

ASSEMBLY BILL

No. 617

Introduced by Assembly Member Nazarian

February 20, 2013

An act to amend 1341.1 of the Health and Safety Code, relating to health care coverage.

LEGISLATIVE COUNSEL'S DIGEST

AB 617, as introduced, Nazarian. Health care coverage.

Existing law, the Knox-Keene Health Care Service Plan Act of 1975, provides for the licensure and regulation of health care service plans by the Department of Managed Health Care, and makes a willful violation of its provisions a crime. Existing law provides for the establishment and operation of a principal office and branch offices of the Director of the Department of Managed Health Care.

This bill would make technical, nonsubstantive changes to that provision.
