## CHAPTER \_\_\_\_\_

An act to amend Sections 8423, 8482.3, 8483.3, 35182.5, 38091, 38100, 49430, 49431, 49431.2, 49431.5, 49431.7, and 49432 of, to repeal Sections 38085, 49433, 49433.5, 49433.7, 49433.9, 49435, and 49436 of, and to repeal and add Section 49434 of, the Education Code, relating to school nutrition.

## LEGISLATIVE COUNSEL'S DIGEST

AB 626, Skinner. School nutrition.

(1) Existing law, the 21st Century High School After School Safety and Enrichment for Teens program, referred to as High School ASSETs program, provides for the establishment of a high school after-school program that consists of an academic assistance element and an enrichment element. In selecting grantees to participate in the program, existing law requires the State Department of Education to consider specified criteria and requires an applicant to certify in the application, among other things, the inclusion of a nutritional snack and a physical activity element.

This bill instead would require an applicant to certify in the application, among other things, the inclusion of a nutritional snack, meal, or both, and a physical activity element.

(2) Existing law, the After School Education and Safety Program Act of 2002, enacted by initiative statute, establishes the After School Education and Safety Program to serve pupils in kindergarten and grades 1 to 9, inclusive, and requires an entity that applies to operate a program to agree that snacks made available by the program conform to specified nutrition standards. The act requires an applicant to certify in the application, among other things, the inclusion of a nutritional snack.

This bill would also require an entity that applies to operate a program to agree that meals made available by the program conform to specified federal nutrition standards. The bill instead would require an applicant to certify in the application, among other things, the inclusion of a nutritional snack, meal, or both.

The act authorizes the Legislature to amend certain of its provisions to further its purposes by majority vote of each house.

This bill would set forth a legislative finding and declaration that the bill's provisions further the purposes of the act.

(3) Existing law requires a minimum of 50% of the items offered for sale each schoolday during regular school hours, as specified, be selected from a specified list including, among others, milk and dairy products and nonconfection grain products.

This bill would repeal these provisions.

(4) Existing law authorizes the governing board of any school district to establish cafeterias in the schools under its jurisdiction and authorizes the moneys received for the sale of food or for any services performed by the cafeterias to be paid into the county treasury to the credit of the cafeteria fund of the particular school district. Existing law requires the cafeteria fund to be used only for those expenditures authorized by the governing board of a school district as necessary for the operation of school cafeterias, including, but not limited to, expenditures for the lease or purchase of additional cafeteria equipment for the central food processing plant. Existing law authorizes the governing board of a school district to also make expenditures from the cafeteria fund for the construction, alteration, or improvement of a central food processing plant, for the installation of additional cafeteria equipment for the central food processing plant, and for the lease or purchase of vehicles used primarily in connection with the central food processing plant. Existing law also authorizes the governing board of a school district to authorize the establishment of one or more cafeteria revolving accounts whenever a cafeteria fund is operated.

This bill would instead include as an authorized expenditure of the cafeteria fund expenditures for the lease or purchase of additional equipment for the kitchen or central food processing plant. The bill would instead authorize the governing board of a school district to make expenditures from the cafeteria fund for the purchase and installation of additional preparation, cooking, or service equipment for a kitchen or central food processing plant, including necessary alterations as specified, and for the lease or purchase of vehicles used solely in connection with the kitchen or central food processing plant. The bill would repeal the authority of the governing board of a school district to create one or more cafeteria revolving accounts.

(5) Existing law requires the cost of housing and equipping cafeterias to be a charge against the funds of the school district except that the governing board of a school district is authorized to make the cost of the lease or purchase of additional cafeteria equipment for a central food processing plant, and of vending machines and their installation and housing, a charge against cafeteria funds if the governing board of the school district deems it necessary. Existing law also authorizes the governing board of a school district, if school district funds are expended for the lease or purchase of additional cafeteria equipment for a central food processing plant, or for the lease, purchase, installation, or housing of vending machines, to reimburse school district funds from cafeteria funds within 5 years after the expenditure.

