LEGISLATIVE COUNSEL'S DIGEST

AB 1, as amended, John A. Pérez. Medi-Cal: eligibility.

Existing law provides for the Medi-Cal program, which is administered by the State Department of Health Care Services, under which qualified low-income individuals receive health care services. The Medi-Cal program is, in part, governed and funded by federal Medicaid Program provisions.

This bill would, commencing January 1, 2014, implement various provisions of the federal Patient Protection and Affordable Care Act (Affordable Care Act), as amended, by, among other things, modifying

provisions relating to determining eligibility for certain groups. The bill would, in this regard, extend Medi-Cal eligibility to specified adults *and former foster children* and would require that income eligibility be determined based on modified adjusted gross income (MAGI), as prescribed. The bill would prohibit the use of an asset or resources test for individuals whose financial eligibility for Medi-Cal is determined based on the application of MAGI. The bill would also add, commencing January 1, 2014, benefits, services, and coverage included in the essential health benefits package, as adopted by the state and approved by the United States Secretary of Health and Human Services, to the schedule of Medi-Cal benefits.

Because counties are required to make Medi-Cal eligibility determinations and this bill would expand Medi-Cal eligibility, the bill would impose a state-mandated local program.

~~The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.~~

This bill would require that a person who wishes to apply for an insurance affordability program, as defined, be allowed to file an application on his or her own behalf or on behalf of his or her family and would authorize a person to be accompanied, assisted, and represented in the application and renewal process by an individual or organization of his or her choice. This bill would also require the department, to the extent required by federal law, to provide assistance to any applicant or beneficiary who requests help with the application or redetermination.

The bill would require the California Health Benefit Exchange (Exchange) to implement a workflow transfer protocol, as prescribed, for persons calling the customer service center operated by the Exchange for the purpose of applying for an insurance affordability program, to ascertain which individuals are potentially eligible for Medi-Cal. This bill would also prescribe the authority the department, the Exchange, and the counties would have, until July 1, 2015, to perform Medi-Cal eligibility determinations.

Existing law requires the department to adopt regulations for use by the county in determining whether an applicant is a resident of the state

and of the county, subject to the requirements of federal law. Existing law requires that the regulations require that state residency be established only if certain requirements are met, including the requirement that the applicant makes specified declarations under penalty of perjury.

This bill would revise those provisions to, among other things, further prescribe the circumstances under which state residency may be established and to require the department to electronically verify an individual's state residency using certain sources and would set forth how an individual may establish state residency if the department is unable to electronically verify his or her state residency. The bill would, for purposes of establishing state residency, authorize an individual to make various declarations under penalty of perjury, and would authorize other individuals, such as parents or legal guardians, to make various declarations under penalty of perjury regarding the individual's state residency if the individual is incapable of indicating intent. By expanding the crime of perjury, the bill would impose a state-mandated local program.

Existing law requires Medi-Cal beneficiaries, with some exceptions, to file semiannual status reports to ensure that beneficiaries make timely and accurate reports of any change in circumstance that may affect their eligibility and requires, with some exceptions, a county to promptly redetermine eligibility whenever a county receives information about changes in a beneficiary's circumstances that may affect eligibility for Medi-Cal benefits.

This bill would, commencing January 1, 2014, revise these provisions to, among other things, delete the semiannual status report requirement and require a county to perform redeterminations every 12 months. The bill would require any forms signed by the beneficiary for purposes of redetermining eligibility to be signed under penalty of perjury. By expanding the crime of perjury, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains

costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. The Legislature finds and declares all of the
2 following:

3 (a) The United States is the only industrialized country in the
4 world without a universal health insurance system.

5 (b) (1) In 2006, the United States Census reported that 46
6 million Americans did not have health insurance.

7 (2) In California in 2009, according to the UCLA Center for
8 Health Policy Research's "The State of Health Insurance in
9 California: Findings from the 2009 California Health Interview
10 Survey," 7.1 million Californians were uninsured in 2009,
11 amounting to 21.1 percent of nonelderly Californians who had no
12 health insurance coverage for all or some of 2009, up nearly 2
13 percentage points from 2007.

14 (c) On March 23, 2010, President Obama signed the Patient
15 Protection and Affordable Care Act (Public Law 111-148), which
16 was amended by the Health Care and Education Reconciliation
17 Act of 2010 (Public Law 111-152), and together are referred to as
18 the Affordable Care Act of 2010 (Affordable Care Act).

19 (d) The Affordable Care Act is the culmination of decades of
20 movement toward health reform, and is the most fundamental
21 legislative transformation of the United States health care system
22 in 40 years.

23 (e) As a result of the enactment of the Affordable Care Act,
24 according to estimates by the UCLA Center for Health Policy
25 Research and the UC Berkeley Labor Center, using the California
26 Simulation of Insurance Markets, in 2019, after the Affordable
27 Care Act is fully implemented:

28 (1) Between 89 and 92 percent of Californians under 65 years
29 of age will have health coverage.

30 (2) Between 1.2 and 1.6 million individuals will be newly
31 enrolled in Medi-Cal.

32 (f) It is the intent of the Legislature to ensure full implementation
33 of the Affordable Care Act, including the Medi-Cal expansion for

1 individuals with incomes below 133 percent of the federal poverty
2 level, so that millions of uninsured Californians can receive health
3 care coverage.

4 SEC. 2. Section 12698.30 of the Insurance Code is amended
5 to read:

6 12698.30. (a) (1) Subject to paragraph (2), at a minimum,
7 coverage shall be provided to subscribers during one pregnancy,
8 and for 60 days thereafter, and to children less than two years of
9 age who were born of a pregnancy covered under this program to
10 a woman enrolled in the program before July 1, 2004.

11 (2) Commencing January 1, 2014, at a minimum, coverage shall
12 be provided to subscribers during one pregnancy, and until the end
13 of the month in which the 60th day thereafter occurs, and to
14 children less than two years of age who were born of a pregnancy
15 covered under this program to a woman enrolled in the program
16 before July 1, 2004.

