

ASSEMBLY BILL

No. 659

Introduced by Assembly Member Nazarian

February 21, 2013

An act to amend Section 8006 of the Education Code, relating to career technical education.

LEGISLATIVE COUNSEL'S DIGEST

AB 659, as introduced, Nazarian. Career technical education.

Existing law establishes within the State Department of Education a career technical education staff responsible for the design, implementation, and maintenance of a basic integrated statewide information system for career technical education and technical training. Existing law requires the Board of Governors of the California Community Colleges to collect and maintain information related to career technical education and technical training within the California Community Colleges for inclusion within the integrated statewide information system.

This bill would make nonsubstantive changes to these provisions.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 8006 of the Education Code is amended
2 to read:
3 8006. (a) There is, in the ~~State Department of Education~~
4 *department* a career technical education staff responsible for the
5 design, implementation, and maintenance of a basic integrated

1 statewide information system for career technical education and
2 technical training. The Board of Governors of the California
3 Community Colleges shall collect and maintain information related
4 to career technical education and technical training within the
5 California Community Colleges for inclusion within the integrated
6 statewide information system.

7 (b) The data gathering and analysis capabilities of the system
8 described in subdivision (a) shall include, but not be limited to,
9 maintaining comprehensive inventory of all programs of all career
10 technical education and technical training programs ~~which~~ *that*
11 are maintained by the public schools.