This bill would instead require the cost of providing adequate housing for cafeterias, including, but not limited to, kitchen facilities, to be a charge against the funds of the school district. The bill would require the cost of the lease or purchase of cafeteria equipment and of vending machines and their installation and housing to be a charge against cafeteria funds. However, the governing board of a school district would be authorized to make the cost of the lease or purchase of cafeteria equipment for a kitchen or central food processing plant a charge against the funds of the school district if the governing board of the school district deems it necessary. The bill would also authorize the governing board of the school district, if school district funds are expended for the lease or purchase of kitchen equipment, or for the lease, purchase, installation, or housing of vending machines, as specified, to reimburse school district funds from cafeteria funds during the same fiscal year. The bill would require the governing board of a school district to only approve reimbursement for vending machines if specified conditions apply.

Existing law authorizes the governing board of a school district to make the cost of maintenance of the physical plant used in connection with cafeterias, the cost of replacement of equipment, and the cost of telephone charges, water, electricity, gas, coal, wood, fuel oil, and garbage disposal a charge against the funds of the school district.

This bill would instead authorize the governing board of a school district to make the cost of maintenance of kitchen facilities and the cost of replacement or maintenance of kitchen equipment a

charge against cafeteria funds, and would add the costs of providing drinking water in the cafeteria a charge against cafeteria funds.

(6) Existing law, the Pupil Nutrition, Health, and Achievement Act of 2001, requires each elementary school to sell only certain foods to a pupil during the schoolday, except for food items sold as part of a school fundraising event, if the items are sold by pupils of the school and the sale of those items either takes place away from school premises or takes place at least  $\frac{1}{2}$  hour after the end of the schoolday. Existing law defines “sold” and “full meal” for purposes of those provisions.

This bill would instead make those provisions applicable from  $\frac{1}{2}$  hour before the start of the schoolday to  $\frac{1}{2}$  hour after the schoolday, and would include individually sold dairy or whole grain foods among the list of foods that may be sold. The bill would revise the requirements for the sale of food at school fundraising events by deleting the requirement that the items be sold by pupils. The bill would also revise the definition of “sold” and “full meal” for purposes of those provisions.

(7) Existing law, and excluding food served as part of a United States Department of Agriculture (USDA) meal program, requires snacks and entrée items sold to a pupil in middle, junior, or high school to meet specified nutritional standards, and requires entrée items to also be categorized as entrée items in the School Breakfast Program or National School Lunch Program. Existing law authorizes the sale of food items that do not comply with these provisions in specific circumstances, including, but not limited to, if the sale of those items occurs during a school-sponsored pupil activity after the end of the schoolday.

This bill would apply these restrictions to the sale of snacks and entrées to a pupil in middle school or high school from  $\frac{1}{2}$  hour before the start of the schoolday to  $\frac{1}{2}$  hour after the schoolday, and would remove the requirement that entrée items be categorized as entrée items in the School Breakfast Program or National School Lunch Program. The bill would also repeal the authority of a middle school or high school to permit the sale of food items that do not comply with the specified nutritional standards if the sale of those items occurs during a school-sponsored pupil activity after the end of the schoolday.

(8) Existing law requires beverages that are sold to a pupil at an elementary school to meet specified nutritional standards, unless

the school authorizes the items to be sold by pupils of the school as part of a fundraising event, and the sale of those items either takes place away from school premises or takes place  $\frac{1}{2}$  hour or more after the end of the schoolday.

This bill would delete 2%-fat milk from the specified nutritional standards and would delete the provision requiring the items to be sold by pupils of the school.

(9) Existing law requires that only beverages that meet specified nutritional standards may be sold to a pupil at a middle or junior high school from  $\frac{1}{2}$  hour before the start of the schoolday to  $\frac{1}{2}$  hour after the end of the schoolday. Existing law authorizes a middle or junior high school to permit the sale of beverages that do not meet the specified nutritional standards as part of a school event if the sale of those items occurs during a school-sponsored event and takes place at the location of the event at least  $\frac{1}{2}$  hour after the end of the schoolday and vending machines, pupil stores, and cafeterias are used later than  $\frac{1}{2}$  hour after the end of the schoolday.