17 (b) Coverage provided pursuant to this part shall include, at a
18 minimum, those services required to be provided by health care
19 service plans approved by the United States Secretary of Health
20 and Human Services as a federally qualified health care service
21 plan pursuant to Section 417.101 of Title 42 of the Code of Federal
22 Regulations.

23 (c) Coverage shall include health education services related to
24 tobacco use.

25 (d) Medically necessary prescription drugs shall be a required
26 benefit in the coverage provided under this part.

27 SEC. 3. Section 14000.7 is added to the Welfare and Institutions
28 Code, to read:

29 14000.7. (a) *The department shall provide assistance to any*
30 *applicant or beneficiary that requests help with the application or*
31 *redetermination process to the extent required by federal law.*

32 (b) *The assistance provided under subdivision (a) shall be*
33 *available to the individual in person, over the telephone, and*
34 *online, and in a manner that is accessible to individuals with*
35 *disabilities and those who have limited English proficiency.*

36 (c) *To the extent otherwise required by Chapter 3.5*
37 *(commencing with Section 11340) of Part 1 of Division 3 of Title*
38 *2 of the Government Code, the department shall adopt emergency*
39 *regulations implementing this section no later than July 1, 2015.*
40 *The department may thereafter readopt the emergency regulations*

1 pursuant to that chapter. The adoption and readoption, by the
2 department, of regulations implementing this section shall be
3 deemed to be an emergency and necessary to avoid serious harm
4 to the public peace, health, safety, or general welfare for purposes
5 of Sections 11346.1 and 11349.6 of the Government Code, and
6 the department is hereby exempted from the requirement that it
7 describe facts showing the need for immediate action and from
8 review by the Office of Administrative Law.

9 (d) This section shall be implemented only if and to the extent
10 that federal financial participation is available and any necessary
11 federal approvals have been obtained.

12 (e) This section shall become operative on January 1, 2014.

13 ~~SEC. 3.~~

14 SEC. 4. Section 14005.18 of the Welfare and Institutions Code
15 is amended to read:

16 14005.18. (a) A woman is eligible, to the extent required by
17 federal law, as though she were pregnant, for all pregnancy-related
18 and postpartum services for a 60-day period beginning on the last
19 day of pregnancy.

20 For purposes of this section, “postpartum services” means those
21 services provided after childbirth, child delivery, or miscarriage.

22 (b) This section shall remain in effect only until January 1, 2014,
23 and as of that date is repealed, unless a later enacted statute, that
24 is enacted before January 1, 2014, deletes or extends that date.

25 ~~SEC. 4.~~

26 SEC. 5. Section 14005.18 is added to the Welfare and
27 Institutions Code, to read:

28 14005.18. (a) To help prevent premature delivery and low
29 birthweights, the leading causes of infant and maternal morbidity
30 and mortality, and to promote women’s overall health, well-being,
31 and financial security and that of their families, it is imperative
32 that pregnant women enrolled in Medi-Cal be provided with all
33 medically necessary services. Therefore, a woman is eligible, to
34 the extent required by federal law, as though she were pregnant,
35 for all pregnancy-related and postpartum services for a 60-day
36 period beginning on the last day of pregnancy and continuing until
37 the end of the month in which the 60th day of postpartum occurs.

38 (b) For purposes of this section, the following definitions shall
39 apply:

1 (1) “Pregnancy-related services” means, at a minimum, all
2 services required under the state plan unless federal approval is
3 granted after January 1, 2014, pursuant to the procedure under the
4 Preamble to the Final Rule at page 17149 of volume 77 of the
5 Federal Register (March 23, 2012) to provide fewer benefits during
6 pregnancy plan.

7 (2) “Postpartum services” means those services provided after
8 child birth, child delivery, or miscarriage.

9 (c) This section shall become operative January 1, 2014.

10 SEC. 5.

11 SEC. 6. Section 14005.28 of the Welfare and Institutions Code
12 is amended to read:

13 14005.28. (a) To the extent federal financial participation is
14 available pursuant to an approved state plan amendment, the
15 department shall exercise its option under Section
16 1902(a)(10)(A)(ii)(XVII) of the federal Social Security Act (42
17 U.S.C. Sec. 1396a(a)(10)(A)(ii)(XVII)) to extend Medi-Cal benefits
18 to independent foster care adolescents, as defined in Section
19 1905(w)(1) of the federal Social Security Act (42 U.S.C. Sec.
20 1396d(w)(1)).

21 (b) Notwithstanding Chapter 3.5 (commencing with Section
22 11340) of Part 1 of Division 3 of Title 2 of the Government Code,
23 and if the state plan amendment described in subdivision (a) is
24 approved by the federal Health Care Financing Administration,
25 the department may implement subdivision (a) without taking any
26 regulatory action and by means of all-county letters or similar
27 instructions. Thereafter, the department shall adopt regulations in
28 accordance with the requirements of Chapter 3.5 (commencing
29 with Section 11340) of Part 1 of Division 3 of Title 2 of the
30 Government Code.

31 (c) The department shall implement subdivision (a) on October
32 1, 2000, but only if, and to the extent that, the department has
33 obtained all necessary federal approvals.

34 ~~(d) The department shall identify and track all former~~
35 ~~independent foster care adolescents who, on or after January 1,~~
36 ~~2013, lost Medi-Cal coverage as a result of attaining 21 years of~~
37 ~~age.~~

38 (e)

(d) This section shall remain in effect only until January 1, 2014, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2014, deletes or extends that date.

