[Approved by Governor August 13, 2013. Filed with

#### LEGISLATIVE COUNSEL'S DIGEST

AB 555, Salas. Social security numbers.

Existing law prohibits a person or entity, with specified exceptions, from publicly posting or displaying an individual's social security number or doing certain other acts that might compromise the security of an individual's social security number, unless otherwise required by federal or state law.

This bill would declare that those provisions do not prevent an adult state correctional facility, an adult city jail, or an adult county jail, from releasing an inmate's social security number, with the inmate's consent and upon request by the county veterans service officer or the United States Department of Veterans Affairs, for the purposes of determining the inmate's status as a military veteran and his or her eligibility for federal, state, or local veterans' benefits or services.

*The people of the State of California do enact as follows:*

SECTION 1. Section 1798.85 of the Civil Code is amended to read:

1798.85. (a) Except as provided in this section, a person or entity may not do any of the following:

(1) Publicly post or publicly display in any manner an individual's social security number. "Publicly post" or "publicly display" means to intentionally communicate or otherwise make available to the general public.

(2) Print an individual's social security number on any card required for the individual to access products or services provided by the person or entity.

(3) Require an individual to transmit his or her social security number over the Internet, unless the connection is secure or the social security number is encrypted.

(4) Require an individual to use his or her social security number to access an Internet Web site, unless a password or unique personal identification number or other authentication device is also required to access the Internet Web site.

(5) Print an individual's social security number on any materials that are mailed to the individual, unless state or federal law requires the social security number to be on the document to be mailed. Notwithstanding this paragraph, social security numbers may be included in applications and

forms sent by mail, including documents sent as part of an application or enrollment process, or to establish, amend or terminate an account, contract or policy, or to confirm the accuracy of the social security number. A social security number that is permitted to be mailed under this section may not be printed, in whole or in part, on a postcard or other mailer not requiring an envelope, or visible on the envelope or without the envelope having been opened.

(b) This section does not prevent the collection, use, or release of a social security number as required by state or federal law or the use of a social security number for internal verification or administrative purposes.

(c) This section does not prevent an adult state correctional facility, an adult city jail, or an adult county jail from releasing an inmate's social security number, with the inmate's consent and upon request by the county veterans service officer or the United States Department of Veterans Affairs, for the purposes of determining the inmate's status as a military veteran and his or her eligibility for federal, state, or local veterans' benefits or services.

(d) This section does not apply to documents that are recorded or required to be open to the public pursuant to Chapter 3.5 (commencing with Section 6250), Chapter 14 (commencing with Section 7150) or Chapter 14.5 (commencing with Section 7220) of Division 7 of Title 1 of, Article 9 (commencing with Section 11120) of Chapter 1 of Part 1 of Division 3 of Title 2 of, or Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5 of, the Government Code. This section does not apply to records that are required by statute, case law, or California Rule of Court, to be made available to the public by entities provided for in Article VI of the California Constitution.
