CHAPTER 1

An act to amend Section 53395.4 of the Government Code, and to amend Sections 34171, 34177, 34191.4, and 34191.5 of the Health and Safety Code, relating to local government, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor February 18, 2014. Filed with
Secretary of State February 18, 2014.]

LEGISLATIVE COUNSEL'S DIGEST

AB 471, Atkins. Local government: redevelopment: successor agencies to redevelopment agencies.

(1) Existing law authorizes the creation of infrastructure financing districts, as defined, for the sole purpose of financing public facilities, subject to adoption of a resolution by the legislative body and affected taxing entities proposed to be subject to the division of taxes and voter approval requirements. Existing law prohibits an infrastructure financing district from including any portion of a redevelopment project area.

This bill would delete that prohibition and would authorize a district to finance a project or portion of a project that is located in, or overlaps with, a redevelopment project area or former redevelopment project area, as specified.

(2) Existing law requires a successor agency to submit a Recognized Obligation Payment Schedule to the Department of Finance, and requires the successor agency to make payments pursuant to that schedule.

This bill would authorize the successor agency to schedule Recognized Obligation Payment Schedule payments beyond the existing Recognized Obligation Payment Schedule cycle upon a showing that a lender requires cash on hand beyond the Recognized Obligation Payment Schedule cycle, or when a payment is shown to be due during the Recognized Obligation Payment Schedule period. The bill would authorize the successor agency to utilize reasonable estimates and projections to support payment amounts where a payment is shown to be due during the Recognized Obligation Payment Schedule period but an invoice or other billing document has not been received, if the successor agency submits appropriate supporting documentation for the basis of the estimate or projection to the department and the auditor-controller. The bill would provide that a Recognized Obligation Payment Schedule may also include appropriation of moneys from bonds subject to passage during the Recognized Obligation Payment Schedule cycle when an enforceable obligation requires the agency to issue the bonds and use the proceeds to pay for project expenditures.

(3) Existing law requires the county auditor-controller to determine the amount of property taxes that would have been allocated to each redevelopment agency if it had not been dissolved and to deposit this amount in a Redevelopment Property Tax Trust Fund in the county. Existing law requires the conducting of a due diligence review to determine the unobligated balances available for transfer to affected taxing entities. Existing law requires the county auditor-controller for each fiscal year to allocate moneys in the Redevelopment Property Tax Trust Fund for passthrough payment obligations, enforceable obligations of the dissolved redevelopment agency, and administrative costs, as specified. Any remaining moneys in the Redevelopment Property Tax Trust Fund are required to be distributed as local property tax revenues to local agencies and school entities, as specified.

This bill would require that, under specified conditions, on July 1, 2014, and twice yearly thereafter until July 1, 2018, funds be allocated to cover the housing entity administrative cost allowance of a local housing authority that has assumed the housing duties of the former redevelopment agency, as specified, before remaining moneys are distributed to local agencies and school entities. The bill would define “housing entity administrative cost allowance” for these purposes. This bill would also exclude from the calculation of the amount distributed to taxing entities during the 2012–13 base year the amounts distributed to taxing entities pursuant to the due diligence review process. By imposing additional duties upon local public officials, the bill would create a state-mandated local program.

(4) Existing law requires a successor agency to prepare a long-range property management plan that addresses the disposition and use of the real properties of a former redevelopment agency and requires a transfer of the property to the city, county, or city and county if the plan directs the use or liquidation of the property for a project identified in an approved redevelopment plan, as specified.

This bill would specify that the term “identified in an approved redevelopment plan” includes properties listed in a community plan or a 5-year implementation plan.

(5) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

(6) This bill would declare that it is to take effect immediately as an urgency statute.

The people of the State of California do enact as follows:

SECTION 1. Section 53395.4 of the Government Code is amended to read:

53395.4. (a) A district may finance only the facilities or services authorized in this chapter to the extent that the facilities or services are in addition to those provided in the territory of the district before the district was created. The additional facilities or services may not supplant facilities or services already available within that territory when the district was created but may supplement those facilities and services as needed to serve new developments.