~~SEC. 6. Section 14005.28 is added to the Welfare and Institutions Code, to read:~~

~~14005.28. (a) Commencing January 1, 2014, and to the extent federal financial participation is available pursuant to an approved state plan amendment, the department shall implement Section 1902(a)(10)(A)(i)(IX) of the federal Social Security Act (42 U.S.C. Sec. 1396a(a)(10)(A)(i)(IX)) to provide Medi-Cal benefits to a former foster care adolescent until his or her 26th birthday.~~

~~(1) A foster care adolescent who was in foster care on his or her 18th birthday shall be deemed eligible for the benefits provided pursuant to this section and shall be enrolled to receive these benefits until his or her 26th birthday without any interruption in coverage and without requiring a new application.~~

~~(2) The department shall develop procedures to identify individuals who meet the criteria in paragraph (1), including, but not limited to, former foster care adolescents who lost Medi-Cal coverage as a result of attaining 21 years of age, and reenroll them in Medi-Cal.~~

~~(3) The department shall develop and implement a simplified redetermination form for this program. A recipient qualifying for the benefits extended pursuant to this section shall fill out and return this form only if information previously reported to the department is no longer accurate. Failure to return the form alone will not constitute a basis for termination of Medi-Cal. If the form is returned as undeliverable and the county is otherwise unable to establish contact, the recipient shall remain eligible for fee-for-service Medi-Cal until such time as contact is reestablished or ineligibility is established, and to the extent federal financial participation is available. The department may terminate eligibility if it determines that the recipient is no longer eligible only after ineligibility is established and all due process requirements are met in accordance with state and federal law.~~

~~(4) This section shall be implemented to the extent that federal financial participation is available, and any necessary federal approvals are obtained.~~

~~(b) This section shall become operative January 1, 2014.~~

1 SEC. 7. Section 14005.28 is added to the Welfare and
2 Institutions Code, to read:

3 14005.28. (a) To the extent federal financial participation is
4 available pursuant to an approved state plan amendment, the
5 department shall implement Section 1902(a)(10)(A)(i)(IX) of the
6 federal Social Security Act (42 U.S.C. Sec. 1396a(a)(10)(A)(i)(IX))
7 to provide Medi-Cal benefits to an individual who is in foster care
8 on his or her 18th birthday until his or her 26th birthday. In
9 addition, the department shall implement the option in paragraph
10 (3) of subdivision (b) of Section 435.150 of Title 42 of the Code
11 of Federal Regulations to provide Medi-Cal benefits to individuals
12 that were in foster care and enrolled in Medicaid in any state.

13 (1) A foster care adolescent who is in foster care on his or her
14 18th birthday shall be enrolled to receive benefits under this section
15 without any interruption in coverage and without requiring a new
16 application.

17 (2) The department shall develop procedures to identify and
18 enroll individuals who meet the criteria for Medi-Cal eligibility
19 in this subdivision, including, but not limited to, former foster care
20 adolescents who were in foster care on their 18th birthday and
21 who lost Medi-Cal coverage as a result of attaining 21 years of
22 age. The department shall work with counties to identify and
23 conduct outreach to former foster care adolescents who lost
24 Medi-Cal coverage during the 2013 calendar year as a result of
25 attaining 21 years of age, to ensure they are aware of the ability
26 to reenroll under the coverage provided pursuant to this section.

27 (3) (A) The department shall develop and implement a simplified
28 redetermination form for this program. A beneficiary qualifying
29 for the benefits extended pursuant to this section shall fill out and
30 return this form only if information known to the department is no
31 longer accurate or is materially incomplete.

32 (B) The department shall seek federal approval to institute a
33 renewal process that allows a beneficiary receiving benefits under
34 this section to remain on Medi-Cal after a redetermination form
35 is returned as undeliverable and the county is otherwise unable
36 to establish contact. If federal approval is granted, the recipient
37 shall remain eligible for services under the Medi-Cal
38 fee-for-service program until the time contact is reestablished or
39 ineligibility is established, and to the extent federal financial
40 participation is available.

1 (C) The department shall terminate eligibility only after it
2 determines that the recipient is no longer eligible and all due
3 process requirements are met in accordance with state and federal
4 law.

5 (b) This section shall be implemented only if and to the extent
6 that federal financial participation is available.

7 (c) This section shall become operative January 1, 2014.

8 ~~SEC. 7.~~

9 SEC. 8. Section 14005.30 of the Welfare and Institutions Code
10 is amended to read:

11 14005.30. (a) (1) To the extent that federal financial
12 participation is available, Medi-Cal benefits under this chapter
13 shall be provided to individuals eligible for services under Section
14 1396u-1 of Title 42 of the United States Code, including any
15 options under Section 1396u-1(b)(2)(C) made available to and
16 exercised by the state.

17 (2) The department shall exercise its option under Section
18 1396u-1(b)(2)(C) of Title 42 of the United States Code to adopt
19 less restrictive income and resource eligibility standards and
20 methodologies to the extent necessary to allow all recipients of
21 benefits under Chapter 2 (commencing with Section 11200) to be
22 eligible for Medi-Cal under paragraph (1).

23 (3) To the extent federal financial participation is available, the
24 department shall exercise its option under Section 1396u-1(b)(2)(C)
25 of Title 42 of the United States Code authorizing the state to
26 disregard all changes in income or assets of a beneficiary until the
27 next annual redetermination under Section 14012. The department
28 shall implement this paragraph only if, and to the extent that the
29 State Child Health Insurance Program waiver described in Section
30 12693.755 of the Insurance Code extending Healthy Families
31 Program eligibility to parents and certain other adults is approved
32 and implemented.

33 (b) To the extent that federal financial participation is available,
34 the department shall exercise its option under Section
35 1396u-1(b)(2)(C) of Title 42 of the United States Code as necessary
36 to expand eligibility for Medi-Cal under subdivision (a) by
37 establishing the amount of countable resources individuals or
38 families are allowed to retain at the same amount medically needy
39 individuals and families are allowed to retain, except that a family

of one shall be allowed to retain countable resources in the amount of three thousand dollars (\$3,000).

(c) To the extent federal financial participation is available, the department shall, commencing March 1, 2000, adopt an income disregard for applicants equal to the difference between the income standard under the program adopted pursuant to Section 1931(b) of the federal Social Security Act (42 U.S.C. Sec. 1396u-1) and the amount equal to 100 percent of the federal poverty level applicable to the size of the family. A recipient shall be entitled to the same disregard, but only to the extent it is more beneficial than, and is substituted for, the earned income disregard available to recipients.

(d) For purposes of calculating income under this section during any calendar year, increases in social security benefit payments under Title II of the federal Social Security Act (42 U.S.C. Sec. 401 and following) *et seq.* arising from cost-of-living adjustments shall be disregarded commencing in the month that these social security benefit payments are increased by the cost-of-living adjustment through the month before the month in which a change in the federal poverty level requires the department to modify the income disregard pursuant to subdivision (c) and in which new income limits for the program established by this section are adopted by the department.

