or agreement is effective or, if no agreement for a successor memorandum of understanding or agreement is reached, 90 days from the date of the expiration of the predecessor memorandum of understanding or agreement. The trial court and representatives of recognized employee organizations may mutually agree to a different date on which this subdivision is applicable.

(d) Notwithstanding subdivisions (a), (b), and (c), the trial court and the recognized employee organization may negotiate, and by mutual agreement provide for, an alternative procedure or procedures regarding a vote on any agency shop agreement.

(e) An agency shop agreement or arrangement does not apply to management, confidential, or supervisory employees. If those employees nonetheless choose to join the recognized employee organization and pay dues or pay the organization a service fee, Section 71638 shall apply to those employees, and the trial court shall administer deductions for which the recognized employee organization shall defend, indemnify, and hold the trial court harmless.

(f) Every recognized employee organization that has agreed to an agency shop provision, or is a party to an agency shop arrangement, shall keep an adequate itemized record of its financial transactions and shall make available annually, to the trial court with which the agency shop provision was negotiated, and to the employees who are members of the organization, within 60 days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to accuracy by its president and treasurer or corresponding principal officer, or by a certified public accountant. An employee organization required to file financial reports under the federal

Labor-Management Disclosure Act of 1959 covering employees governed by this chapter or required to file financial reports under Section 3546.5, may satisfy the financial reporting requirement of this section by providing the trial court with a copy of those financial reports.

(g) This section shall become operative only if Section 3502.5 is amended to provide that a 30-percent or greater showing of interest by means of a petition requires an election regarding an agency shop, and a vote at that election of 50 percent plus one of those voting secures an agency shop arrangement.

(h) A trial court may not offer employees inducements or benefits of any kind in return for employees opposing or rescinding an agency shop arrangement.

SEC. 72. Section 71636.1 of the Government Code is amended to read:

71636.1. SEC. 73. Section 71636.3 of the Government Code is amended to read:

71636.3. (a) Unit determinations and representation elections shall be determined and processed in accordance with rules adopted by a trial court in accordance with this chapter. In a representation election, a majority of the votes cast by the employees in the appropriate bargaining unit shall be required.

(b) Notwithstanding subdivision (a) and rules adopted by a trial court pursuant to Section 71636, a bargaining unit in effect as of January 1, 2002, shall continue in effect unless changed under the rules adopted by the trial court pursuant to Section 71636.

(c) A trial court shall grant exclusive or majority recognition to an employee organization based on a signed petition, authorization cards, or union membership cards showing that a majority of the employees in an appropriate bargaining unit desire the representation, unless another labor organization has previously been lawfully recognized as exclusive or majority representative of all or part of the same unit. Exclusive or majority representation shall be determined by a neutral third party, selected by the trial court and the employee organization, who shall review the signed petition, authorization cards, or union membership cards to verify the exclusive or majority status of the employee organization. If the trial court and the employee organization cannot agree on a neutral third party, the California State Mediation and Conciliation Service shall be the neutral third party and shall verify the exclusive or majority status of the employee organization. If the neutral third party determines, based on a signed petition, authorization cards, or union membership cards, that a second labor organization has the support of at least 30 percent of the employees in the unit in which recognition is sought, the neutral third party shall order an election to establish which labor organization, if any, has majority status.

SEC. 74. Section 71637 of the Government Code is amended to read:

71637. (a) For purposes of this article, professional employees shall not be denied the right to be represented separately from nonprofessional employees by a professional employee organization consisting of those professional employees. In the event of a dispute on the appropriateness of a unit of representation for professional employees, upon request of any of the parties, the dispute shall be submitted to the California State Mediation and Conciliation Service for mediation or for recommendation for resolving the dispute.

(b) For the purpose of this section, “professional employees” means employees engaged in work requiring specialized knowledge and skills attained through completion of a recognized course of instruction, including, but not limited to, attorneys.

(b) This section shall become operative on January 1, 2003.

The members appointed by the Governor, other than the labor member, shall have substantial experience in positions involving workers’ compensation, legal, investment, financial, corporate governance and management, accounting, or auditing responsibilities with entities of sufficient size as to make their qualifications relevant to an enterprise of the financial and operational size of the State Compensation Insurance Fund. At all times the board shall have a member with auditing background for the purposes of fulfilling the responsibility of the chair of the audit committee. A quorum is a majority of those appointed, provided that at no time shall a quorum be established with fewer than five members.

(2) The Speaker of the Assembly shall appoint one member who shall represent organized labor, and the Senate Committee on Rules shall appoint one member who shall have been a policyholder of the State Compensation Insurance Fund, or an officer or employee of a policyholder, for one year

be eligible for appointment as a member of the board of directors of the fund. Once appointed, no member of the board of directors shall have a financial conflict of interest, as defined in Chapter 7 of Title 9 (commencing with Section 87100) of the Government Code, and every member shall be subject to Article 4 (commencing with Section 1090) of Chapter 1 of Division 4 of Title 1 of the Government Code, provided that the existence of a contract of insurance between the State Compensation Insurance Fund and the policyholder member appointed by the Senate Committee on Rules shall not constitute a conflict of interest pursuant to this subdivision. (C) At the committee's discretion, review the approved curriculum of classroom instruction of any designated educational provider. The committee may withdraw its approval of the curriculum if the educational provider does not continue to meet the established written educational curriculum standards.

(D) Require each designated educational provider to submit an annual notice to the committee stating whether the educational provider is continuing to offer the approved curriculum of classroom instruction and whether any material changes have been made to the curriculum since its approval.

(b) There shall be no discrimination for or against any person based on membership or nonmembership in a union.

(c) As used in this section, "electricians" includes all persons who engage in the connection of electrical devices for electrical contractors licensed pursuant to Section 7058 of the Business and Professions Code, specifically, contractors classified as electrical contractors in the Contractors' State License Board Rules and Regulations. (b) (1) Certification is required only for those persons who perform work as electricians for contractors licensed as class C-10 electrical contractors under the Contractors' State License Board Rules and Regulations.

(2) Certification is not required for persons performing work for contractors licensed as class C-7 low voltage systems or class C-45 electric sign contractors as long as the work performed is within the scope of the class C-7 or class C-45 license, including incidental and supplemental work as defined in Section 7059 of the Business and Professions Code, and regardless of whether the same contractor is also licensed as a class C-10 contractor.

(3) Certification is not required for work performed by a worker on a high-voltage electrical transmission or distribution system owned by a local publicly owned electric utility, as defined in Section 224.3 of the Public Utilities Code; an electrical corporation, as defined in Section 218 of the Public Utilities Code; a person, as defined in Section 205 of the Public Utilities Code; or a corporation, as defined in Section 204 of the Public Utilities Code; when the worker is employed by the utility or a licensed contractor principally engaged in installing or maintaining transmission or distribution systems.

(4) Individuals desiring to be certified shall submit an application for certification and examination that includes an employment history report from the Social Security Administration. The individual may redact his or her social security number from the employment history report before it is submitted.

(c) The division shall maintain separate certifications for general electrician, fire/life safety technician, residential electrician, voice data video technician, and nonresidential lighting technician.

(d) Notwithstanding subdivision (a), certification is not required for registered apprentices performing electrical work as part of an apprenticeship program approved under Chapter 4 of Division 3 (commencing with Section 3070), a federal Office of Apprenticeship program, or a state apprenticeship program authorized by the federal Office of Apprenticeship. An apprentice who is within one year of completion of his or her term of apprenticeship shall be permitted to take the certification examination and, upon passing the examination, shall be certified immediately upon completion of the term of apprenticeship.

(e) Notwithstanding subdivision (a), certification is not required for any person employed pursuant to Section 108.4.

(f) Notwithstanding subdivision (a), certification is not required for a nonresidential lighting trainee (1) who is enrolled in an on-the-job instructional training program approved by the Chief of the Division of Apprenticeship Standards pursuant to Section 3090, and (2) who is under the onsite supervision of a nonresidential lighting technician certified pursuant to Section 108.

(g) Notwithstanding subdivision (a), the qualifying person for a class C-10 electrical contractor license issued by the Contractors' State License Board need not also be certified pursuant to Section 108 to perform electrical work for that licensed contractor or to supervise an uncertified person employed by that licensed contractor pursuant to Section 108.4.

(h) The following shall constitute additional grounds for disciplinary proceedings, including suspension or revocation of the license of a class C-10 electrical contractor pursuant to Article 7 (commencing with Section 7090) of Chapter 9 of Division 3 of the Business and Professions Code:

(1) The contractor willfully employs one or more uncertified persons to perform work as electricians in violation of this section.

(2) The contractor willfully fails to provide the adequate supervision of uncertified workers required by paragraph (3) of subdivision (a) of Section 108.4.

(3) The contractor willfully fails to provide adequate supervision of apprentices performing work pursuant to subdivision (d).

