SENATE BILL

No. 1087

Introduced by Senator Walters

February 15, 2012

An act to amend Section 8484.3 of the Education Code, and to amend Section 1596.793 of the Health and Safety Code, relating to organized camps.

LEGISLATIVE COUNSEL'S DIGEST

SB 1087, as amended, Walters. Organized camps.

Existing law permits a participating program operated by a city, county, or nonprofit organization in the After School Learning and Safe Neighborhoods Partnership Program to operate for up to 30 hours per week without obtaining a license or special permit otherwise required under existing law.

The bill would increase the authorization to 60 hours per week, provided that an individual pupil cannot attend the program for more than 30 hours per week.

Existing law regulates the licensure and administration of day care centers and family day care centers and exempts specified recreation programs conducted for children from these regulations.

The bill would expand the scope of this exemption to organized ~~resident and day~~ camps or similar organizations.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