This bill would delete 2%-fat milk from the specified nutritional standards and would require that only beverages that meet the same specified nutritional standards may be sold to a pupil at a high school for  $\frac{1}{2}$  hour before the start of the schoolday to  $\frac{1}{2}$  hour after the end of the schoolday. The bill would also authorize a middle school or high school to permit the sale of beverages that do not meet specified nutritional standards as part of a school event if either the sale of those items takes place away from the premises of the school or the sale of those items takes place on school premises at least  $\frac{1}{2}$  hour after the end of the schoolday.

(10) Existing law prohibits a school or school district, during school hours and  $\frac{1}{2}$  hour before and after school hours, through a vending machine or school food service establishment, as defined, from making available to pupils enrolled in kindergarten, or grades 1 to 12, inclusive, food containing artificial trans fat, as defined, or use food containing artificial trans fat in the preparation of a food item served to those pupils unless the food is provided as part of a USDA meal program.

This bill would instead prohibit a school or school district, from  $\frac{1}{2}$  hour before the start of the schoolday to  $\frac{1}{2}$  hour after the end of the schoolday, from selling to pupils enrolled in kindergarten, or grades 1 to 12, inclusive, food containing artificial trans fat, as

defined, unless the food is provided as part of a USDA meal program.

(11) Existing law requires the State Department of Education to establish a 3-year pilot program related to the Pupil Nutrition, Health, and Achievement Act of 2001, commencing in the fall of the 2002–03 school year, in which a total of not less than 10 high schools, middle schools, or any combination of high schools and middle schools that apply are selected to participate.

This bill would repeal the provisions related to the pilot program.

(12) Existing law authorizes the Superintendent of Public Instruction to monitor school districts for compliance with the Pupil Nutrition, Health, and Achievement Act of 2001, and requires each school district so monitored to report to the Superintendent in the coordinated review effort regarding the extent of the school district’s compliance. Existing law requires a school district found to be noncompliant with certain provisions of that act to adopt a corrective action plan, as specified.

This bill would repeal those provisions and require that compliance with the act be monitored by the State Department of Education in conformity with the USDA’s administrative review process, as specified.

(13) This bill would also make conforming and nonsubstantive changes to these provisions.

*The people of the State of California do enact as follows:*

SECTION 1. Section 8423 of the Education Code is amended to read:

8423. (a) The department shall select grantees to participate in the 21st Century High School After School Safety and Enrichment for Teens program from among applicants that apply on forms and in a manner prescribed by the department. To the extent possible, the selection of applicants by the department shall result in an equitable distribution of grant awards to applicants in northern, southern, and central California, and in urban, suburban, and rural areas of the state.

(b) The department shall consider the following criteria in awarding grants:

(1) Strength of the educational element and alignment with state academic standards, preparation for the high school exit examination, and other academic interventions.

(2) Strength of the enrichment element.

(3) Evidence of community collaboration, including demonstrated support of the principal and staff from participating schools.

(4) A description of the manner in which programs will provide a safe physical and emotional environment and opportunities for relationship building, and promote active pupil engagement.

(5) A description of the manner in which the program design will be periodically reexamined in order to maintain strong pupil interest.

(6) A description of plans to attract pupils, particularly pupils considered at risk or in need of academic support, on a regular basis.

(c) The application shall certify all of the following:

(1) Completion of an assessment of pupils' preferences for program activities.

(2) Access to, and availability of, computers and technology.

(3) Inclusion of a nutritional snack, meal, or both, and a physical activity element.

(4) That the program will meet all of the evaluation requirements.

(5) Fiscal accountability.

SEC. 2. Section 8482.3 of the Education Code is amended to read:

8482.3. (a) The After School Education and Safety Program shall be established to serve pupils in kindergarten and grades 1 to 9, inclusive, at participating public elementary, middle, junior high, and charter schools.