(i) The Labor Commissioner shall maintain a process for referring cases to the Contractors' State License Board when it has been determined that a violation of this section has likely occurred. The Labor Commissioner shall have a memorandum of understanding with the Registrar of Contractors in furtherance of this section.

(j) Upon receipt of a referral by the Labor Commissioner alleging a violation under this section, the Registrar of Contractors shall open an investigation. Any disciplinary action against the licensee shall be initiated within 60 days of the receipt of the referral. The Registrar of Contractors may initiate disciplinary action against any licensee upon his or her own investigation, the filing of any complaint, or any finding that results from a referral from the Labor Commissioner alleging a violation under this section. Failure of the employer or employee to provide evidence of certification or trainee status shall create a rebuttable presumption of violation of this provision.

(k) For the purposes of this section, "electricians" has the same meaning as the definition set forth in Section 108.

108.3. The Division of Labor Standards Enforcement shall do all of the following:

(a) Make information about electrician certification available in non-English languages spoken by a substantial number of construction workers, as defined in Section 7296.2 of the Government Code.

(b) Provide for the administration of certification tests in Spanish and, to the extent practicable, other non-English languages spoken by a substantial number of applicants, as defined in Section 7296.2 of the Government Code, except insofar as the ability to understand warning signs, instructions, and certain other information in English is necessary for safety reasons.

(c) Ensure, in conjunction with the California Apprenticeship Council, that all electrician apprenticeship programs approved under Chapter 4 (commencing with Section 3070) of Division 3 that impose minimum formal education requirements as a condition of entry provide for reasonable alternative means of satisfying those requirements.

(d) Ensure, in conjunction with the California Apprenticeship Council, that all electrician apprenticeship programs approved under Chapter 4 (commencing with Section 3070) of Division 3 have adopted reasonable procedures for granting credit toward a term of apprenticeship for other vocational training and on-the-job training experience.

108.4. (a) An uncertified person may perform electrical work for which certification is required under Section 108 in order to acquire the necessary on-the-job experience for certification, if all of the following requirements are met:

(1) The person is registered with the Labor Commissioner. A list of current registrants shall be maintained by the division and made available to the public upon request.

(2) The person either has completed or is enrolled in an approved curriculum of classroom instruction.

(3) The employer attests that the person shall be under the direct supervision of an electrician certified pursuant to Section 108 who is responsible for supervising no more than one uncertified person. An employer who is found by the division to have failed to provide adequate supervision may be barred by the division from employing uncertified individuals pursuant to this section in the future.

(b) For purposes of this section, “an approved curriculum of classroom instruction” means a curriculum of classroom instruction approved by the electrician certification curriculum committee established pursuant to paragraph (6) of subdivision (a) of Section 108 and provided under the jurisdiction of the State Department of Education, the Board of Governors of the California Community Colleges, or the Bureau for Private Postsecondary and Vocational Education.

(c) The curriculum committee may grant approval to an educational provider that presently offers only a partial curriculum if the educational provider intends in the future to offer, or to cooperate with other educational providers to offer, a complete curriculum for the type of certification involved. The curriculum committee may require an educational provider receiving approval for a partial curriculum to periodically renew its approval with the curriculum committee until a complete curriculum is offered and approved. A partial curriculum means a combination of classes that does not include all classroom educational components of the complete curriculum

for one of the categories of certification established in accordance with subdivision (c) of Section 108.2.

(d) An educational provider that receives approval for a partial curriculum must disclose in all communications to students and to the public that the educational provider has only received approval for a partial curriculum and shall not make any representations that the provider offers a complete approved curriculum of classroom instruction as established by subparagraph (A) of paragraph (6) of subdivision (a) of Section 108.

(e) For purposes of this section, a person is enrolled in an approved curriculum of classroom instruction if the person is attending classes on a full-time or part-time basis toward the completion of an approved curriculum.

(f) Registration under this section shall be renewed annually and the registrant shall provide to the division certification of the classwork completed and on-the-job experience acquired since the prior registration.

(g) For purposes of verifying the information provided by a person registered with the division, an educational provider of an approved curriculum of classroom instruction shall, upon the division's request, provide the division with information regarding the enrollment status and instruction completed by a person registered. By registering with the division in accordance with this section, a person consents to the release of this information.

(h) The division shall establish registration fees necessary to implement this section, not to exceed twenty-five dollars (\$25) for the initial registration. There shall be no fee for annual renewal of registration. Notwithstanding Section 13340 of the Government Code, fees collected are continuously appropriated in an amount sufficient to administer this section and that amount may be expended by the division for this purpose.

(i) The division shall issue regulations to implement this section.

(j) For purposes of Section 1773, persons employed pursuant to this section do not constitute a separate craft, classification, or type of worker.

(k) Notwithstanding any other provision of law, an uncertified person who has completed an approved curriculum of classroom instruction and is currently registered with the division may take the certification examination. The person shall be certified upon passing the examination and satisfactorily completing the requisite number of on-the-job hours required for certification. A person who passes the examination prior to completing the requisite hours of on-the-job experience shall continue to comply with subdivision (f).

108.5. (a) The Electrician Certification Fund is established as a special account in the State Treasury. Proceeds of the fund may be expended by the department, upon appropriation by the Legislature, for the costs of the Division of Labor Standards Enforcement program to validate and certify electricians as provided by Section 108, and shall not be used for any other purpose.

(b) The fund shall consist of the fees collected pursuant to Section 108.

SEC. 80. Section 138.7 of the Labor Code, as amended by Section 3 of Chapter 568 of the Statutes of 2011, is amended to read:

138.7. (a) Except as expressly permitted in subdivision (b), a person or public or private entity not a party to a claim for workers' compensation benefits may not obtain individually identifiable information obtained or maintained by the division on that claim. For purposes of this section, "individually identifiable information" means any data concerning an injury or claim that is linked to a uniquely identifiable employee, employer, claims administrator, or any other person or entity.

(b) (1) (A) The administrative director, or a statistical agent designated by the administrative director, may use individually identifiable information for purposes of creating and maintaining the workers' compensation information system as specified in Section 138.6.

(B) The administrative director may publish the identity of claims administrators in the annual report disclosing the compliance rates of claims administrators pursuant to subdivision (d) of Section 138.6.

(2) (A) The State Department of Public Health may use individually identifiable information for purposes of establishing and maintaining a program on occupational health and occupational disease prevention as specified in Section 105175 of the Health and Safety Code.

(B) (i) The State Department of Health Care Services may use individually identifiable information for purposes of seeking recovery of Medi-Cal costs incurred by the state for treatment provided to injured workers that should have been incurred by employers and insurance carriers pursuant to Article 3.5 (commencing with Section 14124.70) of Chapter 7 of Part 3 of Division 9 of the Welfare and Institutions Code.

(ii) The Department of Industrial Relations shall furnish individually identifiable information to the State Department of Health Care Services, and the State Department of Health Care Services may furnish the information to its designated agent, provided that the individually identifiable information shall not be disclosed for use other than the purposes described in clause (i). The administrative director may adopt regulations solely for the purpose of governing access by the State Department of Health Care Services or its designated agents to the individually identifiable information as defined in subdivision (a).

(3) (A) Individually identifiable information may be used by the Division of Workers' Compensation and the Division of Occupational Safety and Health as necessary to carry out their duties. The administrative director shall adopt regulations governing the access to the information described in this subdivision by these divisions. Any regulations adopted pursuant to this subdivision shall set forth the specific uses for which this information may be obtained.

(B) Individually identifiable information maintained in the workers' compensation information system and the Division of Workers' Compensation may be used by researchers employed by or under contract to the Commission on Health and Safety and Workers' Compensation as necessary to carry out the commission's research. The administrative director shall adopt regulations governing the access to the information described in this subdivision by commission researchers. These regulations shall set

forth the specific uses for which this information may be obtained and include provisions guaranteeing the confidentiality of individually identifiable information. Individually identifiable information obtained under this subdivision shall not be disclosed to commission members. No individually identifiable information obtained by researchers under contract to the commission pursuant to this subparagraph may be disclosed to any other person or entity, public or private, for a use other than that research project for which the information was obtained. Within a reasonable period of time after the research for which the information was obtained has been completed, the data collected shall be modified in a manner so that the subjects cannot be identified, directly or through identifiers linked to the subjects.

(4) The administrative director shall adopt regulations allowing reasonable access to individually identifiable information by other persons or public or private entities for the purpose of bona fide statistical research. This research shall not divulge individually identifiable information concerning a particular employee, employer, claims administrator, or any other person or entity. The regulations adopted pursuant to this paragraph shall include provisions guaranteeing the confidentiality of individually identifiable information. Within a reasonable period of time after the research for which the information was obtained has been completed, the data collected shall be modified in a manner so that the subjects cannot be identified, directly or through identifiers linked to the subjects.

(5) (A) This section shall not operate to exempt from disclosure any information that is considered to be a public record pursuant to the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code) contained in an individual's file once an application for adjudication has been filed pursuant to Section 5501.5.