(b) A district may include areas that are not contiguous.

(c) A district may finance a project or portion of a project that is located in, or overlaps with, a redevelopment project area or former redevelopment project area. The successor agency to the former redevelopment agency shall receive a finding of completion, as defined in Section 34179.7 of the Health and Safety Code, prior to the district financing any project or portion of a project under this subdivision.

(d) Notwithstanding subdivision (c), any debt or obligation of a district shall be subordinate to an enforceable obligation of a former redevelopment agency, as defined in Section 34171 of the Health and Safety Code. For the purposes of this chapter, the division of taxes allocated to the district pursuant to subdivision (b) of Section 53396 shall not include any taxes required to be deposited by the county auditor-controller into the Redevelopment Property Tax Trust Fund created pursuant to subdivision (b) of Section 34170.5 of the Health and Safety Code.

(e) The legislative body of the city or county forming the district may choose to dedicate any portion of its net available revenue to the district through the financing plan described in Section 53395.14.

(f) For the purposes of this section, “net available revenue” means periodic distributions to the city or county from the Redevelopment Property Tax Trust Fund, created pursuant to Section 34170.5 of the Health and Safety Code, that are available to the city or county after all preexisting legal commitments and statutory obligations funded from that revenue are made pursuant to Part 1.85 (commencing with Section 34170) of Division 24 of the Health and Safety Code. Net available revenue shall not include any funds deposited by the county auditor-controller into the Redevelopment Property Tax Trust Fund or funds remaining in the Redevelopment Property Tax Trust Fund prior to distribution. Net available revenues shall not include any moneys payable to a school district that maintains kindergarten and grades 1 to 12, inclusive, community college districts, or to the Educational Revenue Augmentation Fund, pursuant to paragraph (4) of subdivision (a) of Section 34183 of the Health and Safety Code.

SEC. 2. Section 34171 of the Health and Safety Code is amended to read:

34171. The following terms shall have the following meanings:

(a) “Administrative budget” means the budget for administrative costs of the successor agencies as provided in Section 34177.

(b) “Administrative cost allowance” means an amount that, subject to the approval of the oversight board, is payable from property tax revenues of up to 5 percent of the property tax allocated to the successor agency on

the Recognized Obligation Payment Schedule covering the period January 1, 2012, through June 30, 2012, and up to 3 percent of the property tax allocated to the Redevelopment Obligation Retirement Fund money that is allocated to the successor agency for each fiscal year thereafter; provided, however, that the amount shall not be less than two hundred fifty thousand dollars (\$250,000), unless the oversight board reduces this amount, for any fiscal year or such lesser amount as agreed to by the successor agency. However, the allowance amount shall exclude, and shall not apply to, any administrative costs that can be paid from bond proceeds or from sources other than property tax. Administrative cost allowances shall exclude any litigation expenses related to assets or obligations, settlements and judgments, and the costs of maintaining assets prior to disposition. Employee costs associated with work on specific project implementation activities, including, but not limited to, construction inspection, project management, or actual construction, shall be considered project-specific costs and shall not constitute administrative costs.

(c) “Designated local authority” shall mean a public entity formed pursuant to subdivision (d) of Section 34173.

(d) (1) “Enforceable obligation” means any of the following:

(A) Bonds, as defined by Section 33602 and bonds issued pursuant to Chapter 10.5 (commencing with Section 5850) of Division 6 of Title 1 of the Government Code, including the required debt service, reserve set-asides, and any other payments required under the indenture or similar documents governing the issuance of the outstanding bonds of the former redevelopment agency. A reserve may be held when required by the bond indenture or when the next property tax allocation will be insufficient to pay all obligations due under the provisions of the bond for the next payment due in the following half of the calendar year.

