An act to amend Section 53395.4 of the Government Code, relating to local government.

LEGISLATIVE COUNSEL'S DIGEST

AB 662, as introduced, Atkins. Local government: infrastructure financing districts.

Existing law authorizes the creation of infrastructure financing districts, as defined, for the sole purpose of financing public facilities, subject to adoption of a resolution by the legislative body and affected taxing entities proposed to be subject to the division of taxes and voter approval requirements. Existing law prohibits on infrastructure financing district from including any portion of a redevelopment project area. Existing law, effective February 1, 2012, dissolved all redevelopment agencies and community development agencies and provides for the designation of successor agencies, as specified.

This bill would delete the prohibition on infrastructure financing district including any portion of a redevelopment project area.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.