(B) However, individually identifiable information shall not be provided to any person or public or private entity who is not a party to the claim unless that person identifies himself or herself or that public or private entity identifies itself and states the reason for making the request. The administrative director may require the person or public or private entity making the request to produce information to verify that the name and address of the requester is valid and correct. If the purpose of the request is related to preemployment screening, the administrative director shall notify the person about whom the information is requested that the information was provided and shall include the following in 12-point type:

“IT MAY BE A VIOLATION OF FEDERAL AND STATE LAW TO DISCRIMINATE AGAINST A JOB APPLICANT BECAUSE THE APPLICANT HAS FILED A CLAIM FOR WORKERS’ COMPENSATION BENEFITS.”

(C) Any residence address is confidential and shall not be disclosed to any person or public or private entity except to a party to the claim, a law

enforcement agency, an office of a district attorney, any person for a journalistic purpose, or other governmental agency.

(D) Nothing in this paragraph shall be construed to prohibit the use of individually identifiable information for purposes of identifying bona fide lien claimants.

(c) Except as provided in subdivision (b), individually identifiable information obtained by the division is privileged and is not subject to subpoena in a civil proceeding unless, after reasonable notice to the division and a hearing, a court determines that the public interest and the intent of this section will not be jeopardized by disclosure of the information. This section shall not operate to restrict access to information by any law enforcement agency or district attorney's office or to limit admissibility of that information in a criminal proceeding.

(d) It shall be unlawful for any person who has received individually identifiable information from the division pursuant to this section to provide that information to any person who is not entitled to it under this section.

(e) This section shall remain in effect only until January 1, 2017, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2017, deletes or extends that date.

SEC. 81. Section 138.7 of the Labor Code, as amended by Section 4 of Chapter 568 of the Statutes of 2011, is amended to read:

138.7. (a) Except as expressly permitted in subdivision (b), a person or public or private entity not a party to a claim for workers' compensation benefits may not obtain individually identifiable information obtained or maintained by the division on that claim. For purposes of this section, "individually identifiable information" means any data concerning an injury or claim that is linked to a uniquely identifiable employee, employer, claims administrator, or any other person or entity.

(b) (1) (A) The administrative director, or a statistical agent designated by the administrative director, may use individually identifiable information for purposes of creating and maintaining the workers' compensation information system as specified in Section 138.6.

Any regulations adopted pursuant to this subdivision shall set forth the specific uses for which this information may be obtained.

(B) Individually identifiable information maintained in the workers' compensation information system and the Division of Workers' Compensation may be used by researchers employed by or under contract to the Commission on Health and Safety and Workers' Compensation as necessary to carry out the commission's research. The administrative director shall adopt regulations governing the access to the information described in this subdivision by commission researchers. These regulations shall set forth the specific uses for which this information may be obtained and include provisions guaranteeing the confidentiality of individually identifiable information. Individually identifiable information obtained under this subdivision shall not be disclosed to commission members. No individually identifiable information obtained by researchers under contract to the commission pursuant to this subparagraph may be disclosed to any other person or entity, public or private, for a use other than that research project for which the information was obtained. Within a reasonable period of time after the research for which the information was obtained has been completed, the data collected shall be modified in a manner so that the subjects cannot be identified, directly or through identifiers linked to the subjects.

(4) The administrative director shall adopt regulations allowing reasonable access to individually identifiable information by other persons or public or private entities for the purpose of bona fide statistical research. This research shall not divulge individually identifiable information concerning a particular employee, employer, claims administrator, or any other person or entity. The regulations adopted pursuant to this paragraph shall include provisions guaranteeing the confidentiality of individually identifiable information. Within a reasonable period of time after the research for which the information was obtained has been completed, the data collected shall be modified in a manner so that the subjects cannot be identified, directly or through identifiers linked to the subjects.

(5) (A) This section shall not operate to exempt from disclosure any information that is considered to be a public record pursuant to the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code) contained in an individual's file once an application for adjudication has been filed pursuant to Section 5501.5.

(B) However, individually identifiable information shall not be provided to any person or public or private entity who is not a party to the claim unless that person identifies himself or herself or that public or private entity identifies itself and states the reason for making the request. The administrative director may require the person or public or private entity making the request to produce information to verify that the name and address of the requester is valid and correct. If the purpose of the request is related to preemployment screening, the administrative director shall notify the person about whom the information is requested that the information was provided and shall include the following in 12-point type:

“IT MAY BE A VIOLATION OF FEDERAL AND STATE LAW TO DISCRIMINATE AGAINST A JOB APPLICANT BECAUSE THE APPLICANT HAS FILED A CLAIM FOR WORKERS’ COMPENSATION BENEFITS.”

(C) Any residence address is confidential and shall not be disclosed to any person or public or private entity except to a party to the claim, a law enforcement agency, an office of a district attorney, any person for a journalistic purpose, or other governmental agency.

(D) Nothing in this paragraph shall be construed to prohibit the use of individually identifiable information for purposes of identifying bona fide lien claimants.

(c) Except as provided in subdivision (b), individually identifiable information obtained by the division is privileged and is not subject to subpoena in a civil proceeding unless, after reasonable notice to the division and a hearing, a court determines that the public interest and the intent of this section will not be jeopardized by disclosure of the information. This section shall not operate to restrict access to information by any law enforcement agency or district attorney’s office or to limit admissibility of that information in a criminal proceeding.

(d) It shall be unlawful for any person who has received individually identifiable information from the division pursuant to this section to provide that information to any person who is not entitled to it under this section.

(e) This section shall become operative on January 1, 2017.

SEC. 82. The heading of Chapter 7 (commencing with Section 150) of Division 1 of the Labor Code is amended to read:

CHAPTER 7. LABOR STATISTICS AND RESEARCH

SEC. 83. Section 150 of the Labor Code is amended to read:

150. (a) The department shall collect, compile, and present facts and statistics relating to the condition of labor in the state, including information as to cost of living, labor supply and demand, industrial relations, industrial disputes, industrial accidents and safety, labor productivity, sanitary and other conditions, prison labor, and such other matters in relation to labor as the Director of Industrial Relations deems desirable.

(b) To the extent not in conflict with this or any other section, on the date this subdivision becomes operative, the responsibilities of the Division of Labor Statistics and Research that are specified in Subchapter 1 (commencing with Section 14000) and Subchapter 2 (commencing with Section 14900) of Chapter 7 of Division 1 of Title 8 of the California Code of Regulations are reassigned to the Division of Occupational Safety and Health and the responsibilities of the Division of Labor Statistics and Research that are specified in Subchapter 3 (commencing with Section 16000) of Chapter 8 of Division 1 of Title 8 of the California Code of Regulations are reassigned to the Division of Labor Standards Enforcement.

SEC. 84. Section 151 of the Labor Code is amended to read:

151. (a) The department shall conduct an annual survey of the ethnic derivation of the individuals who are parties to apprentice agreements described in Section 3077. In conducting this survey, the division shall use any pertinent data which the federal government may provide to avoid duplication of effort.

(b) The Division of Apprenticeship Standards shall cooperate in the accomplishment of the survey required by this section. The occasion of this survey may be used to gather such additional current data as may be of benefit to apprenticeship programs.

(c) Data gathered pursuant to this section shall not be evidence per se of an unlawful employment practice.

(d) Nothing in this section shall be construed to authorize any state agency to require an employer to employ a specified percentage of individuals of any particular ethnic derivation irrespective of such individuals' qualifications for employment.

SEC. 85. Section 152 of the Labor Code is amended to read:

152. The Director of Industrial Relations and authorized employees of the department may issue subpoenas to compel the attendance of witnesses and production of books, papers, and records; administer oaths; examine witnesses under oath; take the verification or proof of written instruments; and take depositions and affidavits for the purpose of carrying out the provisions of this code and performing the duties required by this chapter. They shall have free access to all places of labor. Any person, or agent or officer thereof, who willfully neglects or refuses to furnish statistics requested by the division, which are in his or her possession, or under his or her control, or who refuses to admit the director or his or her authorized employee to a place of labor, is guilty of a misdemeanor. The director may direct the chief and the employees of other divisions of the department to transmit any statistical information in their possession, or to conduct investigations and otherwise assist in the gathering of whatever statistics the director deems desirable.

SEC. 86. Section 153 of the Labor Code is amended to read:

153. Except as provided in Section 151 no use shall be made in the statistical or other reports prepared pursuant to this chapter of the names of persons supplying the information required under this code. Any agent or employee of the department who violates this section is guilty of a misdemeanor.

SEC. 87. Section 156 of the Labor Code is amended to read:

156. An annual report containing statistics on California work injuries and occupational diseases and fatalities by industry classifications shall be completed and published by the department no later than December 31 of the following calendar year. All of the reports and statistics shall be available to the public.