(e) Subdivision (b) shall be applied retroactively to January 1, 1998.

(f) Notwithstanding Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, the department shall implement, without taking regulatory action, subdivisions (a) and (b) of this section by means of an ~~all-county~~ *all-county* letter or similar instruction. Thereafter, the department shall adopt regulations in accordance with the requirements of Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code.

(g) This section shall remain in effect only until January 1, 2014, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2014, deletes or extends that date.

~~SEC. 8.~~

SEC. 9. Section 14005.30 is added to the Welfare and Institutions Code, to read:

1 14005.30. (a) (1) To the extent that federal financial
2 participation is available, Medi-Cal benefits under this chapter
3 shall be provided to individuals eligible for services under Section
4 1396u-1 of Title 42 of the United States Code, known as the
5 Section 1931(b) program, including any options under Section
6 1396u-1(b)(2)(C) made available to and exercised by the state.

7 (2) The department shall exercise its option under Section
8 1396u-1(b)(2)(C) of Title 42 of the United States Code to adopt
9 less restrictive income and resource eligibility standards and
10 methodologies to the extent necessary to allow all recipients of
11 benefits under Chapter 2 (commencing with Section 11200) to be
12 eligible for Medi-Cal under paragraph (1).

13 (b) Commencing January 1, 2014, pursuant to Section
14 1396a(e)(14)(C) of Title 42 of the United States Code, there shall
15 be no assets test and no deprivation test for any individual under
16 this section.

17 (c) For purposes of calculating income under this section during
18 any calendar year, increases in social security benefit payments
19 under Title II of the federal Social Security Act (42 U.S.C. Sec.
20 401 et seq.) arising from cost-of-living adjustments shall be
21 disregarded commencing in the month that these social security
22 benefit payments are increased by the cost-of-living adjustment
23 through the month before the month in which a change in the
24 federal poverty level requires the department to modify the income
25 disregard pursuant to subdivision (c) and in which new income
26 limits for the program established by this section are adopted by
27 the department.

28 (d) This section shall become operative January 1, 2014.

29 ~~SEC. 9.~~

30 *SEC. 10.* Section 14005.31 of the Welfare and Institutions
31 Code is amended to read:

32 14005.31. (a) (1) Subject to paragraph (2), for any person
33 whose eligibility for benefits under Section 14005.30 has been
34 determined with a concurrent determination of eligibility for cash
35 aid under Chapter 2 (commencing with Section 11200), loss of
36 eligibility or termination of cash aid under Chapter 2 (commencing
37 with Section 11200) shall not result in a loss of eligibility or
38 termination of benefits under Section 14005.30 absent the existence
39 of a factor that would result in loss of eligibility for benefits under
40 Section 14005.30 for a person whose eligibility under Section

1 14005.30 was determined without a concurrent determination of
2 eligibility for benefits under Chapter 2 (commencing with Section
3 11200).

4 (2) Notwithstanding paragraph (1), a person whose eligibility
5 would otherwise be terminated pursuant to that paragraph shall
6 not have his or her eligibility terminated until the transfer
7 procedures set forth in Section 14005.32 or the redetermination
8 procedures set forth in Section 14005.37 and all due process
9 requirements have been met.

10 (b) The department, in consultation with the counties and
11 representatives of consumers, managed care plans, and Medi-Cal
12 providers, shall prepare a simple, clear, consumer-friendly notice
13 to be used by the counties, to inform Medi-Cal beneficiaries whose
14 eligibility for cash aid under Chapter 2 (commencing with Section
15 11200) has ended, but whose eligibility for benefits under Section
16 14005.30 continues pursuant to subdivision (a), that their benefits
17 will continue. To the extent feasible, the notice shall be sent out
18 at the same time as the notice of discontinuation of cash aid, and
19 shall include all of the following:

20 (1) A statement that Medi-Cal benefits will continue even though
21 cash aid under the CalWORKs program has been terminated.

22 (2) A statement that continued receipt of Medi-Cal benefits will
23 not be counted against any time limits in existence for receipt of
24 cash aid under the CalWORKs program.

25 (3) ~~(A)~~ A statement that the Medi-Cal beneficiary does not
26 need to fill out monthly status reports in order to remain eligible
27 for Medi-Cal, but ~~may~~ *shall* be required to submit a semiannual
28 status report and annual reaffirmation forms. The notice shall
29 remind individuals whose cash aid ended under the CalWORKs

33 ~~SEC. 11.~~

34 SEC. 15. Section 14005.37 of the Welfare and Institutions
35 Code is amended to read:

36 14005.37. (a) Except as provided in Section 14005.39,
37 whenever a county receives information about changes in a
38 beneficiary's circumstances that may affect eligibility for Medi-Cal
39 benefits, the county shall promptly redetermine eligibility. The

1 procedures for redetermining Medi-Cal eligibility described in this
2 section shall apply to all Medi-Cal beneficiaries.

3 (b) Loss of eligibility for cash aid under that program shall not
4 result in a redetermination under this section unless the reason for
5 the loss of eligibility is one that would result in the need for a
6 redetermination for a person whose eligibility for Medi-Cal under
7 Section 14005.30 was determined without a concurrent
8 determination of eligibility for cash aid under the CalWORKs
9 program.

10 (c) A loss of contact, as evidenced by the return of mail marked
11 in such a way as to indicate that it could not be delivered to the
12 intended recipient or that there was no forwarding address, shall
13 require a prompt redetermination according to the procedures set
14 forth in this section.

15 (d) Except as otherwise provided in this section, Medi-Cal
16 eligibility shall continue during the redetermination process
17 described in this section. A Medi-Cal beneficiary's eligibility shall
18 not be terminated under this section until the county makes a
19 specific determination based on facts clearly demonstrating that
20 the beneficiary is no longer eligible for Medi-Cal under any basis
21 and due process rights guaranteed under this division have been
22 met.