(b) A program may operate a before school component of a program, an after school component, or both the before and after school components of a program, on one or multiple schoolsites. If a program operates at multiple schoolsites, only one application shall be required for its establishment.

(c) (1) Each component of a program established pursuant to this article shall consist of the following two elements:

(A) An educational and literacy element in which tutoring or homework assistance is provided in one or more of the following

areas: language arts, mathematics, history and social science, computer training, or science.

(B) An educational enrichment element, that may include, but need not be limited to, fine arts, career technical education, recreation, physical fitness, and prevention activities.

(2) Notwithstanding any other provision of this article, the majority of the time spent by a pupil who is in kindergarten or any of grades 1 to 9, inclusive, and who is participating in a career technical education element of a program established pursuant to this article shall be at a site that complies with Section 8484.6.

(d) (1) Applicants shall agree that snacks made available through a program shall conform to the nutrition standards in Article 2.5 (commencing with Section 49430) of Chapter 9 of Part 27 of Division 4 of Title 2.

(2) Applicants shall agree that meals made available through a program shall conform to the nutrition standards of the United States Department of Agriculture’s at-risk afterschool meal component of the Child and Adult Care Food Program (42 U.S.C. Sec. 1766).

(e) Applicants for programs established pursuant to this article may include any of the following:

(1) A local educational agency, including, but not limited to, a charter school, the California School for the Deaf (northern California), the California School for the Deaf (southern California), and the California School for the Blind.

(2) A city, county, or nonprofit organization in partnership with, and with the approval of, a local educational agency or agencies.

(f) Applicants for grants pursuant to this article shall ensure that each of the following requirements is fulfilled, if applicable:

(1) The application documents the commitments of each partner to operate a program on that site or sites.

(2) The application has been approved by the school district, or the charter school governing body, and the principal of each participating school for each schoolsite or other site.

(3) Each partner in the application agrees to share responsibility for the quality of the program.

(4) The application designates the public agency or local educational agency partner to act as the fiscal agent. For purposes of this section, “public agency” means only a county board of

supervisors or if the city is incorporated or has a charter, a city council.

(5) Applicants agree to follow all fiscal reporting and auditing standards required by the department.

(6) Applicants agree to incorporate into the program both of the elements required pursuant to subdivision (c).

(7) Applicants agree to provide information to the department for the purpose of program evaluation pursuant to Section 8483.55.

(8) Applicants shall certify that program evaluations will be based upon Section 8484 and upon any requirements recommended by the Advisory Committee on Before and After School Programs and adopted by the state board, in compliance with subdivision (g) of Section 8482.4.

(9) The application states the targeted number of pupils to be served by the program.

(10) Applicants agree to provide the following information on participating pupils to the department:

(A) Schoolday attendance rates.

(B) Pupil test scores from the Standardized Testing and Reporting Program established under Section 60640, reflecting achievement in the areas addressed by required program elements, if assessments have been established in that area.

(C) Program attendance.

(g) (1) Grantees shall review their after school program plans every three years, including, but not limited to, all of the following:

(A) Program goals. A grantee may specify any new program goals that will apply to the following three years during the grant renewal process.

(B) Program content, including the elements identified in subdivision (c).

(C) Outcome measures selected from those identified in subdivision (a) of Section 8484 that the grantee will use for the next three years.

(D) Any other information requested by the department.

(E) If the program goals or outcome measures change as a result of this review, the grantee shall notify the department in a manner prescribed by the department.

(F) The grantee shall maintain documentation of the after school program plan for a minimum of five years.

(2) The department shall monitor this review as part of its onsite monitoring process.

SEC. 3. Section 8483.3 of the Education Code, as amended by Section 18 of Chapter 380 of the Statutes of 2006, is amended to read:

8483.3. (a) The department shall select applicants to participate in the program established pursuant to this article from among applicants that apply on forms and in a manner prescribed by the department. It is the intent of the Legislature that the manner prescribed by the department, to the extent possible, allow for short and concise applicant responses. To the extent possible, the selection of applicants by the department shall result in an equitable distribution of grant awards pursuant to Section 8483.7 to applicants in northern, southern, and central California, and in urban, suburban, and rural areas of California.