SEC. 88. Section 511 of the Labor Code is amended to read:

511. (a) Upon the proposal of an employer, the employees of an employer may adopt a regularly scheduled alternative workweek that

authorizes work by the affected employees for no longer than 10 hours per day within a 40-hour workweek without the payment to the affected employees of an overtime rate of compensation pursuant to this section. A proposal to adopt an alternative workweek schedule shall be deemed adopted only if it receives approval in a secret ballot election by at least two-thirds of affected employees in a readily identifiable work unit. The regularly scheduled alternative workweek proposed by an employer for adoption by employees may be a single work schedule that would become the standard schedule for workers in the work unit, or a menu of work schedule options, from which each employee in the unit would be entitled to choose. Notwithstanding subdivision (c) of Section 500, the menu of work schedule options may include a regular schedule of eight-hour days that are compensated in accordance with subdivision (a) of Section 510. Employees who adopt a menu of work schedule options may, with employer consent, move from one schedule option to another on a weekly basis.

(b) An affected employee working longer than eight hours but not more than 12 hours in a day pursuant to an alternative workweek schedule adopted pursuant to this section shall be paid an overtime rate of compensation of no less than one and one-half times the regular rate of pay of the employee for any work in excess of the regularly scheduled hours established by the alternative workweek agreement and for any work in excess of 40 hours per week. An overtime rate of compensation of no less than double the regular rate of pay of the employee shall be paid for any work in excess of 12 hours per day and for any work in excess of eight hours on those days worked beyond the regularly scheduled workdays established by the alternative workweek agreement. Nothing in this section requires an employer to combine more than one rate of overtime compensation in order to calculate the amount to be paid to an employee for any hour of overtime work.

(c) An employer shall not reduce an employee's regular rate of hourly pay as a result of the adoption, repeal, or nullification of an alternative workweek schedule.

(d) An employer shall make a reasonable effort to find a work schedule not to exceed eight hours in a workday, in order to accommodate any affected employee who was eligible to vote in an election authorized by this section and who is unable to work the alternative schedule hours established as the result of that election. An employer shall be permitted to provide a work schedule not to exceed eight hours in a workday to accommodate any employee who was hired after the date of the election and who is unable to work the alternative schedule established as the result of that election. An employer shall explore any available reasonable alternative means of accommodating the religious belief or observance of an affected employee that conflicts with an adopted alternative workweek schedule, in the manner provided by subdivision (j) of Section 12940 of the Government Code.

(e) The results of any election conducted pursuant to this section shall be reported by an employer to the Division of Labor Standards Enforcement within 30 days after the results are final.

(f) Any type of alternative workweek schedule that is authorized by this code and that was in effect on January 1, 2000, may be repealed by the affected employees pursuant to this section. Any alternative workweek schedule that was adopted pursuant to Wage Order Number 1, 4, 5, 7, or 9 of the Industrial Welfare Commission is null and void, except for an alternative workweek providing for a regular schedule of no more than 10 hours' work in a workday that was adopted by a two-thirds vote of affected employees in a secret ballot election pursuant to wage orders of the Industrial Welfare Commission in effect prior to 1998. This subdivision does not apply to exemptions authorized pursuant to Section 515.

(g) Notwithstanding subdivision (f), an alternative workweek schedule in the health care industry adopted by a two-thirds vote of affected employees in a secret ballot election pursuant to Wage Order Numbers 4 and 5 in effect prior to 1998 that provided for workdays exceeding 10 hours but not exceeding 12 hours in a day without the payment of overtime compensation shall be valid until July 1, 2000. An employer in the health care industry shall make a reasonable effort to accommodate any employee in the health care industry who is unable to work the alternative schedule established as the result of a valid election held in accordance with provisions of Wage Order Number 4 or 5 that were in effect prior to 1998.

(h) Notwithstanding subdivision (f), if an employee is voluntarily working an alternative workweek schedule providing for a regular work schedule of not more than 10 hours' work in a workday as of July 1, 1999, an employee may continue to work that alternative workweek schedule without the entitlement of the payment of daily overtime compensation for the hours provided in that schedule if the employer approves a written request of the employee to work that schedule.

(i) For purposes of this section, "work unit" includes a division, a department, a job classification, a shift, a separate physical location, or a recognized subdivision thereof. A work unit may consist of an individual employee as long as the criteria for an identifiable work unit in this section is met.

SEC. 89. Section 515.5 of the Labor Code is amended to read:

515.5. (a) Except as provided in subdivision (b), an employee in the computer software field shall be exempt from the requirement that an overtime rate of compensation be paid pursuant to Section 510 if all of the following apply:

(1) The employee is primarily engaged in work that is intellectual or creative and that requires the exercise of discretion and independent judgment.

(2) The employee is primarily engaged in duties that consist of one or more of the following:

(A) The application of systems analysis techniques and procedures, including consulting with users, to determine hardware, software, or system functional specifications.

(B) The design, development, documentation, analysis, creation, testing, or modification of computer systems or programs, including prototypes, based on and related to user or system design specifications.

(C) The documentation, testing, creation, or modification of computer programs related to the design of software or hardware for computer operating systems.

(3) The employee is highly skilled and is proficient in the theoretical and practical application of highly specialized information to computer systems analysis, programming, or software engineering. A job title shall not be determinative of the applicability of this exemption.

(4) The employee's hourly rate of pay is not less than thirty-six dollars (\$36.00) or, if the employee is paid on a salaried basis, the employee earns an annual salary of not less than seventy-five thousand dollars (\$75,000) for full-time employment, which is paid at least once a month and in a monthly amount of not less than six thousand two hundred fifty dollars (\$6,250). The department shall adjust both the hourly pay rate and the salary level described in this paragraph on October 1 of each year to be effective on January 1 of the following year by an amount equal to the percentage increase in the California Consumer Price Index for Urban Wage Earners and Clerical Workers.

(b) The exemption provided in subdivision (a) does not apply to an employee if any of the following apply:

(1) The employee is a trainee or employee in an entry-level position who is learning to become proficient in the theoretical and practical application of highly specialized information to computer systems analysis, programming, and software engineering.

(2) The employee is in a computer-related occupation but has not attained the level of skill and expertise necessary to work independently and without close supervision.

(3) The employee is engaged in the operation of computers or in the manufacture, repair, or maintenance of computer hardware and related equipment.

(4) The employee is an engineer, drafter, machinist, or other professional whose work is highly dependent upon or facilitated by the use of computers and computer software programs and who is skilled in computer-aided design software, including CAD/CAM, but who is not engaged in computer systems analysis, programming, or any other similarly skilled computer-related occupation.

(5) The employee is a writer engaged in writing material, including box labels, product descriptions, documentation, promotional material, setup and installation instructions, and other similar written information, either for print or for onscreen media or who writes or provides content material intended to be read by customers, subscribers, or visitors to computer-related media such as the World Wide Web or CD-ROMs.

(6) The employee is engaged in any of the activities set forth in subdivision (a) for the purpose of creating imagery for effects used in the motion picture, television, or theatrical industry.

SEC. 90. Section 515.6 of the Labor Code is amended to read:

515.6. (a) Section 510 shall not apply to any employee who is a licensed physician or surgeon, who is primarily engaged in duties that require licensure pursuant to Chapter 5 (commencing with Section 2000) of Division 2 of the Business and Professions Code, and whose hourly rate of pay is equal to or greater than fifty-five dollars (\$55.00). The department shall adjust this threshold rate of pay each October 1, to be effective the following January 1, by an amount equal to the percentage increase in the California Consumer Price Index for Urban Wage Earners and Clerical Workers.

(b) The exemption provided in subdivision (a) shall not apply to an employee employed in a medical internship or resident program or to a physician employee covered by a valid collective bargaining agreement pursuant to Section 514.

SEC. 91. Chapter 9 (commencing with Section 1137) of Part 3 of Division 2 of the Labor Code is repealed.

SEC. 92. Section 1202 of the Labor Code is amended to read:

1202. Upon the request of the commission, the department shall cause such statistics and other data and information to be gathered, and investigations made, as the commission may require. The cost thereof shall be paid out of the appropriations made for the expenses of the commission.

SEC. 93. Section 1773.3 of the Labor Code is amended to read:

1773.3. An awarding agency whose public works contract falls within the jurisdiction of Section 1771.3, 1771.5, or 1777.5, or any other statute providing for the payment of fees to the Department of Industrial Relations for enforcing prevailing wage requirements on that project, shall, within five days of the award, send a copy of the award to the department. In lieu of responding to any specific request for contract award information, the department may make such information available for public review by posting on its Internet Web site. Within five days of a finding of any discrepancy regarding the ratio of apprentices to journeymen, pursuant to the certificated fixed number of apprentices to journeymen, the awarding agency shall notify the Division of Labor Standards Enforcement.

SEC. 94. Section 1776 of the Labor Code is amended to read:

1776. (a) Each contractor and subcontractor shall keep accurate payroll records, showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by him or her in connection with the public work. Each payroll record shall contain or be verified by a written declaration that it is made under penalty of perjury, stating both of the following:

- (1) The information contained in the payroll record is true and correct.
- (2) The employer has complied with the requirements of Sections 1771, 1811, and 1815 for any work performed by his or her employees on the public works project.

