An act to add Section 52.6 to the Civil Code, relating to human trafficking.

## LEGISLATIVE COUNSEL'S DIGEST

SB 1193, as introduced, Steinberg. Human trafficking: public posting requirements.

Existing law authorizes a victim of human trafficking, as defined, to bring a civil action for actual damages, compensatory damages, punitive damages, injunctive relief, any combination of those, or any other appropriate relief within 5 years of the date on which the trafficking victim was freed from the trafficking situation, or if the victim was a minor when the act of human trafficking against the victim occurred, within 8 years after the date the plaintiff attains the age of majority.

This bill would require specified businesses and other establishments to post a notice that is at least 8½ inches by 11 inches in size that contains information related to slavery and human trafficking, including information related to 2 nonprofit organizations that provide services in support of the elimination of slavery and human trafficking. The bill would require the establishments to post the notice in a conspicuous place near the entrance of the establishment or in a location where similar notices are customarily posted. The bill also would require the establishments to print the notice in English, Spanish, and in any other language that is the most widely spoken language in the county where the establishment is located and for which translation is mandated by the federal Voting Rights Act.

To the extent that the bill would impose additional duties on local government agencies, it would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.