(B) Loans of moneys borrowed by the redevelopment agency for a lawful purpose, to the extent they are legally required to be repaid pursuant to a required repayment schedule or other mandatory loan terms.

(C) Payments required by the federal government, preexisting obligations to the state or obligations imposed by state law, other than passthrough payments that are made by the county auditor-controller pursuant to Section 34183, or legally enforceable payments required in connection with the agencies’ employees, including, but not limited to, pension payments, pension obligation debt service, unemployment payments, or other obligations conferred through a collective bargaining agreement. Costs incurred to fulfill collective bargaining agreements for layoffs or terminations of city employees who performed work directly on behalf of the former redevelopment agency shall be considered enforceable obligations payable from property tax funds. The obligations to employees specified in this subparagraph shall remain enforceable obligations payable from property tax funds for any employee to whom those obligations apply if that employee is transferred to the entity assuming the housing functions of the former redevelopment agency pursuant to Section 34176. The successor agency or

designated local authority shall enter into an agreement with the housing entity to reimburse it for any costs of the employee obligations.

(D) Judgments or settlements entered by a competent court of law or binding arbitration decisions against the former redevelopment agency, other than passthrough payments that are made by the county auditor-controller pursuant to Section 34183. Along with the successor agency, the oversight board shall have the authority and standing to appeal any judgment or to set aside any settlement or arbitration decision.

(E) Any legally binding and enforceable agreement or contract that is not otherwise void as violating the debt limit or public policy. However, nothing in this act shall prohibit either the successor agency, with the approval or at the direction of the oversight board, or the oversight board itself from terminating any existing agreements or contracts and providing any necessary and required compensation or remediation for such termination. Titles of or headings used on or in a document shall not be relevant in determining the existence of an enforceable obligation.

(F) Contracts or agreements necessary for the administration or operation of the successor agency, in accordance with this part, including, but not limited to, agreements concerning litigation expenses related to assets or obligations, settlements and judgments, and the costs of maintaining assets prior to disposition, and agreements to purchase or rent office space, equipment and supplies, and pay-related expenses pursuant to Section 33127 and for carrying insurance pursuant to Section 33134.

(G) Amounts borrowed from, or payments owing to, the Low and Moderate Income Housing Fund of a redevelopment agency, which had been deferred as of the effective date of the act adding this part; provided, however, that the repayment schedule is approved by the oversight board. Repayments shall be transferred to the Low and Moderate Income Housing Asset Fund established pursuant to subdivision (d) of Section 34176 as a housing asset and shall be used in a manner consistent with the affordable housing requirements of the Community Redevelopment Law (Part 1 (commencing with Section 33000)).

(2) For purposes of this part, “enforceable obligation” does not include any agreements, contracts, or arrangements between the city, county, or city and county that created the redevelopment agency and the former redevelopment agency. However, written agreements entered into (A) at the time of issuance, but in no event later than December 31, 2010, of indebtedness obligations, and (B) solely for the purpose of securing or repaying those indebtedness obligations may be deemed enforceable obligations for purposes of this part. Notwithstanding this paragraph, loan agreements entered into between the redevelopment agency and the city, county, or city and county that created it, within two years of the date of creation of the redevelopment agency, may be deemed to be enforceable obligations.

(3) Contracts or agreements between the former redevelopment agency and other public agencies, to perform services or provide funding for governmental or private services or capital projects outside of redevelopment

project areas that do not provide benefit to the redevelopment project and thus were not properly authorized under Part 1 (commencing with Section 33000) shall be deemed void on the effective date of this part; provided, however, that such contracts or agreements for the provision of housing properly authorized under Part 1 (commencing with Section 33000) shall not be deemed void.