(b) The payroll records enumerated under subdivision (a) shall be certified and shall be available for inspection at all reasonable hours at the principal office of the contractor on the following basis:

(1) A certified copy of an employee's payroll record shall be made available for inspection or furnished to the employee or his or her authorized representative on request.

(2) A certified copy of all payroll records enumerated in subdivision (a) shall be made available for inspection or furnished upon request to a representative of the body awarding the contract and the Division of Labor Standards Enforcement of the Department of Industrial Relations.

(3) A certified copy of all payroll records enumerated in subdivision (a) shall be made available upon request by the public for inspection or for copies thereof. However, a request by the public shall be made through either the body awarding the contract or the Division of Labor Standards Enforcement. If the requested payroll records have not been provided pursuant to paragraph (2), the requesting party shall, prior to being provided the records, reimburse the costs of preparation by the contractor, subcontractors, and the entity through which the request was made. The public may not be given access to the records at the principal office of the contractor.

(c) The certified payroll records shall be on forms provided by the Division of Labor Standards Enforcement or shall contain the same information as the forms provided by the division. The payroll records may consist of printouts of payroll data that are maintained as computer records, if the printouts contain the same information as the forms provided by the division and the printouts are verified in the manner specified in subdivision (a).

(d) A contractor or subcontractor shall file a certified copy of the records enumerated in subdivision (a) with the entity that requested the records within 10 days after receipt of a written request.

(e) Except as provided in subdivision (f), any copy of records made available for inspection as copies and furnished upon request to the public or any public agency by the awarding body or the Division of Labor Standards Enforcement shall be marked or obliterated to prevent disclosure of an individual's name, address, and social security number. The name and address of the contractor awarded the contract or the subcontractor performing the contract shall not be marked or obliterated. Any copy of records made available for inspection by, or furnished to, a joint labor-management committee established pursuant to the federal Labor Management Cooperation Act of 1978 (29 U.S.C. Sec. 175a) shall be marked or obliterated only to prevent disclosure of an individual's name and social security number. A joint labor management committee may maintain an action in a court of competent jurisdiction against an employer who fails to comply with Section 1774. The court may award restitution to an employee for unpaid wages and may award the joint labor management committee reasonable attorney's fees and costs incurred in maintaining the action. An action under this subdivision may not be based on the employer's misclassification of the craft of a worker on its certified payroll records. Nothing in this subdivision limits any other available remedies for a violation of this chapter.

(f) (1) Notwithstanding any other provision of law, agencies that are included in the Joint Enforcement Strike Force on the Underground Economy established pursuant to Section 329 of the Unemployment Insurance Code and other law enforcement agencies investigating violations of law shall, upon request, be provided nonredacted copies of certified payroll records. Any copies of records or certified payroll made available for inspection and furnished upon request to the public by an agency included in the Joint Enforcement Strike Force on the Underground Economy or to a law enforcement agency investigating a violation of law shall be marked or redacted to prevent disclosure of an individual's name, address, and social security number.

(2) An employer shall not be liable for damages in a civil action for any reasonable act or omission taken in good faith in compliance with this subdivision.

(g) The contractor shall inform the body awarding the contract of the location of the records enumerated under subdivision (a), including the street address, city, and county, and shall, within five working days, provide a notice of a change of location and address.

(h) The contractor or subcontractor has 10 days in which to comply subsequent to receipt of a written notice requesting the records enumerated in subdivision (a). In the event that the contractor or subcontractor fails to comply within the 10-day period, he or she shall, as a penalty to the state or political subdivision on whose behalf the contract is made or awarded, forfeit one hundred dollars (\$100) for each calendar day, or portion thereof, for each worker, until strict compliance is effectuated. Upon the request of the Division of Labor Standards Enforcement, these penalties shall be withheld from progress payments then due. A contractor is not subject to a penalty assessment pursuant to this section due to the failure of a subcontractor to comply with this section.

(i) The body awarding the contract shall cause to be inserted in the contract stipulations to effectuate this section.

(j) The director shall adopt rules consistent with the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code) and the Information Practices Act of 1977 (Title 1.8 (commencing with Section 1798) of Part 4 of Division 3 of the Civil Code) governing the release of these records, including the establishment of reasonable fees to be charged for reproducing copies of records required by this section.

SEC. 95. Section 1777.5 of the Labor Code is amended to read:

1777.5. (a) Nothing in this chapter shall prevent the employment of properly registered apprentices upon public works.

(b) Every apprentice employed upon public works shall be paid the prevailing rate of per diem wages for apprentices in the trade to which he or she is registered and shall be employed only at the work of the craft or trade to which he or she is registered.

(c) Only apprentices, as defined in Section 3077, who are in training under apprenticeship standards that have been approved by the Chief of the

Division of Apprenticeship Standards and who are parties to written apprentice agreements under Chapter 4 (commencing with Section 3070) of Division 3 are eligible to be employed at the apprentice wage rate on public works. The employment and training of each apprentice shall be in accordance with either of the following:

(1) The apprenticeship standards and apprentice agreements under which he or she is training.

(2) The rules and regulations of the California Apprenticeship Council.

(d) When the contractor to whom the contract is awarded by the state or any political subdivision, in performing any of the work under the contract, employs workers in any apprenticeable craft or trade, the contractor shall employ apprentices in at least the ratio set forth in this section and may apply to any apprenticeship program in the craft or trade that can provide apprentices to the site of the public work for a certificate approving the contractor under the apprenticeship standards for the employment and training of apprentices in the area or industry affected. However, the decision of the apprenticeship program to approve or deny a certificate shall be subject to review by the Administrator of Apprenticeship. The apprenticeship program or programs, upon approving the contractor, shall arrange for the dispatch of apprentices to the contractor. A contractor covered by an apprenticeship program's standards shall not be required to submit any additional application in order to include additional public works contracts under that program. "Apprenticeable craft or trade," as used in this section, means a craft or trade determined as an apprenticeable occupation in accordance with rules and regulations prescribed by the California Apprenticeship Council. As used in this section, "contractor" includes any subcontractor under a contractor who performs any public works not excluded by subdivision (o).

(e) Prior to commencing work on a contract for public works, every contractor shall submit contract award information to an applicable apprenticeship program that can supply apprentices to the site of the public work. The information submitted shall include an estimate of journeyman hours to be performed under the contract, the number of apprentices proposed to be employed, and the approximate dates the apprentices would be employed. A copy of this information shall also be submitted to the awarding body if requested by the awarding body. Within 60 days after concluding work on the contract, each contractor and subcontractor shall submit to the awarding body, if requested, and to the apprenticeship program a verified statement of the journeyman and apprentice hours performed on the contract. The information under this subdivision shall be public. The apprenticeship programs shall retain this information for 12 months.

(f) The apprenticeship program that can supply apprentices to the area of the site of the public work shall ensure equal employment and affirmative action in apprenticeship for women and minorities.

(g) The ratio of work performed by apprentices to journeymen employed in a particular craft or trade on the public work may be no higher than the ratio stipulated in the apprenticeship standards under which the

apprenticeship program operates where the contractor agrees to be bound by those standards, but, except as otherwise provided in this section, in no case shall the ratio be less than one hour of apprentice work for every five hours of journeyman work.

(h) This ratio of apprentice work to journeyman work shall apply during any day or portion of a day when any journeyman is employed at the jobsite and shall be computed on the basis of the hours worked during the day by journeymen so employed. Any work performed by a journeyman in excess of eight hours per day or 40 hours per week shall not be used to calculate the ratio. The contractor shall employ apprentices for the number of hours computed as above before the end of the contract or, in the case of a subcontractor, before the end of the subcontract. However, the contractor shall endeavor, to the greatest extent possible, to employ apprentices during the same time period that the journeymen in the same craft or trade are employed at the jobsite. Where an hourly apprenticeship ratio is not feasible for a particular craft or trade, the Administrator of Apprenticeship, upon application of an apprenticeship program, may order a minimum ratio of not less than one apprentice for each five journeymen in a craft or trade classification.

(i) A contractor covered by this section that has agreed to be covered by an apprenticeship program's standards upon the issuance of the approval certificate, or that has been previously approved for an apprenticeship program in the craft or trade, shall employ the number of apprentices or the ratio of apprentices to journeymen stipulated in the applicable apprenticeship standards, but in no event less than the 1-to-5 ratio required by subdivision (g).

(j) Upon proper showing by a contractor that he or she employs apprentices in a particular craft or trade in the state on all of his or her contracts on an annual average of not less than one hour of apprentice work for every five hours of labor performed by journeymen, the Administrator of Apprenticeship may grant a certificate exempting the contractor from the 1-to-5 hourly ratio, as set forth in this section for that craft or trade.