(b) The department shall consider the following in selecting schools to participate in the program established pursuant to this article:

(1) Percentage of pupils eligible for free and reduced lunch.

(2) Other indicators of need for the program, including, but not limited to, socioeconomic status of the neighborhoods in which participating pupils reside, the percentage of English language learners at the school, and the availability of programs in the community in which participating pupils reside.

(c) The application shall certify all of the following:

(1) Inclusion of an educational element.

(2) Inclusion of an enrichment element. These opportunities may include arts, career technical education, recreation, technology, and other activities to support positive youth development.

(3) That the program will provide a safe physical and emotional environment and opportunities for relationship building, and promote active pupil engagement.

(4) Staff training and development will be provided.

(5) Integration with the regular schoolday and other extended learning opportunities.

(6) Community collaboration, including, but not limited to, demonstrated support of the schoolsite principal and staff.

(7) Opportunities for physical activity.

(8) Inclusion of a nutritional snack, meal, or both.

(9) Fiscal accountability.

(10) Availability of required local matching funds.

(11) That the program will meet all of the evaluation requirements.

(d) Subdivision (b) does not apply to an applicant school that meets the priority criteria described in subdivision (a) of Section 8482.5.

SEC. 4. Section 35182.5 of the Education Code is amended to read:

35182.5. (a) The Legislature finds and declares all of the following:

(1) State and federal laws require all schools participating in meal programs to provide nutritious food and beverages to pupils.

(2) State and federal laws restrict the sale of food and beverages in competition with meal programs to enhance the nutritional goals for pupils, and to protect the fiscal and nutritional integrity of the school food service programs.

(3) Parents, pupils, and community members should have the opportunity to ensure, through the review of food and beverage contracts, that food and beverages sold on school campuses provide nutritious sustenance to pupils, promote good health, help pupils learn, provide energy, and model fit living for life.

(b) For purposes of this section, the following terms have the following meanings:

(1) “Nonnutritious beverages” means any beverage that is not any of the following:

(A) Drinking water.

(B) Milk, including, but not limited to, chocolate milk, soy milk, rice milk, and other similar dairy or nondairy milk.

(C) An electrolyte replacement beverage that contains 42 grams or less of added sweetener per 20 ounce serving.

(D) A 100 percent fruit juice, or fruit-based drink that is composed of 50 percent or more fruit juice and that has no added sweeteners.

(2) “Added sweetener” means any additive that enhances the sweetness of the beverage, including, but not limited to, added sugar, but does not include the natural sugar or sugars that are contained within any fruit juice that is a component of the beverage.

(3) “Nonnutritious food” means food that is not sold as part of the school breakfast or lunch program as a full meal, and that meets any of the following standards:

(A) More than 35 percent of its total calories are from fat.

(B) More than 10 percent of its total calories are from saturated fat.

(C) More than 35 percent of its total weight is composed of sugar. This subparagraph does not apply to the sale of fruits or vegetables.

(c) The governing board of a school district shall not do any of the following:

(1) Enter into or renew a contract or permit a school within the district to enter into or renew a contract that grants exclusive or nonexclusive advertising or grants the right to the exclusive or nonexclusive sale of carbonated beverages or nonnutritious beverages or nonnutritious food within the district to a person, business, or corporation, unless the governing board of the school district does all of the following:

(A) Adopts a policy after a public hearing of the governing board of the school district to ensure that the school district has internal controls in place to protect the integrity of the public funds and to ensure that funds raised benefit public education, and that the contracts are entered into on a competitive basis pursuant to procedures contained in Section 20111 of the Public Contract Code or through the issuance of a Request for Proposal.

(B) Provides to parents, guardians, pupils, and members of the public the opportunity to comment on the contract by holding a public hearing on the contract during a regularly scheduled board meeting. The governing board of the school district shall clearly, and in a manner recognizable to the general public, identify in the agenda the contract to be discussed at the meeting.

(2) Enter into a contract that prohibits a school district employee from disparaging the goods or services of the party contracting with the governing board of the school district.

