

ASSEMBLY BILL

No. 527

Introduced by Assembly Member Beth Gaines

February 20, 2013

An act to amend Section 6253 of the Government Code, relating to public records.

LEGISLATIVE COUNSEL'S DIGEST

AB 527, as introduced, Beth Gaines. California Public Records Act.

The California Public Records Act requires state and local agencies to make public records available for inspection by the public, subject to specified criteria, and with specified exceptions.

This bill would make technical, nonsubstantive changes to these provisions.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 6253 of the Government Code is amended
2 to read:
3 6253. (a) Public records are open to inspection at all times
4 during the office hours of the state or local agency and every person
5 has a right to inspect any public record, except as hereafter
6 provided. Any reasonably segregable portion of a record shall be
7 available for inspection by any person requesting the record after
8 deletion of the portions that are exempted by law.
9 (b) Except with respect to public records exempt from disclosure
10 by express provisions of law, each state or local agency, upon a

1 request for a copy of records that reasonably describes an
2 identifiable record or records, shall make the records promptly
3 available to any person upon payment of fees covering direct costs
4 of duplication, or a statutory fee if applicable. Upon request, an
5 exact copy shall be provided unless impracticable to do so.

6 (c) (1) Each agency, upon a request for a copy of records, shall,
7 within 10 days from receipt of the request, determine whether the
8 request, in whole or in part, seeks copies of disclosable public
9 records in the possession of the agency and shall promptly notify
10 the person making the request of the determination and the reasons
11 therefor. In unusual circumstances, the time limit prescribed in
12 this section may be extended by written notice by the head of the
13 agency or his or her designee to the person making the request,
14 setting forth the reasons for the extension and the date on which
15 a determination is expected to be dispatched. ~~No~~ The notice shall
16 not specify a date that would result in an extension for more than
17 14 days. When the agency dispatches the determination, and if the
18 agency determines that the request seeks disclosable public records,
19 the agency shall state the estimated date and time when the records
20 will be made available. ~~As~~

21 (2) ~~As used in this section~~ *subdivision*, “unusual circumstances”
22 means the following, but only to the extent reasonably necessary
23 to the proper processing of the particular request:

24 (1)

25 (A) The need to search for and collect the requested records
26 from field facilities or other establishments that are separate from
27 the office processing the request.

28 (2)

29 (B) The need to search for, collect, and appropriately examine
30 a voluminous amount of separate and distinct records that are
31 demanded in a single request.

32 (3)

33 (C) The need for consultation, which shall be conducted with
34 all practicable speed, with another agency having substantial
35 interest in the determination of the request or among two or more
36 components of the agency having substantial subject matter interest
37 therein.

38 (4)

1 (D) The need to compile data, to write programming language
2 or a computer program, or to construct a computer report to extract
3 data.

4 (d) ~~Nothing in this~~ *This* chapter shall *not* be construed to permit
5 an agency to delay or obstruct the inspection or copying of public
6 records. The notification of denial of any request for records
7 required by Section 6255 shall set forth the names and titles or
8 positions of each person responsible for the denial.

9 (e) Except as otherwise prohibited by law, a state or local agency
10 may adopt requirements for itself that allow for faster, more
11 efficient, or greater access to records than prescribed by the
12 minimum standards set forth in this chapter.