(k) An apprenticeship program has the discretion to grant to a participating contractor or contractor association a certificate, which shall be subject to the approval of the Administrator of Apprenticeship, exempting the contractor from the 1-to-5 ratio set forth in this section when it finds that any one of the following conditions is met:

(1) Unemployment for the previous three-month period in the area exceeds an average of 15 percent.

(2) The number of apprentices in training in the area exceeds a ratio of 1 to 5.

(3) There is a showing that the apprenticeable craft or trade is replacing at least one-thirtieth of its journeymen annually through apprenticeship training, either on a statewide basis or on a local basis.

(4) Assignment of an apprentice to any work performed under a public works contract would create a condition that would jeopardize his or her life or the life, safety, or property of fellow employees or the public at large,

or the specific task to which the apprentice is to be assigned is of a nature that training cannot be provided by a journeyman.

(l) When an exemption is granted pursuant to subdivision (k) to an organization that represents contractors in a specific trade from the 1-to-5 ratio on a local or statewide basis, the member contractors shall not be required to submit individual applications for approval to local joint apprenticeship committees, if they are already covered by the local apprenticeship standards.

(m) (1) A contractor to whom a contract is awarded, who, in performing any of the work under the contract, employs journeymen or apprentices in any apprenticeable craft or trade shall contribute to the California Apprenticeship Council the same amount that the director determines is the prevailing amount of apprenticeship training contributions in the area of the public works site. A contractor may take as a credit for payments to the council any amounts paid by the contractor to an approved apprenticeship program that can supply apprentices to the site of the public works project. The contractor may add the amount of the contributions in computing his or her bid for the contract.

(2) At the conclusion of the 2002–03 fiscal year and each fiscal year thereafter, the California Apprenticeship Council shall distribute training contributions received by the council under this subdivision, less the expenses of the Department of Industrial Relations for administering this subdivision, by making grants to approved apprenticeship programs for the purpose of training apprentices. The funds shall be distributed as follows:

(A) If there is an approved multiemployer apprenticeship program serving the same craft or trade and geographic area for which the training contributions were made to the council, a grant to that program shall be made.

(B) If there are two or more approved multiemployer apprenticeship programs serving the same craft or trade and geographic area for which the training contributions were made to the council, the grant shall be divided among those programs based on the number of apprentices registered in each program.

(C) All training contributions not distributed under subparagraphs (A) and (B) shall be used to defray the future expenses of the Department of Industrial Relations for the administration and enforcement of apprenticeship standards and requirements under this code.

(3) All training contributions received pursuant to this subdivision shall be deposited in the Apprenticeship Training Contribution Fund, which is hereby created in the State Treasury. Upon appropriation by the Legislature, all moneys in the Apprenticeship Training Contribution Fund shall be used for the purpose of carrying out this subdivision and to pay the expenses of the Department of Industrial Relations.

(n) The body awarding the contract shall cause to be inserted in the contract stipulations to effectuate this section. The stipulations shall fix the responsibility of compliance with this section for all apprenticeable occupations with the prime contractor.

(o) This section does not apply to contracts of general contractors or to contracts of specialty contractors not bidding for work through a general or prime contractor when the contracts of general contractors or those specialty contractors involve less than thirty thousand dollars (\$30,000).

(p) An awarding body that implements an approved labor compliance program in accordance with subdivision (b) of Section 1771.5 may, with the approval of the director, assist in the enforcement of this section under the terms and conditions prescribed by the director.

SEC. 96. Section 1777.7 of the Labor Code is amended to read:

1777.7. (a) (1) A contractor or subcontractor that is determined by the Labor Commissioner to have knowingly violated Section 1777.5 shall forfeit as a civil penalty an amount not exceeding one hundred dollars (\$100) for each full calendar day of noncompliance. The amount of this penalty may be reduced by the Labor Commissioner if the amount of the penalty would be disproportionate to the severity of the violation. A contractor or subcontractor that knowingly commits a second or subsequent violation of Section 1777.5 within a three-year period, where the noncompliance results in apprenticeship training not being provided as required by this chapter, shall forfeit as a civil penalty the sum of not more than three hundred dollars (\$300) for each full calendar day of noncompliance. Notwithstanding Section 1727, upon receipt of a determination that a civil penalty has been imposed by the Labor Commissioner, the awarding body shall withhold the amount of the civil penalty from contract progress payments then due or to become due.

(2) In lieu of the penalty provided for in this subdivision, the Labor Commissioner may, for a first-time violation and with the concurrence of an apprenticeship program described in subdivision (d), order the contractor or subcontractor to provide apprentice employment equivalent to the work hours that would have been provided for apprentices during the period of noncompliance.

(b) In the event a contractor or subcontractor is determined by the Labor Commissioner to have knowingly committed a serious violation of any provision of Section 1777.5, the Labor Commissioner may also deny to the contractor or subcontractor, and to its responsible officers, the right to bid on or be awarded or perform work as a subcontractor on any public works contract for a period of up to one year for the first violation and for a period of up to three years for a second or subsequent violation. Each period of debarment shall run from the date the determination of noncompliance by the Labor Commissioner becomes a final order.

(c) (1) An affected contractor, subcontractor, or responsible officer may obtain a review of the determination of the Labor Commissioner imposing the debarment or civil penalty by transmitting a written request to the office of the Labor Commissioner that appears on the determination within 60 days after service of the determination of debarment or civil penalty. If no hearing is requested within 60 days after service of the determination, the determination shall become final.

(2) The provisions of Section 1742 shall apply to the review of any determination issued pursuant to subdivision (a) or (b), subject to the following:

(A) The provisions of Section 1742 and any regulations implementing that section shall apply to a responsible officer who requests review of a determination under this section to the same extent as any affected contractor or subcontractor who requests review.

(B) In the review of a determination under this section, the affected contractor, subcontractor, or responsible officer shall have the burden of providing evidence of compliance with Section 1777.5.

(3) For purposes of this section, a determination issued pursuant to subdivision (a) or (b) includes a determination that has been approved by the Labor Commissioner and issued by an awarding body that has been authorized to assist the director in the enforcement of Section 1777.5 pursuant to subdivision (p) of that section. The Labor Commissioner shall have the right to intervene in any proceeding for review of a determination issued by an awarding body. If the involvement of the Labor Commissioner in a labor compliance program enforcement action is limited to a review of the determination and the matter is resolved without litigation by or against the Labor Commissioner or the department, the awarding body shall enforce any applicable penalties, as specified in this section, and shall deposit any penalties and forfeitures collected in the General Fund.

(4) The Labor Commissioner may certify a copy of the final order of the Director of Industrial Relations and file it with the clerk of the superior court in any county in which the affected contractor or subcontractor has property or has or had a place of business. The clerk, immediately upon the filing, shall enter judgment for the state against the person assessed in the amount shown on the certified order. A judgment entered pursuant to this section shall bear the same rate of interest and shall have the same effect as other judgments and be given the same preference allowed by the law on other judgments rendered for claims for taxes. The clerk shall not charge for the service performed by him or her pursuant to this section. An awarding body that has withheld funds in response to a determination imposing a penalty under this section shall, upon receipt of a certified copy of a final order that is no longer subject to judicial review, promptly transmit the withheld funds, up to the amount of the certified order, to the Labor Commissioner.

(d) If a subcontractor is found to have violated Section 1777.5, the prime contractor of the project is not liable for any penalties under subdivision (a), unless the prime contractor had knowledge of the subcontractor's failure to comply with the provisions of Section 1777.5 or unless the prime contractor fails to comply with any of the following requirements:

(1) The contract executed between the contractor and the subcontractor or the performance of work on the public works project shall include a copy of the provisions of Sections 1771, 1775, 1776, 1777.5, 1813, and 1815.

(2) The contractor shall continually monitor a subcontractor's use of apprentices required to be employed on the public works project pursuant

to subdivision (d) of Section 1777.5, including, but not limited to, periodic review of the certified payroll of the subcontractor.

(3) Upon becoming aware of a failure of the subcontractor to employ the required number of apprentices, the contractor shall take corrective action, including, but not limited to, retaining funds due the subcontractor for work performed on the public works project until the failure is corrected.

(4) Prior to making the final payment to the subcontractor for work performed on the public works project, the contractor shall obtain a declaration signed under penalty of perjury from the subcontractor that the subcontractor has employed the required number of apprentices on the public works project.

(e) Any funds withheld by the awarding body pursuant to this section shall be deposited in the General Fund if the awarding body is a state entity, or in the equivalent fund of an awarding body if the awarding body is an entity other than the state.

(f) (1) The Labor Commissioner shall consider, in setting the amount of a monetary penalty, in determining whether a violation is serious, and in determining whether and for how long a party should be debarred for violating this section, all of the following circumstances:

(A) Whether the violation was intentional.

(B) Whether the party has committed other violations of Section 1777.5.

(C) Whether, upon notice of the violation, the party took steps to voluntarily remedy the violation.

(D) Whether, and to what extent, the violation resulted in lost training opportunities for apprentices.

