[Approved by Governor September 7, 2012. Filed with Secretary of State September 7, 2012.]

LEGISLATIVE COUNSEL'S DIGEST

SB 1370, Berryhill. Prevailing wages: public works: director: code list.

Existing law generally requires that not less than the general prevailing rate of per diem wages, as specified, be paid to workers employed on a public work, as defined.

This bill would require the Director of Industrial Relations to post a list of every California code section and the language of those sections that relate to the prevailing wage rate requirements for workers employed on a public work project on the Internet Web site of the Department of Industrial Relations on or before June 1, 2013, and update that list each February 1 thereafter.

*The people of the State of California do enact as follows:*

SECTION 1. Section 1730 is added to the Labor Code, to read:

1730. The Director of Industrial Relations shall post a list of every California code section and the language of those sections that relate to the prevailing rate of per diem wage requirements for workers employed on a public work project on the Internet Web site of the Department of Industrial Relations on or before June 1, 2013, and shall update that list each February 1 thereafter.