(3) Enter into a contract or permit a school within the district to enter into a contract for electronic products or services that requires the dissemination of advertising to pupils, unless the governing board of the school district does all of the following:

(A) Enters into the contract at a noticed public hearing of the governing board of the school district.

(B) Makes a finding that the electronic product or service in question is or would be an integral component of the education of pupils.

(C) Makes a finding that the school district cannot afford to provide the electronic product or service unless it contracts to permit dissemination of advertising to pupils.

(D) Provides written notice to the parents or guardians of pupils that the advertising will be used in the classroom or other learning centers. This notice shall be part of the school district's normal ongoing communication to parents or guardians.

(E) Offers the parents the opportunity to request in writing that the pupil not be exposed to the program that contains the advertising. Any request shall be honored for the school year in which it is submitted, or longer if specified, but may be withdrawn by the parents or guardians at any time.

(d) A governing board of the school district may meet the public hearing requirement set forth in subparagraph (B) of paragraph (1) of subdivision (c) for those contracts that grant the right to the exclusive or nonexclusive sale of carbonated beverages or nonnutritious beverages or nonnutritious food within the district, by an annual public hearing to review and discuss existing and potential contracts for the sale of food and beverages on campuses, including food and beverages sold as full meals, through competitive sales, as fundraisers, and through vending machines.

(1) The public hearing shall include, but not be limited to, a discussion of all of the following:

(A) The nutritional value of food and beverages sold within the district.

(B) The availability of fresh fruit, vegetables, and grains in school meals and snacks, including, but not limited to, locally grown and organic produce.

(C) The amount of fat, sugar, and additives in the food and beverages discussed.

(D) Barriers to pupil participation in school breakfast and lunch programs.

(2) A school district that holds an annual public hearing consistent with this subdivision is not released from the public hearing requirements set forth in subparagraph (B) of paragraph (1) of subdivision (c) for those contracts not discussed at the annual public hearing.

(e) The governing board of the school district shall make accessible to the public any contract entered into pursuant to paragraph (1) of subdivision (c) and may not include in that

contract a confidentiality clause that would prevent a school or school district from making any part of the contract public.

(f) The governing board of a school district may sell advertising, products, or services on a nonexclusive basis.

(g) The governing board of a school district may post public signs indicating the school district's appreciation for the support of a person or business for the school district's education program.

(h) Contracts entered into before January 1, 2004, may remain in effect, but may not be renewed if they are in conflict with this section.

SEC. 5. Section 38085 of the Education Code is repealed.

SEC. 6. Section 38091 of the Education Code is amended to read:

38091. (a) The cafeteria fund shall be used only for those expenditures authorized by the governing board of a school district as necessary for the operation of school cafeterias, including, but not limited to, expenditures for the lease or purchase of additional cafeteria equipment for the kitchen or central food processing plant, vending machines and their installation and housing, and computer equipment and related software.

(b) The governing board of any school district, or of two or more school districts governed by governing boards of identical personnel, may also make expenditures from the cafeteria fund for the purchase and installation of additional preparation, cooking, or service equipment for a kitchen or central food processing plant, including necessary alterations incidental to the installation of the equipment, and for the lease or purchase of vehicles used solely in connection with the kitchen or central food processing plant.

SEC. 7. Section 38100 of the Education Code is amended to read:

38100. (a) The cost of providing adequate housing for cafeterias, including, but not limited to, kitchen facilities, is a charge against the funds of the school district. The cost of the lease or purchase of cafeteria equipment and of vending machines and their installation and housing shall be a charge against cafeteria funds, in accordance with Section 38091. However, when the governing board of a school district deems it necessary, the governing board of a school district may make the cost of the lease or purchase of cafeteria equipment for a kitchen or central food processing plant, and vending machines and their installation and

housing a charge against the funds of the school district. If school district funds are expended for the lease or purchase of kitchen equipment or for the lease, purchase, installation, or housing of vending machines, the governing board of the school district may at any time during the same fiscal year after the expenditure reimburse school district funds from cafeteria funds. The governing board of a school district shall only approve reimbursement for vending machines if one, or both, of the following apply:

(1) The vending machines are owned and operated by the school food services department, sell meals that qualify for federal meal program reimbursement, and are equipped with appropriate point of service meal counting software.

