An act to amend Section 46170 of, and to add Section 48432.3 to, the Education Code, relating to continuation schools.

LEGISLATIVE COUNSEL'S DIGEST

AB 570, as amended, Jones-Sawyer. Continuation schools: ~~minutes of attendance policies and procedures~~: voluntary placement.

(1) Existing law establishes continuation schools to provide opportunities for pupils to complete the required academic courses of instruction to graduate from high school, to provide a program of instruction that emphasizes occupational orientation or a work-study schedule and offers intensive guidance services to meet the special needs of pupils, and to provide a program designed to meet the educational needs of each pupil, as specified. Existing law requires the governing board of each high school or unified school district that assigns pupils to continuation schools to adopt rules and regulations governing procedures for the involuntary transfer of pupils to continuation schools.

~~Existing law requires the governing board of each school district to fix the length of the schoolday for the several grades and classes of the schools maintained by the district, subject to the provisions as prescribed. Under existing law, in continuation high schools and continuation education classes, a day of attendance is 180 minutes of~~

~~attendance, but no pupil is credited with more than 15 hours of attendance per school week, proportionately reduced for those school weeks having weekday holidays on which classes are not held.~~

~~This bill would change the requirement of 180 minutes to 240 minutes for a day of attendance at a continuation high school or a continuation education class.~~

This bill would require the governing boards of school districts that operate high schools to establish and adopt policies and procedures governing the identification, placement, and intake procedures for pupils who voluntarily enroll in continuation schools, based on a finding that the voluntary placement of the pupil will promote his or her educational interests. *The bill would require that voluntary placement in continuation school not be used as an alternative to expulsion, except as specified, and would require that these policies and procedures ensure that no specific group of pupils, as specified, is disproportionately enrolled in continuation schools within the school district.* The bill would require these policies and procedures to be provided to pupils whose voluntary transfer to a continuation school is under consideration, and to the parents or legal guardians of those pupils. The bill would require that copies of these policies and procedures be made readily available to all pupils, and to all parents or legal guardians of pupils, at schoolsites and on the school's or school district's Internet Web site. The bill would require the State Department of Education to develop model standards for guiding school districts with respect to implementing the policies and procedures adopted under this bill. Because this bill establishes new duties for school districts, it would impose a state-mandated local program.

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.

*The people of the State of California do enact as follows:*

1 ~~SECTION 1. Section 46170 of the Education Code is amended~~  
2 ~~to read:~~

3 ~~46170. In continuation high schools and continuation education~~  
4 ~~classes, a day of attendance is 240 minutes of attendance, but no~~  
5 ~~pupil shall be credited with more than 15 hours of attendance per~~  
6 ~~school week, proportionately reduced for those school weeks~~  
7 ~~having weekday holidays on which classes are not held.~~

8 ~~SEC. 2.~~

9 ~~SECTION 1.~~ Section 48432.3 is added to the Education Code,  
10 to read:

11 48432.3. (a) The governing board of a school district that  
12 operates at least one high school shall establish and adopt policies  
13 and procedures governing the identification, placement, and intake  
14 procedures for pupils who voluntarily enroll in continuation  
15 schools. These policies and procedures shall ensure that there is a  
16 clear criterion for determining which pupils may voluntarily  
17 transfer or be recommended for a transfer to a continuation school  
18 and that this criterion is not applied arbitrarily, but is consistently  
19 applied on a districtwide basis. Approval for the voluntary transfer  
20 of a pupil to a continuation school shall be based on a finding that  
21 the voluntary placement will promote the educational interests of  
22 the pupil.

23 (b) The policies and procedures adopted under this section shall  
24 ~~ensure both of the following:~~

25 ~~(1) That no specific group of pupils, including a group based~~  
26 ~~on race, ethnicity, language status, or special needs, is~~  
27 ~~disproportionately enrolled in continuation schools within the~~  
28 ~~school district.~~

29 ~~(2) That ensure that~~ voluntary placement in a continuation  
30 school will not be used as an alternative to expulsion unless  
31 alternative means of addressing a pupil's behavior have been  
32 considered and documented.

33 ~~(c) The policies and procedures adopted under this section shall~~  
34 ~~strive to ensure that no specific group of pupils, including a group~~  
35 ~~based on race, ethnicity, language status, or special needs, is~~  
36 ~~disproportionately enrolled in continuation schools within the~~  
37 ~~school district.~~

38 ~~(e)~~

39 (d) A copy of the policies and procedures adopted under this  
40 section shall be provided to a pupil whose voluntary transfer to a

1 continuation school is under consideration, and to the parents or  
2 legal guardians of that pupil. Copies of these policies and  
3 procedures shall also be made readily available to all pupils, and  
4 to all parents or legal guardians of pupils, at schoolsites and on  
5 the school's or school district's Internet Web site.

6 ~~(d)~~

7 (e) The department shall develop model standards for guiding  
8 school districts with respect to implementing the policies and  
9 procedures they adopt under this section to govern the  
10 identification, placement, and intake procedures for pupils who  
11 voluntarily enroll in continuation schools.

12 ~~SEC. 3.~~

13 SEC. 2. If the Commission on State Mandates determines that  
14 this act contains costs mandated by the state, reimbursement to  
15 local agencies and school districts for those costs shall be made  
16 pursuant to Part 7 (commencing with Section 17500) of Division  
17 4 of Title 2 of the Government Code.
