

**ASSEMBLY BILL**

**No. 203**

---

---

**Introduced by Assembly Member Stone**

January 30, 2013

---

---

An act to add Section 30825 to the Public Resources Code, relating to coastal resources.

LEGISLATIVE COUNSEL'S DIGEST

AB 203, as introduced, Stone. Coastal resources: coastal development permits: penalties.

The California Coastal Act of 1976 requires any person undertaking development in the coastal zone to obtain a coastal development permit issued by the California Coastal Commission in accordance with prescribed procedures. The act authorizes civil liability to be imposed on any person who performs or undertakes development that is in violation of the act or that is inconsistent with any previously issued coastal development permit, subject to specified maximum and minimum amounts, varying according to whether the violation is intentional and knowing.

The bill would prohibit the commission, with exceptions, from filing as complete, or acting upon, an application for a coastal development permit for a project on property that is subject to an existing violation case for which a violation notification letter has been sent, or a cease and desist order, restoration order, or notice of violation has been issued or recorded until the violation has been resolved. The bill would authorize the commission to resolve any unresolved dispute between the executive director and an applicant regarding the implementation of the above provision at a noticed hearing. This bill would authorize the commission to file as complete an application for a coastal

development permit for development on such a property if the violation is de minimis, as defined. This bill would prohibit the commission from taking action on the application until the de minimis violation has been resolved, as determined by the executive director.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

1 SECTION 1. Section 30825 is added to the Public Resources  
2 Code, to read:

3 30825. (a) Except as provided in subdivision (d), the  
4 commission shall not file as complete or act upon an application  
5 for a coastal development permit for a project on property that is  
6 subject to an open, existing violation case for which a violation  
7 notification letter has been sent, or a cease and desist order,  
8 restoration order, or notice of violation has been issued or recorded  
9 pursuant to Section 30809, 30810, 30811, or 30812 until the  
10 violation has been resolved, as determined by the executive director  
11 and consistent with this division.

12 (b) Subdivision (a) does not apply if the executive director  
13 determines that the application includes a provision that would  
14 fully resolve the violation consistent with this division.

15 (c) Any unresolved dispute between the executive director and  
16 an applicant regarding the implementation of this section may be  
17 resolved by the commission at a noticed hearing pursuant to  
18 subdivision (d) of Section 13056 of Title 14 of the California Code  
19 of Regulations.

20 (d) (1) Notwithstanding subdivision (a), the commission may  
21 file as complete an application for a coastal development permit  
22 for development on a property described in subdivision (a) if the  
23 violation is a de minimis violation. If the commission accepts an  
24 application to which this subdivision applies, the commission may  
25 not take action on the application until the violation has been fully  
26 resolved, as determined by the executive director.

27 (2) For purposes of this subdivision, “de minimis violation”  
28 means a violation that is so minor in nature that it may be easily  
29 resolved through voluntary actions on the part of the property  
30 owner.

1 (e) Subdivision (a) does not apply to an action by a local agency  
2 that is associated with processing, submitting, certifying, or  
3 implementing an amendment to, or original submission of, a local  
4 coastal program, public works plan, or component of a local coastal  
5 program or public works plan.
