An act to add Sections 336.7 and 9011.5 to the Elections Code, relating to petitions.

LEGISLATIVE COUNSEL'S DIGEST

AB 400, as amended, Fong. Petitions: initiative, referendum, or recall.

~~(1)~~ Existing law requires that an initiative petition contain specified language advising the public of its right to determine whether the person circulating the petition is a paid signature gatherer or a volunteer.

This bill would require a state or local initiative, referendum, or recall petition circulated by a paid circulator, as defined, who is paid by a committee to include a disclosure statement identifying the persons from whom the committee received the 5 largest cumulative contributions *of \$10,000 or more* in support of the measure and the name of their employer, if 2 or more of these contributors have the same employer. The bill would require this disclosure statement to be updated within 7 days of any change in the 5 largest cumulative contributors. The bill would require a committee that employs one or more paid circulators for the purpose of circulating an initiative, referendum, or recall petition to submit the disclosure statement, and any updates to it, to the Secretary of State for posting on his or her Internet Web site.

~~By imposing additional requirements on local elections officials with respect to petitions, the bill would impose a state-mandated local program.~~

~~(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.~~

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: ~~yes~~-no.