23 (e) For purposes of acquiring information necessary to conduct
24 the eligibility determinations described in subdivisions (a) to (d),
25 inclusive, a county shall make every reasonable effort to gather
26 information available to the county that is relevant to the
27 beneficiary's Medi-Cal eligibility prior to contacting the
28 beneficiary. Sources for these efforts shall include, but are not
29 limited to, Medi-Cal, CalWORKs, and CalFresh case files of the
30 beneficiary or of any of his or her immediate family members,
31 which are open or were closed within the last 45 days, and
32 wherever feasible, other sources of relevant information reasonably
33 available to the counties.

34 (f) If a county cannot obtain information necessary to
35 redetermine eligibility pursuant to subdivision (e), the county shall
36 attempt to reach the beneficiary by telephone in order to obtain
37 this information, either directly or in collaboration with
38 community-based organizations so long as confidentiality is
39 protected.

(g) If a county's efforts pursuant to subdivisions (e) and (f) to obtain the information necessary to redetermine eligibility have failed, the county shall send to the beneficiary a form, which shall highlight the information needed to complete the eligibility determination. The county shall not request information or documentation that has been previously provided by the beneficiary, that is not absolutely necessary to complete the eligibility determination, or that is not subject to change. The form shall be accompanied by a simple, clear, consumer-friendly cover letter, which shall explain why the form is necessary, the fact that it is not necessary to be receiving CalWORKs benefits to be receiving Medi-Cal benefits, the fact that receipt of Medi-Cal benefits does not count toward any time limits imposed by the CalWORKs program, the various bases for Medi-Cal eligibility, including disability, and the fact that even persons who are employed can receive Medi-Cal benefits. The cover letter shall include a telephone number to call in order to obtain more information. The form and the cover letter shall be developed by the department in consultation with the counties and representatives of consumers, managed care plans, and Medi-Cal providers. A Medi-Cal beneficiary shall have no less than 20 days from the date the form is mailed pursuant to this subdivision to respond. Except as provided in subdivision (h), failure to respond prior to the end of this 20-day period shall not impact his or her Medi-Cal eligibility.

(h) If the purpose for a redetermination under this section is a loss of contact with the Medi-Cal beneficiary, as evidenced by the return of mail marked in such a way as to indicate that it could not be delivered to the intended recipient or that there was no forwarding address, a return of the form described in subdivision (g) marked as undeliverable shall result in an immediate notice of action terminating Medi-Cal eligibility.

(i) If, within 20 days of the date of mailing of a form to the Medi-Cal beneficiary pursuant to subdivision (g), a beneficiary does not submit the completed form to the county, the county shall send the beneficiary a written notice of action stating that his or her eligibility shall be terminated 10 days from the date of the notice and the reasons for that determination, unless the beneficiary submits a completed form prior to the end of the 10-day period.

1 (j) If, within 20 days of the date of mailing of a form to the
2 Medi-Cal beneficiary pursuant to subdivision (g), the beneficiary
3 submits an incomplete form, the county shall attempt to contact
4 the beneficiary by telephone and in writing to request the necessary
5 information. If the beneficiary does not supply the necessary
6 information to the county within 10 days from the date the county
7 contacts the beneficiary in regard to the incomplete form, a 10-day
8 notice of termination of Medi-Cal eligibility shall be sent.

9 (k) If, within 30 days of termination of a Medi-Cal beneficiary's
10 eligibility pursuant to subdivision (h), (i), or (j), the beneficiary
11 submits to the county a completed form, eligibility shall be
12 determined as though the form was submitted in a timely manner
13 and if a beneficiary is found eligible, the termination under
14 subdivision (h), (i), or (j) shall be rescinded.

15 (l) If the information reasonably available to the county pursuant
16 to the redetermination procedures of subdivisions (d), (e), (g), and
17 (m) does not indicate a basis of eligibility, Medi-Cal benefits may
18 be terminated so long as due process requirements have otherwise
19 been met.

20 (m) The department shall, with the counties and representatives
21 of consumers, including those with disabilities, and Medi-Cal
22 providers, develop a timeframe for redetermination of Medi-Cal
23 eligibility based upon disability, including ex parte review, the
24 redetermination form described in subdivision (g), timeframes for
25 responding to county or state requests for additional information,
26 and the forms and procedures to be used. The forms and procedures
27 shall be as consumer-friendly as possible for people with
28 disabilities. The timeframe shall provide a reasonable and adequate
29 opportunity for the Medi-Cal beneficiary to obtain and submit
30 medical records and other information needed to establish
31 eligibility for Medi-Cal based upon disability.

32 (n) This section shall be implemented on or before July 1, 2001,
33 but only to the extent that federal financial participation under
34 Title XIX of the federal Social Security Act (42 U.S.C. Sec. 1396
35 et seq.) is available.

36 (o) Notwithstanding Chapter 3.5 (commencing with Section
37 11340) of Part 1 of Division 3 of Title 2 of the Government Code,
38 the department shall, without taking any regulatory action,
39 implement this section by means of all-county letters or similar
40 instructions. Thereafter, the department shall adopt regulations in

1 accordance with the requirements of Chapter 3.5 (commencing
2 with Section 11340) of Part 1 of Division 3 of Title 2 of the
3 Government Code. Comprehensive implementing instructions
4 shall be issued to the counties no later than March 1, 2001.

5 (p) This section shall remain in effect only until January 1, 2014,
6 and as of that date is repealed, unless a later enacted statute, that
7 is enacted before January 1, 2014, deletes or extends that date.

8 ~~SEC. 12:~~

9 *SEC. 16.* Section 14005.37 is added to the Welfare and
10 Institutions Code, to read:

11 14005.37. (a) Except as provided in Section 14005.39, *a county*
12 *shall perform redeterminations of eligibility for Medi-Cal*
13 *beneficiaries every 12 months and shall promptly redetermine*
14 *eligibility whenever*—~~a the county receives information about~~
15 ~~changes in a beneficiary's circumstances that may affect eligibility~~
16 ~~for Medi-Cal benefits, the county shall promptly redetermine~~
17 ~~eligibility benefits.~~ The procedures for redetermining Medi-Cal
18 eligibility described in this section shall apply to all Medi-Cal
19 beneficiaries.