(E) Whether, and to what extent, the violation otherwise harmed apprentices or apprenticeship programs.

(2) If a party seeks review of a decision by the Labor Commissioner to impose a monetary penalty or period of debarment, the Director of Industrial Relations shall decide de novo the appropriate penalty, by considering the same factors set forth above.

(g) The interpretation of Section 1777.5 and the substantive requirements of this section, including the limitations period for issuing a determination under subdivision (a) or (b), shall be in accordance with the regulations of the California Apprenticeship Council. The Director of Industrial Relations may adopt regulations to establish guidelines for the imposition of monetary penalties and periods of debarment and may designate precedential decisions under Section 11425.60 of the Government Code.

SEC. 97. Section 2012 of the Labor Code is amended to read:

2012. The department shall keep constantly advised of industrial conditions throughout the State as affecting the employment of labor. Whenever the Governor represents or the division has reason to believe, that a period of extraordinary unemployment caused by industrial depression exists in the state, it shall immediately hold an inquiry into the facts relating thereto, and report to the Governor whether, in fact, such condition exists.

SEC. 98. Section 2013 of the Labor Code is amended to read:

2013. If the department reports to the Governor that a condition of extraordinary unemployment caused by industrial depression does exist within this state, the Department of Finance may apportion the available Emergency Fund among the several state agencies for the extension of the public works of the state under the charge or direction thereof, in the manner which the Department of Finance believes to be best adapted to advance the public interest by providing the maximum of public employment consistent with the most useful, permanent, and economic extension of public works.

SEC. 99. Section 2686 of the Labor Code is amended to read:

2686. Upon the written request of any manufacturer or contractor, the California State Mediation and Conciliation Service shall notify the other party to the dispute of the request for arbitration and shall, within seven days of receipt of the request, appoint an arbitration panel to hear and render a decision regarding the dispute. The panel shall be constituted as follows:

(a) A management level representative from a manufacturer in the general geographic area in which the dispute arises, provided that insofar as possible the manufacturer shall not be a direct competitor of the manufacturer involved in the dispute to be arbitrated. This panel member also shall be selected in accordance with the terms of the written contract.

(b) A representative from the contractors' association whose membership encompasses the general geographic area in which the dispute arises. This panel member also shall be selected in accordance with the terms of the written contract.

(c) A third party to be chosen and agreed upon by the first two parties to the dispute from a list of arbitrators provided by the American Arbitration Association. This party shall act as chairperson of the panel.

SEC. 100. Section 3072 of the Labor Code is amended to read:

3072. The Director of Industrial Relations is ex officio the Administrator of Apprenticeship and is authorized to appoint assistants as necessary to effectuate the purposes of this chapter.

SEC. 101. Section 3073 of the Labor Code is amended to read:

3073. The Chief of the Division of Apprenticeship Standards, or his or her duly authorized representative, shall administer the provisions of this chapter; act as secretary of the California Apprenticeship Council; shall foster, promote, and develop the welfare of the apprentice and industry, improve the working conditions of apprentices, and advance their opportunities for profitable employment; shall ensure that selection procedures are impartially administered to all applicants for apprenticeship; shall gather and promptly disseminate information through apprenticeship and training information centers; shall maintain on public file in all high schools and field offices of the Employment Development Department the name and location of the local area apprenticeship committees, the filing date, and minimum requirements for application of all registered apprenticeship programs; shall cooperate in the development of apprenticeship programs and may advise with them on problems affecting apprenticeship standards; shall audit all selection and disciplinary

proceedings of apprentices or prospective apprentices; may enter joint agreements with the Employment Development Department outreach education and employment programs, and educational institutions on the operation of apprenticeship information centers, including positive efforts to achieve information on equal opportunity and affirmative action programs for women and minorities; and shall supervise and recommend apprenticeship agreements as to these standards and perform such other duties associated therewith as the California Apprenticeship Council may recommend. The chief shall coordinate the exchange, by the California Apprenticeship Council, the apprenticeship program sponsors, the Fair Employment and Housing Council, community organizations, and other interested persons, of information on available minorities and women who may serve as apprentices.

SEC. 102. Section 3099 of the Labor Code is repealed.

SEC. 103. Section 3099.2 of the Labor Code is repealed.

SEC. 104. Section 3099.3 of the Labor Code is repealed.

SEC. 105. Section 3099.4 of the Labor Code is repealed.

SEC. 106. Section 3099.5 of the Labor Code is repealed.

SEC. 107. Section 6332 of the Labor Code is amended to read:

6332. (a) For purposes of this section, the following terms have the following meanings:

(1) "Community health care worker" means an individual who provides health care or health care-related services to clients in home settings.

(2) "Employer" means a person or entity that employs a community health care worker. "Employer" does not include an individual who is a recipient of home-based services and who is responsible for hiring his or her own community health care worker.

(3) "Violence" means a physical assault or a threat of a physical assault.

(b) Every employer shall keep a record of any violence committed against a community health care worker and shall file a copy of that record with the department in the form and detail and within the time limits prescribed by the department.

SEC. 108. Section 6401.7 of the Labor Code is amended to read:

6401.7. (a) Every employer shall establish, implement, and maintain an effective injury prevention program. The program shall be written, except as provided in subdivision (e), and shall include, but not be limited to, the following elements:

(1) Identification of the person or persons responsible for implementing the program.

(2) The employer's system for identifying and evaluating workplace hazards, including scheduled periodic inspections to identify unsafe conditions and work practices.

(3) The employer's methods and procedures for correcting unsafe or unhealthy conditions and work practices in a timely manner.

(4) An occupational health and safety training program designed to instruct employees in general safe and healthy work practices and to provide

specific instruction with respect to hazards specific to each employee's job assignment.

(5) The employer's system for communicating with employees on occupational health and safety matters, including provisions designed to encourage employees to inform the employer of hazards at the worksite without fear of reprisal.

(6) The employer's system for ensuring that employees comply with safe and healthy work practices, which may include disciplinary action.

(b) The employer shall correct unsafe and unhealthy conditions and work practices in a timely manner based on the severity of the hazard.

(c) The employer shall train all employees when the training program is first established, all new employees, and all employees given a new job assignment, and shall train employees whenever new substances, processes, procedures, or equipment are introduced to the workplace and represent a new hazard, and whenever the employer receives notification of a new or previously unrecognized hazard. An employer in the construction industry who is required to be licensed under Chapter 9 (commencing with Section 7000) of Division 3 of the Business and Professions Code may use employee training provided to the employer's employees under a construction industry occupational safety and health training program approved by the division to comply with the requirements of subdivision (a) relating to employee training, and shall only be required to provide training on hazards specific to an employee's job duties.

(d) The employer shall keep appropriate records of steps taken to implement and maintain the program. An employer in the construction industry who is required to be licensed under Chapter 9 (commencing with Section 7000) of Division 3 of the Business and Professions Code may use records relating to employee training provided to the employer in connection with an occupational safety and health training program approved by the division to comply with this subdivision, and shall only be required to keep records of those steps taken to implement and maintain the program with respect to hazards specific to an employee's job duties.

(e) (1) The standards board shall adopt a standard setting forth the employer's duties under this section, on or before January 1, 1991, consistent with the requirements specified in subdivisions (a), (b), (c), and (d). The standards board, in adopting the standard, shall include substantial compliance criteria for use in evaluating an employer's injury prevention program. The board may adopt less stringent criteria for employers with few employees and for employers in industries with insignificant occupational safety or health hazards.

(2) Notwithstanding subdivision (a), for employers with fewer than 20 employees who are in industries that are not on a designated list of high hazard industries and who have a workers' compensation experience modification rate of 1.1 or less, and for any employers with fewer than 20 employees who are in industries that are on a designated list of low hazard industries, the board shall adopt a standard setting forth the employer's duties under this section consistent with the requirements specified in

subdivisions (a), (b), and (c), except that the standard shall only require written documentation to the extent of documenting the person or persons responsible for implementing the program pursuant to paragraph (1) of subdivision (a), keeping a record of periodic inspections pursuant to paragraph (2) of subdivision (a), and keeping a record of employee training pursuant to paragraph (4) of subdivision (a). To any extent beyond the specifications of this subdivision, the standard shall not require the employer to keep the records specified in subdivision (d).

(3) (A) The division shall establish a list of high hazard industries using the methods prescribed in Section 6314.1 for identifying and targeting employers in high hazard industries. For purposes of this subdivision, the “designated list of high hazard industries” shall be the list established pursuant to this paragraph.

(B) For the purpose of implementing this subdivision, the Department of Industrial Relations shall periodically review, and as necessary revise, the list.

(4) For the purpose of implementing this subdivision, the Department of Industrial Relations shall also establish a list of low hazard industries, and shall periodically review, and as necessary revise, that list.