(e) “Indebtedness obligations” means bonds, notes, certificates of participation, or other evidence of indebtedness, issued or delivered by the redevelopment agency, or by a joint exercise of powers authority created by the redevelopment agency, to third-party investors or bondholders to finance or refinance redevelopment projects undertaken by the redevelopment agency in compliance with the Community Redevelopment Law (Part 1 (commencing with Section 33000)).

(f) “Oversight board” shall mean each entity established pursuant to Section 34179.

(g) “Recognized obligation” means an obligation listed in the Recognized Obligation Payment Schedule.

(h) “Recognized Obligation Payment Schedule” means the document setting forth the minimum payment amounts and due dates of payments required by enforceable obligations for each six-month fiscal period as provided in subdivision (m) of Section 34177.

(i) “School entity” means any entity defined as such in subdivision (f) of Section 95 of the Revenue and Taxation Code.

(j) “Successor agency” means the successor entity to the former redevelopment agency as described in Section 34173.

(k) “Taxing entities” means cities, counties, a city and county, special districts, and school entities, as defined in subdivision (f) of Section 95 of the Revenue and Taxation Code, that receive passthrough payments and distributions of property taxes pursuant to the provisions of this part.

(l) “Property taxes” include all property tax revenues, including those from unitary and supplemental and roll corrections applicable to tax increment.

(m) “Department” means the Department of Finance unless the context clearly refers to another state agency.

(n) “Sponsoring entity” means the city, county, or city and county, or other entity that authorized the creation of each redevelopment agency.

(o) “Final judicial determination” means a final judicial determination made by any state court that is not appealed, or by a court of appellate jurisdiction that is not further appealed, in an action by any party.

(p) From July 1, 2014, to July 1, 2018, inclusive, “housing entity administrative cost allowance” means an amount of up to 1 percent of the property tax allocated to the Redevelopment Obligation Retirement Fund on behalf of the successor agency for each applicable fiscal year, but not less than one hundred fifty thousand dollars (\$150,000) per fiscal year.

(1) If a local housing authority assumed the housing functions of the former redevelopment agency pursuant to paragraph (2) or (3) of subdivision (b) of Section 34176, then the housing entity administrative cost allowance

shall be listed by the successor agency on the Recognized Obligation Payment Schedule. Upon approval of the Recognized Obligation Payment Schedule by the oversight board and the department, the housing entity administrative cost allowance shall be remitted by the successor agency on each January 2 and July 1 to the local housing authority that assumed the housing functions of the former redevelopment agency pursuant to paragraph (2) or (3) of subdivision (b) of Section 34176.

(2) If there are insufficient moneys in the Redevelopment Obligations Retirement Fund in a given fiscal year to make the payment authorized by this subdivision, the unfunded amount may be listed on each subsequent Recognized Obligation Payment Schedule until it has been paid in full. In these cases the five-year time limit on the payments shall not apply.

SEC. 3. Section 34177 of the Health and Safety Code is amended to read:

34177. Successor agencies are required to do all of the following:

(a) Continue to make payments due for enforceable obligations.

(1) On and after February 1, 2012, and until a Recognized Obligation Payment Schedule becomes operative, only payments required pursuant to an enforceable obligations payment schedule shall be made. The initial enforceable obligation payment schedule shall be the last schedule adopted by the redevelopment agency under Section 34169. However, payments associated with obligations excluded from the definition of enforceable obligations by paragraph (2) of subdivision (d) of Section 34171 shall be excluded from the enforceable obligations payment schedule and be removed from the last schedule adopted by the redevelopment agency under Section 34169 prior to the successor agency adopting it as its enforceable obligations payment schedule pursuant to this subdivision. The enforceable obligation payment schedule may be amended by the successor agency at any public meeting and shall be subject to the approval of the oversight board as soon as the board has sufficient members to form a quorum. In recognition of the fact that the timing of the California Supreme Court's ruling in the case *California Redevelopment Association v. Matosantos* (2011) 53 Cal.4th 231 delayed the preparation by successor agencies and the approval by oversight boards of the January 1, 2012, through June 30, 2012, Recognized Obligation Payment Schedule, a successor agency may amend the Enforceable Obligation Payment Schedule to authorize the continued payment of enforceable obligations until the time that the January 1, 2012, through June 30, 2012, Recognized Obligation Payment Schedule has been approved by the oversight board and by the Department of Finance. The successor agency may utilize reasonable estimates and projections to support payment amounts for enforceable obligations if the successor agency submits appropriate supporting documentation of the basis for the estimate or projection to the Department of Finance and the auditor-controller.

(2) The Department of Finance and the Controller shall each have the authority to require any documents associated with the enforceable obligations to be provided to them in a manner of their choosing. Any taxing entity, the department, and the Controller shall each have standing to file a

judicial action to prevent a violation under this part and to obtain injunctive or other appropriate relief.

(3) Commencing on the date the Recognized Obligation Payment Schedule is valid pursuant to subdivision (l), only those payments listed in the Recognized Obligation Payment Schedule may be made by the successor agency from the funds specified in the Recognized Obligation Payment Schedule. In addition, after it becomes valid, the Recognized Obligation Payment Schedule shall supersede the Statement of Indebtedness, which shall no longer be prepared nor have any effect under the Community Redevelopment Law (Part 1 (commencing with Section 33000)).

(4) Nothing in the act adding this part is to be construed as preventing a successor agency, with the prior approval of the oversight board, as described in Section 34179, from making payments for enforceable obligations from sources other than those listed in the Recognized Obligation Payment Schedule.

(5) From February 1, 2012, to July 1, 2012, a successor agency shall have no authority and is hereby prohibited from accelerating payment or making any lump-sum payments that are intended to prepay loans unless such accelerated repayments were required prior to the effective date of this part.

(b) Maintain reserves in the amount required by indentures, trust indentures, or similar documents governing the issuance of outstanding redevelopment agency bonds.

(c) Perform obligations required pursuant to any enforceable obligation.

(d) Remit unencumbered balances of redevelopment agency funds to the county auditor-controller for distribution to the taxing entities, including, but not limited to, the unencumbered balance of the Low and Moderate Income Housing Fund of a former redevelopment agency. In making the distribution, the county auditor-controller shall utilize the same methodology for allocation and distribution of property tax revenues provided in Section 34188.

(e) Dispose of assets and properties of the former redevelopment agency as directed by the oversight board; provided, however, that the oversight board may instead direct the successor agency to transfer ownership of certain assets pursuant to subdivision (a) of Section 34181. The disposal is to be done expeditiously and in a manner aimed at maximizing value. Proceeds from asset sales and related funds that are no longer needed for approved development projects or to otherwise wind down the affairs of the agency, each as determined by the oversight board, shall be transferred to the county auditor-controller for distribution as property tax proceeds under Section 34188. The requirements of this subdivision shall not apply to a successor agency that has been issued a finding of completion by the Department of Finance pursuant to Section 34179.7.

(f) Enforce all former redevelopment agency rights for the benefit of the taxing entities, including, but not limited to, continuing to collect loans, rents, and other revenues that were due to the redevelopment agency.

(g) Effectuate transfer of housing functions and assets to the appropriate entity designated pursuant to Section 34176.

(h) Expeditiously wind down the affairs of the redevelopment agency pursuant to the provisions of this part and in accordance with the direction of the oversight board.

(i) Continue to oversee development of properties until the contracted work has been completed or the contractual obligations of the former redevelopment agency can be transferred to other parties. Bond proceeds shall be used for the purposes for which bonds were sold unless the purposes can no longer be achieved, in which case, the proceeds may be used to defease the bonds.

(j) Prepare a proposed administrative budget and submit it to the oversight board for its approval. The proposed administrative budget shall include all of the following:

(1) Estimated amounts for successor agency administrative costs for the upcoming six-month fiscal period.

(2) Proposed sources of payment for the costs identified in paragraph (1).

(3) Proposals for arrangements for administrative and operations services provided by a city, county, city and county, or other entity.

(k) Provide administrative cost estimates, from its approved administrative budget that are to be paid from property tax revenues deposited in the Redevelopment Property Tax Trust Fund, to the county auditor-controller for each six-month fiscal period.

(l) (1) Before each six-month fiscal period, prepare a Recognized Obligation Payment Schedule in accordance with the requirements of this paragraph. For each recognized obligation, the Recognized Obligation Payment Schedule shall identify one or more of the following sources of payment:

(A) Low and Moderate Income Housing Fund.

(B) Bond proceeds.

(C) Reserve balances.

(D) Administrative cost allowance.

(E) The Redevelopment Property Tax Trust Fund, but only to the extent no other funding source is available or when payment from property tax revenues is required by an enforceable obligation or by the provisions of this part.

(F) Other revenue sources, including rents, concessions, asset sale proceeds, interest earnings, and any other revenues derived from the former redevelopment agency, as approved by the oversight board in accordance with this part.

(2) A Recognized Obligation Payment Schedule shall not be deemed valid unless all of the following conditions have been met:

(A) A Recognized Obligation Payment Schedule is prepared by the successor agency for the enforceable obligations of the former redevelopment agency. The initial schedule shall project the dates and amounts of scheduled payments for each enforceable obligation for the remainder of the time

period during which the redevelopment agency would have been authorized to obligate property tax increment had the a redevelopment agency not been dissolved.

(B) The Recognized Obligation Payment Schedule is submitted to and duly approved by the oversight board. The successor agency shall submit a copy of the Recognized Obligation Payment Schedule to the county administrative officer, the county auditor-controller, and the Department of Finance at the same time that the successor agency submits the Recognized Obligation Payment Schedule to the oversight board for approval.

(C) A copy of the approved Recognized Obligation Payment Schedule is submitted to the county auditor-controller, the Controller's office, and the Department of Finance, and is posted on the successor agency's Internet Web site.

(3) The Recognized Obligation Payment Schedule shall be forward looking to the next six months. The first Recognized Obligation Payment Schedule shall be submitted to the Controller's office and the Department of Finance by April 15, 2012, for the period of January 1, 2012, to June 30, 2012, inclusive. This Recognized Obligation Payment Schedule shall include all payments made by the former redevelopment agency between January 1, 2012, through January 31, 2012, and shall include all payments proposed to be made by the successor agency from February 1, 2012, through June 30, 2012. Former redevelopment agency enforceable obligation payments due, and reasonable or necessary administrative costs due or incurred, prior to January 1, 2012, shall be made from property tax revenues received in the spring of 2011 property tax distribution, and from other revenues and balances transferred to the successor agency.

(m) The Recognized Obligation Payment Schedule for the period of January 1, 2013, to June 30, 2013, shall be submitted by the successor agency, after approval by the oversight board, no later than September 1, 2012. Commencing with the Recognized Obligation Payment Schedule covering the period July 1, 2013, through December 31, 2013, successor agencies shall submit an oversight board-approved Recognized Obligation Payment Schedule to the Department of Finance and to the county auditor-controller no fewer than 90 days before the date of property tax distribution. The Department of Finance shall make its determination of the enforceable obligations and the amounts and funding sources of the enforceable obligations no later than 45 days after the Recognized Obligation Payment Schedule is submitted. Within five business days of the department's determination, a successor agency may request additional review by the department and an opportunity to meet and confer on disputed items. The meet and confer period may vary; an untimely submittal of a Recognized Obligation Payment Schedule may result in a meet and confer period of less than 30 days. The department shall notify the successor agency and the county auditor-controllers as to the outcome of its review at least 15 days before the date of property tax distribution.

