ASSEMBLY BILL

No. 808

Introduced by Assembly Member Fong

February 21, 2013

An act to amend Section 4938 of the Business and Professions Code, relating to acupuncture.

LEGISLATIVE COUNSEL'S DIGEST

AB 808, as amended, Fong. Acupuncture: license requirements.

Existing law, the Acupuncture Licensure Act, provides for an Acupuncture Board within the Department of Consumer Affairs to license and regulate the practice of acupuncture. Existing law requires the board to issue a license to practice acupuncture to a person who files an application, pays a fee, and meets specified criteria, including taking a written examination and completing a clinical internship program.

This bill would require an applicant for a license to practice acupuncture to also pass a practical examination administered by the board *on and after January 1, 2016*.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 4938 of the Business and Professions
- 2 Code is amended to read:
