An act to add Section 116760.46 to the Health and Safety Code, relating to drinking water, and making an appropriation therefor.

LEGISLATIVE COUNSEL'S DIGEST

AB 21, as amended, Alejo. Safe Drinking Water Small Community Emergency Grant Fund.

Existing law establishes the Safe Drinking Water State Revolving Fund, which is continuously appropriated to the department for the provision of grants and revolving fund loans to provide for the design and construction of projects for public water systems that will enable suppliers to meet safe drinking water standards. Existing law requires the department to establish criteria to be met for projects to be eligible for consideration for this funding.

This bill would authorize the department to assess a specified annual charge in lieu of interest on loans for water projects made pursuant to the Safe Drinking Water State Revolving Fund, and deposit that money into the Safe Drinking Water Small Community Emergency Grant Fund, which the bill would create in the State Treasury. The bill would authorize the department to expend the money for grants for specified

water projects that serve disadvantaged and severely disadvantaged communities, thereby making an appropriation.

Vote: majority. Appropriation: yes. Fiscal committee: yes.

State-mandated local program: no.