(1) The successor agency shall submit a copy of the Recognized Obligation Payment Schedule to the Department of Finance electronically,

and the successor agency shall complete the Recognized Obligation Payment Schedule in the manner provided for by the department. A successor agency shall be in noncompliance with this paragraph if it only submits to the department an electronic message or a letter stating that the oversight board has approved a Recognized Obligation Payment Schedule.

(2) If a successor agency does not submit a Recognized Obligation Payment Schedule by the deadlines provided in this subdivision, the city, county, or city and county that created the redevelopment agency shall be subject to a civil penalty equal to ten thousand dollars (\$10,000) per day for every day the schedule is not submitted to the department. The civil penalty shall be paid to the county auditor-controller for allocation to the taxing entities under Section 34183. If a successor agency fails to submit a Recognized Obligation Payment Schedule by the deadline, any creditor of the successor agency or the Department of Finance or any affected taxing entity shall have standing to and may request a writ of mandate to require the successor agency to immediately perform this duty. Those actions may be filed only in the County of Sacramento and shall have priority over other civil matters. Additionally, if an agency does not submit a Recognized Obligation Payment Schedule within 10 days of the deadline, the maximum administrative cost allowance for that period shall be reduced by 25 percent.

(3) If a successor agency fails to submit to the department an oversight board-approved Recognized Obligation Payment Schedule that complies with all requirements of this subdivision within five business days of the date upon which the Recognized Obligation Payment Schedule is to be used to determine the amount of property tax allocations, the department may determine if any amount should be withheld by the county auditor-controller for payments for enforceable obligations from distribution to taxing entities, pending approval of a Recognized Obligation Payment Schedule. The county auditor-controller shall distribute the portion of any of the sums withheld pursuant to this paragraph to the affected taxing entities in accordance with paragraph (4) of subdivision (a) of Section 34183 upon notice by the department that a portion of the withheld balances are in excess of the amount of enforceable obligations. The county auditor-controller shall distribute withheld funds to the successor agency only in accordance with a Recognized Obligation Payment Schedule approved by the department. County auditor-controllers shall lack the authority to withhold any other amounts from the allocations provided for under Section 34183 or 34188 unless required by a court order.

(4) (A) The Recognized Obligation Payment Schedule payments required pursuant to this subdivision may be scheduled beyond the existing Recognized Obligation Payment Schedule cycle upon a showing that a lender requires cash on hand beyond the Recognized Obligation Payment Schedule cycle.

(B) When a payment is shown to be due during the Recognized Obligation Payment Schedule period, but an invoice or other billing document has not yet been received, the successor agency may utilize reasonable estimates and projections to support payment amounts for enforceable obligations if

the successor agency submits appropriate supporting documentation of the basis for the estimate or projection to the department and the auditor-controller.

(C) A Recognized Obligation Payment Schedule may also include appropriation of moneys from bonds subject to passage during the Recognized Obligation Payment Schedule cycle when an enforceable obligation requires the agency to issue the bonds and use the proceeds to pay for project expenditures.

(n) Cause a postaudit of the financial transactions and records of the successor agency to be made at least annually by a certified public accountant.

SEC. 4. Section 34191.4 of the Health and Safety Code is amended to read:

34191.4. The following provisions shall apply to any successor agency that has been issued a finding of completion by the Department of Finance:

(a) All real property and interests in real property identified in subparagraph (C) of paragraph (5) of subdivision (c) of Section 34179.5 shall be transferred to the Community Redevelopment Property Trust Fund of the successor agency upon approval by the Department of Finance of the long-range property management plan submitted by the successor agency pursuant to subdivision (b) of Section 34191.5 unless that property is subject to the requirements of any existing enforceable obligation.

(b) (1) Notwithstanding subdivision (d) of Section 34171, upon application by the successor agency and approval by the oversight board, loan agreements entered into between the redevelopment agency and the city, county, or city and county that created the redevelopment agency shall be deemed to be enforceable obligations provided that the oversight board makes a finding that the loan was for legitimate redevelopment purposes.

