Assembly Joint Resolution No. 9—Relative to the federal Secure Rural Schools and Community Self-Determination Act of 2000.

LEGISLATIVE COUNSEL'S DIGEST

AJR 9, as amended, Dahle. Federal Secure Rural Schools and Community Self-Determination Act of 2000: extension.

This measure would urge the 113th Congress to reauthorize and fund the federal Secure Rural Schools and Community Self-Determination Act of 2000.

Fiscal committee: no.

1     WHEREAS, From 1908 to 2000, counties in the United States  
2     received 25 percent of the revenues generated on national forest  
3     lands in lieu of lost tax revenues that could have been generated  
4     had these lands remained in private hands; and  
5     WHEREAS, In the 1990s, the volume and value of timber  
6     harvested on national forest lands was dramatically reduced, which  
7     led Congress to enact the federal Secure Rural Schools and  
8     Community Self-Determination Act of 2000 (16 U.S.C. Sec. 7101  
9     et seq.), which provided a six-year guarantee payment option that  
10    was independent of the revenue generated on the national forest  
11    lands; and

1 WHEREAS, The Secure Rural Schools and Community  
2 Self-Determination Act of 2000, which has been extended several  
3 times, most recently by the Moving Ahead for Progress in the 21st  
4 Century Act (MAP-21) (Public Law 112-141), expired on  
5 September 30, 2012, and creates a lapse in funding to critical  
6 programs in schools and counties across the United States,  
7 including California, in the coming years; and

8 WHEREAS, Rural schools are dependent on federal  
9 revenue-sharing programs, including federal forest payments, for  
10 maintaining vital educational services and programs, and to ensure  
11 a quality education for all students; and

12 WHEREAS, Many of California's county public works programs  
13 will be crippled without stable, predictable, long-term funding  
14 from the act, causing the local road network to suffer long-term  
15 degradation and putting communities at risk for public safety  
16 emergencies due to cuts in staffing and operational activities; and

17 WHEREAS, A number of efforts have been made and are  
18 continuing to be made in both the United States House of  
19 Representatives and the United States Senate to reauthorize the  
20 Secure Rural Schools and Community Self-Determination Act of  
21 2000; now, therefore, be it

22 *Resolved by the Assembly and the Senate of the State of*  
23 *California, jointly*, That the Legislature of the State of California  
24 respectfully urges the 113th Congress to reauthorize and ~~fully~~ fund  
25 the federal Secure Rural Schools and Community  
26 Self-Determination Act of 2000 to provide a long-term, stable  
27 source of funding for schools and counties to maintain vital  
28 programs prior to September 30, 2013, to avoid any interruption  
29 in county services and school operations; and be it further

30 *Resolved*, That the Chief Clerk of the Assembly transmit copies  
31 of this resolution to the Speaker of the House of Representatives,  
32 to the Majority Leader of the Senate, and to each Senator and  
33 Representative from California in the Congress of the United  
34 States.