20 (b) Loss of eligibility for cash aid under that program shall not
21 result in a redetermination under this section unless the reason for
22 the loss of eligibility is one that would result in the need for a
23 redetermination for a person whose eligibility for Medi-Cal under
24 Section 14005.30 was determined without a concurrent
25 determination of eligibility for cash aid under the CalWORKs
26 program.

27 (c) A loss of contact, as evidenced by the return of mail marked
28 in such a way as to indicate that it could not be delivered to the
29 intended recipient or that there was no forwarding address, shall
30 require a prompt redetermination according to the procedures set
31 forth in this section.

32 (d) Except as otherwise provided in this section, Medi-Cal
33 eligibility shall continue during the redetermination process
34 described in this section. ~~A section and a beneficiary's~~ Medi-Cal
35 ~~beneficiary's~~ eligibility shall not be terminated under this section
36 until the county makes a specific determination based on facts
37 clearly demonstrating that the beneficiary is no longer eligible for

39 guaranteed under this division have been met.

(e) (1) For purposes of acquiring information necessary to conduct the eligibility ~~determinations~~ *redeterminations* described in ~~subdivisions (a) to (d), inclusive~~ *this section*, a county shall gather information available to the county that is relevant to the beneficiary's Medi-Cal eligibility prior to contacting the beneficiary. ~~(2) If the county is able to renew eligibility based on such information, the county shall notify the individual of both of the following:~~

(2) In the case of an annual redetermination, if, based upon information obtained pursuant to paragraph (1), the county is able to make a determination of continued eligibility, the county shall notify the beneficiary of both of the following:

(A) The eligibility determination and basis the information it is based on.

(B) That the ~~individual~~ beneficiary is required to inform the county via the Internet, by telephone, by mail, in person, or through other commonly available electronic means, in counties where such electronic communication is available, if any information contained in the notice is inaccurate but that the ~~individual~~ beneficiary is not required to sign and return the notice if all information provided on the notice is accurate.

(3) The county shall make all reasonable efforts not to send multiple notices during the same time period about eligibility. The notice of eligibility renewal shall contain other related information such as if the ~~individual~~ beneficiary is in a new Medi-Cal program.

(4) In the case of a redetermination due to a change in circumstances, if a county determines that the change in circumstances does not affect the beneficiary's eligibility status, the county shall not send the beneficiary a notice unless required to do so by federal law.

(f) (1) In the case of an annual eligibility redetermination, if the county is unable to determine continued eligibility based on the information obtained pursuant to paragraph (1) of subdivision (e), the beneficiary shall be so informed and shall be provided with an annual renewal form that is prepopulated with information that the county has obtained and that identifies any additional information needed by the county to determine eligibility. The form shall be accompanied by a cover letter advising the beneficiary of all of the following:

(A) The requirement that he or she provide any necessary information to the county within 60 days of the date that the form is sent to the beneficiary.

(B) That the beneficiary may respond to the county via the Internet, by mail, by telephone, in person, or through other commonly available electronic means if those means are available in that county.

(C) That if the beneficiary chooses to return the form to the county in person or via mail, the beneficiary shall sign the form in order for it to be considered complete.

(D) The phone number to call in order to obtain more information.

(2) The county shall attempt to contact the beneficiary via the Internet, by telephone, or through other commonly available electronic means, if those means are available in that county, during the 60-day period to collect the necessary information.

(3) If the beneficiary has not provided any response to the written request for information sent pursuant to paragraph (1) within 60 days from the date the form is sent, the county shall terminate his or her eligibility for Medi-Cal benefits following the provision of timely notice.

(5) (A) The form and cover letter required by this subdivision shall be developed by the department in consultation with the counties and representatives of eligibility workers and consumers.

(B) For beneficiaries whose eligibility is not determined using MAGI-based financial methods, the county may use existing

~~(f)~~ If

(g) (1) In the case of a redetermination due to change in circumstances, if a county cannot obtain sufficient information necessary to redetermine eligibility pursuant to subdivision (e), the county shall attempt to reach the beneficiary by telephone and other commonly available electronic means, in counties where such electronic communication is available, in order to obtain this information, either directly or in collaboration with community-based organizations so long as confidentiality is protected.

~~(g)~~

(2) If a county's efforts pursuant to ~~subdivisions~~ subdivision (e) and ~~(f)~~ paragraph (1) of this subdivision to obtain the information necessary to redetermine eligibility have failed, the county shall send to the beneficiary a form ~~containing~~ stating the information available to the county needed to renew eligibility. The county shall only request information related to the change in circumstances. The county shall not request information or documentation that has been previously provided by the beneficiary, that is not absolutely necessary to complete the eligibility determination, or that is not subject to change. The county shall ~~not only~~ request information for nonapplicants necessary to make an eligibility determination. The form shall be accompanied by a simple, clear, consumer-friendly cover letter, that shall explain why the form is necessary, the fact that it is not necessary to be receiving CalWORKs benefits to be receiving Medi-Cal benefits, the fact that receipt of Medi-Cal benefits does not count toward any time limits imposed by the CalWORKs program, the various bases for Medi-Cal eligibility, including disability, and the fact that even persons who are employed can receive Medi-Cal benefits. determination or for a purpose directly related to the administration of the state Medicaid plan. The form shall advise the individual to provide any necessary information to the county via the Internet, by telephone, by mail, in person, or through other commonly available electronic means and, if the

10 *failure to respond prior to the end of this 20-day period shall not*
11 *impact his or her Medi-Cal eligibility.*

12 ~~(h)~~

13 (3) If the purpose for a redetermination under this section is a
14 loss of contact with the Medi-Cal beneficiary, as evidenced by the
15 return of mail marked in such a way as to indicate that it could not
16 be delivered to the intended recipient or that there was no
17 forwarding address, a return of the form described in *this*
18 subdivision ~~(g)~~ marked as undeliverable shall result in an
19 immediate notice of action terminating Medi-Cal eligibility.