(2) If the oversight board finds that the loan is an enforceable obligation, the accumulated interest on the remaining principal amount of the loan shall be recalculated from origination at the interest rate earned by funds deposited into the Local Agency Investment Fund. The loan shall be repaid to the city, county, or city and county in accordance with a defined schedule over a reasonable term of years at an interest rate not to exceed the interest rate earned by funds deposited into the Local Agency Investment Fund. The annual loan repayments provided for in the recognized obligation payment schedules shall be subject to all of the following limitations:

(A) Loan repayments shall not be made prior to the 2013–14 fiscal year. Beginning in the 2013–14 fiscal year, the maximum repayment amount authorized each fiscal year for repayments made pursuant to this subdivision and paragraph (7) of subdivision (e) of Section 34176 combined shall be equal to one-half of the increase between the amount distributed to the taxing entities pursuant to paragraph (4) of subdivision (a) of Section 34183 in that fiscal year and the amount distributed to taxing entities pursuant to that paragraph in the 2012–13 base year, provided, however, that calculation of the amount distributed to taxing entities during the 2012–13 base year shall not include any amounts distributed to taxing entities pursuant to the due

diligence review process established in Sections 34179.5 to 34179.8, inclusive. Loan or deferral repayments made pursuant to this subdivision shall be second in priority to amounts to be repaid pursuant to paragraph (7) of subdivision (e) of Section 34176.

(B) Repayments received by the city, county, or city and county that formed the redevelopment agency shall first be used to retire any outstanding amounts borrowed and owed to the Low and Moderate Income Housing Fund of the former redevelopment agency for purposes of the Supplemental Educational Revenue Augmentation Fund and shall be distributed to the Low and Moderate Income Housing Asset Fund established by subdivision (d) of Section 34176.

(C) Twenty percent of any loan repayment shall be deducted from the loan repayment amount and shall be transferred to the Low and Moderate Income Housing Asset Fund, after all outstanding loans from the Low and Moderate Income Housing Fund for purposes of the Supplemental Educational Revenue Augmentation Fund have been paid.

(c) (1) Bond proceeds derived from bonds issued on or before December 31, 2010, shall be used for the purposes for which the bonds were sold.

(2) (A) Notwithstanding Section 34177.3 or any other conflicting provision of law, bond proceeds in excess of the amounts needed to satisfy approved enforceable obligations shall thereafter be expended in a manner consistent with the original bond covenants. Enforceable obligations may be satisfied by the creation of reserves for projects that are the subject of the enforceable obligation and that are consistent with the contractual obligations for those projects, or by expending funds to complete the projects. An expenditure made pursuant to this paragraph shall constitute the creation of excess bond proceeds obligations to be paid from the excess proceeds. Excess bond proceeds obligations shall be listed separately on the Recognized Obligation Payment Schedule submitted by the successor agency.

(B) If remaining bond proceeds cannot be spent in a manner consistent with the bond covenants pursuant to subparagraph (A), the proceeds shall be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation.

SEC. 5. Section 34191.5 of the Health and Safety Code is amended to read:

34191.5. (a) There is hereby established a Community Redevelopment Property Trust Fund, administered by the successor agency, to serve as the repository of the former redevelopment agency's real properties identified in subparagraph (C) of paragraph (5) of subdivision (c) of Section 34179.5.

(b) The successor agency shall prepare a long-range property management plan that addresses the disposition and use of the real properties of the former redevelopment agency. The report shall be submitted to the oversight board and the Department of Finance for approval no later than six months following the issuance to the successor agency of the finding of completion.

(c) The long-range property management plan shall do all of the following:

(1) Include an inventory of all properties in the trust. The inventory shall consist of all of the following information:

(A) The date of the acquisition of the property and the value of the property at that time, and an estimate of the current value of the property.

(B) The purpose for which the property was acquired.
