SENATE BILL

No. 1391

Introduced by Senator Liu

February 24, 2012

An act to add Section 18927 to the Welfare and Institutions Code, relating to CalFresh.

LEGISLATIVE COUNSEL'S DIGEST

SB 1391, as amended, Liu. CalFresh benefits: overissuance.

Existing federal law provides for the Supplemental Nutrition Assistance Program (SNAP), known in California as CalFresh, under which supplemental nutrition assistance benefits allocated to the state by the federal government are distributed to eligible individuals by each county. Existing federal law provides for the collection of fraudulent and nonfraudulent overissuances of SNAP benefits, and authorizes the United States Secretary of Agriculture to delegate this power to the appropriate state agencies. Under existing law, a county administering CalFresh, and operating an early fraud detection and prevention program in accordance with existing law, is required to make a referral for fraud investigation when reasonable grounds for fraud exist, including when an overpayment or overissuance of benefits, or both, may result from an applicant's failure to report information pertinent to eligibility or benefits.

This bill would establish procedures, consistent with federal law, for recovering CalFresh overissuances, including requiring benefits to be

reduced when an overissuance is caused by intentional program violation or fraud, inadvertent household error, or when caused by administrative error, under certain circumstances. This bill would authorize the State Department of Social Services to establish a minimum cost-effective threshold for collecting CalFresh overissuances, as specified. The bill would prohibit collection of an overissuance from being attempted, in connection with a household that is no longer receiving CalFresh benefits, when the overissuance is caused by administrative error and is less than \$125, or a greater threshold established by the state pursuant to a specified provision, whichever is greater. This bill would require collection of an overissuance to be attempted, in connection with a household that is no longer receiving CalFresh benefits, when the overissuance is caused by inadvertent household error and is \$35 or more.

Because counties administer the CalFresh program, by requiring that counties perform new duties, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
 State-mandated local program: yes.

The people of the State of California do enact as follows:

- 1 SECTION 1. (a) The Legislature finds and declares that
- 2 CalFresh shall be administered fairly, so that all applicants and
- 3 recipients receive the assistance to which they are entitled in a
- 4 timely manner, with due consideration for the needs of the
- 5 applicants and recipients.
- 6 (b) It is the intent of the Legislature to reduce the cost of
- 7 CalFresh administration through the establishment of a
- 8 cost-effective structure to address overpayments, and to protect
- 9 the rights of all applicants and recipients. It is further the intent of
- 10 the Legislature that nothing in this act shall overturn or otherwise

1 eliminate any existing right or protection to which an applicant or
2 recipient is entitled under existing state law or regulation.

3 SEC. 2. Section 18927 is added to the Welfare and Institutions
4 Code, to read:

7 dollars (\$35) or more. All overissuances caused by intentional
8 program violation, as defined in subdivision (c) of Section 273.16
9 of Title 7 of the Code of Federal Regulations, or fraud shall be
10 collected as required by federal law.

11 (g) When an overissuance collection is attempted, reasonable
12 cost-effective methods of collection shall be implemented. The
13 department shall define reasonable cost-effective collection
14 methods, which shall include adequate and timely notice of the
15 overissuance, including, but not limited to, all of the following:

27 be included in the state's ~~CalFresh~~ *claims management* plan
28 submitted annually for federal approval.

29 (i) Nothing in this section shall prevent a county from writing

31 provisions of paragraph (8) of subdivision (e) of Section 273.18
32 of Title 7 of the Code of Federal Regulations.

33 (j) *Nothing in this section shall prevent a county or the state*