20 ~~(i)~~

21 (4) If, within 20 days of the date of mailing of a form to the
22 Medi-Cal beneficiary pursuant to *this* subdivision ~~(g)~~, a beneficiary
23 does not submit the completed form to the county *or otherwise*
24 *provide the needed information to the county*, the county shall send
25 the beneficiary a written notice of action stating that his or her
26 eligibility shall be terminated 10 days from the date of the notice
27 and the reasons for that determination, unless the beneficiary
28 submits a completed form *or otherwise provides the needed*
29 *information to the county* prior to the end of the 10-day period.

30 ~~(j)~~

31 (5) If, within 20 days of the date of mailing of a form to the
32 Medi-Cal beneficiary pursuant to *this* subdivision ~~(g)~~, the

34 to contact the beneficiary by telephone, in writing, ~~and~~ *or other*
35 *commonly available electronic means*, in counties where such
36 *electronic communication is available*, to request the necessary
37 information. If the beneficiary does not supply the necessary
38 information to the county within 10 days from the date the county
39 contacts the beneficiary in regard to the incomplete form, a 10-day
40 notice of termination of Medi-Cal eligibility shall be sent.

1 ~~(k) (1) Until January 1, 2014, if within 30 days of termination~~
2 ~~of a Medi-Cal beneficiary's eligibility pursuant to subdivision (h);~~
3 ~~(i), or (j), the beneficiary submits to the county a completed form;~~
4 ~~eligibility shall be determined as though the form was submitted~~
5 ~~in a timely manner and if a beneficiary is found eligible, the~~
6 ~~termination under subdivision (h), (i), or (j) shall be rescinded.~~

7 ~~(2) Commencing January 1, 2014, if~~

17 ~~(f)~~

18 ~~(i) If the information available to the county pursuant to the~~
19 ~~redetermination procedures of subdivisions (d), (e), (g), and (m)~~
20 ~~this section does not indicate a basis of eligibility, Medi-Cal~~
21 ~~benefits may be terminated so long as due process requirements~~
22 ~~have otherwise been met.~~

23 ~~(m)~~

24 ~~(j) The department shall, with the counties and representatives~~
25 ~~of consumers, including those with disabilities, and Medi-Cal~~
26 ~~providers eligibility workers, develop a timeframe for~~
27 ~~redetermination of Medi-Cal eligibility based upon disability,~~
28 ~~including ex parte review, the redetermination form forms~~
29 ~~described in subdivision subdivisions (f) and (g), timeframes for~~
30 ~~responding to county or state requests for additional information,~~
31 ~~and the forms and procedures to be used. The forms and procedures~~
32 ~~shall be as consumer-friendly as possible for people with~~
33 ~~disabilities. The timeframe shall provide a reasonable and adequate~~
34 ~~opportunity for the Medi-Cal beneficiary to obtain and submit~~
35 ~~medical records and other information needed to establish~~
36 ~~eligibility for Medi-Cal based upon disability.~~

37 ~~(n)~~

38 ~~(k) The county shall consider blindness as continuing until the~~

6 meets the *applicable* definition of disability contained in the plan.

7 (ρ)

8 (m) If a county has enough information available to it to renew
9 eligibility with respect to all eligibility criteria, the county shall
10 begin a new 12-month eligibility period.

1 whose income eligibility is determined based on modified adjusted
2 gross income (MAGI), and Section 2002 of the federal Patient
3 Protection and Affordable Care Act (Affordable Care Act) (42
4 U.S.C. Sec. 1396a(e)(14)(I)) and Section 435.603(d) of Title 42

(a) For current beneficiaries whose eligibility has already been approved, the department shall base financial eligibility on projected annual household income for the remainder of the current calendar year if the current monthly income would render the beneficiary ineligible due to fluctuating income.

(b) For applicants, the department shall, in determining the current monthly household income and family size, base an initial determination of eligibility on the projected annual household income and family size for the upcoming year if considering the current monthly income and family size in isolation would render an applicant ineligible.

(c) In the procedures adopted pursuant to this section, the department shall implement a reasonable method to account for a reasonably predictable decrease in income and increase in family size, as evidenced by a history of predictable fluctuations in income or other clear indicia of a future decrease in income and increase in family size. The department shall not assume potential future increases in income or decreases in family size to make an applicant or beneficiary ineligible in the current month.

(d) This section shall become operative on January 1, 2014.

27 change in the legal authority on which the authority was based.
28 The notice shall conform to all federal requirements.

29 (e) An authorization pursuant to this section may be canceled
30 or modified at any time for any reason by the insurance

30 shall require authorized representatives to comply with all
31 applicable state and federal laws regarding conflicts of interest
32 and confidentiality of information.

33 (3) The standard agreement form developed pursuant to

 8 the department is hereby exempted from the requirement that it
 9 describe facts showing the need for immediate action and from
 10 review by the Office of Administrative Law.

 12 that federal financial participation is available and any necessary
 13 federal approvals have been obtained.

19 14015.5. (a) Notwithstanding any other provision of state law,
 20 the department shall retain or delegate the authority to perform
 21 Medi-Cal eligibility determinations as set forth in this section.

22 (b) If after an assessment and verification for potential eligibility
 23 for Medi-Cal benefits using the applicable MAGI-based income
 24 standard of all persons that apply through an electronic or a paper

 31 behalf of, the applicant, and without further staff review to verify
 32 the accuracy of the submitted information, the Exchange and the
 33 department shall determine that applicant's eligibility for the
 34 Medi-Cal program using the applicable MAGI-based income
 35 standard.

36 (c) Except as provided in subdivision (b) and Section 14015.7,

7 (2) The Exchange is authorized to record an applicant's health
8 plan selection into CalHEERS for reporting to the department.

20 six months after the effective date of this section, the department
21 shall provide a status report to the Legislature on a semiannual

38 that federal financial participation is available and any necessary
39 federal approvals have been obtained.

40 (h) This section shall become operative on October 1, 2013.

(i) This section shall become inoperative on July 1, 2015, and, as of January 1, 2016, is repealed, unless a later enacted statute, that becomes operative on or before January 1, 2016, deletes or extends the dates on which it becomes inoperative and is repealed.

