ASSEMBLY BILL

No. 593

Introduced by Assembly Member Quirk

February 20, 2013

An act to amend Sections 23986, 24013, and 24014 of, and to add and repeal Section 23059 of, the Business and Professions Code, relating to alcoholic beverages.

LEGISLATIVE COUNSEL'S DIGEST

AB 593, as amended, Quirk. Alcoholic beverages: Department of Alcoholic Beverage Control.

(1) The Alcoholic Beverage Control Act is administered by the Department of Alcoholic Beverage Control and requires the department to perform various duties relating to the issuance of alcoholic beverage licences.

This bill would require the department to evaluate its onsite license review process for restaurants in order to implement a more expedited licensing process. This bill would also require the department to prepare and submit a report to the Legislature, on or before December 31, 2015, relating to the review.

(2) The Alcoholic Beverage Control Act requires specified applicants for on-sale or off-sale licensees to have a notice of the application published, as provided.

This bill would exempt from that requirement applicants that are required to provide specified notices via mail of applications for licenses, including retail licenses, and transfer of licenses, as provided.

(3) Existing law provides that protests against the issuance of a liquor license may be filed with the department. Existing law permits the Department of Alcoholic Beverage Control to reject protests, except protests made by a public agency, public official, or governing body of a city or county, it determines to be false, vexatious, or without reasonable or probable cause.

This bill would permit the department to reject protests, except protests made by a public agency, public official, or governing body of a city or county, it determines are invalid or unreasonable, as described. The bill would also require a protest submitted by a person other than an employee of the department or a public officer to be submitted by an individual and limit the protest to one signatory.

~~(4) This bill would also make legislative findings related to legislation to provide guidance and direction to the Department of Alcoholic Beverage Control and the Alcoholic Beverage Control Appeals Board.~~