(2) The vending machines sell only food, or only beverages, or both that comply with state and federal competitive food laws and regulations.

(b) The governing board of a school district may by resolution make the cost of maintenance of the kitchen facilities, the cost of replacement or maintenance of kitchen equipment, and costs of telephone charges, water, drinking water in the cafeteria, electricity, gas, coal, wood, fuel, oil, and garbage disposal related to food service and delivery a charge against cafeteria funds, provided that the school district complies with all applicable state and federal laws and regulations.

SEC. 8. Section 49430 of the Education Code is amended to read:

49430. As used in this article, the following terms have the following meanings:

(a) “Elementary school” means a school operated and maintained by a school district or county office of education that maintains any grade from kindergarten to grade 6, inclusive, but no grade higher than grade 6.

(b) “Middle school” means a school operated and maintained by a school district or county office of education that maintains grade 7 or 8, 7 to 9, inclusive, or 7 to 10, inclusive.

(c) “High school” means a school operated and maintained by a school district or county office of education maintaining any of grades 9 to 12, inclusive.

(d) “Full meal” means a combination of food items that meet USDA-approved School Breakfast Program or National School Lunch Program meal pattern requirements.

(e) “Added sweetener” means an additive other than 100 percent fruit juice that enhances the sweetness of a beverage.

(f) “Sold” means the exchange of food or beverages for money, coupons, vouchers, or order forms, when any part of the exchange occurs on a school campus.

(g) “Entrée” means a food that is generally regarded as being the primary food in a meal, and shall include, but not be limited to, sandwiches, burritos, pasta, and pizza.

(h) “Snack” means a food that is generally regarded as supplementing a meal, including, but not limited to, chips, crackers, onion rings, nachos, french fries, donuts, cookies, pastries, cinnamon rolls, and candy.

(i) “Deep fried” means a food item is cooked by total submersion in oil or fat.

(j) “Par fried” means a food item is fried to reach an internal temperature of 160 degrees Fahrenheit then is cooled to room temperature so that it may be refrigerated or frozen for future frying.

(k) “Flash fried” means a food item is quickly fried on both sides in oil with a temperature of 400 degrees Fahrenheit or higher.

SEC. 9. Section 49431 of the Education Code is amended to read:

49431. (a) (1) From one-half hour before the start of the schoolday to one-half hour after the schoolday, at each elementary school, the only food that may be sold to a pupil are full meals, individually sold dairy or whole grain foods, and individually sold portions of nuts, nut butters, seeds, eggs, cheese packaged for individual sale, fruit, vegetables that have not been deep fried, and legumes.

(2) An individually sold dairy or whole grain food item, and individually sold portions of nuts, nut butters, seeds, eggs, cheese packaged for individual sale, fruit, vegetables that have not been deep fried, and legumes may be sold to pupils at an elementary school, except food sold as part of a USDA meal program, if they meet all of the following standards:

(A) Not more than 35 percent of its total calories shall be from fat. This subparagraph shall not apply to individually sold portions of nuts, nut butters, seeds, eggs, cheese packaged for individual sale, fruit, vegetables that have not been deep fried, or legumes.

(B) Not more than 10 percent of its total calories shall be from saturated fat. This subparagraph shall not apply to eggs or cheese packaged for individual sale.

(C) Not more than 35 percent of its total weight shall be composed of sugar, including naturally occurring and added sugar. This subparagraph shall not apply to fruit or vegetables that have not been deep fried.

(D) Not more than 175 calories per individual food item.

(b) An elementary school may permit the sale of food items that do not comply with subdivision (a) as part of a school fundraising event in either of the following circumstances:

(1) The sale of those items takes place off of and away from school premises.

(2) The sale of those items takes place on school premises at least one-half hour after the end of the schoolday.