SEC. 36. Section 14015.7 is added to the Welfare and Institutions Code, to read:

14015.7. (a) (1) Notwithstanding any other law, for persons who call the customer service center operated by the Exchange for the purpose of applying for an insurance affordability program, the Exchange shall implement a workflow transfer protocol that consists of only those questions that are essential to reliably ascertain whether the caller's household appears to include any individuals who are potentially eligible for Medi-Cal benefits and to determine an appropriate point of referral. The workflow transfer protocol and referral procedures used by the Exchange shall be developed and implemented in conjunction with and subject to review and approval by the department.

(2) (A) Except as provided in paragraph (3), if, after applying the transfer protocol specified in paragraph (1), the Exchange determines that the caller's household appears to include one or more individuals who are potentially eligible for Medi-Cal benefits using the applicable MAGI-based income standard, the Exchange shall refer the caller to his or her county of residence or other appropriate county resource for completion of the federally required assessment. The county shall proceed with the assessment and also perform any required eligibility determination.

(B) Subject to any income limitations that may be imposed by the Exchange, and subject to review and approval from the department, if after applying the transfer protocol specified in paragraph (1) the Exchange determines that the caller's household appears to include an individual who is pregnant, or who is potentially eligible for Medi-Cal benefits on a basis other than using a MAGI-based income standard because an applicant is potentially disabled, 65 years of age or older, or potentially in need of long-term care services, the Exchange shall refer the caller to his or her county of residence or other appropriate county resource for completion of the federally required assessment. The county shall proceed with the assessment and also perform any required eligibility determination.

(3) Notwithstanding any other law, only during the initial open enrollment period established by the Exchange, and in no case after June 30, 2014, if after applying the transfer protocol specified in paragraph (1) the Exchange determines that the caller's household appears to include both individuals who are potentially eligible for Medi-Cal benefits using the applicable MAGI-based income standard and individuals who are not potentially eligible for Medi-Cal benefits, the Exchange shall proceed with its assessment and if it is subsequently determined that an applicant or applicants are potentially eligible for Medi-Cal benefits using the applicable MAGI-based income standard, the Exchange shall initially determine the applicant or applicants eligibility for Medi-Cal benefits. If determined eligible, the applicant's or applicants' coverage shall start on January 1, 2014, or on the date of the determination, whichever is later. The county of residence shall be responsible for final confirmation of eligibility determinations relying on data provided by and verifications done by the Exchange and the county shall perform only that additional work that is necessary for the county to prepare and send out the required notice to the applicant regarding the result of the eligibility determination and shall not impose any additional burdens upon the applicant. The county of residence shall be responsible for sending out the required notices of all Medi-Cal eligibility determinations.

(4) Notwithstanding any other law, if after applying the transfer protocol specified in paragraph (1) the Exchange determines that the caller's household appears to only include individuals who are not potentially eligible for Medi-Cal benefits, the Exchange shall proceed with its assessment of eligibility. If it is subsequently determined that an applicant or applicants are potentially eligible for Medi-Cal benefits using the applicable MAGI-based income standard, the Exchange shall initially determine the applicant or applicants eligibility for Medi-Cal benefits. If determined eligible, the applicant's or applicants' coverage shall start on January 1, 2014, or on the date of the determination, whichever is later. The county of residence shall be responsible for final confirmation of eligibility determinations relying on data provided by and verifications done by the Exchange and the county shall perform only that additional work that is necessary for the county to prepare and send out the required notice to the applicant regarding

1 the result of the eligibility determination and shall not impose any
2 additional burdens upon the applicant. The county of residence
3 shall be responsible for sending out the required notices of all
4 Medi-Cal eligibility determinations.

5 (5) Subject to any income limitations that may be imposed by
6 the Exchange, and subject to review and approval from the
7 department, if after assessing the potential eligibility of an
8 applicant, which shall include enrolling the individual in
9 Exchange-based coverage if eligible and, if the determination is
10 being made pursuant to subdivision (3), determining initial
11 eligibility for MAGI-based Medi-Cal, the Exchange determines
12 that the applicant is pregnant, or is potentially eligible for
13 Medi-Cal benefits on a basis other than using a MAGI-based
14 income standard because the applicant is potentially disabled, 65
15 years of age or older, or potentially in need of long-term care
16 services, or if the applicant requests a full Medi-Cal eligibility
17 determination, the Exchange shall, consistent with federal law and
18 regulations, transmit all information provided by or on behalf of
19 the applicant, and any information obtained or verified by the
20 Exchange, to the applicant's county of residence or other
21 appropriate county resource via secure electronic interface,
22 promptly and without undue delay, for a full Medi-Cal eligibility
23 determination.

24 (6) Except as otherwise provided in this section and subdivision
25 (b) of Section 14015.5, the county of residence shall be responsible
26 for eligibility determinations and ongoing case management for
27 the Medi-Cal program.

28 (7) Implementation of the protocols and referral procedures in
29 this subdivision shall be subject to the terms specified in the
30 agreements established under subdivision (b).

31 (b) The department, Exchange, and each county consortia shall
32 jointly enter into an interagency agreement that specifies the
33 operational parameters and performance standards pertaining to
34 the transfer protocol. After consulting with counties, consumer
35 advocates, and labor organizations that represent employees of
36 the customer service center operated by the Exchange and
37 employees of county customer service centers, the Exchange and
38 the department shall determine and implement the performance
39 standards that shall be incorporated into these agreements.

1 (c) Prior to October 1, 2014, the Exchange and the department,
2 in consultation with counties, consumer advocates, and labor
3 organizations that represent employees of the customer service
4 center operated by the Exchange and employees of county customer
5 service centers, shall review and determine the efficacy of the
6 enrollment procedures established in this section.

7 (d) Notwithstanding Chapter 3.5 (commencing with Section
8 11340) of Part 1 of Division 3 of Title 2 of the Government Code,
9 the department, without taking any further regulatory action, shall
10 implement, interpret, or make specific this section by means of
11 all-county letters, plan letters, plan or provider bulletins, or similar
12 instructions until the time regulations are adopted. Thereafter, the
13 department shall adopt regulations in accordance with the
14 requirements of Chapter 3.5 (commencing with Section 11340) of
15 Part 1 of Division 3 of Title 2 of the Government Code. Beginning