(f) The standard adopted pursuant to subdivision (e) shall specifically permit employer and employee occupational safety and health committees to be included in the employer’s injury prevention program. The board shall establish criteria for use in evaluating employer and employee occupational safety and health committees. The criteria shall include minimum duties, including the following:

(1) Review of the employer’s periodic, scheduled worksite inspections; investigation of causes of incidents resulting in injury, illness, or exposure to hazardous substances; and investigation of any alleged hazardous condition brought to the attention of any committee member. When determined necessary by the committee, the committee may conduct its own inspections and investigations.

(2) (A) Upon request from the division, verification of abatement action taken by the employer as specified in division citations.

(B) If an employer’s occupational safety and health committee meets the criteria established by the board, it shall be presumed to be in substantial compliance with paragraph (5) of subdivision (a).

(g) The division shall adopt regulations specifying the procedures for selecting employee representatives for employer-employee occupational health and safety committees when these procedures are not specified in an applicable collective bargaining agreement. No employee or employee organization shall be held liable for any act or omission in connection with a health and safety committee.

(h) The employer’s injury prevention program, as required by this section, shall cover all of the employer’s employees and all other workers who the employer controls or directs and directly supervises on the job to the extent these workers are exposed to worksite and job assignment specific hazards. Nothing in this subdivision shall affect the obligations of a contractor or

other employer that controls or directs and directly supervises its own employees on the job.

(i) When a contractor supplies its employee to a state agency employer on a temporary basis, the state agency employer may assess a fee upon the contractor to reimburse the state agency for the additional costs, if any, of including the contract employee within the state agency's injury prevention program.

Both parties shall bargain in good faith and make all reasonable efforts to reach agreement on the terms of a written contract governing wages, salaries, hours, working conditions, and grievance procedures.

(b) (1) If a dispute arises over the terms of a written contract governing wages, salaries, hours, or working conditions that is not resolved by negotiations conducted in good faith between the board and the representatives of the employees, then the board and the representatives of the employees shall submit the dispute to an arbitration board. The decision of a majority of the arbitration board shall be final.

(2) (A) The arbitration board shall be composed of two representatives of the transit board, two representatives of the labor organization, and a fifth member to be agreed upon by the representatives of the transit board and labor organization.

(B) If the representatives of the transit board and labor organization are unable to agree on the fifth member, then the names of five persons experienced in labor arbitration shall be obtained from the California State Mediation and Conciliation Service. The labor organization and the district

It is declared to be in the public interest that the district shall not express any preference for one union over another. Notwithstanding any other provision of this part, whenever a majority of the employees employed by the district in a unit appropriate for collective bargaining indicate a desire to be represented by a labor organization, the district, upon determining as provided in Section 70122 that the labor organization represents the employees in the appropriate unit, shall enter into a written contract with the accredited representative of the employees governing wages, salaries, hours and working conditions. In case of a dispute over wages, salaries, hours or working conditions, which is not resolved by negotiations in good faith between the district and the labor organization, upon the request of either, the district and the labor organization may submit the dispute to the decision of the majority of an arbitration board, and the decision of the majority of the arbitration board shall be final. The arbitration board shall be composed of two representatives of the district, and two representatives of the labor organization, and they shall endeavor to agree upon the selection of the fifth member. If they are unable to agree, the names of five persons experienced in labor arbitration shall be obtained from the California State Mediation and Conciliation Service. of a majority of the arbitration board shall be final and binding upon the parties. The expenses of arbitration shall be borne equally by the parties. Each party shall bear his or her own costs.

In the event the board and the representatives of the employees do not agree to submit the dispute to an arbitration board as herein provided, the California State Mediation and Conciliation Service may be notified by either party that a dispute exists and that there is no agreement to arbitrate. The service shall determine whether or not the dispute may be resolved by the parties and, if not, the issues concerning which the dispute exists. Upon the determination, the service shall certify its findings to the Governor who shall, within 10 days of receipt of certification appoint a fact finding commission consisting of three persons which shall immediately convene and inquire into and investigate the issues involved in the dispute. The commission shall report to the Governor within 30 days of the date of its creation.

After the creation of the commission and for 30 days after the commission has made its report to the Governor, no change, except by mutual agreement, shall be made by the parties to the controversy in the conditions out of which the dispute arose and service to the public shall be provided.

(B) (i) If a dispute arises over wages, salaries, hours, or working conditions that is not resolved by negotiations conducted in good faith between the district and the labor organization, then upon the request of either party, the district and the labor organization may submit the dispute to an arbitration board. The decision of a majority of the arbitration board shall be final.

(ii) The arbitration board shall be composed of two representatives of the district, two representatives of the labor organization, and a fifth member to be agreed upon by the representatives of the district and labor organization.

(iii) If the representatives of the district and labor organization are unable to agree on the fifth member, then the names of five persons experienced in labor arbitration shall be obtained from the California State Mediation and Conciliation Service. The labor organization and the district shall,

alternately, strike a name from the list supplied by the California State Mediation and Conciliation Service. The labor organization and the district shall determine by lot who shall first strike a name from the list. After the labor organization and the district have stricken four names, the name remaining shall be designated as the arbitrator. The decision of a majority of the arbitration board shall be final and binding upon the parties.

(iv) The expenses of arbitration shall be borne equally by the parties. Each party shall bear the party's own costs.

(b) If the board and the representatives of the employees do not agree to submit the dispute to an arbitration board as provided in subdivision (a), either party may notify the California State Mediation and Conciliation Service that a dispute exists and that there is no agreement to arbitrate. The California State Mediation and Conciliation Service shall determine whether or not the dispute can be resolved by the parties and, if not, the issues that are the subject of the dispute. After making its determination, the service shall certify its findings to the Governor who shall, within 10 days of receipt of certification, appoint a factfinding commission consisting of three persons. The factfinding commission shall immediately convene and investigate the issues involved in the dispute. The commission shall report to the Governor within 30 days of the date of its creation.

However, the organization may preclude from membership any individual who advocates the overthrow of the government by force or violence.

(f) (1) Any questions regarding whether a labor organization represents a majority of employees or whether the proposed unit is or is not appropriate, shall be submitted to the California State Mediation and Conciliation Service for disposition. The California State Mediation and Conciliation Service shall promptly hold a public hearing after due notice to all interested parties to determine the unit appropriate for the purposes of collective bargaining. In making that determination and in establishing rules and regulations governing petitions and the conduct of hearings and elections, the California State Mediation and Conciliation Service shall be guided by relevant federal

law and administrative practice, developed under the Labor-Management Relations Act of 1947 (29 U.S.C. Sec. 141 et seq.).

(2) The California State Mediation and Conciliation Service shall provide for an election to determine the question of representation and shall certify the results to the parties. A certification of a labor organization to represent or act for the employees in any collective bargaining unit shall not be subject to challenge on the grounds that a new substantial question of representation within the collective bargaining unit exists until the lapse of one year from the date of certification or the expiration of any collective bargaining agreement, whichever is later. However, no collective bargaining agreement shall be construed to be a bar to representation proceedings for a period of more than two years.

(g) If the district acquires existing facilities from a publicly or privately owned public utility, either in proceedings by eminent domain or otherwise, the district shall assume and observe all existing labor contracts.

(1) To the extent necessary for operation of facilities, all of the employees of the acquired public utility whose duties pertain to the facilities acquired shall be appointed to comparable positions in the district without examination, subject to all the rights and benefits of this act. Those employees shall be given sick leave, seniority, vacation, and pension credits in accordance with the records and labor agreements of the acquired public utility.

(2) Members and beneficiaries of any pension or retirement system, or other benefits established by the public utility, shall continue to have the rights, privileges, benefits, obligations, and status with respect to the established system. No employee of any acquired public utility may be subject to a reduction in wages, seniority, pension, vacation, or other benefits as a result of the acquisition.

(2) For the payment of contributions pursuant to any health and welfare plan, or pension or retirement plan.

(3) For any purpose for which employees of any private employer may authorize deductions.

(j) (1) The obligation of the district to bargain in good faith with a duly designated or certified labor organization and to execute a written collective bargaining agreement with that labor organization covering the wages, hours, and working conditions of the employees represented by that labor organization in an appropriate unit, and to comply with the terms of the collective bargaining agreement, shall not be limited or restricted by any provision of law. The obligation of the district to bargain collectively shall extend to all subjects of collective bargaining that are or may be proper subjects of collective bargaining with a private employer, including retroactive provisions.

(2) Notwithstanding any other provision of law, the district shall make deductions from the wages and salaries of its employees, upon receipt of authorization to make those deductions, for the payment of union dues, fees, or assessments, for the payment of contributions pursuant to any health and welfare plan or pension plan, or for any other purpose for which employees of any private employer may authorize deductions, where those deductions are pursuant to a collective bargaining agreement with a duly designated or certified labor organization.

(k) The district may provide for a retirement system, provided that the adoption, terms, and conditions of any retirement system covering employees of the district represented by a labor organization in accordance with this section shall be pursuant to a collective bargaining agreement between the labor organization and the district.
